01:00:35:19 CARTER (CONT'D): My god...

01:00:36:27 NETAN: I didn't think you were that stupid.

01:00:38:14 TEAL'C: I have come to seek the assistance of the Lucian Alliance.

01:00:42:23 EMERSON: All batteries, open fire.

01:01:19:07 NURSEMAID: Almost now. Keep pushing.

01:01:20:13 VALA: I am pushing, you--

01:01:28:00 (BABY CRYING)

01:01:33:19 VALA: Is it all right?

01:01:36:00 NURSEMAID: She's beautiful.

01:01:37:04 VALA: She? She!

01:01:47:22 VALA (CONT'D): Wait. Where are you going? I want to see.

01:01:54:11 PRIOR (O/S): Calium...

01:01:55:06 PRIOR (CONT'D): videre eessit, et eraos ad sidera...

01:02:00:09 PRIOR (CONT'D O/S): tollere vultus.

01:02:03:09 (BABY CRYING CONTINUES)

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:02:04:25 VALA: No, I-- I--Can I hold her? She's my baby. After all I've just been through, I want to hold her.

01:02:11:08 PRIOR: She belongs to all who follow the path.

01:02:14:14 PRIOR (CONT'D O/S): Ex uno disce omnes.

01:02:21:20 VALA: What is it, damn it?

01:02:24:02 TOMIN: From one, all will learn. She is Orici.

01:02:33:14 PRIOR (O/S): Such is her purpose.

01:02:35:10 PRIOR (CONT'D): In this vast expanse that is sheltered by evil and led astray, she will be the beacon of light in the darkness...

01:02:44:20 PRIOR (CONT'D O/S): to the warriors of the Ori and to all who follow the true path to salvation. With the wisdom of the ages, she will lead us to glorious victory over any and all unbelievers.

ACT ONE

01:04:39:10 CARTER (V/O OVER RADIO): This is Lieutenant Colonel Carter. Come in,
please.

01:04:43:09 CARTER (CONT'D INTO RADIO): Can anyone hear me? Please respond...if
anyone can hear me, this is Lieutenant Colonel Carter. Please respond.

01:04:58:09 CARTER (CONT'D V/O OVER RADIO): This is Lieutenant Colonel Carter. I am in
a space suit drifting free approximately 2,000 feet off the front right
position on the supergate.

01:05:08:23 MITCHELL: : Sam?

01:05:09:17 (STATIC)

01:05:19:19 MITCHELL: Sam...

01:05:20:11 MITCHELL (CONT'D V/O OVER RADIO): It's me, Mitchell. Can you hear me?

01:05:22:08 CARTER: I can't tell you how good it is to hear your voice.

01:05:26:07 MITCHELL: Yeah, you too.

01:05:27:13 CARTER: I saw the Korelev explode.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:05:31:20 (EXPLOSION)

01:06:07:12 MITCHELL: I must have lost consciousness.

01:06:10:18 CARTER: Daniel?

01:06:15:20 MITCHELL: Still onboard...I think.

01:06:23:09 MITCHELL (CONT'D): What happened to the Ori ships?

01:06:24:15 CARTER: They left here approximately four-and-a-half hours ago.

01:06:27:23 EMERSON (V/O OVER RADIO): This is Colonel Emerson aboard the Odyssey.
Colonel Mitchell, is that you?

01:06:31:24 MITCHELL: Yes, sir.

01:06:32:22 CARTER: Thank God. This is Carter. Are you in range to beam me back aboard?

01:06:37:14 EMERSON: I'm afraid that we haven't got beaming capability at this time. Vasir's
working on it.

01:06:41:25 CARTER: Where were you?

01:06:43:07 EMERSON (V/O OVER RADIO): Sorry, we were out of touch there for a while.
We lost all communications in the battle.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:06:47:16 EMERSON (CONT'D): We got our sublight back online and then tracked the Ori safely from a distance using our long-range sensors till they jumped into hyperspace about an hour ago. We're still just getting back our basic operating systems.

01:06:57:10 CARTER (O/S): Look, uh, I hate to be self-centered here, especially given what's...

01:07:00:29 CARTER (CONT'D): just happened, but I've only got a couple of hours of life support left here.

01:07:05:16 EMERSON (V/O OVER RADIO): I'm aware of your situation, colonel. I'll keep you apprised.

01:07:08:04 MITCHELL: Request permission to come onboard, sir.

01:07:10:01 EMERSON: Permission granted.

01:07:11:18 MARKS: Left docking bay is out of commission, colonel.

01:07:14:10 MITCHELL: Got it.

01:07:15:16 MARKS: Receiving hail.

01:07:17:02 EMERSON: On screen.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:07:54:22 MARKS: Colonel Mitchell has landed...

01:07:56:02 MARKS (CONT'D O/S): safely.

01:07:56:17 EMERSON: Thank you. Keep a channel open to that mothership. Try to reach
Teal'c.

01:08:06:25 NETAN: Take him to a cell.

01:08:17:21 EMERSON (V/O): Why would the first wave just leave us behind?

01:08:20:12 EMERSON (CONT'D): They had to know there were survivors.

01:08:22:12 MITCHELL: They need witnesses. Their goal is not to kill us all. It's to convert us.
Their wish is to go forth and tell everybody about how they kicked our
asses.

01:08:31:09 EMERSON: That they did.

01:08:31:21 MITCHELL: How's Vasir coming with that Asgard beam?

01:08:34:01 EMERSON (INTO RADIO): Vasir, this is Emerson. Please report.

01:08:35:24 VASIR: Due to the damage, I am rewriting the control code from the beginning,
and it would be going much faster were I not constantly interrupted.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:08:43:21 EMERSON (O/S): He's working as fast as he can.

01:08:46:04 MITCHELL: Any of the Korelev crew beam over before the ship was lost?

01:08:49:07 EMERSON: A half-dozen. Not Dr. Jackson. We located the data recorder, and
 we're working on retrieving it.

01:08:54:22 MITCHELL: Word from Teal'c?

01:08:55:23 EMERSON: Briefly, but then we lost the signal. He seems to be in a bit of a scuffle
 over control of the ship.

01:09:00:11 MARKS (V/O OVER SPEAKER): Colonel Emerson to the bridge.

01:09:01:28 EMERSON (INTO RADIO): What is it, major?

01:09:03:03 MARKS: We've re-established contact with the Lucian Alliance mothership, sir.
 They're asking to speak with you.

01:09:07:26 EMERSON (INTO RADIO): I'm on my way.

01:09:09:06 MITCHELL: Is Earth aware of our situation?

01:09:10:27 EMERSON: The only long-range array that wasn't fried was sensors. Subspace
 communication is beyond repair. Still, they've got to know something's
 wrong. We've missed two scheduled check-ins.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:09:19:21 MITCHELL: So there's no help.

01:09:20:10 EMERSON: No. Unfortunately, there's nothing they can do. The Korelev and the
Odyssey are our only two ships in the galaxy.

01:09:26:09 MITCHELL: How long can we go on current life support?

01:09:29:25 EMERSON: A day...maybe less. That's only if we don't take on more survivors.

01:09:35:25 MITCHELL: Right.

01:09:36:26 EMERSON: Yeah.

01:09:41:08 MARKS (O/S): Channel is open, sir.

01:09:43:08 EMERSON: This is Colonel Emerson of the Earth ship Odyssey.

01:09:45:09 NETAN (V/O OVER MONITOR): I am Netan, leader of the Lucian Alliance. You
will surrender your ship to our control immediately.

01:09:51:20 MITCHELL: Do you want me to take this one, sir?

01:09:53:22 EMERSON: Go ahead.

01:09:55:14 MITCHELL: Hey there. Lieutenant Colonel Cameron Mitchell here. Look, we were
all in this fight together, weren't we?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:10:02:02 MITCHELL (CONT'D O/S): This is not how allies are supposed to treat each other.

01:10:05:00 MITCHELL (CONT'D): Granted, we got our butts kicked, but we still need each other if we're gonna survive.

01:10:08:05 NETAN (V/O OVER MONITOR): Our sensors detect your shields are at minimum. If you do not capitulate immediately, we will open fire.

01:10:14:09 EMERSON: You'd be destroying the only other ship out here with life-support capabilities.

01:10:17:14 NETAN (V/O OVER MONITOR): You dragged us into this battle knowing it would deplete our forces, I suspect intentionally.

01:10:22:13 MITCHELL: That's not true. We all lost. Badly. Why don't you tell us your...

01:10:29:26 MITCHELL (CONT'D O/S): situation? Maybe we can work something out.

01:10:31:15 NETAN (V/O OVER MONITOR): The situation is you will surrender or be destroyed.

01:10:40:11 MITCHELL (WHISPERING): What sort of ordnance do we have onboard?

01:10:42:10 EMERSON: Not much. And he's right about our shields. We're sitting ducks.

01:11:09:00 TOMIN: How are you feeling?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:11:13:28 VALA: Look, they can't keep her from me, no matter who or what she is. I'm her mother. She needs to be fed and cared for. Doesn't she?

01:11:18:23 TOMIN (OVERLAPPING): She's being well cared for.

01:11:19:22 VALA (OVERLAPPING): I should be allowed to see her.

01:11:20:09 TOMIN (OVERLAPPING): I spoke with the prior.

01:11:21:08 VALA: And?

01:11:21:17 TOMIN: They've agreed to let you see her.

01:11:33:09 FOUR-YEAR-OLD GIRL: Hello, Mother.

END OF ACT ONE

ACT TWO

01:11:59:08 CARTER (V/O): Odyssey, this is Carter.

01:12:01:12 CARTER (CONT'D): I don't know what you can see from your vantage point or what your sensors are picking up, but from out here, that mothership looks pretty badly damaged.

01:12:07:23 CARTER (V/O OVER RADIO): I'd be surprised if they were weapons-capable.

01:12:10:09 EMERSON: Thanks, Sam.

01:12:14:04 MITCHELL: They haven't fired yet.

01:12:17:06 EMERSON: Take us out of weapons range. Let's see what they do.

01:12:25:02 VALA: Well, I heard that children grow up quickly, but this is ridiculous.

01:12:39:13 VALA (CONT'D): Well...That feels much better. Thank you.

01:12:45:04 FOUR-YEAR-OLD GIRL: You do not believe.

01:12:47:14 VALA: I don't know what you mean.

01:12:48:23 FOUR-YEAR OLD GIRL (O/S): You cannot hide your feelings from me.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:13:26:25 LANDRY (CONT'D): to get at least one ship out to the scene of that battle, find out exactly what happened, and if there's anybody left who needs help.

01:13:33:09 BRATAC: Agreed.

01:13:34:11 LANDRY (O/S): Walter, dial it up.

01:13:42:10 EMERSON: How's it going?

01:13:43:06 MITCHELL: We're just about to test it.

01:13:49:09 EMERSON: Hmm. What is that?

01:13:50:29 MITCHELL: It was supposed to be a sandwich.

01:13:57:05 MITCHELL (CONT'D): Sam, I'm sorry. We're not quite ready yet.

01:14:00:12 CARTER: Hate to rush you...

01:14:03:23 MITCHELL: Can you fix it in time?

01:14:05:29 VASIR: I am unsure of where the instability is occurring.

01:14:08:11 MITCHELL: Simple answer.

01:14:10:08 VASIR: I will have to go through the program code again line...

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:14:12:22 VASIR (CONT'D O/S): by line.

01:14:13:02 MITCHELL: That's a no.

01:14:14:12 MITCHELL (CONT'D O/S): It's time for plan B.

01:14:17:29 CARTER: Uh, if you're thinking what I think you're thinking, it won't work.

01:14:22:10 MITCHELL (O/S): Marks, do you mind?

01:14:27:23 MITCHELL (INTO RADIO): Hang on, Sam, we're coming to get you.

01:14:37:12 CARTER: Oh, boy.

01:14:52:25 NETAN (O/S): This is your fault.

01:14:55:29 TEAL'C: I have already told you all I know of the Ori.

01:14:59:19 TEAL'C (CONT'D O/S): Our only hope of defeating their followers is to unite our
forces and work together.

01:15:04:12 TEAL'C (CONT'D): You have nothing to gain by torturing me.

01:15:09:03 NETAN: That is where you are wrong. I am very, very angry right now...

01:15:17:17 NETAN (CONT'D O/S): and causing you a great deal of pain...

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:15:21:09 NETAN (CONT'D): will make me feel better.

01:15:27:16 (WEAPON STRIKES, TEAL'C SCREAMS)

01:15:29:10 CARTER: Look, the sublight engines don't have that much control. If you hit me,
even at minimum velocity...

01:15:34:25 MITCHELL: I am not going to hit you. Not on purpose.

01:15:52:27 CARTER: Even if you get me in past the shield, the artificial gravity...

01:15:56:08 CARTER (CONT'D V/O OVER RADIO): will kick in. A fall from even 30 feet in this
suit--

01:15:58:25 MITCHELL (INTERRUPTING): Sam, stop worrying. Vasir is riding the controls
manually.

01:16:05:20 VASIR: You're going too fast.

01:16:07:27 MITCHELL: This tub doesn't go any slower. Initializing 5% reverse thrust.

01:16:22:25 MITCHELL (CONT'D): Got her. Initializing 20% reverse thrust. Vasir...

01:16:25:13 MITCHELL (V/O OVER RADIO): take her down lightly.

01:16:53:09 MAN (V/O OVER SPEAKER): We have her, sir. She's okay.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:16:56:11 EMERSON: Nice flying.

01:16:57:13 MITCHELL (O/S): Yeah. Some days you get lucky.

01:17:05:25 CARTER: Thank you.

01:17:07:09 MITCHELL (O/S): You're welcome. Yeah, I was going to say...

01:17:10:22 MITCHELL (CONT'D): "no sweat," but there was definitely sweat involved. In
 Vasir's case, I think it was perspiration.

01:17:18:12 CARTER: Any news on Teal'c?

01:17:19:14 MITCHELL: No. But we have something else.

01:17:23:05 MARKS: We downloaded the black box...

01:17:24:09 MARKS (CONT'D O/S): data from the Korelev.

01:17:25:18 MITCHELL (O/S): We know six people got off using beaming technology before it
 went up.

01:17:28:25 MITCHELL (CONT'D): None of them was Jackson. However...

01:17:34:00 CARTER: The rings were also activated.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:17:35:21 MITCHELL: You betcha.

01:17:37:25 (SHIPS FIRING)

01:17:44:29 RUSSIAN COM OFFICER: Sir, sensors are indicating a slight energy fluctuation...

01:17:47:20 RUSSIAN COM OFFICER (CONT'D O/S): in their shields...

01:17:49:04 RUSSIAN COM OFFICER (CONT'D): coinciding with their own weapon...

01:17:50:09 RUSSIAN COM OFFICER (CONT'D O/S): fire.

01:17:50:15 CHEKOV: Beam a nuke onboard.

01:17:57:02 RUSSIAN COM OFFICER (O/S): Odyssey...

01:17:57:17 RUSSIAN COM OFFICER (CONT'D): is reporting no success with the attempts...

01:17:58:27 RUSSIAN COM OFFICER (CONT'D O/S): to beam weapons onboard enemy
 ships.

01:18:01:19 DANIEL: What about rings? I know they use them. The matter stream might get
 through.

01:18:05:15 CHEKOV: How can we lock on?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:18:06:25 DANIEL: Just set our rings to seek out the nearest other set. It's worth a shot.

Move closer. I'm on it!

01:18:11:28 CHEKOV: I want that warhead transported to the ring room...

01:18:14:09 CHEKOV (CONT'D O/S): now!

01:18:15:24 CHEKOV (CONT'D): Take us closer to the nearest enemy ship.

01:18:19:12 (EXPLOSION)

01:18:21:14 DANIEL: Set it to go off five seconds after activation.

01:18:28:12 (BLAST)

END OF ACT TWO

ACT THREE

01:19:18:23 WOOLSEY: You don't know where the enemy ships are or what they're capable of?

01:19:22:15 LANDRY (O/S): All we know is they cut through...

01:19:23:13 LANDRY (CONT'D): two of our 304s, an Asgard ship, and a fleet of Goa'uld motherships.

01:19:27:23 WOOLSEY: They could be on their way here as we speak.

01:19:30:01 LANDRY: We sent the best we had to stop them.

01:19:31:22 WOOLSEY (O/S): : The I.O.A. is considering...

01:19:33:20 WOOLSEY (CONT'D): bringing the Atlantis ZPM to Earth for use in the Antarctic Earth defense system.

01:19:38:11 LANDRY: Even if we had a ship, it would take a minimum of three weeks for the ZPM to get here, and there's no guarantee the Ancient weapons platform in Antarctica would be any more effective against the Ori ships than what we've already thrown at them.

01:19:50:26 LANDRY (CONT'D O/S): As usual...

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:19:52:01 LANDRY (CONT'D): the I.O.A. is wasting their breath.

01:19:56:07 LANDRY (CONT'D): You know, if I had the salaries they pay those idiot blow-hard politicians to put into my budget...I'm sorry. Did I say that out loud?

01:20:48:04 SEVEN-YEAR OLD GIRL (O/S): Hello, Mother. You need not be afraid.

01:20:57:18 VALA (O/S): Are you actually going to stop growing at some point?

01:21:01:11 VALA (CONT'D): Because, well, at this rate, you're going to have a very short life.

01:21:17:28 SEVEN-YEAR-OLD GIRL: I'm glad you worry for me.

01:21:22:10 SEVEN-YEAR OLD GIRL (CONT'D): Are you feeling better?

01:21:23:20 VALA: I am. Thank you.

01:21:28:20 SEVEN-YEAR-OLD GIRL: I am very hungry.

01:21:32:03 SEVEN-YEAR OLD GIRL (CONT'D): Would you like something to eat?

01:21:34:11 VALA: Okay.

01:21:47:01 SEVEN-YEAR-OLD GIRL: You have questions.

01:21:50:20 VALA: Do you have a name?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:21:52:00 SEVEN-YEAR-OLD GIRL: They call me Orici.

01:21:54:16 VALA: Yeah...It's not much of a name, is it?

01:21:58:29 SEVEN-YEAR-OLD GIRL: What would you like to call me?

01:22:02:00 VALA: Well...I always thought that if I had a daughter, that I'd name her after my
mother. She was a very strong woman.

01:22:17:23 VALA (CONT'D): Her name was Adria.

01:22:22:11 SEVEN-YEAR-OLD GIRL: I like that.

01:22:26:13 SEVEN-YEAR OLD GIRL (CONT'D): Adria.

01:22:31:21 SEVEN-YEAR OLD GIRL (CONT'D): You think that by naming me, you will
humanize me...

01:22:35:28 SEVEN-YEAR OLD GIRL (CONT'D): make me more like you...

01:22:38:28 SEVEN-YEAR OLD GIRL (CONT'D): more sympathetic to your point of view.

01:22:43:22 VALA: How do you know what you know?

01:22:45:20 SEVEN-YEAR-OLD GIRL: The Ori wove their knowledge into my genetic makeup,
at least as much as my human brain could hold.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:22:54:09 SEVEN-YEAR OLD GIRL (CONT'D O/S): All their knowledge is far too much for us to possibly comprehend.

01:22:58:03 SEVEN-YEAR OLD GIRL (CONT'D): The understanding of an infinite universe is obviously without boundaries.

01:23:02:09 VALA: Then you're not actually one of them.

01:23:05:02 SEVEN-YEAR-OLD GIRL: I am the closest I can be in the form of flesh and blood.

01:23:10:10 VALA: Isn't there a part of you that's from me?

01:23:12:18 SEVEN-YEAR-OLD GIRL: Of course. You are my mother.

01:23:16:20 VALA: Exactly, and as your mother, you will listen to me, young lady. There will be no leading of these ships and armies on a mass-murdering crusade, or else.

01:23:36:16 VALA (CONT'D): Ah, it was worth a try.

01:23:39:14 SEVEN-YEAR-OLD GIRL: I know why you believe what you do...

01:23:42:02 SEVEN-YEAR OLD GIRL (CONT'D O/S): but the Ancients are the ones who have lied to you.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:23:44:22 SEVEN-YEAR OLD GIRL (CONT'D): They are the ones who, long ago, tried to
destroy the Ori for their beliefs...

01:23:49:13 SEVEN-YEAR OLD GIRL (CONT'D O/S): not the other way around.

01:23:51:04 SEVEN-YEAR OLD GIRL (CONT'D): Only the Ori share all they learn.

01:23:53:20 SEVEN-YEAR OLD GIRL (CONT'D O/S): The Ancients have kept the basic truths
of your existence from you.

01:24:00:09 SEVEN-YEAR OLD GIRL (CONT'D): They have hoarded their knowledge and
been dishonest...

01:24:02:25 SEVEN-YEAR OLD GIRL (CONT'D O/S): about everything.

01:24:05:09 SEVEN-YEAR OLD GIRL (CONT'D): Contrary to what they've told you, the Ori
most certainly do ascend their followers. And the Ancients are the ones
sapping energy from humans...

01:24:13:00 SEVEN-YEAR OLD GIRL (CONT'D O/S): in this galaxy to empower themselves.

01:24:15:24 SEVEN-YEAR OLD GIRL (CONT'D): That is why they created you, to give them
the strength to destroy the Ori...

01:24:22:02 SEVEN-YEAR OLD GIRL (CONT'D O/S): once and for all.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:24:24:18 SEVEN-YEAR OLD GIRL (CONT'D): That is why all those who cannot be made to see the true path must be destroyed or all will be lost to evil.

01:24:37:15 VALA: Are you saying this is a preemptive strike? It's self-defense?

01:24:41:17 SEVEN-YEAR-OLD GIRL: It matters not what you call it. The cause is just, and the truth will see us through to victory.

01:24:50:19 VALA: Do you really believe that, or are you just hoping I...

01:24:54:09 VALA (CONT'D O/S): will?

01:24:57:11 SEVEN-YEAR-OLD GIRL: Why don't you believe me, Mother?

01:25:03:21 VALA: I don't know.

01:25:05:16 SEVEN-YEAR-OLD GIRL: You choose to take the word of an Ancient over your daughter.

01:25:08:27 SEVEN-YEAR OLD GIRL (CONT'D O/S): What have the Ancients done to earn your trust?

01:25:11:13 VALA: About as much as you.

01:25:13:24 SEVEN-YEAR-OLD GIRL: In the end, only you can decide the fate of your own soul.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:25:26:17 MARKS (V/O): Two motherships just dropped out of hyper...

01:25:28:00 MARKS (CONT'D): space.

01:25:28:29 EMERSON: Come about. Let's face them head-on.

01:25:31:14 MARKS: The Lucian Alliance ship is hailing us again.

01:25:34:19 NETAN (V/O OVER MONITOR): Lower your shields and prepare to be boarded,
or you will be destroyed. I assure you, captain, I am quite capable of
following through this time.

01:25:42:03 MARKS (OVERLAPPING): Shields at 30%.

01:25:43:11 MARKS (CONT'D O/S): They won't stand up to much.

01:25:44:14 MITCHELL (INTO RADIO): Sam, we've got company.

01:25:45:21 MITCHELL (V/O OVER RADIO): How's that hyperdrive coming?

01:25:52:01 CARTER (INTO RADIO): Not well. Vasir's still working on the beam technology.

01:25:55:01 MARKS: Sensors indicate the motherships are powering weapons.

01:26:07:25 DANIEL: Long story.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:26:11:00 VALA: Are you alone?

01:26:11:24 DANIEL: Yes. What happened to you?

01:26:15:24 VALA: What do you mean?

01:26:18:22 VALA (CONT'D): Oh, I had a baby.

01:26:20:26 VALA (CONT'D O/S): You know, I never thought I'd agree with my father, but...

01:26:23:09 VALA (CONT'D): now I'm starting to remember about how he used to go on
about--you nurture them and then you raise them, and you teach them
the best that you can, and then all they do is break your hearts. I always
assumed that his experience was just...

01:26:35:05 VALA (CONT'D O/S): tainted by me.

01:26:36:06 DANIEL: What are you talking about?

01:26:36:23 VALA: Well, she started off all sweet and innocent, and now she's hell-bent on
domination of the galaxy.

01:26:41:21 DANIEL (O/S): What?

01:26:42:09 DANIEL (CONT'D): How old is she?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:26:43:03 VALA: A few hours.

01:26:46:13 VALA (CONT'D): The Ori used me to sneak one of their own over the border. This child is their way of cheating the ascended rulebook.

01:26:54:18 VALA (CONT'D O/S): Well, they couldn't exactly encroach on our galaxy...

01:26:56:25 VALA (CONT'D): themselves without getting into a confrontation with the Ancients...

01:26:59:13 VALA (CONT'D O/S): right? So they created their own...

01:27:01:12 VALA (CONT'D): human representative with their knowledge to lead their armies.

01:27:05:25 DANIEL (O/S): Sort of...

01:27:06:09 DANIEL (CONT'D): an uber-prior, like the Doci?

01:27:07:27 VALA: Oh, but she's much worse than that. The priors are just pawns. She knows the score. She's complicit with the Ori. You should have heard the propaganda that she just tried to feed me.

01:27:19:11 DANIEL (O/S): Wait, wait...

01:27:19:21 DANIEL (CONT'D): wait, wait. We're talking about a baby here, right?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:27:21:12 VALA: Oh. She's been genetically altered. She'll be a fully grown figurehead in a day or so. If she takes after her mother, she'll have a pretty good figure too.

01:27:29:12 DANIEL: This is bad.

01:27:30:09 VALA: You're telling me. Origin is about to become a whole lot more appealing to the males of this galaxy.

01:27:33:24 DANIEL: Do have any idea where we're going?

01:27:35:16 VALA: No. That she wouldn't tell me. She knows I'm not on her side. She's still hoping I'll see the light. Part of her can't help but feel tied to me. She wanted me to give her a name.

01:27:46:01 DANIEL: And...

01:27:46:20 VALA: Adria. I told her it was my mother's--

01:27:48:17 DANIEL: Not?

01:27:48:28 VALA: Stepmother. Witch of a woman.

01:27:50:11 DANIEL: The more I get to know you, the more I'm starting to understand.

01:27:52:17 VALA: Huh?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:27:53:05 DANIEL: Nothing.

01:27:54:15 VALA: Do you know what's strange, Daniel?

01:27:55:20 DANIEL: No.

01:27:57:12 VALA: She has the knowledge of ascended beings, twisted though it may be, but I
 sense that there is a part of her that is just like any other kid that wants
 her mother's approval.

01:28:06:20 VALA (CONT'D O/S): So I'm hoping I can use that somehow.

01:28:08:27 VALA (CONT'D): I mean, why else would she care what I think?

01:28:10:12 DANIEL: Right now we're more concerned about getting off this ship. There's only
 so long I can hide.

01:28:13:26 VALA (O/S): Hide!

01:28:14:15 DANIEL: Yeah.

01:28:14:28 VALA: Hide!

01:28:18:29 VALA (CONT'D): H-hi.

01:28:19:25 TOMIN: What?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:28:20:15 VALA (O/S): Hi.

01:28:21:09 VALA (CONT'D): Long day?

01:28:21:25 TOMIN (O/S): Ah, I'm exhausted.

01:28:25:08 TOMIN (CONT'D): I see you're up and around.

01:28:26:08 VALA: Mm.

01:28:28:09 VALA (CONT'D): Much better.

01:28:39:10 MARKS: Three more ships just emerged from hyperspace.

01:28:41:12 MITCHELL: They're flanking us.

01:28:42:28 MARKS: Receiving hail.

01:28:43:25 EMERSON: On screen.

01:28:46:11 BRA'TAC (V/O OVER MONITOR): Greetings.

01:28:47:15 MITCHELL: Bra'tac. Greetings back at you. Heads up, the Lucian Alliance is getting ready to open fire on us.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:29:30:24 MITCHELL: I just didn't want us to be able to salvage the ship when they turned
tail and ran.

01:29:35:24 TOMIN: After everything you've been through, after everything you've seen, how
can you still not believe in the Ori?

01:29:40:09 VALA: You think I don't?

01:29:41:19 TOMIN: The Orici is truthseer.

01:29:43:06 VALA (O/S): She is a child. Little girls always have issues with their mothers.

01:29:46:05 TOMIN (O/S): Are you saying you do believe in the Ori?

01:29:48:01 VALA (O/S): Why are you here with me if you doubt my devotion?

01:29:51:02 TOMIN: Because I love you. Because I'm still hoping I can save your soul.

01:30:08:19 VALA: What? Where are you going?

01:30:10:08 TOMIN (O/S): I'm called to duty.

01:30:16:12 VALA: And here I was, hoping I could save him.

01:30:22:10 (FOOTSTEPS APPROACHING)

ACT FOUR

01:31:04:25 (BLAST)

01:31:39:22 EMERSON: Why Chulak?

01:31:40:20 BRA'TAC: Perhaps because it is where the Jaffa rebellion against the Goa'uld began. No matter. We must not abandon them.

01:31:47:28 EMERSON: Well, as soon as we get our hyperdrive back, we have to head to Earth for repairs. Someone's got to stick around, keep an eye on that supergate.

01:31:53:21 CARTER: We may not be able to stop the Ori ships from coming through, but we should at least know if they do.

01:31:58:01 BRA'TAC: We will leave a small contingent in a cloaked scout ship behind.

01:32:02:09 MITCHELL: Can you expect backup?

01:32:04:07 BRA'TAC: It is unlikely. The remaining Jaffa fleet defends Dakara.

01:32:08:18 MITCHELL: You've only got three motherships. We had a lot more than that here and we couldn't stop them.

01:32:13:22 BRA'TAC: We cannot merely stand by while our brothers and sisters fall.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:32:19:06 MITCHELL: Sam, I'm going with them.

01:32:20:26 CARTER: Me too.

01:32:22:11 EMERSON: It's suicide.

01:32:24:02 CARTER: Well, for Teal'c and Bra'tac, that's not really an argument against going.

01:32:27:09 EMERSON (O/S): What about you?

01:32:29:11 CARTER: However remote, there is still a chance that Daniel's alive onboard one
of those Ori ships. He may need our help.

01:32:35:05 EMERSON: You really believe that?

01:32:37:09 CARTER: You don't know him like we do.

01:32:41:20 EMERSON: Good luck.

01:32:59:23 VALA: Looks like a ground incursion is about to begin.

01:33:02:28 DANIEL (O/S): We're on Chulak.

01:33:09:19 DANIEL (CONT'D): With most of the warriors out there fighting Jaffa, we might be
able to get off this ship undetected.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:33:12:29 VALA: We have an opportunity here.

01:33:14:09 DANIEL: Yes. I was thinking that, but we don't know what powers that child might have.

01:33:17:08 VALA: She is the key to the whole invasion. If we could somehow capture her, take her with us, turn her against the Ori, then she would become the most powerful weapon we could have against them.

01:33:25:08 DANIEL: That's a big if.

01:33:26:10 VALA: What have you got?

01:33:26:29 DANIEL: Nothing.

01:33:27:16 VALA: Worth a try, then?

01:33:30:04 VALA (CONT'D): You're going to need a better disguise.

01:33:35:05 VALA (CONT'D O/S): I know where the armory is. They have stun weapons like Zat guns. I'll distract her while you sneak up and stun her.

01:33:50:12 MITCHELL (O/S): It's kind of a skeleton crew onboard. How many more Jaffa do you have on the other ships?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:33:55:22 BRA'TAC: Not many. Getting the council to relinquish three Hatak was difficult enough. The crew I had to assemble personally.

01:34:04:08 MITCHELL: So we're outmatched in manpower, firepower, and technology. Do we have any sort of battle strategy, or are we just planning on dropping out of hyperspace and getting our asses kicked again. Hey, I'm all about noble death. Pointless noble death, on the other hand...

01:34:20:25 CARTER (O/S): The Korelev log indicated...

01:34:22:13 CARTER (CONT'D): that they were attempting to use the rings to get a nuke through a fluctuation in the Ori ship's shields that was coinciding with the firing of their main weapons.

01:34:28:25 MITCHELL: Great. So we'll use the other two ships to draw their fire while we sneak around the backside and jam a big old nuke up their tailpipe.

01:34:34:22 CARTER: But we don't have any nukes.

01:34:36:17 MITCHELL: You have any fancy Jaffa bombs?

01:34:38:02 TEAL'C: We have explosives that should be effective.

01:34:40:11 CARTER: All right. As soon as we drop out of hyperspace, I'll start broadcasting on all radio channels. If Daniel's still alive, hopefully he'll get the message that we're here and he can ring aboard.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:36:06:25 ADRIA: The knowledge in my mind is growing as I am. It's a lot to take in.

01:36:11:25 ADRIA (CONT'D O/S): It makes my head ache.

01:36:14:08 VALA: I can imagine.

01:36:18:00 VALA (CONT'D): A--A--Actually, no, I can't...but I'm sure it's rough.

01:36:34:15 CARTER (O/S): It's chasing them.

01:36:36:18 BRA'TAC: Moving into flanking position.

01:36:47:03 ADRIA: What are you doing?

01:36:50:22 VALA: Looking out on Chulak. Are you interested in the planet...

01:36:54:25 VALA (CONT'D O/S): you're conquering?

01:36:58:17 ADRIA: Have you been here before?

01:37:00:23 VALA: Once. What do you know of the Jaffa?

01:37:05:08 ADRIA: They are proud people, confused about the ways to salvation. They have
 been misled...

01:37:11:14 ADRIA (CONT'D O/S): by parasites posing as Gods for many generations...

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:37:15:05 ADRIA (CONT'D): but in their hearts, I believe they know ascension is the true goal of our existence.

01:37:21:05 VALA: Then why are you slaughtering them?

01:37:26:12 CARTER: This is Lieutenant Colonel Samantha Carter calling any survivors of the Earth ship Korelev. Please come in.

01:37:34:05 CARTER (V/O OVER RADIO): Repeat--this is Lieutenant Colonel Samantha Carter calling any survivors of the Earth ship Korelev. Please come in.

01:37:40:21 DANIEL (INTO RADIO): Sam, it's me, Daniel.

01:37:44:05 CARTER: Daniel...I knew you made it!

01:37:45:23 DANIEL (INTO RADIO): Yeah. It's good to hear you too. Listen, I'm kind of in the middle of something right now.

01:37:49:02 CARTER: We're in orbit trying to blow up one of the Ori ships.

01:37:51:19 DANIEL (V/O): Yeah.

01:37:51:27 DANIEL (CONT'D): I'm on one of the ships that's landed on the planet. I'll have to tell you the rest later. Requesting radio silence.

01:38:07:09 BRA'TAC: I am detecting the fluctuation in their shields. Almost in range.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:38:12:16 CARTER: The good news is I just made contact with Daniel.

01:38:15:23 CARTER (V/O OVER RADIO): We were right--he's alive and onboard the Ori ship
that's landed on the planet.

01:38:19:17 MITCHELL: Hallelujah. What's the bad news?

01:38:22:04 CARTER: We just lost one of our motherships. If our plan doesn't work, this will be
a very short battle.

01:38:27:11 BRATAC: We are in range.

01:38:29:02 CARTER (V/O OVER RADIO): Now, they're firing. Send it.

01:38:41:10 CARTER (CONT'D): It should have gone off by now.

END OF ACT FOUR

ACT FIVE

01:39:03:05 ADRIA: They must embrace their destiny.

01:39:06:15 VALA (O/S): Well, then...

01:39:08:00 VALA (CONT'D): hallowed are the Ori.

01:39:09:12 ADRIA (O/S): Please, Mother. It is blasphemous for an unbeliever to speak those
 words.

01:39:13:14 VALA (O/S): No, really, you're--you're starting to make...

01:39:16:05 VALA (CONT'D): sense to me now. I'm--I'm really coming around. Hallowed are
 the Ori.

01:39:50:09 CARTER (O/S): We just...

01:39:50:22 CARTER (CONT'D): lost another mothership.

01:39:52:09 MITCHELL: Let's get Jackson onboard and get the hell out of here.

01:39:54:03 BRA'TAC: I am sorry, Colonel Mitchell. That is not the plan.

01:40:01:23 MITCHELL: Bra'tac, what are you doing?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:40:03:07 TEAL'C: I believe he intends to ram the enemy vessel.

01:40:05:10 MITCHELL: Yeah, I got that. But that will kill us.

01:40:08:23 CARTER: I think he knows that.

01:40:09:23 TEAL'C: Indeed.

01:40:10:17 MITCHELL: Teal'c, this is crazy--not the good kind of...

01:40:12:05 MITCHELL (CONT'D O/S): crazy. You know that.

01:40:13:03 TEAL'C: What would you have me do?

01:40:14:25 MITCHELL: Talk to him.

01:40:17:20 CARTER (O/S): Chances are...

01:40:18:12 CARTER (CONT'D): we'll just impact the shield. We won't do any damage to
 them.

01:40:21:15 MITCHELL: What do you think you're making some kind of a statement?

01:40:24:06 MITCHELL (CONT'D O/S): Hey, I know this is your ship...

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:40:25:15 MITCHELL (CONT'D): and we didn't have to come along, and maybe it is better to
 die in battle. I don't know I was never really hoping to find out...

01:40:30:10 MITCHELL (CONT'D O/S): but I do know one thing--there's no point in dying...

01:40:33:20 MITCHELL (CONT'D): when you're going to lose anyway...not when you have a
 choice.

01:40:45:09 TOMIN: They were conspiring against you.

01:40:46:20 ADRIA: Yes, I know. Kill him.

01:40:49:20 VALA: No! Wait. We want to talk to you.

01:40:55:09 TOMIN: Move!

01:40:56:00 ADRIA: I said kill him.

01:40:58:00 VALA: No!

01:40:58:17 (BLAST)

01:41:00:28 ADRIA: Mother.

01:41:14:02 VALA: You couldn't have waited until she'd finished healing me?

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:41:16:16 DANIEL (O/S): Well...

01:41:16:28 DANIEL (CONT'D): she was distracted.

01:41:19:04 VALA (O/S): Leave me. Grab her.

01:41:20:15 DANIEL: Oh, yeah, like that's going to happen.

01:41:31:13 EMERSON: Colonel Mitchell, Colonel Carter, this is Emerson.

01:41:34:03 EMERSON (CONT'D V/O OVER SPEAKER): What's your status?

01:41:35:22 MITCHELL (INTO RADIO): Beam us onboard.

01:41:37:00 MARKS: Enemy ships have detected our presence. Moving into range.

01:41:39:22 MITCHELL: You should have four beacons

01:41:40:29 MITCHELL (CONT'D O/S): transmitting.

01:41:42:14 MITCHELL (CONT'D): I planted one on you earlier, just in case.

01:41:49:02 EMERSON: Do it.

01:41:57:02 (EXPLOSION)

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:42:15:26 VALA: No!

01:42:41:23 CARTER: We were lucky the ship on the planet had lowered its shields.

01:42:44:19 VALA: You should have grabbed for Adria, not me.

01:42:46:12 DANIEL: I'm thinking I should have shot her when I had the chance.

01:42:49:01 CARTER: Daniel, you couldn't have killed a child.

01:42:51:19 DANIEL: She's not a child. She's an Ori in the body of a human.

01:42:54:14 MITCHELL: Isn't that cheating?

01:42:56:09 CARTER: Well, Orlin broke the rules by taking human form and telling us the truth
about the Ori.

01:43:00:01 MITCHELL (O/S): Yeah...

01:43:00:11 MITCHELL (CONT'D): and he paid for that.

01:43:03:04 MITCHELL (CONT'D): No offense, but I think this kid's going to be a big problem.

01:43:07:10 VALA: She'll be fully grown within a matter of days.

01:43:09:13 MITCHELL: See, cheating.

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:43:10:21 DANIEL (O/S): Yeah. I got to admit, the...

01:43:11:13 DANIEL (CONT'D): Ascended rulebook is getting a little hard to understand.

01:43:14:04 MITCHELL: You know, I don't think there really is one.

01:43:15:23 TEAL'C: There usually never are rules in a war.

01:43:17:28 MITCHELL: Unfortunately, right now there is no war.

01:43:22:24 MITCHELL (CONT'D): In a war, you've got two sides fighting. All we have is a lot of winning by the bad guys. They have troops and ships in our territory and a supergate to bring in more anytime they need 'em.

01:43:33:11 CARTER: I remember when we first opened the gate. The Goa'uld had total domination over the galaxy. They had massive technological superiority over us. A lot of people didn't think we had a chance.

01:43:43:03 MITCHELL: I'm not saying we should give up. I'll fight to my dying breath. I just think we need a new plan...

STARGATE SG-1 - "Flesh and Blood" - Episode #1001

01:43:57:12 MITCHELL (CONT'D): a damn good one.
