STARGATE SG-1 - "Crusade" - Episode #0919

TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

TEASER

01:01:09:00 SILER (O/S): Morning.

01:01:10:11 VALA: Have you seen Colonel Mitchell?

01:01:12:05 SILER: Men's locker.

01:01:22:25 MAN (O/S): Morning.

01:01:34:10 (WHISTLING)

01:01:45:10 MITCHELL (O/S): Jackson?

01:01:46:20 MITCHELL (CONT'D): Is there something I should know?

END OF TEASER

STARGATE SG-1 - "Crusade" - Episode #0919

ACT ONE

01:03:12:20 MITCHELL (O/S): How...

01:03:12:28 MITCHELL (CONT'D): is this possible?

01:03:16:05 CARTER: Oh, my God. It worked. I mean, it's working.

01:03:23:10 CARTER (CONT'D): We didn't think we were ever going to make this work.

01:03:25:11 MITCHELL: Make what work?

01:03:27:28 CARTER: Well, since you disintegrated the Alteran communication stones and the
 base terminal in the kawoosh...

01:03:31:23 MITCHELL: I'm sorry, the what?

01:03:33:06 CARTER: The unstable vortex of a forming wormhole-- Kawoosh.

01:03:36:10 MITCHELL: Don't think I've ever heard you call it that before.

01:03:37:27 CARTER (O/S): Really?

01:03:39:07 MITCHELL (O/S): Don't get me wrong. It's good.

01:03:40:07 CARTER: No, I mean...

STARGATE SG-1 - "Crusade" - Episode #0919

01:03:41:05 CARTER (CONT'D O/S): I'm sure I--

01:03:41:03 VALA (INTERRUPTING): Hello? Hi.

01:03:42:07 VALA (CONT'D O/S): Uh, my name is Vala, but I'm in...

01:03:43:27 VALA (CONT'D): Daniel Jackson right now.

01:03:46:08 CARTER: Anyway, we've been working on a way of artificially emulating the
Alteran technology. Dr. Lee was able to collect...

01:03:52:22 CARTER (CONT'D O/S): quite a bit of data from the time that you were
unconscious and communicating with the people from the Ori galaxy...

01:03:57:00 VALA: Hmm.

01:03:57:15 CARTER (O/S): so using that and this Tok'ra subspace communicator, we've
been trying to mimic the frequencies sent and received by the stones.
We just didn't think we were having any luck.

01:04:05:13 VALA: Well, I'm really glad you are. I-I was desperately hoping this--

01:04:07:18 MITCHELL (INTERRUPTING): So you're in the Ori galaxy?

01:04:08:23 VALA: Yes.

STARGATE SG-1 - "Crusade" - Episode #0919

01:04:10:05 CARTER: Are you able to communicate with Daniel?

01:04:11:13 VALA: No. Just see and hear you.

01:04:13:14 CARTER (O/S): See, we've been using the data collected from the...

01:04:15:23 CARTER (CONT'D): stone that Daniel activated on this end, which is why you're
connected to his body.

01:04:20:29 VALA: Hmm. That's funny, isn't it? Daniel always wanted to get into my pants, and
now I'm in his.

01:04:26:10 MITCHELL: Oh, that's not funny.

01:04:26:24 VALA: Hmm?

01:04:27:26 MITCHELL: He can't defend himself.

01:04:29:10 CARTER: Yeah, okay. You, Vala, were the only other person on this end to touch
a...

01:04:34:10 CARTER (CONT'D O/S): stone, so...

01:04:35:05 VALA: Oh, I get it, I get it. I can't exactly connect to myself if I'm not here, so the
thing--

STARGATE SG-1 - "Crusade" - Episode #0919

01:04:38:00 MITCHELL (INTERRUPTING): You know, last time, we couldn't break the connection.

01:04:39:26 CARTER: Well, that should be easy this time. We just shut down the computer.

01:04:42:03 VALA: No! I mean, uh-- not yet. I didn't just drop in to say hello. I have something very important to tell you.

01:04:51:11 VALA (CONT'D) & DANIEL (V/O OVER MONITOR): I remember staggering into the rings. There were bolts of energy everywhere.

01:04:55:12 CARTER (O/S): We suspected that the matterstream was sucked into the black hole.

01:04:58:15 LANDRY: We all appreciate the part you played in destroying the enemy beachhead.

01:05:02:13 VALA (O/S): Don't mention it.

01:05:05:10 VALA (CONT'D): By "part," I assume you mean "lead role."

01:05:08:10 LANDRY (O/S): We're happy to hear...

01:05:09:16 LANDRY (CONT'D): that you're okay.

01:05:10:25 VALA: Actually, for the record, I never said I was okay.

01:05:13:05 LANDRY (O/S): Actually the...

01:05:13:20 LANDRY (CONT'D): timing of this is...

01:05:15:15 LANDRY (CONT'D O/S): a little awkward.

01:05:16:22 CARTER (O/S): Sir, if we disconnect...

01:05:17:08 CARTER (CONT'D): now there's no guarantee that we can re-establish the link.

01:05:19:21 LANDRY: Dr. Jackson was supposed to join me to meet with the Russian and
Chinese representatives of the I.O.A. in about a half an hour. They
requested that he be there and said it was a matter of great importance.

01:05:30:05 VALA: Not as important as what I have to tell you, believe me. I'll try and be as
quick as I can and then you can have Daniel back, I promise.

01:05:39:16 VALA (CONT'D): Uh, so, the next thing I remember was waking up in a bed...

01:05:42:11 VALA (CONT'D O/S): in a village like Ver Ager. That's the one that Harrid...

01:05:45:18 VALA (CONT'D): and Sallis lived in. They're the people that Daniel and I inhabited
for a while.

01:05:53:11 VALA (CONT'D V/O): Anyway, it turns out this village was called Ver Isca.

STARGATE SG-1 - "Crusade" - Episode #0919

01:05:56:15 (WATER SLURPING)

01:05:58:21 VALA: Uh... you know, this water... is lovely, but I think Daniel skipped breakfast,
and I suddenly have a craving for pancakes and ice cream—

01:06:10:14 VALA (CONT'D O/S): double chocolate fudge brownie if...

01:06:13:13 VALA (CONT'D): memory serves?

01:06:16:09 VALA (CONT'D): Oh, I'll -- I'll continue while you rustle that up.

01:06:21:07 VALA (CONT'D): Thanks. So, where was I?

01:06:25:10 MITCHELL: In bed.

01:06:25:28 VALA: Ah, yes, in bed. A man named Tomin had apparently found me...

01:06:30:05 VALA (CONT'D V/O): lying unconscious in the rings and had thought the gods
had sent me to him... which I let him continue to believe.

01:06:42:03 VALA: Hi.

01:06:44:10 TOMIN: Do you feel strong enough to get up and go for a walk today?

01:06:46:20 VALA: Maybe.

STARGATE SG-1 - "Crusade" - Episode #0919

01:06:53:12 TOMIN: I'll be back after Prostration.

01:06:56:12 VALA: Have fun.

01:06:59:28 TOMIN: Thank you.

01:07:08:11 VALA (V/O): It was obvious he was smitten.

01:07:10:27 VALA (CONT'D) & DANIEL (V/O OVER MONITOR): Who could blame him, right?

01:07:13:20 VALA (CONT'D): Mm. Thanks.

01:07:17:16 VALA (CONT'D): What?

01:07:25:16 VALA (CONT'D): Thanks. I do realize he was a devout Ori follower...

01:07:30:01 VALA (CONT'D O/S): and probably would have been standing on the front line
cheering while they burned me to death if he knew the truth about me
but...

01:07:36:01 VALA (CONT'D): he was very sweet in his own way...

STARGATE SG-1 - "Crusade" - Episode #0919

- 01:07:39:26 VALA (CONT'D V/O): and not bad looking, actually. I think Tomin had been on his own before I came along, mostly due to a limp that had left him crippled since childhood. He didn't like to talk about it much, but I could see that the other villagers looked down on him because of it. In their minds, the Ori must have deemed him unfit for normalcy, so that's how they chose to see him.
- 01:08:09:11 VALA (CONT'D): I did my best to blend in. At first, according to Tomin, and therefore as far as the villagers were concerned, I was the woman who fell from...
- 01:08:16:12 VALA (CONT'D O/S): the sky, which made me feel kind of special.
- 01:08:19:18 VALA (CONT'D): I later learned that they always suspected I'd escaped from another village as a result of some scandal, and then I started to feel much more like I'm used to.
- 01:08:29:05 (FLAME BLASTING)
- 01:08:31:15 VALA (CONT'D V/O): What worried me most were the Ori. While no one had actually seen me or Daniel in person, that didn't mean that Ascended Beings couldn't recognize me. After a while, I started to think and hope that maybe things were going to be okay.
- 01:08:51:08 VALA (CONT'D): Ultimately, my goal was to try and find a way back here, or at the very least, try and communicate with you...

01:08:56:12 VALA (CONT'D V/O): to let you know what was going on. So, I figured my best bet was to root out any of Fannis's gang from the anti-Ori underground, see if they had any technology or any information about an Ori stargate I might possibly gain access to, but I had to be very careful. The village was run by this complete bear of a man named Seevis, who was both barkeep and administrator, which seemed the oddest contradiction. He claimed to be the most pious man in the village, and if anyone strayed from the path of righteousness, it was Seevis who made sure you were severely punished for it. But... seems to be a lot more leeway for sin in the religion of Origin than one would presume from all the preaching.

01:09:43:29 MITCHELL: So, it's just like my grandma used to say-- "No point going to confession if you ain't got nothing to confess."

01:09:52:05 VALA: Exactly.

01:09:52:29 SEEVIS (V/O): By the Gods...

01:09:54:11 SEEVIS (CONT'D): I do not know what the Ori blessed you with, because it was not brains, and it was not looks. What makes you think that something like her would have anything to do with a rodent like you without reason, huh?

01:10:07:05 HALSTROM: I'll pay, I swear.

STARGATE SG-1 - "Crusade" - Episode #0919

01:10:08:15 SEEVIS: Oh, I know you will. Or I will make you wish you were being burned alive

01:10:13:05 SEEVIS (CONT'D O/S): by the fires of Celestis. Huh?

01:10:23:20 SEEVIS (CONT'D): I have picked things more precious out from between my toes.
 Uh!

01:10:32:05 VALA (V/O): I soon realized it wasn't a contradiction at all.

01:10:37:10 VALA (CONT'D): Seevis was doing the work of the gods by making sure this
 village had every reason in the world to Prostrate...

01:10:43:15 VALA (CONT'D O/S): making him a very rich and very powerful man in the
 process.

01:10:47:10 LANDRY: Believe me, I...

01:10:48:01 LANDRY (CONT'D): usually applaud the colorful details of a good story,
 especially when told with such interesting intergalactic...

01:10:53:20 LANDRY (CONT'D O/S): and body-snatching means, but Daniel and...

01:10:56:10 LANDRY (CONT'D): I are late to meet with the Russian and Chinese
 representatives.

01:11:01:10 TEAL'C: You stated that you had information of great importance.

STARGATE SG-1 - "Crusade" - Episode #0919

01:11:03:25 VALA: I do, I do, and I'm getting to it.

01:11:05:19 MITCHELL (O/S): We got the back-story.

01:11:07:16 MITCHELL (CONT'D): Tomin is a nice guy. Seevis is a butthead. How about you skip ahead...

01:11:12:16 MITCHELL (CONT'D O/S): a little?

01:11:13:25 VALA: Fine.

01:11:17:10 VALA (CONT'D V/O): Tomin and I got married.

01:11:18:15 CARTER: Whoa, married?

01:11:19:26 VALA: Stay with me. I had no choice.

01:11:22:07 VALA (CONT'D O/S): I told you, he was very devout, and there's no way he would have...

01:11:24:16 VALA (CONT'D): slept with me out of wedlock.

01:11:30:15 MITCHELL: Okay, maybe we skipped ahead a little too far.

01:11:33:10 VALA: Well, I tried to lay it out in order.

01:11:35:28 VALA (CONT'D): Ooh, that's a bad choice of words.

01:11:38:07 CARTER: Okay. Why exactly did you have no choice?

01:11:41:18 VALA: You know what those people do to you when you do something wrong?
They burn you alive.

01:11:45:03 MITCHELL: And why would they burn you alive this time?

01:11:47:21 VALA & DANIEL (V/O OVER SCREEN): For getting pregnant out of wedlock.

01:11:52:13 MITCHELL: You're pregnant?

01:11:53:07 VALA: Yes.

01:11:56:09 VALA (CONT'D) & DANIEL (V/O OVER SCREEN): I keep forgetting you can't
actually see me.

01:11:58:15 VALA (CONT'D O/S): When I realized why I was feeling sick all the time, I figured
I had to do something.

01:12:02:28 VALA (CONT'D): I decided my only choice was to marry Tomin as quickly as
possible and pray the timing was close enough so he could be convinced
the baby was his.

STARGATE SG-1 - "Crusade" - Episode #0919

01:12:09:07 MITCHELL (O/S): All right...

01:12:10:07 MITCHELL (CONT'D): hold the phone. And I ask this not 100% sure that I want to
know the answer...

01:12:18:10 MITCHELL (CONT'D): Whose baby is it?

01:12:19:22 VALA: That's the thing. I don't know.

01:12:24:10 CARTER: As in...?

01:12:25:00 VALA (O/S): I swear.

01:12:26:08 VALA (CONT'D): I did none of the necessary bits.

01:12:33:15 VALA (CONT'D): Between my arrival in the Ori galaxy and my wedding night,
which was definitely after I knew for sure, there is no way humanly
possible that I know of that I could have gotten pregnant.

END OF ACT ONE

ACT TWO

01:13:13:10 VALA (O/S): Someone going to say something?

01:13:16:25 VALA (CONT'D) & DANIEL (V/O OVER SCREEN): Anybody?

01:13:23:17 TEAL'C: You have been impregnated without copulation?

01:13:26:25 VALA (O/S): Yes, and I'm absolutely...

01:13:27:29 VALA (CONT'D): terrified. Have any of you ever heard of anything like it?

01:13:37:25 MITCHELL: Well, there's one...

01:13:39:16 TEAL'C: Darth Vader.

01:13:42:05 VALA: Really?

01:13:43:04 TEAL'C: Mm.

01:13:43:29 VALA: How did that turn out?

01:13:45:05 MITCHELL (O/S): Actually, I was thinking of King Arthur.

01:13:48:10 CARTER: You were?

STARGATE SG-1 - "Crusade" - Episode #0919

01:13:48:22 MITCHELL: Yeah, I've been reading everything I can find on our Ancient friend,
Merlin.

01:13:52:00 MITCHELL (CON'T O/S): According to some of the legends, he...

01:13:54:15 MITCHELL (CONT'D): enchanted the Queen who bore Arthur.

01:13:56:21 LANDRY: I have to go.

01:13:57:24 VALA (O/S): Wait. I...

01:13:58:25 VALA (CONT'D): I haven't even gotten to the bit you have to...

01:14:00:23 VALA (CONT'D O/S): hear yet. Me carrying...

01:14:02:16 VALA (CONT'D): this child right now is a problem, a big problem for me, but
believe me, there is one which is much, much bigger.

01:14:10:10 (PADDLING DOUGH)

01:14:18:15 TOMIN: It's a miracle.

01:14:23:13 TOMIN (CONT'D): Look at me.

01:14:31:20 TOMIN (CONT'D O/S): The Prior blessed me.

STARGATE SG-1 - "Crusade" - Episode #0919

01:14:34:25 TOMIN (CONT'D): I can walk. I can run. I can fight now.

01:14:39:10 VALA: You can what?

01:14:39:24 TOMIN: I've been conscripted.

01:14:44:20 VALA (V/O): They are building ships and armies by the tens of thousands.

01:14:50:05 VALA (CONT'D): The village I am living in is one of many on a world among dozens like it.

01:14:56:10 VALA (CONT'D V/O): As we feared, since the day Daniel met the Ori, they have been preparing their followers for a crusade.

01:15:04:05 VALA (CONT'D): Are you sure this is what you want?

01:15:06:18 TOMIN: Are you serious? I never dreamed I would one day be fit to serve the Ori in this way.

01:15:14:10 VALA: By killing people you know nothing about?

01:15:18:14 TOMIN: All I need to know is that they are enemy of the Ori, that they reject the teachings of Origin and would have us stray from the path.

01:15:25:03 VALA: These so-called unbelievers... they're so far away. How can they affect us? Why do you have to go all the way--

01:15:31:10 TOMIN (SIMULTANEOUSLY): Evil must be allowed to fester anywhere. Our journey towards enlightenment may take us to many unexpected places.

01:15:46:22 VALA: I cannot imagine you killing anyone.

01:15:53:10 TOMIN: I'm not afraid to heed the will of the gods.

01:16:00:15 VALA: Nothing I say will change your mind, will it?

01:16:03:20 TOMIN: Fear not. Once we warriors of Ori have vanquished the wicked, I shall return.

01:16:17:23 VALA: You will not be the same.

01:16:21:06 TOMIN: No.

01:16:24:25 VALA (V/O): He is one of the gentlest, most honest souls I have ever known.

01:16:41:20 VALA (CONT'D): He has been raised since birth to believe in the Ori...

01:16:45:15 VALA (CONT'D O/S): to follow Origin. This is not a fight anyone can to win—

01:16:50:05 VALA (CONT'D): Not without a tragic amount of bloodshed.

STARGATE SG-1 - "Crusade" - Episode #0919

01:17:42:03 LANDRY: I'm very sorry to keep you waiting.

01:17:44:18 SHEN: Where is Dr. Jackson?

01:17:46:07 LANDRY: He's, uh, otherwise occupied at the moment. We're going to have to
 proceed without him.

01:17:51:20 CHEKOV: Ah, it's no matter, I only asked he be here as a courtesy, seeing as he
 negotiated the original treaty between our two countries, resulting in
 Russia loaning you our stargate.

01:18:03:07 LANDRY: Yes, "loaning," in return for full participation in this program and
 considerable sums of money.

01:18:09:25 CHEKOV (O/S): I am aware of that.

01:18:11:29 CHEKOV (CONT'D): As I said, I only asked for this meeting out of courtesy to you
 and Dr....

01:18:15:22 CHEKOV (CONT'D O/S): Jackson. You have been admirable comrades in our co-
 operative efforts.

01:18:20:09 CHEKOV (CONT'D): However, official notification has been given to your
 President as we speak.

STARGATE SG-1 - "Crusade" - Episode #0919

01:18:25:02 LANDRY: Of what?

01:18:25:27 CHEKOV: Well, as you know, the treaty renewal comes up in two weeks. Russia
will no longer be participating...

01:18:31:20 CHEKOV (CONT'D O/S): under the current structure.

01:18:33:20 LANDRY: What are you saying?

01:18:34:21 CHEKOV: I'm saying we are taking our stargate back.

01:18:45:10 VALA (V/O): So, this girl in the bar, her name was Denya, and we struck up a bit
of a friendship.

01:18:52:20 VALA (CONT'D): By the looks on your faces, I can see you're not surprised I had
more in common with a village harlot than I did with any of the ladies
from the local knitting circle.

01:19:00:19 MITCHELL: Don't know what you're talking about.

01:19:04:15 VALA: At least she was honest.

01:19:06:08 DENYA: I was pregnant once.

01:19:08:06 VALA: Really?

STARGATE SG-1 - "Crusade" - Episode #0919

01:19:10:13 DENYA: It didn't last long.

01:19:12:12 VALA: Oh, I'm sorry. Hey, I have something really weird.

01:19:17:12 DENYA: I promise you, I've heard it all.

01:19:19:21 VALA: Well, have you ever heard of someone getting pregnant without actually
doing the deed?

01:19:23:20 DENYA: How could that happen?

01:19:24:20 VALA: I don't know.

01:19:26:04 DENYA: Maybe you fell asleep, you know? That's happened to me before. I've
been drunk and not remembered whole days.

01:19:32:29 VALA: I wasn't talking about me.

01:19:34:26 DENYA (O/S): Oh?

01:19:37:03 VALA: No, I was just... just wondering if you've ever heard of the Ori giving
someone a baby... magically. They perform miracles all the time, right?

01:19:46:25 DENYA: If you say so.

01:19:49:04 VALA (V/O): She was smart, too. She was testing me.

01:19:54:15 CARTER: Are you saying she was part of the anti-Ori underground?

01:19:56:17 VALA: Took a long time to get her to admit it. She said she was afraid of Seevis,
and that he'd kill her if he found out.

01:20:05:10 VALA (CONT'D): What do you want?

01:20:09:15 (MANACLES CLANKING)

01:20:10:29 VALA (CONT'D): Take your hands... off me! So what did I do?

01:20:17:05 SEEVIS: She is unholy. She conspires with those who would...

01:20:23:03 SEEVIS (CONT'D O/S): lead us from the path of Origin.

01:20:25:05 VALA: I don't know who you've been talking to, but it's a lie.

01:20:27:07 SEEVIS: She is an unbeliever, and she must be punished for her sins.

END OF ACT TWO

ACT THREE

01:20:57:20 LANDRY (INTO INTERCOM): Get me Richard Woolsey. Now.

01:20:59:10 CHEKOV: General.

01:21:00:00 LANDRY: Where are the rest of the international committee representatives? Why aren't they here?

01:21:03:24 CHEKOV: This has nothing to do with them.

01:21:04:29 LANDRY: I think it does.

01:21:06:05 CHEKOV: The Stargate belongs to Russia. Now, in the past, my government has been unwilling to establish and support a stargate program of its own, but that has changed.

01:21:15:15 LANDRY: Because China is backing you. Do the rest of the committee members know this?

01:21:20:17 CHEKOV: They will be invited to participate in the program the same as they have in yours. As will your country.

01:21:26:13 LANDRY: You really think my government will give up the gate?

01:21:30:12 CHEKOV: I do not see what choice they will have.

STARGATE SG-1 - "Crusade" - Episode #0919

01:21:42:15 SEEVIS: Who else in the village has been corrupted?

01:21:44:13 VALA: Apart from you, I have no idea what you're talking about.

01:21:53:06 SEEVIS: No one shall look upon, speak to, or aid such evil. You will tell me who
 you've conspired with, and the unbelievers will be found out and
 punished... for their sins. Hallowed are the Ori.

01:22:10:16 CROWD (O/S): Hallowed are the Ori.

01:22:24:22 VALA (V/O): I don't know why I expected him to come rushing over and unchain
 me. Just the mother of his unborn child... or so he was supposed to
 think.

01:23:17:20 (CROWD MURMURING)

01:23:31:05 (CHAIN RATTLING)

01:23:39:25 (FIRE ROARING)

01:24:41:18 DENYA: She's dying out there.

01:24:44:14 SEEVIS: I know.

STARGATE SG-1 - "Crusade" - Episode #0919

01:24:46:11 DENYA: Don't you think if she was going to say anything, she would have told you already?

01:24:52:15 (LOCK RATTLING)

01:25:14:29 VALA (V/O): I didn't know why he eventually did it... or why Seevis let us go.

01:25:23:10 VALA (CONT'D): I was left out there without food or water for three days.

01:25:32:16 CARTER: I can't believe the baby survived that.

01:25:38:20 VALA: Part of me was hoping it didn't.

01:25:44:15 MITCHELL: It's kind of surprising part of you was hoping it did.

01:25:49:05 MITCHELL (CONT'D): I mean... given how it was conceived.

01:25:58:15 VALA: It's hard to explain.

01:26:04:10 VALA (CONT'D): Seevis?

01:26:07:10 TOMIN: He won't bother us again, I promise you.

01:26:11:11 VALA: You don't think I'm evil?

01:26:17:25 TOMIN: I-I'm sorry I left you out there for so long. Please forgive me.

01:26:46:15 TOMIN (CONT'D): I will see you this evening. Fear not.

01:27:08:28 VALA (V/O): Despite Tomin's reassurances, the idea of spending a day in the village with Seevis just a stone's throw away made me nervous. Besides, it was high time I did some more extensive recon.

01:27:29:10 (FOOTSTEPS APPROACHING)

01:27:53:01 VALA (V/O CONT'D): I knew what was happening. I knew where they were going every day, what they were doing... but seeing it was something else entirely.

01:28:07:10 SEEVIS (O/S): Impressive, isn't it?

END OF ACT THREE

ACT FOUR

- 01:28:37:10 CHEKOV: General. You wished to see me?
- 01:28:39:20 LANDRY: From the sounds of it, the Ori are planning an invasion of massive proportions in the very near future. It looks like it may be a very bad time to be arguing over who gets to use the Stargate, Colonel... But I assume you were counting on that.
- 01:28:52:20 CHEKOV: No sane individual or country wants to face war at any time.
- 01:28:56:09 LANDRY: Telling me about your government's intentions was more than mere courtesy. Doing it with the Chinese representative of the oversight committee present was meant to point out China's involvement. That wasn't in the official notification to terminate the treaty given to the President.
- 01:29:14:10 CHEKOV: Obviously, it couldn't be.
- 01:29:16:00 LANDRY: They offered you a deal to back your own SGC program. In truth, you don't really know if you like that scenario any better than the one currently in practice. You did, however, see an opportunity to use it as leverage.
- 01:29:32:10 LANDRY (CONT'D): But you couldn't very well present a wish list along with the official notification without it looking like blackmail...

STARGATE SG-1 - "Crusade" - Episode #0919

01:29:39:05 LANDRY (CONT'D O/S): or have it on record that you were merely using...

01:29:41:19 LANDRY (CONT'D): the Chinese, so you left it to me to figure out and ask you the
 question...

01:29:48:18 LANDRY: What is it you really want?

01:29:56:10 VALA: Stay back.

01:29:58:16 VALA (CONT'D O/S): I promise you don't want to come any closer.

01:30:00:13 SEEVIS: You can put that down.

01:30:02:10 DENYA: It's okay.

01:30:05:02 SEEVIS: We had to put you through that.

01:30:06:20 DENYA: To be sure that we could trust you.

01:30:20:16 MITCHELL: He was part of the underground?

01:30:22:11 VALA: Seevis is the leader.

01:30:25:15 VALA (CONT'D O/S): The religious pomp and circumstance is a cover.

STARGATE SG-1 - "Crusade" - Episode #0919

01:30:28:09 VALA (CONT'D): The rest is for money, power, and influence-- the things you need when you're wanting to mount a rebellion.

01:30:35:12 TEAL'C: Do they not fear being discovered by the Ori?

01:30:37:24 VALA (O/S): Of course...

01:30:38:29 VALA (CONT'D): but the only other choice is to do nothing...

01:30:40:27 VALA (CONT'D V/O): and what they were planning was quite the opposite of nothing.

01:30:44:02 SEEVIS (O/S): We have the plans...

01:30:45:22 SEEVIS (CONT'D): and we have many people down there on the inside.

01:30:49:15 VALA: You really think it can work?

01:30:51:12 SEEVIS: It has to.

01:30:58:22 VALA: The ships had to be activated by the Priors, but Seevis said he had found a way to rig enough of them to start off a massive chain reaction.

01:31:06:11 VALA (O/S): From what I could tell...

01:31:07:15 VALA (CONT'D V/O): it looked like it might work.

01:31:09:19 DENYA: Three days from now, in a grand celebration, each Prior will activate a ship in a show of the Ori's power.

01:31:16:22 VALA: Everyone will be there.

01:31:18:24 SEEVIS: All those who built the ships, as well as those who will soon board them and go off and fight in the name of the Ori. Tens of thousands.

01:31:27:15 VALA: You're going to kill all of them?

01:31:30:21 SEEVIS: Gods cannot be gods without those who stand beneath them gazing upwards.

01:31:37:20 VALA (V/O): They were going to try and undermine the Ori's power by ...

01:31:39:27 VALA (CONT'D): eliminating as many of their followers as they could in one fell swoop...

01:31:46:14 VALA (CONT'D): Something I'm not sure we would have done in their position.

01:31:53:14 SEEVIS: Shut the windows.

01:31:55:21 VALA (V/O): They trusted me.

STARGATE SG-1 - "Crusade" - Episode #0919

01:31:57:07 VALA (CONT'D): Granted, they nearly killed me so I could earn their trust, but at this point, I felt I had to take a chance.

01:32:06:14 (SPLINTERING WOOD, TOOLS CLATTERING)

01:32:13:09 VALA (V/O): I told them exactly who I was and how I'd gotten there. The communication terminal and the stones had been...

01:32:22:26 VALA (CONT'D): taken by the Prior to Celestis after Daniel and I had been caught using them.

01:32:27:10 MITCHELL: How did Seevis get his hands on it?

01:32:28:26 VALA: Apparently, he has spies among the monks in the city of Celestis.

01:32:32:10 VALA (CONT'D O/S): They're humans in training to become Priors. Every now and then, artifacts which pre-date the Ori...

01:32:38:13 VALA (CONT'D): ascension are found or dug up, deemed heretical, and then brought to the city to be burned in the fires. When the communication terminal came through, Seevis's men recognized its significance, and they risked everything to save it and smuggle it out of the city.

01:32:55:04 VALA (CONT'D): So, it appears that Daniel's crazy little speech about communication from another galaxy did not fall entirely on deaf ears.

STARGATE SG-1 - "Crusade" - Episode #0919

01:33:02:10 CARTER: And the Ori didn't know, they couldn't tell what was happening right underneath their noses?

01:33:06:11 VALA: Can't be sure, but Seevis didn't want me to try and contact you until after the sabotage plan had gone through.

01:33:12:05 MITCHELL: In case the Ori detected it.

01:33:14:12 VALA: Just to be safe.

01:33:21:15 TOMIN: Vala? Vala?

01:33:30:13 PRIOR: Blessed are those who follow the path in unison.

01:33:38:25 TOMIN: Prior?

01:33:45:15 PRIOR (O/S): Your wife is not at home, Tomin.

01:33:48:10 TOMIN: She must be at market.

01:33:50:08 PRIOR: Must she?

01:33:51:01 TOMIN: To what do I owe the honor of such a visit?

01:33:54:10 PRIOR: Word of your courage has spread.

STARGATE SG-1 - "Crusade" - Episode #0919

01:33:58:07 TOMIN: If you refer to my unchaining of Vala, I believe Seevis accused her unjustly.

01:34:02:23 TOMIN (CONT'D O/S): Look, she is not corrupt.

01:34:04:24 TOMIN (CONT'D): Surely the Ori would not have allowed her to have survived so long without food or water.

01:34:09:25 TOMIN (CONT'D O/S): They sent her to me.

01:34:12:03 TOMIN (CONT'D): She is my wife, the mother of my unborn child.

01:34:15:10 PRIOR: Is she, now?

01:34:18:10 PRIOR (CONT'D): The injury that crippled you since childhood, the one I have cured you of to make you a strong, proud warrior...

01:34:27:16 TOMIN (CONT'D O/S): Trust I will use the strength I have been given to fight all unbelievers in the name of the Ori.

01:34:31:18 PRIOR (O/S): Yes. But the same wound that made you lame...

01:34:36:26 PRIOR (CONT'D): also made you unable to father children.

01:34:40:25 TOMIN: But then...

STARGATE SG-1 - "Crusade" - Episode #0919

01:35:00:15 TOMIN (CONT'D): Are you saying she betrayed me?

01:35:02:17 PRIOR: The child is the will of the Ori.

01:35:06:20 PRIOR (CONT'D O/S): That is all that matters. Your courage will be rewarded,
Tomin. Fear not.

01:35:18:20 PRIOR (CONT'D): Hallowed are the children of the Ori.

01:35:23:25 TOMIN: Hallowed are the Ori.

01:35:48:20 VALA (O/S): Don't go.

01:35:55:15 TOMIN: Today is the day we've been waiting for. Ten Priors from Celestis come to
bless the starcraft we have been building these past many months.

01:36:05:16 VALA: I know.

01:36:05:25 TOMIN: Everyone is going. Everyone, even the women and children. Of course, I
did not expect you...

01:36:12:12 TOMIN (CONT'D): I know you've been tired, but it is going to be a great day, if you
want to come.

01:36:23:23 VALA: Please. Stay with me today.

STARGATE SG-1 - "Crusade" - Episode #0919

01:36:38:10 VALA (CONT'D): I have a bad feeling. I can't explain it. Don't you ever just get bad feelings?

01:36:48:07 TOMIN: Of course I do, but then I turn to the Ori for guidance.

01:36:54:10 VALA: Tomin...

01:36:56:15 TOMIN: The day of reckoning for all those who were raised by evil is upon them.

01:37:02:06 TOMIN (CONT'D O/S): I have spent my whole life waiting for the chance to walk the path as I do now.

01:37:07:04 TOMIN (CONT'D): My only hope is that you would walk it with me.

01:37:19:00 TOMIN (CONT'D): Blessed are those who walk in unison.

01:37:31:15 MITCHELL: When you say "day of reckoning..."

01:37:33:26 CARTER (O/S): W-we've heard numerous reports...

01:37:35:13 CARTER (CONT'D): of the Priors in this galaxy warning of an impending doomsday.

01:37:38:20 TEAL'C: A day when all who have renounced the Ori will feel their wrath.

STARGATE SG-1 - "Crusade" - Episode #0919

01:37:43:10 VALA: We knew the Priors were just the first wave. The real crusade is about to begin. The ships are planning to leave.

01:37:52:10 CARTER: But that would mean...

01:37:53:24 VALA: Somewhere out there, the Ori have a working Supergate.

END OF ACT FOUR

ACT FIVE

01:37:20:20 VALA (V/O): Turns out the horrible feeling I'd lied to Tomin about was completely justified, but for a different reason. Thousands of men, women, and children did not die that day. Seevis's plan failed.

01:38:34:17 (STARSHIPS ACTIVATING, CROWD CHEERING)

01:38:43:05 VALA (V/O CONT'D): It didn't work. The sabotage had broken down. Whether the Ori had detected it or the Priors managed to thwart it on their own, we don't know. All we know is that the ships came to life and nothing happened, except the crowd cheered and began prostrating, praying for a swift victory over all unbelievers.

01:39:02:15 MITCHELL: Do you have any other intel we could use? You said this Seevis had access to the specs on the ships. What kind of weaponry do they have?

01:39:09:05 CARTER (O/S): And shields.

01:39:09:25 CARTER (CONT'D): And anything on the power source they're using.

01:39:11:28 DANIEL & DANIEL (V/O OVER SCREEN): No, no, I--

01:39:20:23 DANIEL (CONT'D): Guys, what's going on?

01:39:22:10 MITCHELL: Jackson?

STARGATE SG-1 - "Crusade" - Episode #0919

01:39:25:10 DANIEL: How did I get here?

01:39:26:05 CARTER: The emulator is still running. Something must have happened on Vala's
end.

01:39:36:10 (STAFF WEAPON BLAST)

01:39:41:15 (STAFF WEAPON BLAST)

01:39:44:10 (DENYA GASPING)

01:39:56:15 VALA: Tomin...

01:39:58:05 TOMIN: You said you did not think I could kill an unbeliever.

01:39:59:27 VALA: Well, I'm so sorry I was wrong. You have to listen to me.

01:40:05:10 TOMIN: No! I am deaf to all but the teachings of Origin!

01:40:11:05 TOMIN (CONT'D): The Prior told me Seevis was corrupt...

01:40:14:15 TOMIN (CONT'D O/S): that he'd tried to sabotage the ceremony and would have
killed thousands.

STARGATE SG-1 - "Crusade" - Episode #0919

01:40:18:12 TOMIN (CONT'D): He sent me here to kill Seevis, and here I found you, with him,
conspiring over that device!

01:40:23:24 VALA: They made me do it.

01:40:31:20 VALA (CONT'D): They told me they would kill me if I didn't help them, and after
what they did to me out there, wouldn't you?

01:40:38:20 VALA (CONT'D): They thought this device was for communication, but they were
too afraid to use it themselves, so they kidnapped me and forced me to
do it for them.

01:40:49:10 VALA (CONT'D): Did the Prior tell you I was with them?

01:40:51:05 VALA (CONT'D O/S): Did he tell you to kill me?

01:40:53:25 TOMIN: No.

01:40:54:29 VALA: Well, there you go, then.

01:40:58:10 TOMIN: Were you able to communicate with the unbelievers far away?

01:41:01:20 VALA: Yes, and there is much I can tell you about them, if you just put that
weapon down.

01:41:13:05 VALA (CONT'D): Tomin, you have to believe me, please.

01:41:22:05 VALA (CONT'D): I overheard your conversation with the Prior the other day.

01:41:26:20 VALA (CONT'D O/S): I know, I'm sorry. I should have told you I was there...

01:41:31:11 VALA (CONT'D): but I was so afraid. What he said shocked me... That this child is
the will of the Ori?

01:41:44:03 VALA (CONT'D): Tomin, I swear I have not betrayed you. I have not been with
anyone but you...

01:41:52:15 VALA (CONT'D O/S): so if you truly cannot father a child, then this baby is a
miracle.

01:41:58:09 VALA (CONT'D): It's our miracle, and this is a great burden, which I cannot bear
alone, so from this point on, we must walk the path together.

01:42:15:14 TOMIN: I must leave soon for war.

01:42:18:11 VALA: Then I must come with you.

01:42:41:05 DANIEL: So what exactly did we have to give up in the end?

01:42:44:10 LANDRY: A 304.

01:42:45:25 DANIEL: Really? I'm surprised the President agreed to that.

STARGATE SG-1 - "Crusade" - Episode #0919

01:42:49:15 LANDRY: Colonel Chekov's had his eye on one for a while. The latest was just about to roll out.

01:42:54:20 DANIEL: I thought the next Daedalus-class ship wasn't due out of the pipeline for over a year.

01:42:58:07 LANDRY: Mm-hmm, it was a huge concession, but we didn't have much choice.

01:42:22:28 CARTER: Sir, the Tok'ra and the Asgard are scanning for any subspace anomalies that would indicate Supergate activity. We're monitoring the existing black holes that we know of but...

01:43:13:02 CARTER (CONT'D O/S): it's a big galaxy.

01:43:13:15 MITCHELL (O/S): And as we know...

01:43:14:16 MITCHELL (CONT'D): the Ori could have built another one.

01:43:16:05 TEAL'C: The Interim Council have placed Hat'ak-class vessels in every region on high alert.

01:43:19:23 LANDRY: This is one needle in a haystack we better find. Do whatever you have to do.

STARGATE SG-1 - "Crusade" - Episode #0919

01:43:23:19 MITCHELL: If the Ori can send troops and ships here, we are going to need every advantage we can find.

01:43:27:21 CARTER: Merlin was working on a weapon to fight the Ori.

01:43:30:00 DANIEL: Every ally we have and everyone else on this base has already devoted themselves to finding the Supergate.

01:43:34:04 MITCHELL (O/S): Sir, it won't take us long...

01:43:36:05 MITCHELL (CONT'D): to search one planet where there may be an advanced weapon designed specifically to fight these guys.

01:43:42:02 LANDRY: This weapon won't help us against their followers.

01:43:43:23 DANIEL (O/S): I don't think so, no, but...

01:43:45:21 DANIEL (CONT'D): it'll be a lot easier convincing their followers their gods are false if their gods aren't around...

01:43:50:02 DANIEL (CONT'D O/S): anymore.

01:43:51:05 LANDRY: Go.

STARGATE SG-1 - "Crusade" - Episode #0919

01:43:52:15 DANIEL: Thank you, sir.

END OF ACT FIVE

FADE TO BLACK

END OF EPISODE
