STARGATE SG-1 - "INSIDERS" - Episode #1004

TIMECODE            DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

**RECAP**

00:00:00:00	TEAL'C (V/O): Previously on Stargate SG-1...
01:00:01:26	O'NEILL: Whoa!
01:00:03:27	O'NEILL: Whoa!
01:00:07:13	HAMMOND: What are you doing?
01:00:08:17	DANIEL: I don't know, Sir.
01:00:09:24	CARTER (O/S): The Colonel must have input...
01:00:11:00	CARTER (CONT'D): New Stargate locations into the computer.
01:00:12:13	BA'AL: Jaffa number in the millions right across the vastness of the galaxy.
01:00:15:21	BA'AL (CONT'D O/S): What you need right now is a strong leader.
01:00:17:26	TEAL'C: You.
01:00:20:13	(GUNFIRE)

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:00:21:14 DANIEL: Guys! We've got a problem.

01:00:24:25 DANIEL: Ba'al's been busy.

01:00:25:29 SF: He's been gathering up stargates from all over the sector for the last several weeks.

01:00:29:16 DANIEL: In Arthurian myth, Morgan was a powerful sorceress...

01:00:31:22 DANIEL (CONT'D): King Arthur's half-sister and an adversary of Merlin.

01:00:36:07 TEAL'C: That would suggest she may have had a hand in the disappearance of the weapon we seek.

01:00:39:01 DANIEL: We're looking for the names of two planets, known on Earth in ancient times in the dialect of Old English as Castiana and Sahal.

01:00:44:26 MORGAN LE FAY: Taoth Vaclarush and Valus Cor.

01:00:47:14 DANIEL: You're not really a hologram, are you?

01:00:49:22 MORGAN LE FAY: You have your answer, Daniel Jackson. I suggest you act on it.

**END OF RECAP**

01:01:31:27 CARTER (CONT'D): We must be missing something.

01:01:33:00 LANDRY: That's what Doctor Jackson keeps telling me.

01:01:35:07 VALA: You heard from Daniel?

01:01:37:00 LANDRY: He checked in from Camelot this morning.

01:01:39:10 LANDRY (CONT'D): He's convinced that the answer is somewhere...

01:01:42:12 LANDRY (CONT'D): In Merlin's library, but he hasn't found anything yet.

01:01:45:20 HARRIMAN (V/O): Sorry to interrupt, General. You're needed in the control room.

01:01:49:10 LANDRY: Oh.

01:01:55:00 LANDRY: What is it, Chief?

01:01:56:17 HARRIMAN: We just received a heads-up from NORAD, Sir. An Alkesh bomber  
just entered Earth's atmosphere about four minutes...

01:02:01:23 HARRIMAN (CONT'D O/S): Ago. Bearing indicates Cheyenne Mountain.

01:02:07:08 HARRIMAN (CONT'D): Two F-16s out of Peterson have been re-routed to  
intercept. I'm patching us in.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:02:10:29 F-16 PILOT (V/O OVER RADIO): Repeat, you have entered a Flight Restricted Zone...

01:02:12:21 F-16 PILOT (V/O CONT'D): And are requested to land immediately. Please respond.

01:02:22:04 F-16 PILOT (V/O CONT'D): Stargate Command...

01:02:22:16 F-16 PILOT (V/O CONT'D): This is Bearcat One. Alien vessel is unresponsive. Should we engage?

01:02:26:00 MITCHELL: If they were friendly, they wouldn't be flying silent.

01:02:28:15 CARTER: Maybe their communications are down.

01:02:29:28 LANDRY: We can't take the chance. Bearcat One, this is General Landry. You are cleared to engage.

01:02:39:15 (EXPLOSION)

01:02:41:29 F-16 PILOT (V/O): Alien vessel has been disabled.

01:02:43:23 F-16 PILOT (V/O CONT'D): They're coming down hard.

01:02:45:09 HARRIMAN: I've got projected coordinates.

01:02:46:20 MITCHELL: We're on it, Sir.

01:03:09:28 CARTER: What's the situation, Major?

01:03:11:09 CAFFEY: The area has been secured. No one on board except for the pilot. He's  
being treated for minor injuries.

01:03:16:15 MITCHELL: Let's have a look at him.

01:03:25:09 BA'AL #1: Ah, at last. The welcoming committee.

**END OF TEASER**

**ACT ONE**

01:04:58:20 MITCHELL (O/S): I don't get it.

01:04:59:23 MITCHELL (CONT'D): We know that Ba'al has come to Earth before without being detected.

01:05:04:01 TEAL'C: Presumably by cloaked cargo ship or by using Asgard beaming technology from high orbit.

01:05:08:09 MITCHELL: Exactly. So why would he fly an Alkesh directly to Stargate Command?

01:05:11:18 VALA: Maybe he was planning to attack.

01:05:13:07 MITCHELL: Nah. Even Ba'al's not that crazy.

01:05:14:13 VALA: I wouldn't be so sure.

01:05:15:13 CARTER: Well, this is interesting. There's a signal coming from inside the interrogation room.

01:05:21:05 CARTER (CONT'D): He must have implanted himself with a locator beacon.

01:05:24:02 VALA: No doubt he's expecting his people to beam him out at some point.

01:05:27:05 MITCHELL: He'd better not hold his breath.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:05:28:11 VALA: Why not?

01:05:29:24 CARTER (O/S): After the stargate was stolen two years ago...

01:05:31:02 CARTER (CONT'D): We installed jamming devices to prevent anyone from  
locking on to a signal from within the base.

01:05:36:03 MITCHELL (O/S): General...

01:05:37:25 MITCHELL (CONT'D): Has he said anything?

01:05:38:24 LANDRY: He won't talk to anybody but SG-1.

01:05:41:19 CARTER: Lucky us.

01:05:43:07 LANDRY: And frankly, I'm inclined to let him rot.

01:05:45:10 MITCHELL: That's all right, Sir. We'll...we'll talk to him. After all, he did come all  
this way.

01:05:58:04 BA'AL #1 (O/S): Colonel Mitchell. Colonel Carter.

01:06:00:25 BA'AL #1 (O/S CONT'D): Teal'c.

01:06:03:20 BA'AL #1 (CONT'D): Quetesh.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:06:05:22 CARTER: She goes by Vala now.

01:06:07:22 VALA (SIGHING): Always did, really.

01:06:09:08 MITCHELL: We've been authorized to give you the time of day, so make it quick  
and make it good.

01:06:12:13 BA'AL #1: Of course.

01:06:13:17 BA'AL #1: I understand your reluctance to trust me, so I'll be succinct. It's the  
clones. They want me dead.

01:06:19:06 TEAL'C: That would make all of us.

01:06:21:17 MITCHELL: Dead, huh? What'd you do? Short sheet the bed? Cheat at cards?

01:06:25:10 BA'AL #1: You must understand that what I did was out of necessity. You were  
the ones who invited the Ori into this galaxy. I was merely trying to  
preserve a safe haven for myself and a...

01:06:33:09 BA'AL #1 (CONT'D O/S): Few...good friends.

01:06:35:22 TEAL'C: You mean slaves.

01:06:38:08 MITCHELL (O/S): So you stole a few stargates...

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:06:39:08 MITCHELL (CONT'D): Tried to set up your own network, yada, yada, yada. We were there, remember?

01:06:42:19 BA'AL #1: Luckily, I wasn't. I had to hear about your heroics third hand. I also had to hear about how you thwarted my attempts to gain control of the...

01:06:50:28 BA'AL #1 (CONT'D O/S): Jaffa High Council.

01:06:52:15 CARTER (O/S): But none of this explains...

01:06:53:26 CARTER (CONT'D): Why the clones would turn on you.

01:06:55:11 VALA: That's probably because there's a little more to his plan than he's letting on.

01:06:58:19 BA'AL #1: Perceptive, as usual.

01:07:05:20 VALA: Didn't Daniel tell me something about a very powerful weapon in the hands of the Jaffa...

01:07:09:24 VALA (CONT'D): On Dakara?

01:07:11:15 CARTER: It's not a weapon, technically. It was a device that was originally used by the Ancients to seed all life in this galaxy. But we did adapt it to destroy the replicators.

01:07:20:02 BA'AL #1: Using my simultaneous dialing program, I might add.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:07:23:05 VALA: Am I correct in assuming that...

01:07:25:11 VALA (CONT'D): This device can be adapted to kill organic life as well?

01:07:28:13 CARTER: Yes.

01:07:30:22 VALA: Now it's starting to make sense.

01:07:32:05 MITCHELL: It is?

01:07:33:15 VALA (O/S): Well, you must remember...

01:07:34:15 VALA (CONT'D): That I have intimate knowledge of just how depraved the  
Goa'uld can be.

01:07:38:22 TEAL'C (O/S): You are suggesting that Ba'al attempted to gain control ...

01:07:41:14 TEAL'C (CONT'D): Of the High Council in order to gain access to the Ancient  
device.

01:07:44:12 VALA: With the purpose of wiping out all life in the galaxy, except his own little  
corner, of course.

01:07:50:11 MITCHELL: That was Anubis's plan.

01:07:51:29 BA'AL #1 (CHUCKLING): I never said it was original, but if I'd succeeded, the Ori  
would have lost interest and been on their merry way.

01:08:00:11 CARTER (O/S): You were going to save...

01:08:01:29 CARTER (CONT'D): The galaxy by destroying pretty much everyone in it?

01:08:07:00 MITCHELL (O/S): But your clones...

01:08:07:22 MITCHELL (CONT'D): Figured out you wouldn't bring them along.

01:08:10:10 BA'AL #1: They served their purpose, but what can I say? Their egos were  
beginning to be a problem.

01:08:15:24 MITCHELL: Well, they are your clones.

01:08:18:15 VALA (O/S): What I don't understand is, after this particular revelation...

01:08:22:02 VALA (CONT'D): You thought SG-1 would want to help you.

01:08:25:17 BA'AL #1: Because I can help you.

01:08:27:19 TEAL'C: With what?

01:08:28:24 BA'AL #1: Your search for Merlin's weapon, of course.

01:08:36:26 (KNOCKING)

01:08:38:16 HARRIMAN: Sir? Agent Barrett is here to see you.

01:08:41:03 LANDRY (O/S): Barrett. What can I do for you?

01:08:43:01 BARRETT: I'm here for the prisoner, Sir.

01:08:44:14 LANDRY: Excuse me?

01:08:46:13 BARRETT (O/S): Ba'al.

01:08:48:03 BARRETT (CONT'D): I have an official request for his transfer into NID custody.

01:08:54:01 LANDRY: You gotta be kidding. We caught him, we can handle it.

01:09:00:10 BARRETT: With all due respect, Sir, it's my understanding he basically flew himself into your front door.

01:09:07:02 BARRETT (CONT'D O/S): Look, nobody wants a jurisdictional tug-of-war here.

01:09:09:10 BARRETT (CONT'D): We've been investigating the Goa'uld infiltration of the Trust for two years now. I'm telling you, it's a global conspiracy.

01:09:16:23 BARRETT (CONT'D): Political and corporate connections in over a dozen countries--your prisoner is at the top of the pyramid.

01:09:21:29 LANDRY: We don't even know if he's the real Ba'al.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:09:24:06           BARRETT: Even if he's a clone, I bet you he's got enough information to bring  
                          down the whole organization. We could wipe them out.

01:09:30:13           LANDRY: You're just going to have to wait your turn. Right now, we've got bigger  
                          fish to fry.

01:09:36:15           BA'AL #1: Anubis told me of the weapon and of its power.

01:09:39:17           BA'AL #1 (CONT'D O/S): He dedicated considerable effort...

01:09:41:19           BA'AL #1 (CONT'D): To finding it during his time in our plane of existence...

01:09:43:26           BA'AL #1 (CONT'D): But he never succeeded.

01:09:46:09           CARTER: And you have the address.

01:09:48:14           BA'AL #1: Actually, you have the address.

01:09:50:19           BA'AL #1 (CONT'D O/S): It's among those...

01:09:51:28           BA'AL #1 (O/S CONT'D): Colonel O'Neill obtained during his encounter...

01:09:53:24           BA'AL #1 (CONT'D): With the Ancient repository of knowledge on the planet you  
                          call P3R-272.

01:09:59:04           TEAL'C: There are thousands of addresses on that list.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:10:01:24 BA'AL #1: Exactly why...

01:10:02:04 BA'AL #1 (CONT'D): You'll never find it on your own.

01:10:05:09 BA'AL #1 (CONT'D): I, however, have information that will allow you to narrow  
down your choices considerably.

01:10:11:19 BA'AL #1 (CONT'D): All I ask in return...is that you eliminate the clones.

01:10:15:10 MITCHELL: And we do that exactly how?

01:10:17:06 BA'AL #1: It should be easy enough to track them down. I implanted a locator chip  
in each one when I created them.

01:10:22:00 CARTER: It's funny, because...

01:10:22:21 CARTER (CONT'D): We detected a locator chip in you.

01:10:25:04 BA'AL #1: I had to implant one in myself in order to gain their trust.

01:10:28:04 CARTER: Ah.

01:10:30:00 BA'AL #1: You can use the tracking system on board my Alkesh. They'll never see  
it coming.

01:10:34:09 MITCHELL: Well, that is a truly incredible story. In every sense of the word.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:10:39:28 BA'AL #1: I should also mention that every one of my clones knows about Merlin's  
weapon...

01:10:43:12 BA'AL #1 (CONT'D): And if any of them, at any point, were captured by the  
Priors...

01:10:46:05 BA'AL #1 (CONT'D): And were it to somehow slip out that the SG-C computer  
contains the location of a weapon deadly to the Ori...

01:10:52:26 TEAL'C: The Priors would stop at nothing to have it within their grasp.

01:10:57:05 BA'AL #1: It is, of course, your decision. I leave it in your very capable hands.

01:11:14:04 BARRETT: You can't seriously think that he's telling the truth.

01:11:17:03 LANDRY: The whole truth? Of course not. But there's too much at stake here not  
to investigate.

01:11:22:25 BARRETT: And in the meantime, what am I supposed to tell my superiors?

01:11:27:05 LANDRY: That's your problem.

01:11:31:28 DR. LEE: We managed to activate the tracking system on the Alkesh, and this...

01:11:36:12 DR. LEE (CONT'D): Is what we got.

01:11:40:08 MITCHELL: Those are the Ba'als?

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:11:42:00 DR. LEE: More like dots, really.

01:11:46:14 DR. LEE (CONT'D): Get it? Dots, balls...

01:11:49:26 (CLEARING HIS THROAT)

01:11:50:26 DR. LEE (CONT'D): Anyway, we've worked up those files with the current  
locations, showing the addresses and any available intel.

01:11:59:10 MITCHELL: All right, so what kind of trap are we looking at?

01:12:00:13 CARTER (O/S): I don't think it would be...

01:12:01:13 CARTER (CONT'D): As simple as an ambush, not while we have him in custody.  
No Goa'uld would sacrifice...

01:12:05:09 CARTER (CONT'D O/S): Himself like that.

01:12:06:22 MITCHELL: What do you think, Sir?

01:12:08:11 VALA (WHISPERING): I say we give it a go.

01:12:09:14 LANDRY: Remind me to give you a primer on the...

01:12:11:15 LANDRY (CONT'D O/S): Meaning of the word "Sir."

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:12:13:05 LANDRY (CONT'D): But she's right.

01:12:14:07 LANDRY (CONT'D): We won't know if Ba'al's serious or not until we test out...

01:12:17:25 LANDRY (CONT'D): Some of these addresses.

01:12:19:14 CARTER: Some of this intel seems pretty sketchy.

01:12:21:25 VALA: I'm familiar with this planet. It used to belong to Camulus.

01:12:25:19 MITCHELL: Can you get us in?

01:12:27:27 VALA: Absolutely.

01:12:35:00 LANDRY: You sure you want to bring her along on this one?

01:12:37:17 MITCHELL: Jackson says she'll be useful. Now's her chance to prove it.

01:12:39:25 LANDRY: But Dr. Jackson isn't here, and it seems to me, he's the only one she  
ever listens to.

01:12:44:04 MITCHELL: Yeah. Some of the time.

01:12:46:28 LANDRY: You don't think you can control her?

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:12:48:09            MITCHELL: No, I know I can't control her, but that's pretty much par for the course. Sir...Carter and I are the same rank, Teal'c's an alien, Jackson's a civilian. I learned a long time ago I don't control anything.

01:13:01:21            LANDRY: Who does?

01:13:13:11            VALA: How do I look?

01:13:15:03            MITCHELL: Turn around. Yeah, you look great.

01:13:19:20            VALA: A little more enthusiasm from you next time.

01:13:21:14            VALA (CONT'D): Thank you. What?

01:13:24:10            MITCHELL (O/S): What was that?

01:13:26:22            VALA: This is my first real mission through the gate, and I am the only one who knows the terrain.

01:13:30:24            MITCHELL: Then try not to get us killed.

**END OF ACT ONE**

**ACT TWO**

01:13:55:08 VALA: Here we are.

01:13:58:13 MITCHELL: And what?

01:13:59:16 VALA: Well, it's a ring platform, somewhat hidden...but it's a back door, if you will.

01:14:04:20 CARTER: Okay, but it doesn't do us much good if we can't activate it.

01:14:08:07 VALA: Leave that to me.

01:14:09:27 MITCHELL: Hang on! Hang on!

01:14:15:05 MITCHELL (CONT'D): Where's she going?

01:14:33:10 (WHISTLING)

01:14:34:18 (LASER FIRE, JAFFA GROANING, GUNFIRE)

01:14:45:00 MITCHELL: What the hell are you doing?

01:14:46:22 VALA: I alerted a Jaffa patrol to our presence.

01:14:48:25 MITCHELL (O/S): Obviously. Do you mind if I ask why?

01:14:50:10 VALA: So that they'd sound the alarm and send reinforcements.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:14:53:24 MITCHELL: Oh, well, that's...that's brilliant. Hey, how come I didn't think of that?

01:14:57:29 VALA: My dear Colonel, where do you think the reinforcements will come from?

01:15:10:04 (RINGS ACTIVATING)

01:15:19:18 (FOOTSTEPS MARCHING IN UNISON)

01:15:31:19 VALA: You can thank me later, by the way.

01:15:56:17 (PIN CLANGING TO THE FLOOR)

01:16:06:04 BA'AL #2: Jaffa!

01:16:07:22 (BLAST)

01:16:09:18 (GUNFIRE, GROANING)

01:16:14:00 BA'AL #2: Don't shoot.

01:16:15:02 BA'AL #2 (CONT'D): I know why you're here and you're making a big mistake.

01:16:18:16 MITCHELL: Oh, let us guess--you're the real Ba'al.

01:16:20:08 BA'AL #2: Precisely.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:16:23:20 BA'AL #2 (CONT'D): No doubt, the impostor promised you the location of Merlin's  
weapon if you helped him get rid of the rest of us.

01:16:28:08 CARTER: That's right.

01:16:29:15 BA'AL #2 (O/S): You do realize...

01:16:30:02 BA'AL #2 (CONT'D): He has no idea where it is or how to find it.

01:16:32:19 VALA (O/S): But you do.

01:16:34:03 BA'AL #2 (O/S): Of course. I obtained...

01:16:35:23 BA'AL #2 (O/S CONT'D): The information after the clones were created, and  
needless...

01:16:38:07 BA'AL #2 (CONT'D): To say, I never shared it with them.

01:16:41:13 MITCHELL: You know what, this is giving me a headache. What do you say we  
finish this off at home? Let's go, Spartacus.

01:17:02:12 MITCHELL: Oh, yeah. Now I can see the difference.

01:17:07:05 TEAL'C: I still cannot.

01:17:09:15 VALA: Do we really believe that only one of them knows how to find the weapon?

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:17:11:24           LANDRY: This is Ba'al we're talking about. I don't think we can take anything  
                                either of them say at face value.

01:17:17:07           CARTER: So what now, Sir?

01:17:19:14           LANDRY: We've got scientists working here, don't we? Get 'em on this. See if  
                                they can sort out who's who.

01:17:25:04           (PUNCHING, LASER FIRE)

01:17:36:29           LANDRY: In the meantime, I think I'm going to have to arrange for separate  
                                accommodations.

01:17:47:18           DR. SHEFFIELD (O/S): I wish I had better news.

01:17:49:14           CARTER: So you're saying there's no way to tell them apart?

01:17:52:16           DR. SHEFFIELD: We generated distinct DNA profiles of all four samples using a  
                                number of analysis techniques--

01:17:57:03           CARTER (INTERRUPTING): Sorry? Four?

01:17:59:00           DR. SHEFFIELD: We did the host and the Goa'uld separately.

01:18:00:11           CARTER: Right.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:18:01:06 DR. SHEFFIELD: We ran each test five times, and in each case, the results were uncanny. There was a perfect match across all 13 specific DNA markers. I'm sorry, Colonel. Either the clones are genetically indistinguishable from the real Ba'al...

01:18:14:00 CARTER: Or we have two clones on our hands and the real Ba'al is still out there. Thank you.

01:18:26:05 (GUNFIRE)

01:18:34:25 MITCHELL: So much for not encountering resistance.

01:18:36:29 VALA: I guess some Ba'als are bigger than others.

01:18:39:00 MITCHELL: If he's got a ship back there, we're screwed. We've got to find a way around.

01:18:42:02 CARTER: You hold this position. I'll go.

01:18:44:27 VALA (O/S): I'll come with you.

01:18:46:11 MITCHELL: Draw some fire.

01:18:48:25 (GUNFIRE)

01:18:58:04 CARTER: Are you thinking what I'm thinking?

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:19:08:15 CARTER (CONT'D O/S): Someone's coming.

01:19:15:03 (GUNFIRE)

01:19:29:03 BA'AL #3: Don't shoot. I am the real Ba'al.

01:19:32:14 MITCHELL (INTO RADIO): Sam. We've got Ba'al.

01:19:35:21 CARTER (INTO RADIO): Copy that. So do we.

01:19:57:17 MITCHELL: Chief, we got a full count. Two strikes, three Ba'als.

01:20:02:02 HARRIMAN: That's clever, Sir.

01:20:03:26 CARTER: He was thinking that one up the whole way home.

01:20:06:26 MITCHELL: Yeah, the whole three seconds.

01:20:08:03 CARTER: 3.2.

01:20:08:22 MITCHELL: Good point.

01:20:09:26 HARRIMAN: Well, that ties you...

01:20:10:18 HARRIMAN (CONT'D): With SG-12, because they brought in two more about an  
hour ago.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:20:13:17 MITCHELL: Damn.

01:20:16:02 CARTER: It's not a competition.

01:20:17:24 MITCHELL: Says you.

01:20:25:21 BARRETT: General.

01:20:29:02 LANDRY: Barrett. I was wondering when you'd be back.

01:20:31:16 BARRETT: I understand you've got yourself a few extra Ba'als.

01:20:36:08 LANDRY: I don't suppose you'd consider letting me take a few off your hands.

01:20:38:29 LANDRY: You know I can't do that. Not until we figure out which one's the original,  
and whether or not he's bluffing about Merlin's weapon. Besides...

01:20:48:26 LANDRY (CONT'D): If any of them got wind that we had another agenda, that  
would give them leverage in the interrogation. Last thing we need is for  
them to think they have a strong bargaining position.

01:20:58:09 BARRETT: I was afraid you were going to say that.

01:21:01:00 LANDRY: I assume you spoke to your superiors.

01:21:03:00 BARRETT: I did. They're not happy.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:21:04:09 LANDRY: The fact is, while the NID does provide civilian oversight of my command, I don't technically have to follow their orders--at least not until the President tells me to.

01:21:14:22 BARRETT: They tried that. For the moment, he is backing you. But if your investigation doesn't turn up anything useful soon, that's going to all change.

01:21:22:20 LANDRY: Obviously.

01:21:24:27 BARRETT: I'd like to stay on and observe the interrogations. Any one of them could say something that might turn out to be useful for us.

01:21:31:04 LANDRY: Of course. You're always welcome. What do you got?

01:21:35:06 CARTER: Well, Sir, SG-14 just arrived with two more Ba'al clones, which brings us to the end of our list.

01:21:41:00 BARRETT: Well, you guys got your work cut out for you, huh?

**END OF ACT TWO**

**ACT THREE**

01:22:16:01 BA'AL #2: And just how might you be able to help me?

01:22:19:17 CARTER: Well, we could spare your life, for one. You help us find Merlin's  
weapon, and I promise we won't kill you.

01:22:26:19 BA'AL #2: No--instead you'll lock me in the basement of one of your more  
appalling penal facilities, for me to live out the rest of my life in squalor  
and deprivation.

01:22:37:11 CARTER: It's better than the alternative. Trust me.

01:22:40:09 MITCHELL: See, here's what I'm thinking. I'm thinking that you're not the real  
Ba'al. I mean, you haven't even tried to cut a deal, which makes me think  
that you have no idea how to find the weapon, therefore you're just  
another clone.

01:22:55:21 BA'AL #3: I am the real Ba'al, I assure you.

01:22:59:00 MITCHELL: No, no, think about this. How did we meet? Do you think the real  
Ba'al would let himself be captured like that? Cowering in the bushes like  
a scared little bunny rabbit.

01:23:09:28 MITCHELL (CONT'D): That's better, but I'm still not buying it.

01:23:13:12 BA'AL #3: You're trying to goad me into revealing information.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:23:18:23 MITCHELL (O/S): No, I'm just calling it...

01:23:19:28 MITCHELL (CONT'D): Like I see it, and right now you do not strike me as someone who could intimidate a 10-year-old out of his lunch money, much less run an interstellar empire.

01:23:26:05 BA'AL #3: Why don't you have the guard excuse himself for a moment, and I'll show you just what I'm capable of.

01:23:31:06 MITCHELL: See now I know you're not the real Ba'al. The real Ba'al wouldn't care about the guard.

01:24:02:19 VALA: So...having a tough day, are we?

01:24:07:07 BA'AL #1: What do you want, Quetesh?

01:24:09:14 VALA: Is that any way to greet an old friend?

01:24:11:25 BA'AL #1: Is that what we were?

01:24:12:25 VALA: I'll admit we had our differences...

01:24:14:28 BA'AL #1: You attacked my fleet at Selenis, crippled my flagship and killed 10,000 of my best Jaffa.

01:24:19:19 VALA: So I did. But it was nothing personal. Anyway, that's all in the past...

01:24:26:28 VALA (CONT'D): And I'm here to talk about our future.

01:24:30:12 BA'AL #1: Our future?

01:24:33:05 VALA: You must admit there's always been something between us, even when we  
wanted to kill each other...

01:24:38:09 VALA (CONT'D O/S): There was always a certain...

01:24:41:11 VALA (CONT'D): Spark.

01:24:44:02 BA'AL #1: Perhaps. But you've made your new allegiance clear.

01:24:47:17 VALA: Have I? Or have I just been waiting for the right opportunity?

01:24:57:29 BA'AL #1: What sort of opportunity?

01:25:01:14 VALA: You know how to find the address, I have the access to the database.

01:25:05:05 BA'AL #1: You would betray your Tauri friends?

01:25:09:03 VALA: Friends...come and go. Besides, what use are they going to be to me on  
their knees before the armies of the Ori.

01:25:18:03 VALA (CONT'D): You tell me what you know, I'll find the location of Merlin's  
weapon, we'll make our escape...

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:25:23:06 VALA (CONT'D): And then we'll be free to share in the pleasure of each other's company.

01:25:28:26 BA'AL #1: An excellent plan.

01:25:31:22 VALA: Hmm.

01:25:32:22 BA'AL #1: But why wait?

01:25:35:20 BA'AL #1 (CONT'D): Merlin's...

01:25:36:16 BA'AL #1 (CONT'D): Weapon isn't going anywhere. We have nothing but time.

01:25:39:29 (TRAY OF FOOD CLATTERS TO THE FLOOR)

01:25:43:11 VALA: What, here?

01:25:44:11 VALA (CONT'D): On this rather...uncomfortable table?

01:25:48:05 BA'AL #1: Why not?

01:25:50:06 VALA: Well, the security camera, for starters. There's no way they'd trust me after seeing something like this.

01:25:58:01 BA'AL #1: Tell them it was part of your interrogation technique.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:26:02:27 VALA: Oh, come on, be serious.

01:26:07:28 BA'AL #1: I am being serious. Aren't you?

01:26:13:19 BA'AL #1 (CONT'D V/O): Your time amongst the Tauri is making you soft. You  
used to be a much better liar.

01:26:21:13 LANDRY: Don't say it.

01:26:22:21 BARRETT: Your people are getting nowhere, Sir.

01:26:24:06 LANDRY: You think you could do better?

01:26:25:10 BARRETT: It's what we're trained for. I could have half a dozen agents here by  
tomorrow.

01:26:28:29 BARRETT (CONT'D O/S): I'm talking about offering our services on your  
investigation.

01:26:32:09 BARRETT (CONT'D): If any of the Ba'al knows where Merlin's weapon is, we'll  
find out.

01:26:34:14 LANDRY: By your own admission, the NID wants this over with as quickly as  
possible so they can move on to something they think is more important.

01:26:40:24 LANDRY (CONT'D O/S): Under those circumstances, I think you'll understand...

01:27:39:00 CARTER (CONT'D): Just give us a couple of days, and then you can come in  
and--

01:27:43:14 BARRETT: No. This is way too...

01:27:44:14 BARRETT (CONT'D SHOUTING): Important!

01:27:48:25 CARTER: Are you all right?

01:27:49:27 BARRETT: This is about us, isn't it?

01:27:51:22 CARTER: Excuse me?

01:27:52:22 BARRETT: This is about us.

01:27:53:17 BARRETT (CONT'D): We obviously have unresolved issues.

01:27:55:14 CARTER: You're my friend, and I care about you, but don't push it.

01:28:10:04 BARRETT: I need to see the prisoner. Now.

01:28:36:00 MITCHELL: General.

01:28:37:13 LANDRY: Somebody, give me some good news.

01:28:39:00 MITCHELL (O/S): Sorry, Sir, I still don't have...

01:28:40:14 MITCHELL (CONT'D): Anything useful.

01:28:41:19 VALA: I didn't even make it to first base.

01:28:43:29 LANDRY: Where's Colonel Carter?

01:28:44:29 MITCHELL: She was finishing up last time I saw her...

01:28:45:27 MITCHELL (CONT'D): But I don't think she has anything to report either.

01:28:48:05 LANDRY: We're running out of time. The NID...

01:28:49:28 LANDRY (CONT'D): Wants the prisoners, and the President's not going to be able  
to hold them back forever.

01:28:54:15 MITCHELL: Or they're not going to wait.

01:28:57:29 LANDRY: What are you talking about?

01:28:59:18 MITCHELL (O/S): Agent Barrett--

01:29:01:03 MITCHELL (CONT'D): He's talking to one of the Ba'als.

01:29:03:28 LANDRY: I didn't give authorization for that.

01:29:06:26 MITCHELL: Whoa!

01:29:10:21 (PINGING SOUND)

01:29:12:11 CARTER: Radio.

01:29:13:11 CARTER (CONT'D INTO RADIO): This is Colonel Carter requesting backup, level  
16, corridor B.

01:29:17:10 (ALARMS SOUNDING)

01:29:17:20 CARTER: Come with me. You, cover them both.

01:29:27:20 MITCHELL: We're losing containment.

01:29:32:02 LANDRY (INTO PHONE): This is General Landry. I need a full security lock down  
of Levels 15 through 17, now.

01:29:37:10 MITCHELL: And there goes the feed.

01:29:39:13 MITCHELL (CONT'D): We're blind.

**END OF ACT THREE**

**ACT FOUR**

01:30:15:19 CARTER: Barrett!

01:30:16:16 BARRETT (GROANING): Oh, Sam! He got away, he took my gun--

01:30:19:16 CARTER: It's okay. We'll get you out of here.

01:30:22:15 BARRETT: Okay.

01:30:29:05 BA'AL #4 (O/S): Going somewhere?

01:30:31:21 (LASER FIRE)

01:30:34:01 (LASER FIRE)

01:30:37:15 BA'AL #4: Put them with the others.

01:30:45:13 MITCHELL: We have emergency forces in position at all access points, Sir. All  
three levels are locked down and secure.

01:30:52:15 LANDRY: What've you got for me, Doctor?

01:30:56:05 DR. LEE: Well, we're thinking our best bet is symbiote poison...

01:31:00:02 DR. LEE (CONT'D O/S): Introduced in gas form onto all three levels.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:31:02:13 DR. LEE (CONT'D): It won't harm any of our people, but it will kill any of the Goa'uld who come in contact with it.

01:31:06:29 LANDRY: Excellent. Do it.

01:31:08:04 DR. LEE: Well, it's not that simple. You see, we'll have to use the ventilation system to distribute the gas, you know...

01:31:13:29 DR. LEE (CONT'D): And it's not really designed for that sort of thing.

01:31:16:00 LANDRY: What are you saying?

01:31:17:03 DR LEE: I can run some simulations and determine...

01:31:20:12 DR LEE (CONT'D O/S): The optimum points to seal off the levels...

01:31:22:15 DR LEE (O/S CONT'D): And to insert the gas...

01:31:24:09 DR LEE (CONT'D): But even at optimum efficiency, it won't be distributed evenly. There's bound to be dead pockets where the gas will take longer before it has any effect--

01:31:32:00 MITCHELL (INTERRUPTING): So what you're saying is, depending on location, some of the Ba'als may get advance warning.

01:31:36:18 VALA: As soon as they realize what's happening, they're going to kill the hostages.

01:33:47:00 BA'AL #5: What are you doing? We need to join the others.

01:33:54:15 BA'AL #6: All right. I'm coming.

01:34:15:05 CARTER: You want Merlin's weapon for yourselves.

01:34:17:09 BA'AL #1: A weapon capable of destroying not only the Ori, but the Ancients as well. I'd say that's a pretty valuable commodity.

01:34:25:14 CARTER: I won't do it.

01:34:31:08 BA'AL #1: This would be an inappropriate time for heroics, Colonel.

01:34:37:14 CARTER: Go ahead and kill me. It's only a matter of time before we regain control of this level. Good luck trying to figure out the code before then.

01:34:45:17 BA'AL #1: I would never dream of killing you. But I will kill the other hostages. Start with Agent Barrett.

01:34:58:22 CARTER: Wait!

01:35:05:19 CARTER (CONT'D): I'll do it.

01:35:17:00 SILER (INTO RADIO): I'm in position, Doc.

01:35:18:20 SILER (V/O OVER RADIO): Level 14, section C-9 on the ventilation grid.

01:35:22:15 DR. LEE: All right. That's our main access point on the North side. Now, the first thing you'll need to do is seal off the vent before the junction.

01:35:29:19 SILER (INTO RADIO): I'm on it.

01:35:37:19 BA'AL #1: Why is this taking so long?

01:35:39:17 CARTER: It's a lot of information.

01:35:41:00 BA'AL #1: You did something to slow the download, didn't you?

01:35:43:18 CARTER: I don't know what you're talking about.

01:35:45:17 BA'AL #1: It doesn't matter. You can't stop us anyway. Check the perimeter.

01:35:50:29 BA'AL #1 (CONT'D): They'll be coming soon.

01:36:17:20 (FOOTSTEPS APPROACHING)

01:36:33:02 MITCHELL (WHISPERING INTO RADIO): Teal'c, Vala, we've got a bit of a dead end here. Have you got Carter's 20?

01:36:37:04 TEAL'C: Negative. I am similarly immobilized.

01:36:48:03 LANDRY: Doctor...

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:36:50:08 DR. LEE: We're setting up five separate access points, and they all have to be ready to go simultaneously. It's just going to take a minute.

01:37:06:24 BA'AL #1: I'll take that.

01:37:08:00 CARTER: It won't do you any good. They'll never let you off this base, even if you kill us all.

01:37:12:21 BA'AL #1: Yes, that's what I wanted you to think, otherwise you never would have given me the code.

01:37:16:29 CARTER: What are you talking about?

01:37:19:26 BA'AL #1: I knew they wouldn't negotiate...

01:37:23:06 BA'AL #1 (CONT'D): Not even for you. Not with something like this at stake.

01:37:32:20 BA'AL #1 (CONT'D): Fortunately...

01:37:33:16 BA'AL #1 (CONT'D): That's not the plan.

01:37:50:00 (KNOCKING)

**END OF ACT FOUR**

**ACT FIVE**

01:38:22:21 MITCHELL (WHISPERING INTO RADIO): Where the hell is that gas?

01:38:23:28 VALA (WHISPERING INTO RADIO): I don't mean to rush you boys. We're about  
to be discovered here.

01:38:29:20 BA'AL #1 (O/S): We know you're back there.

01:38:32:13 VALA (WHISPERING): So much for the plan.

01:38:35:00 (LASER FIRE, GROANING)

01:38:38:22 (GUNFIRE)

01:38:42:14 MITCHELL: Aw, hell.

01:38:43:15 (GUNFIRE)

01:38:48:28 SILER (V/O OVER RADIO): We have gunfire on level 16!

01:38:53:01 LANDRY (INTO RADIO): Siler, this is General Landry. Forget about a coordinated  
attack. Just hit 'em with as much gas as you can, now!

01:39:00:15 SILER (V/O OVER RADIO): Yes, Sir.

01:39:07:24 (GUNFIRE)

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:39:43:16 VALA: We have a man down. Are you all right?

01:39:45:28 TEAL'C: We are uninjured.

01:39:47:05 VALA: And Mitchell?

01:39:48:09 (DOOR BURSTING OPEN)

01:39:51:06 MITCHELL: Are you okay?

01:39:52:15 CARTER: I'm fine. What's happening?

01:39:53:15 MITCHELL: We got 'em on the run. Looks like they're retreating back...

01:39:55:16 MITCHELL (CONT'D): To one of the isolation rooms.

01:39:56:25 CARTER: Wait a minute--all of them together?

01:39:59:01 MITCHELL: Yeah. Why?

01:40:01:00 MITCHELL (CONT'D): Sam?

01:40:04:12 (GUNFIRE)

01:40:23:17 (GROANING)

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:40:30:28 MITCHELL (SHOUTING): Sam!

01:40:35:15 CARTER: You're too late. That's symbiote poison.

01:40:37:05 BA'AL #1: You're the one who's too late.

01:40:57:03 BA'AL #1: Get us out of here.

01:41:08:04 LANDRY: How the hell did he do it?

01:41:10:10 CARTER (O/S): It looks like the locator beacons...

01:41:11:10 CARTER (CONT'D): Actually served a dual purpose. In close proximity, they  
combined to amplify the signal, enough to be picked up through our  
jamming screen.

01:41:17:24 VALA (O/S): That's why he needed us to go and...

01:41:19:16 VALA (CONT'D): Round up the clones. He was playing us from the start.

01:41:22:25 MITCHELL: This was all so he could get his hands on that list of planets...

01:41:25:16 CARTER: He must genuinely believe that Merlin's weapon is hidden on one of  
them.

01:41:29:00 TEAL'C (O/S): Even so, he took a great risk.

01:41:30:10           TEAL'C (CONT'D): It was only because Agent Barrett violated protocol that he was afforded the opportunity to escape the interrogation room.

01:41:35:06           MITCHELL (O/S): That was...

01:41:36:06           MITCHELL (CONT'D): The reason he was able to get all the clones in one place so he could beam out.

01:41:39:26           CARTER: So if the whole thing was planned in advance, how did he know what Agent Barrett was going to do?

01:41:50:22           LANDRY: Agent Barrett, we need to talk.

01:41:54:02           BARRETT: Yes?

01:41:56:01           CARTER: Did you read the report on Ba'al's attempts to gain control of the Jaffa High Council?

01:42:00:04           BARRETT: Yeah, sure I did.

01:42:01:00           TEAL'C: The council members were influenced by some form of mind control.

01:42:04:08           BARRETT: Yeah, I remember. So?

01:42:05:19           MITCHELL: So what were you doing in Ba'al's cell?

01:42:07:13           BARRETT: I went to question him.

## STARGATE SG-1 - "INSIDERS" - Episode #1004

01:42:08:23 LANDRY: You had no authorization for that.

01:42:10:17 BARRETT: You were stonewalling me. I decided to take matters into my own hands.

01:42:14:03 CARTER: You took your weapon into the interrogation room.

01:42:16:20 BARRETT: Yeah. Yeah, I shouldn't have done that. That was a mistake.

01:42:19:07 CARTER: You see, the Malcolm Barrett I know would never have made that kind of mistake.

01:42:22:18 MITCHELL (O/S): Your record indicates your entire career...

01:42:25:08 MITCHELL (CONT'D): Has been strictly by the book. Now, suddenly out of the blue, you're a cowboy?

01:42:31:20 BARRETT: What are you guys saying? You think that I've been brainwashed?

01:42:34:19 TEAL'C (O/S): The technology...

01:42:36:02 TEAL'C (CONT'D): Is readily available to the Goa'uld who infiltrated the Trust, and their loyalty is to Ba'al.

01:42:40:28 CARTER (O/S): Somebody must have given him the specs to our anti-beaming technology.

01:42:45:01 CARTER (CONT'D): It's the only way he could've known that a combined signal would be enough to punch through.

01:42:48:18 BARRETT: Yeah. I agree with that, but it wasn't me.

01:42:51:03 MITCHELL (O/S): Ba'al's plan hinged on knowing in advance he'd have the opportunity...

01:42:52:28 MITCHELL (CONT'D): To get out of that cell. He knew you were coming.

01:42:57:07 BARRETT: And this is crazy.

01:42:58:26 CARTER: You didn't know you were doing anything wrong.

01:43:01:03 BARRETT: I've got to go. I'm due back in Washington.

01:43:03:19 LANDRY: You're not going anywhere. Sergeant.

01:43:04:21 LANDRY (CONT'D): Hand over your weapon.

01:43:13:00 BARRETT: Sam, you know this isn't true.

01:43:22:28 CARTER: Sir, I'm sorry. I never should have given Ba'al that code.

01:43:27:17 LANDRY: You had no way of knowing. Under the circumstances, you did the right thing.

01:43:33:06 CARTER: Thank you, Sir.

01:43:44:11 MITCHELL: So what do you think? You think Ba'al really has a way of figuring out  
where that weapon is?

01:43:50:02 CARTER: Hard to say. Anubis knew the addresses of all those planets and he  
never found it. Mind you, there was only one of him.

01:44:00:07 MITCHELL: Says you.
