**TEASER**

01:00:37:11 (GATE ACTIVATION ALARM BLARES)

01:00:44:09 TEAL'C: Six more worlds have fallen to the Ori.

01:00:47:08 TEAL'C (CONT'D O/S): Two are Jaffa strongholds.

01:00:49:20 TEAL'C (CONT'D): They attempted to resist, but were overwhelmed within a matter of hours. According to those who witnessed the battle, the enemy is led by a young woman of extraordinary powers.

01:01:11:09 MITCHELL (O/S): Six...

01:01:11:18 MITCHELL (CONT'D): planets in eight days, and they don't even have their full team in the field yet.

01:01:15:00 CARTER: Why haven't they made a move against Earth?

01:01:16:15 TEAL'C: In all probability, the Ancient device in Antarctica, is giving them pause.

01:01:19:20 MITCHELL: At least until the rest of their battle fleet gets here.

01:01:22:05 DANIEL (O/S): I got it!

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:01:23:20 DANIEL (CONT'D): I got it. I made the connection. Sir Gawain to Gwalchmei.  
Culhwch and Olwen. Verus Gen Bree.

01:01:32:19 CARTER: And you say I'm hard to understand.

01:01:34:10 DANIEL: Oh, oh...It's Vagonbrei--one of the planets Arthur and his knights went to  
in their quest for the Holy Grail. I got the gate address.

**END OF TEASER**

**ACT ONE**

01:03:05:11 DANIEL (O/S): While on...

01:03:06:10 DANIEL (CONT'D): PX1 767, we got the names of three planets, Castiana, Sahal and Vagonbrei-- three possible destinations for Arthur and his knights in their quest for the Holy Grail, what we know to be Merlin's weapon. Unfortunately, what we didn't get were any corresponding gate addresses, and the process of going through that library page by page looking for clues could have potentially taken years.

01:03:24:25 DANIEL (CONT'D O/S): So I knew we were going to have to narrow the search parameters a little.

01:03:27:19 DANIEL (CONT'D): That's when it hit me. Sir Gawain.

01:03:31:17 MITCHELL: Wasn't he one of the knights who says "Ni?"

01:03:33:10 DANIEL: He was a knight of the Round Table, and one his earliest incarnations, an old Welsh tale, he went on a quest to help...

01:03:38:20 DANIEL (CONT'D O/S): rescue a lost love. The legend says that...

01:03:40:24 DANIEL (CONT'D): Sir Gawain, a.k.a. Gwalchmei, visited...

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:03:43:11 DANIEL (CONT'D O/S): several lands over the course of his adventure, including a place called Gwlad gan brenhinol gwir, which is Welsh for "the land of royal truth."

01:03:50:04 DANIEL (CONT'D): Translate that into Ancient, and you get "Verus Gen Bree--" Vagonbrei.

01:03:55:10 CARTER (O/S): So how does that get us...

01:03:56:09 CARTER (CONT'D): a gate address?

01:03:57:10 DANIEL (O/S): Uh...

01:03:57:29 DANIEL (CONT'D): it doesn't, but it gave me something specific to look for in Merlin's library, namely references to Gawain.

01:04:01:19 DANIEL (CONT'D O/S): Now, based on this information...

01:04:03:11 DANIEL (CONT'D): I started scanning through the titles, and I found this. Now, the entire volume is dedicated to Gawain's adventures...

01:04:08:06 DANIEL (CONT'D O/S): and includes several very interesting illustrations...

01:04:10:01 DANIEL (CONT'D): including a depiction of a sword he...

01:04:11:26 DANIEL (CONT'D O/S): once carried. Note the symbols engraved on the blade.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:04:15:01           LANDRY: A gate address.

01:04:16:03           MITCHELL: Vagonbrei.

01:04:17:02           DANIEL (O/S): Well, we won't know...

01:04:17:21           DANIEL (CONT'D): till we check it out.

01:04:18:09           LANDRY (O/S): Well done, doctor.

01:04:19:11           LANDRY (CONT'D): Colonel Carter, what's the status of the Ori supergate?

01:04:21:28           CARTER (O/S): Any attempts...

01:04:22:11           CARTER (CONT'D): we've made to dial out to the Ori galaxy have failed. It looks  
like they're blocking us from their end.

01:04:27:01           TEAL'C: There is a mothership in the area that will alert us to the arrival of any  
other ships.

01:04:30:21           LANDRY: More ships? We can hardly deal with the ones that are already here.  
You have a go. Find that weapon.

01:04:36:02           CARTER: Yes, sir.

01:04:36:23           VALA: Will do.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:05:40:18 DANIEL (CONT'D): You see, 10 years ago, General Hammond sat in that very chair, and he was faced with a similar decision. As former First Prime to Apophis, Teal'c had committed some terrible crimes.

01:05:51:10 LANDRY: As the former First Prime to Apophis, Teal'c provided valuable...

01:05:54:09 LANDRY (CONT'D O/S): insight to the enemy's resources and tactics.

01:05:57:12 DANIEL: And as the mother to the leader of the Ori army, Vala may hold the key to stopping them.

01:06:03:10 LANDRY: If I push this issue, and the Pentagon agrees to let her join you on off-world missions, then I'd be the...

01:06:08:16 LANDRY (CONT'D O/S): one, ultimately, held accountable for her actions.

01:06:11:24 DANIEL: Yes, sir. I understand, sir.

01:06:17:11 LANDRY: So I'd be counting on you...to keep her in line.

01:06:25:08 DANIEL: Yes, sir.

01:06:27:20 (DOOR OPENS AND CLOSES)

01:06:39:12 VALA (O/S): So can I go on the mission?

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:06:41:18            DANIEL: No. You're not cleared for off-world travel yet. You still have to go through a psych evaluation.

01:06:46:05            VALA: What's that?

01:06:46:25            DANIEL: Uh, it's sort of an interview given to all prospective SGC personnel, designed to assess a person's psychological state, get a sense of their mental well-being.

01:06:54:22            VALA: Oh, to find out if I'm...Wonko.

01:06:59:10            DANIEL: Right. They're going to sit you down, get you talking about yourself, and ask you a few questions.

01:07:03:25            VALA: So it's a test?

01:07:05:14            DANIEL: Sort of.

01:07:06:05            VALA: And all I have to do is pass. How hard can that be?

01:07:11:10            VALA (CONT'D O/S): I have to do some research, so I'm going to use...

01:07:12:28            VALA (CONT'D): your computer while you're away on this mission.

01:07:14:11            DANIEL (O/S): Uh.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:07:14:20 DANIEL (CONT'D): You know, I'd prefer if you didn't. There's a lot of sensitive material--

01:07:16:21 VALA (INTERRUPTING): Great. Uh...be careful!

01:07:19:12 MITCHELL: Time to go.

01:07:20:09 DANIEL: I said no, and you can't access it without my password!

01:07:22:10 VALA: Already got it. Thanks!

01:07:24:04 DANIEL (O/S): I...

01:07:24:21 DANIEL (CONT'D): But the...

01:07:31:11 (WORMHOLE TRANSITION)

01:07:41:07 MITCHELL (O/S): This place is deader than a Texas salad bar.

01:07:54:06 DANIEL (SHOUTING): Hello!

01:07:59:28 DANIEL (SHOUTING CONT'D O/S): Hello!

01:08:03:01 TEAL'C: It is obvious this village has long-since been abandoned.

01:08:12:20 (KNOCK ON DOOR)

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:08:15:12 VALA (O/S): General...What brings you by?

01:08:19:10 LANDRY: Just thought I'd see how you were getting along.

01:08:21:25 VALA (O/S): Huh.

01:08:22:27 LANDRY: What are you doing?

01:08:24:14 VALA (O/S): Just a little research for my upcoming mental appraisal.

01:08:27:11 LANDRY: Ah, you can't cram for a psychiatric evaluation.

01:08:31:00 VALA: That's what they want you to think.

01:08:34:00 VALA (CONT'D O/S): It's a battle of wits.

01:08:35:25 VALA (CONT'D): My mind against theirs. They'll try and confuse me with their trick questions, but I already have the correct answers.

01:08:43:24 LANDRY: There are no correct answers.

01:08:45:18 VALA (O/S): For instance, when they ask me...

01:08:48:09 VALA (CONT'D): "What do you consider your biggest flaw?"

01:08:51:17 LANDRY: No, they won't ask that question.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:08:53:07 VALA (O/S): My answer will be that I feel I am too much...

01:08:56:10 VALA (CONT'D): of a perfectionist. You see, I...I put a positive spin on a negative.

01:09:03:06 LANDRY: Yes, that was very transparent.

01:09:05:23 VALA (O/S): Question two. "You are in the desert. "You see a tortoise lying on his  
back in the hot sun."

01:09:13:21 VALA (CONT'D): "You recognize his plight but do nothing to help. Why?"  
Hmm...Why...Because you are also a tortoise.

01:09:50:27 DANIEL: Guys, you should take a look at this.

01:10:00:14 MITCHELL: Whoa. I thought I liked to sleep in.

**END OF ACT ONE**

**ACT TWO**

01:10:33:09 CARTER (O/S): Dr. Reimer...

01:10:34:09 REIMER (O/S): Colonel Carter, Colonel Mitchell. I understand you've got a bit of a medical mystery on your hands.

01:10:39:28 MITCHELL (O/S): What we have here is a village full of skeletons.

01:10:42:03 CARTER (O/S): We found a few lying on the ground, but most seem to have died in their beds. I think we can rule out violence.

01:10:47:18 REIMER: Anything left besides bones?

01:10:49:09 MITCHELL: Sorry, Doc, whatever happened here happened a long time ago.

01:10:52:04 REIMER: Let's go take a look.

01:11:05:05 TEAL'C (O/S): Did the village records give an indication...

01:11:06:29 TEAL'C (CONT'D): as to what befell these people?

01:11:08:19 DANIEL: No, but it does make mention of some Ancient lore tied to the area.  
According to legend, a cave overlooking the village was once home to Morgan Le Fay.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:11:17:13 DANIEL (CONT'D): Ah. In Arthurian myth, Morgan was a powerful sorceress. King Arthur's half-sister and an adversary of Merlin.

01:11:25:05 TEAL'C: That would suggest she may have had a hand in the disappearance of the weapon we seek.

01:11:28:10 DANIEL: Now, Morgan, like Merlin, was a purported magic-user, so it makes sense that, again like Merlin, she was once ascended.

01:11:34:23 TEAL'C: One who foresaw the dangers presented to her and her kind by a weapon capable of...

01:11:38:09 TEAL'C (CONT'D O/S): destroying ascended beings.

01:11:39:27 DANIEL: So she took the weapon from Merlin and went into hiding.

01:11:42:12 TEAL'C: On three possible worlds. This being one.

01:11:46:13 DANIEL: We've got to find that cave.

01:11:53:13 ACKERMAN: Why did I have to tag along on this little hike?

01:11:55:29 MITCHELL: You got somewhere else you need to be?

01:11:58:10 ACKERMAN: Yeah, at home in bed. I got pulled off inoculation duty on 865 to come here and pull a double shift. I've been up 18 hours straight.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:12:11:03 DANIEL: What is it?

01:12:13:19 TEAL'C: Birds...

01:12:17:00 CARTER: What birds?

01:12:18:18 TEAL'C: My point exactly. I first noticed it in the village, now here in the forest as well.

01:12:24:09 TEAL'C (CONT'D O/S): An unusual stillness.

01:12:26:20 TEAL'C (CONT'D): There are no birds, or any other animal life, for that matter.

01:12:31:21 MITCHELL: All right. So what happened to them?

01:12:44:29 HUTCHISON (O/S): Hmm...Vala...I'm Dr. Hutchison. Oh. Have a seat. So...How are you feeling?

01:12:56:12 VALA: Very well. Very well. Well, you know, all things considered. I mean, you'd assume I'd be a prime candidate for acculturation difficulty...

01:13:06:19 VALA (CONT'D O/S): enduring feelings of displacement and alienation.

01:13:11:20 VALA (CONT'D): Perhaps even a little paranoid ideation. Hmm?

01:13:16:04 VALA (CONT'D O/S): But the truth is...

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:13:17:15 VALA (CONT'D): I was able to adopt an abstract attitude, which allowed me to release some of my repressed feelings, ultimately providing me with a cathartic actualization. How are you feeling?

01:13:30:22 HUTCHISON: I'm fine.

01:13:41:25 MITCHELL: There's nothing here.

01:13:44:05 DANIEL: Maybe it's the wrong cavern. We should continue searching the area.

01:13:46:29 CARTER: It's getting dark out, Daniel. We should head back to the village.

01:13:51:18 MITCHELL: Ackerman...

01:13:54:15 MITCHELL (CONT'D O/S): Yo, Ackerman! Wake up.

01:13:56:25 ACKERMAN: What happened?

01:13:58:02 MITCHELL (O/S): We're done.

01:14:02:12 MITCHELL (CONT'D): Sorry, Jackson.

01:14:14:22 HUTCHISON: Are you familiar with ink blot tests?

01:14:17:25 HUTCHISON (CONT'D O/S): Okay. I'm going to show you a series of images...

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:14:20:19 HUTCHISON (CONT'D): and I just want you to say the first thing that comes to your mind.

01:14:24:20 HUTCHISON (CONT'D O/S): Okay.

01:14:28:20 VALA: Courage.

01:14:37:21 VALA (CONT'D): Respect.

01:14:41:00 HUTCHISON: You look at this ink blot, and the first thing that pops into your head is respect?

01:14:46:04 VALA: Yes. Respect.

01:14:48:11 HUTCHISON: Okay. Vala, this is called a projective test.

01:14:51:11 HUTCHISON (CONT'D O/S): It's designed to allow me a little insight into your emotional state. I just want to get to know you better, not pass judgment on you.

01:14:58:21 HUTCHISON (CONT'D): I want to help, but to do that, I'm going to need you to be completely honest and spontaneous with your answers. Do you understand?

01:15:05:11 VALA: Of course.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:15:06:12 HUTCHISON (O/S): Okay.

01:15:07:02 VALA: I'm sorry.

01:15:07:20 HUTCHISON: Oh.

01:15:09:15 VALA: Kindness.

01:15:23:15 MITCHELL (V/O): Red team's wrapping it up.

01:15:25:20 MITCHELL (CONT'D O/S): Figured we'd do the same.

01:15:27:15 DANIEL: This can't be a dead end. There has to be something here.

01:15:31:16 MITCHELL: Take it up with Landry. You can come back tomorrow, knock yourself out, strain your eyes all you want.

01:15:39:10 DANIEL: You're right. I could probably get a fresh start in the morning.

01:15:53:05 MITCHELL: All right, let's go home.

01:15:55:08 GRIMSBY (O/S): Hang on a minute. Where's Ackerman?

01:15:57:08 REIMER (SHOUTING): Ackerman, come on! Bernie!

01:16:09:10 MITCHELL: Ackerman...Let's go. Yo, Ackerman! Wake up. Come on.

STARGATE SG-1 - "Morpheus" - Episode #1002

01:17:12:21 REIMER (CONT'D O/S): and a marked increase in serotonin levels.

01:17:15:10 REIMER (CONT'D): Whatever it is, we've all been infected.

01:17:20:01 CARTER: You think this is the same thing that killed the villagers?

01:17:23:05 REIMER: Let's just say, for the time being, I recommend we all try and stay awake  
for as long as possible.

01:17:29:03 REIMER (CONT'D O/S): If we fall asleep, we may never wake up.

**END OF ACT TWO**

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:19:23:05 REIMER (CONT'D): what they call Delta sleep, or Slow Wave sleep.

01:19:27:08 CARTER (O/S): We also noted that his brain...

01:19:28:11 CARTER (CONT'D): is producing a surprising amount of melatonin. It's a hormone synthesized from serotonin, a sleep-inducing agent. That's what's keeping him...

01:19:35:10 CARTER (CONT'D O/S): asleep.

01:19:36:09 MITCHELL: So all you've got to do is figure out why his brain is producing the melatonin.

01:19:39:12 CARTER (O/S): We're working...

01:19:40:02 CARTER (CONT'D): on it.

01:19:43:14 MITCHELL: Jackson...What did you find in the town records?

01:19:46:05 DANIEL: Uh, a handwritten entry from the village doctor in which he mentions a sleeping sickness that affected the town.

01:19:52:01 DANIEL (CONT'D O/S): Now, he doesn't go into any great detail...

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:19:53:22 DANIEL (CONT'D): but it does make mention of a possible source for what was happening-- Morgan Le Fay. See, it seems the villagers believed she cursed them for revealing her whereabouts when King Arthur and his knights came looking for her.

01:20:04:10 MITCHELL: So did Arthur find her here?

01:20:06:09 DANIEL (O/S): Probably not. If the villagers believed she cursed them, then it's more than likely she escaped.

01:20:10:21 DANIEL (CONT'D): In any case, we have to go back to that cave.

01:20:17:00 VALA: General...

01:20:18:02 VALA (CONT'D O/S): Just wondering if they've reached a decision on...

01:20:19:27 VALA (CONT'D): my mental well-being yet.

01:20:21:25 LANDRY (O/S): Dr. Hutchison isn't finished with you yet.

01:20:23:27 LANDRY (CONT'D): You're to meet with him again later today.

01:20:30:29 VALA (O/S): If I may speak candidly, General.

01:20:33:21 VALA (CONT'D): I have a feeling that Dr. Hutchison is somewhat troubled.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:20:38:21 VALA (CONT'D O/S): In fact, I think he may be suffering from ...

01:20:41:11 VALA (CONT'D): Klinefelter's syndrome, though you didn't hear it from me.

01:20:44:21 LANDRY (O/S): The only thing...

01:20:45:11 LANDRY (CONT'D): Dr. Hutchison is suffering from is the headache you gave  
him.

01:20:49:19 LANDRY (CONT'D O/S): I suggest you stop playing games and start taking this  
evaluation very seriously.

01:20:54:00 VALA: I thought I was.

01:20:55:09 LANDRY: Let's call that delusional memory.

01:21:08:23 MITCHELL: You know, it was Jackson's idea to come back here and check this  
cave out again. I can't help noticing he's the only one who didn't make  
the trip.

01:21:15:03 TEAL'C: Daniel Jackson made it clear that his time would be better spent  
continuing his research of the town records.

01:21:22:06 CARTER (O/S): Here.

01:21:23:28 CARTER (CONT'D): Dr. Reimer wanted us to take some soil samples.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:22:17:00 WOOLSEY: Why don't I tell you what we can do for you. We can see to it that you pass your psychiatric evaluation with flying colors...

01:22:27:24 WOOLSEY (CONT'D O/S): effectively putting any doubts Stargate Command may have about you to rest.

01:22:33:06 VALA: And what would you want in return?

01:22:38:11 WOOLSEY: Just a little insight into the weekly goings-on here at Stargate Command.

01:22:43:12 WOOLSEY (CONT'D O/S): You see, despite the fact that all signatories to the...

01:22:46:19 WOOLSEY (CONT'D): Gate Alliance Treaty are de facto partners in the Stargate Program, my employers are often left out of the...

01:22:54:00 WOOLSEY (CONT'D O/S): loop when it comes to the more sensitive developments here on the base.

01:22:58:04 WOOLSEY (CONT'D): We'd just like you to keep us updated is all.

01:23:01:25 VALA: So you want me...to be a spy.

01:23:16:09 WOOLSEY: I've read your file, Ms. Mal Doran. I don't think what we're asking is...

01:23:20:05 WOOLSEY (CONT'D O/S): that unusual, for someone with such a colorful history.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:23:33:17 (DEVICE BEEPING)

01:23:35:10 CARTER: Cam, Teal'c? I think I found something.

01:23:42:20 MITCHELL (O/S): Whatcha got?

01:23:43:22 CARTER: Well, it's a faint energy spike. I almost went past without noticing it.

01:23:59:21 MITCHELL: Shazam.

01:24:05:17 CARTER: I guess Daniel was right after all.

01:24:07:27 MITCHELL (O/S): Yes, he was.

01:24:11:03 MITCHELL (CONT'D): We should check this out.

01:24:12:20 TEAL'C: Would it not be prudent for one of us to return these samples to Dr.  
Reimer as quickly as possible?

01:24:17:01 MITCHELL (O/S): No, he's right.

01:24:18:09 MITCHELL (CONT'D): We're on the clock, and we have no idea how deep this  
hole is.

01:24:22:04 CARTER: All right, I'll go back...Stay in radio contact.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:24:28:15 CARTER (CONT'D O/S): At least as long as you can.

01:24:43:28 VALA: Do you really think these will hold me?

01:24:46:08 HUTCHISON: Oh, those aren't restraints. We're hooking you up to a polygraph.  
It's also known as a lie...

01:24:50:27 HUTCHISON (CONT'D O/S): detector It measures certain variables, like blood  
pressure...

01:24:53:27 HUTCHISON (CONT'D): and heart rate, to determine whether you're being truthful  
or not.

01:24:56:19 VALA: Oh...I see.

01:24:59:15 HUTCHISON: All right. Let's get started...

01:25:00:06 HUTCHISON (CONT'D O/S): then, shall we?

01:25:03:22 HUTCHISON (CONT'D): And...

01:25:04:14 HUTCHISON (CONT'D O/S): what's your name?

01:25:06:19 VALA: Vala Mal Doran.

01:25:10:04 HUTCHISON (O/S): Where did you spend the last week on Earth?

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:25:13:18 VALA: Here at Stargate Command.

01:25:17:22 HUTCHISON: Have you ever stolen anything?

01:25:20:09 VALA: No.

01:25:21:10 (NEEDLE SCRATCHING FURIOUSLY)

01:25:25:20 VALA (O/S): That depends on how you define...

01:25:27:15 VALA (CONT'D): "stolen."

01:25:28:23 HUTCHISON (O/S): These are control questions, designed to gauge your reaction  
by eliciting both...

01:25:32:21 HUTCHISON (CONT'D): truthful and deceptive answers from you. You're doing  
fine.

01:25:35:26 HUTCHISON (CONT'D O/S): Just...try to relax.

01:25:43:28 HUTCHISON (CONT'D): You look very nice today.

01:25:46:10 VALA: Oh...Thank you. You're looking rather dashing yourself.

01:25:51:12 HUTCHISON: Oh, thanks.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:25:52:10 (NEEDLE SCRATCHING FURIOUSLY)

01:25:56:27 VALA: I mean...nice. I-I-I mean, not objectionable.

01:26:05:21 (NEEDLE STILL SCRATCHING)

01:26:14:08 REIMER: Colonel, come take a look at this. This was in that soil sample you brought back from the cave.

01:26:23:18 CARTER (O/S): What is it?

01:26:25:21 REIMER (O/S): I believe...

01:26:26:19 REIMER (CONT'D): it's a parasite.

01:26:29:29 CARTER: Is it dead?

01:26:31:04 REIMER: No, it's dormant. Ackerman may have somehow awakened one.

01:26:37:18 CARTER: Well, how? It doesn't seem to respond to movement.

01:26:40:27 REIMER: Excuse me. Let's see what happens when they come in contact...

01:26:50:09 REIMER (CONT'D O/S): with live tissue.

01:27:01:06 CARTER: Whoa.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:27:02:24 REIMER: I'll lay odds that's your culprit right there.

01:27:07:01 CARTER: These people would have had no understanding of microbiology.

01:27:10:19 CARTER (CONT'D O/S): They probably came up with the story of Morgan's curse  
because they couldn't comprehend what was happening to them. Hey...

01:27:20:26 CARTER (CONT'D): Where's Grimsby?

01:27:23:10 DANIEL: He said he was on his way back. He isn't here?

01:27:27:08 DANIEL (CONT'D): Oh, no.

01:27:42:28 TEAL'C: Perhaps we should rest.

01:27:48:02 MITCHELL: No. That's a bad idea, and I am starting to regret staying up late to  
watch Deuce Bigelow: European Gigolo last night. Check that, I regretted  
it almost immediately.

01:28:04:00 MITCHELL (CONT'D): Am I imagining things, or--

01:28:05:15 TEAL'C: I heard it as well.

01:28:16:11 DANIEL (SHOUTING): Grimsby!...Sam?

**ACT FOUR**

01:29:23:10 REIMER (O/S): I see evidence of a ruptured aneurysm near the pineal gland.

01:29:27:20 CARTER (O/S): There's something else in here.

01:29:37:18 REIMER (O/S): What the hell?

01:29:39:12 CARTER (O/S): Morphology is identical to...

01:29:40:21 CARTER (CONT'D): the parasite we found in the soil sample.

01:29:43:07 REIMER: Only it's grown a thousand times bigger.

01:29:55:08 WOOLSEY: I'm assuming things didn't go well.

01:30:08:25 VALA: I fail to see the point of that ridiculous exercise unless its purpose was to  
thoroughly humiliate me.

01:30:18:10 VALA (CONT'D O/S): Those questions weren't...

01:30:19:10 VALA (CONT'D): intended to shed light on my character or delve deeply into my  
subconscious. They were merely little reminders as to exactly why...I  
don't belong here.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:30:37:02 WOOLSEY: Then I take it you've carefully considered our offer and come to a decision.

01:30:44:12 VALA: I have.

01:30:57:10 MITCHELL (O/S): Whoa.

01:31:09:12 MITCHELL (O/S CONT'D): Okay, question. If what took out...

01:31:15:09 MITCHELL (CONT'D): the village is what killed all the wildlife around here, how come that little sucker's alive and kicking?

01:31:22:06 TEAL'C: It may possess a natural immunity to this mysterious affliction.

01:31:24:27 MITCHELL (O/S): Yeah, that's exactly my point.

01:31:26:00 MITCHELL (CONT'D): So, all we got to do is catch Joe Bob there, take him back up to Carter and...

01:31:34:01 MITCHELL (CONT'D O/S): Reemer--Reimer, whatever.

01:31:37:02 MITCHELL (CONT'D): They reverse-engineer an antidote, and...Bob's your uncle. We sleep till Tuesday.

01:31:42:10 TEAL'C (O/S): Indeed.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:32:58:21 CARTER (CONT'D): and once you give in, the parasite just keeps on feeding until...

01:33:07:16 CARTER (CONT'D): the engorged parasite affects the surrounding cranial tissue, eventually provoking a lethal aneurysm.

01:33:13:20 CARTER (CONT'D O/S): But...we're...

01:33:16:09 CARTER (CONT'D): thinking that it may be possible to starve out the parasite, so to that end...

01:33:20:28 CARTER (CONT'D O/S): we have isolated a specimen that we awakened from a dormant state.

01:33:26:21 CARTER (CONT'D): Dr. Reimer?

01:33:28:13 CARTER (SHOUTING CONT'D O/S): Dr. Reimer!

01:33:33:03 CARTER (O/S CONT'D): It's his heart!

01:33:45:03 (DEFIBRILLATOR WHINES AS IT CHARGES)

01:34:00:02 DANIEL: Sam...

01:34:03:11 DANIEL (CONT'D): He's dead.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:34:17:09 VALA: Oh, I'm sorry.

01:34:18:08 HUTCHISON (O/S): Ah, Vala.

01:34:19:10 VALA: Oh, not you again.

01:34:20:15 HUTCHISON: Uh, you know, you have another scheduled appointment.

01:34:22:25 VALA: What would be the point of that? You people have already made up your  
minds about me.

01:34:25:24 HUTCHISON: Is that what you think?

01:34:27:15 VALA: Well, it's not like I haven't encountered this sort of thing before. You know, I  
saw it every day in the eyes of the people who couldn't separate me from  
the Goa'uld who enslaved them. So, you know, instead of becoming a  
victim of their arrogance and stupidity, I chose to take advantage of it, so  
I lied, I cheated, and I stole. I'm not going to apologize for it, and to be  
perfectly honest with you, I can't guarantee that I won't do it again. All  
right?

01:34:51:18 VALA (CONT'D O/S): Of course...

01:34:52:17 VALA (CONT'D): I have recently found myself risking my life...

01:34:55:15 VALA (CONT'D O/S): for something other than my own personal benefit.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:34:58:06 VALA (CONT'D): Maybe it's just a phase--Hold it, please--or maybe it's because, for the first time, I've actually met someone who, in some small way, actually believes in me, but I'm sure you're right. I'm sure it will pass. What?

01:35:13:20 HUTCHISON: Hmm.

01:35:15:26 CARTER (O/S): Daniel! You can't fall asleep. Do you hear me?

01:35:19:22 DANIEL: Yeah.

01:35:24:07 CARTER (O/S): Uh...We can't take any more of these either. With our serotonin and melatonin levels spiking, it's too dangerous.

01:35:31:11 CARTER (CONT'D): We're going to have to rely on each other, all right?

01:35:35:00 DANIEL: Okay.

01:36:01:17 MITCHELL: Easy there...Easy...Don't worry. I'm not going to hurt you.

01:36:11:26 (MITCHELL LUNGES FOR THE LIZARD)

01:36:17:27 TEAL'C: I've got it, Colonel Mitchell!

01:36:27:26 TEAL'C (CONT'D): On your feet, Colonel Mitchell. There is much ground to cover if we are to reach the surface.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:36:32:05           MITCHELL: No, you...You go ahead without me. I'm just going to...I'm just going to stay here.

01:36:38:18           TEAL'C: Then I will carry you if I must.

01:36:41:00           MITCHELL: Forget it. No...

01:36:45:16           MITCHELL (CONT'D O/S): Tretonin or not, it's going to catch up...

01:36:48:09           MITCHELL (CONT'D): with you at some point. The important thing for you is to take Curly back to Carter and...what's his name, and get them started on the cure.

01:37:00:05           TEAL'C: Indeed. I will return for you, Colonel Mitchell.

01:37:08:01           MITCHELL: And I'll be...right here...waiting for you.

01:37:20:02           DANIEL (O/S): Sam! Sam...

01:37:22:13           CARTER: I can't do it anymore.

01:37:24:11           DANIEL: We have to. You got to hang in there just a little while longer.

01:37:35:14           MED TECH: In here! Dr. Jackson, Colonel Carter, where's the rest of your team?

01:37:40:11           DANIEL (O/S): Reimer and...

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:37:40:29 DANIEL (CONT'D): Ackerman are dead. Teal'c and Mitchell went to the caves.

01:37:44:10 MED TECH: What caves?

01:37:48:22 MED TECH (CONT'D O/S): Get them in the isolation pods.

01:37:54:20 CARTER: No, wait. Wait.

01:38:00:29 CARTER (CONT'D O/S): No, wait.

01:38:03:14 CARTER (CONT'D): We can't go to sleep.

01:38:05:25 MED TECH: It's okay. We'll take care of you.

01:38:08:05 CARTER (O/S): No, you don't understand.

01:38:10:10 CARTER (CONT'D): The parasite. It feeds on...

**END OF ACT FOUR**

**ACT FIVE**

01:38:51:21 (BREATHING IN SHALLOW GASPS)

01:40:13:11 MED TECH: Take it easy, Teal'c. We've got you. Take it easy.

01:40:19:09 MED TECH (CONT'D): We've got some sort of animal here.

01:40:21:16 MED TECH 2 (O/S): We need to take it to the lab.

01:40:32:12 MITCHELL: Yeah, I was getting worked up, cussing at Teal'c, telling him to, "Go on. Leave me." Must have been 20 minutes before I realized he had gone, and I was sitting there talking to myself.

01:40:44:19 DANIEL (O/S): What about you? Any hallucinations?

01:40:46:19 CARTER: Yeah, when they put me into the pod, I imagined I was being put in a coffin. I thought I was being buried alive.

01:40:51:21 LANDRY (O/S): Well, rise...

01:40:52:17 LANDRY (CONT'D): and shine. How are you feeling?

01:40:55:02 MITCHELL (O/S): Rested and raring to go...

01:40:55:27 MITCHELL (CONT'D): sir.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:40:56:23 LANDRY (O/S): I assume Dr. Lam...

01:40:57:28 LANDRY (CONT'D): got you up to speed.

01:40:58:20 CARTER (O/S): Yes, sir...

01:40:59:28 CARTER (CONT'D): between the sample they collected from...

01:41:01:10 CARTER (CONT'D O/S): Teal'c and the research Dr. Reimer and I conducted...

01:41:03:24 CARTER (CONT'D): they were able to produce a serum that effectively isolated  
the parasite and starved it...

01:41:07:17 CARTER (CONT'D O/S): out.

01:41:08:02 MITCHELL (O/S): I just hate that--that cave...

01:41:09:15 MITCHELL (CONT'D): was a dead end. We went through all that for nothing.

01:41:11:11 DANIEL (O/S): I wouldn't say that exactly. I did find one reference in that library...

01:41:14:13 DANIEL (CONT'D): that might prove to be useful--Atlantis.

01:41:17:24 CARTER: You think the location of Merlin's weapon is hidden in their database?

01:41:20:27 DANIEL: I think it's worth checking out.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:41:22:12 (PHONE RINGS)

01:41:26:20 CARTER (INTO PHONE): Carter.

01:41:29:08 CARTER (CONT'D O/S): I see.

01:41:30:14 CARTER (CONT'D INTO PHONE): We'll be right there.

01:41:32:29 CARTER (CONT'D): There seems to be a problem in the gate room, sir.

01:41:40:05 VALA (SCREAMING): I never liked you and I know you can hear me. Dial the ...

01:41:43:23 VALA (SCREAMING CONT'D O/S): gate now! Dial the gate! Don't make...

01:41:47:18 VALA (SCREAMING CONT'D): me come in there! You stop it.

01:41:49:10 LANDRY: What's going on?

01:41:52:05 VALA (O/S): I'm leaving.

01:41:53:13 VALA (CONT'D): I'm not staying somewhere where I'm not welcome, and don't  
even think about making me stay against my will.

01:41:58:00 LANDRY (O/S): Wouldn't dream of it but I figured you'd want to...

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:42:00:19           LANDRY (CONT'D): stay after going through all the trouble of passing the psychiatric evaluation.

01:42:06:12           VALA: I passed?

01:42:07:17           LANDRY: Dr. Hutchison seems to think that you have a lot of potential.

01:42:12:11           VALA: He does?

01:42:13:10           LANDRY (O/S): He feels you can make a significant contribution here at Stargate...

01:42:16:19           LANDRY (CONT'D): Command, and I agree.

01:42:20:07           DANIEL: Congratulations.

01:42:29:22           VALA: I...I'm a little...overwhelmed.

01:42:36:13           VALA (CONT'D O/S): But as my...

01:42:37:21           VALA (CONT'D): first official act, I'd like to report a rather disagreeable little man.

01:42:42:18           WOOLSEY: That would be me.

01:42:43:23           LANDRY (O/S): Mr. Woolsey's offer was part of the test.

## STARGATE SG-1 - "Morpheus" - Episode #1002

01:43:26:09 VALA: Oh.

01:43:28:12 MITCHELL: Don't screw up.

01:43:36:15 MITCHELL (CONT'D): And welcome aboard.

01:43:40:00 VALA (O/S): See, I still think it's cause for celebration, so I say we go out...

01:43:43:03 VALA (CONT'D): have lunch, and I'll pay.

01:43:45:21 MITCHELL: Pay with what exactly?

01:43:47:27 VALA: Well, Daniel will cover me until I get my share of the loot.

01:43:53:09 DANIEL: Loot?

01:43:55:17 VALA (O/S): Yeah, from all the treasures we're going to bring back from our off-world travels. What, I have to wait until I'm off probation before I can start collecting?
