STARGATE SG-1 - "Uninvited" - Episode #1005

01:00:55:28 MITCHELL: Looks like I beat the others up here.

01:00:57:27 LANDRY: Walter just called. Colonel Reynolds'...

01:00:59:12 LANDRY (CONT'D O/S): team has been delayed offworld. Teal'c's gone to assist.

01:01:02:15 MITCHELL: Is there a problem?

01:01:03:18 LANDRY: Nothing they can't handle.

01:01:05:04 LANDRY (CONT'D O/S): Unfortunately, it also means that Colonel Carter will be
delayed until Reynolds...

01:01:09:07 LANDRY (CONT'D): gets back to take command of the SGC.

01:01:11:16 MITCHELL: What about Jackson?

01:01:12:16 LANDRY (O/S): Still in England.

01:01:13:28 LANDRY (CONT'D): Seems he's met some lord or earl with a private library of
ancient reference material on Merlin...

01:01:20:03 LANDRY (CONT'D O/S): and Morgan LeFay. He's obviously quite excited.

01:01:24:21 MITCHELL: Yeah. Like a fat kid in a candy store.

01:01:28:01 LANDRY: I was a big boy in my youth.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:01:30:29 LANDRY (CONT'D O/S): Never did...

01:01:31:09 LANDRY (CONT'D): appreciate comments like that.

01:01:33:08 MITCHELL: Yes, sir. Sorry, sir.

01:01:34:23 LANDRY (O/S): Anyway, Vala's hitching a ride with the others, so...

01:01:37:00 LANDRY (CONT'D): until then, it's just you and me.

01:01:38:21 MITCHELL: I'll be sure to stay out of your way, sir. You won't even know I'm here.

01:01:42:25 LANDRY: Nonsense. Getting to know each other a little better outside of work and
 the pressure of the SGC is what this is all about. Kick back. Put our feet
 up for the day.

01:01:53:00 MITCHELL: Well, that's kind of hard to do with the fate of the galaxy hanging in
 the balance, sir.

01:01:57:11 LANDRY: Well, if anyone is going to make a difference in this battle, Colonel, it's
 you and your team.

01:02:03:09 MITCHELL: Yes, sir. I see what you mean about escaping the pressure.

01:02:06:13 LANDRY (O/S): We all need to stop for air now and then or we'll burn out.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:02:09:10 LANDRY (CONT'D): That's the one thing you people don't know how to do, so I'm making it an order.

01:02:14:09 MITCHELL: Yes, sir. I'm sure it'll be fun, sir.

01:02:18:03 LANDRY: You're damn right it will be fun.

01:02:23:09 LANDRY (CONT'D O/S): Come on in. I've got the coffee on.

01:02:36:22 REYNOLDS: The first villager went missing some time yesterday morning.
Another by nightfall. They sent out search parties, armed men. These people are capable hunters. By all accounts, they have lived on this planet for generations and never encountered an animal they perceive as an unmanageable threat.

01:02:52:25 TEAL'C: Perhaps it was not an animal.

01:03:02:13 REYNOLDS: So if an animal didn't tear these people apart, what did?

END OF TEASER

ACT ONE

01:04:32:00 TEAL'C (V/O): The people of P9J 333 have never before encountered...

01:04:35:04 TEAL'C (CONT'D): an indigenous creature they believe capable of such an act.

01:04:38:08 CARTER: You think this is some sort of motivational tool meant to strike fear? An
 Ori bogeyman?

01:04:42:27 REYNOLDS: It seems to be working. The people are...

01:04:44:23 REYNOLDS (CONT'D O/S): terrified.

01:04:45:15 CARTER: Any chance the Prior knew you were there?

01:04:47:09 REYNOLDS: I doubt this was a message directed at us. Our mission was to
 covertly observe if the planet went Origin...

01:04:52:03 REYNOLDS (CONT'D O/S): or not. We didn't make contact with the population
 until after people started going missing.

01:04:56:04 CARTER: Okay. Well, if this is some new Ori threat, chances are the Prior will
 show up to take...

01:05:00:16 CARTER (CONT'D O/S): responsibility.

01:05:01:23 VALA (O/S): On the other hand...

STARGATE SG-1 - "Uninvited" - Episode #1005

01:05:03:15 VALA (CONT'D): if it's not and it's just some vicious creature hell-bent on eating the whole village, shouldn't we use our superior technology to help track it down?

01:05:13:05 VALA (CONT'D): You think I don't really care about the plight of some innocent people I've never met on some planet somewhere.

01:05:19:03 CARTER (O/S): I'm sorry, but...

01:05:20:20 CARTER (CONT'D): uh, yes.

01:05:21:10 VALA (O/S): It just so happens...

01:05:22:13 VALA (CONT'D): I do have vast experience hunting rare deadly creatures...

01:05:25:03 VALA (CONT'D O/S): of all kinds.

01:05:26:15 CARTER (O/S): Let me guess, the...

01:05:27:13 CARTER (CONT'D): rarer they are...

01:05:28:18 VALA (O/S): Please. I am...

01:05:29:08 VALA (CONT'D): here to be helpful. If you don't think these boys can use my expertise, fine.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:05:34:01 VALA (CONT'D O/S): I'll just stay here and we can start on that quality time...

01:05:36:27 VALA (CONT'D): General Landry wanted us to spend together.

01:05:39:17 VALA (CONT'D O/S): I have actually come up with a list of...

01:05:41:22 VALA (CONT'D): suggestions.

01:05:42:29 CARTER (O/S): Teal'c, you and Vala head back to 333-- with SG's 3 and 25. See
what you can figure out what we're...

01:05:48:11 CARTER (CONT'D): dealing with, without being detected by the locals.

01:05:50:08 VALA: Good plan, boss.

01:05:52:22 CARTER: Vala's experience notwithstanding, I want everyone to exercise extreme
caution. We should find out whether this is Prior related or not.

01:05:59:07 TEAL'C (O/S): Is General Landry not...

01:06:01:19 TEAL'C (CONT'D): expecting us at his cabin?

01:06:03:22 CARTER: I'll let him know we're going to be delayed a little bit.

01:06:05:23 VALA: I'm sure Colonel Mitchell will be very pleased to hear he's got more special
alone time with the General.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:06:13:25 TEAL'C: Colonel.

01:06:14:10 VALA: Hey. If this is a rare and deadly creature, we have to try and catch it alive,
 okay?

01:06:20:25 TEAL'C: That is not our mission.

01:06:22:15 VALA: Do you have any idea what this could be worth on the open market?

01:06:24:24 TEAL'C: I do not.

01:06:25:15 VALA: Okay, okay-- Wait. I propose a 50-50 split. I think it's only fair. I'm the one
 with all the contacts to unload something like this. Anything less than that
 would be, well, plain wrong. Okay, name your price. Well, say something.
 It's called negotiating.

01:06:45:20 MITCHELL: They're not coming.

01:06:52:03 LANDRY: Something's eating people on P9J 333. Teal'c and Vala are checking it
 out.

01:06:56:15 MITCHELL: Really? Maybe I should--

01:06:58:07 LANDRY (INTERRUPTING): At ease, Colonel. They've got SG-3 and 25 with
 them. They'll be fine.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:07:03:00 MITCHELL: Still, this was supposed to be a group thing, Sir. Maybe we should reschedule.

01:07:05:20 LANDRY: And put away that laptop. You can't possibly still be writing mission reports, and if you are, I don't want to read anything that long.

01:07:13:08 MITCHELL: To be honest, Sir, I finished an hour ago.

01:07:14:25 LANDRY: I thought so. You don't have to be so uncomfortable around me, Mitchell.

01:07:21:22 MITCHELL: Sir, no matter what, you're still my boss.

01:07:24:23 LANDRY (O/S): I just wish you'd relax and enjoy...

01:07:26:00 LANDRY (CONT'D): the peace and quiet of the great outdoors.

01:07:28:20 (FLY BUZZES, GUN FIRES)

01:07:30:14 LANDRY: Ignore it.

01:07:32:07 MITCHELL: That was a large caliber. 300 or 338.

01:07:34:14 LANDRY: They're hunting elk. It's one of the only drawbacks around here.

01:07:38:02 MITCHELL: Not a fan, sir?

STARGATE SG-1 - "Uninvited" - Episode #1005

01:07:39:26 LANDRY: Running around the woods with a gun never seemed to me like a good way to unwind. Looking to kill some innocent creature just going about its day.

01:07:47:15 MITCHELL (O/S): No, I suppose not, sir.

01:07:49:00 MITCHELL (CONT'D): Not if your day job involves running around the woods...

01:07:53:01 MITCHELL (CONT'D O/S): carrying a gun.

01:08:17:27 REYNOLDS: Recognize the tracks?

01:08:19:23 TEAL'C: I do not.

01:08:21:25 VALA: Well, what we need to do first is dig a deep pit. This looks like a very good spot. Why don't you boys get started?

01:08:33:24 VALA (CONT'D O/S): What? Don't...

01:08:35:25 VALA (CONT'D): tell me you didn't bring shovels?

01:08:37:00 (GUNS FIRING IN DISTANCE)

01:08:40:10 SG-25 LEADER (V/O OVER RADIO): This is SG-25 leader, we need back--

01:08:44:20 (MEN YELLING IN PAIN)

STARGATE SG-1 - "Uninvited" - Episode #1005

01:09:06:22 SG-25 LEADER: It came out of nowhere... Never seen anything like it.

01:09:22:20 TEAL'C (O/S): Remain...

01:09:22:28 TEAL'C (CONT'D): calm. You will be fine.

01:09:26:15 (ANIMAL ROARING)

01:09:28:00 TEAL'C: Come.

01:09:30:04 (THUNDER CRASHING)

01:09:34:08 LANDRY: Checkmate.

01:09:36:08 MITCHELL: Yup...

01:09:36:19 MITCHELL (CONT'D): Too good for me, sir.

01:09:39:02 LANDRY (O/S): Pandering to the ego of a senior...

01:09:40:12 LANDRY (CONT'D): officer, Mitchell.

01:09:42:20 MITCHELL (O/S): No...

01:09:43:00 MITCHELL (CONT'D): truthfully, I've always hated the game, but if you happen to have a Playstation, I will happily kick your ass at Socom 3.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:09:49:15 LANDRY: Good, I want you to feel like you can be honest with me.

01:09:54:02 MITCHELL: Yes, sir.

01:09:55:27 LANDRY (O/S): I suppose that's easier for me than it is for you.

01:09:58:16 LANDRY (CONT'D): I am the General.

01:10:00:10 MITCHELL (O/S): No, I think it's...

01:10:01:00 MITCHELL (CONT'D): probably harder for you in some ways.

01:10:02:18 LANDRY (O/S): Oh.

01:10:03:00 LANDRY (CONT'D): Lonely at the top and all that, huh?

01:10:05:20 MITCHELL: No. More not knowing what people think of your decisions.

01:10:11:15 LANDRY: Relax, son.

01:10:15:02 LANDRY (CONT'D O/S): I was... I was thinking about what you...

01:10:17:21 LANDRY (CONT'D): said to me last week, about not being in charge of anything.

01:10:21:04 MITCHELL: I'm just used to a clearer chain of command.

01:10:24:07 LANDRY (CONT'D O/S): You could have picked any team you wanted.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:10:26:06 LANDRY (CONT'D): You chose to make it your personal mission to get Colonel
Carter...

01:10:29:29 LANDRY (CONT'D O/S): Dr. Jackson and Teal'c back together.

01:10:32:15 MITCHELL: That's true, and I wouldn't change that for the world.

01:10:35:01 LANDRY: You said you wanted to learn from the very best.

01:10:37:05 MITCHELL (O/S): Yes, I did.

01:10:38:05 MITCHELL (CONT'D): It's just...

01:10:41:10 MITCHELL (CONT'D O/S): After I almost died...

01:10:44:02 MITCHELL (CONT'D): like I did, there was a part of me that figured... I could do
anything. Now, since coming to the SGC, I have learned that I can't
handle any of this without the rest of SG-1.

01:10:58:07 LANDRY: I believe in you, Colonel.

01:11:00:07 MITCHELL: Thank you, sir.

01:11:01:09 LANDRY (O/S): But we're getting our asses kicked.

01:11:02:10 MITCHELL: Yes, we are.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:11:03:18 LANDRY (O/S): We're not going to get medals...

01:11:03:20 LANDRY (CONT'D): for participation.

01:11:05:05 MITCHELL (O/S): No, sir.

01:11:05:26 LANDRY: We win or we die.

01:11:09:00 MITCHELL: I prefer winning.

01:11:10:27 LANDRY: Now, you started by bringing SG-1 back together.

01:11:14:25 LANDRY (CONT'D O/S): I need you to continue working together if we're going to
have any hope.

01:11:19:12 LANDRY (CONT'D): Your job is to make sure that happens.

01:11:24:00 MITCHELL: Very good, sir.

01:11:38:18 (ANIMAL GROWLING)

01:11:48:10 VALA: Okay, you want some dessert... come and get it. Oh! You could have
warned me! I nearly shot you.

01:12:01:01 TEAL'C: Then you should not have run off by yourself.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:12:02:22 VALA: I'm perfectly capable of looking after myself. I was trying to get help.

01:12:06:27 TEAL'C: Then why are you not dialing the gate?

01:12:08:02 VALA: Because I thought I heard something growling.

01:12:12:10 TEAL'C: I hear nothing.

01:12:14:20 VALA: That's probably because you scared it away. That's good. Now we can...

01:12:17:10 (ANIMAL GROWLING, GUN FIRING)

01:12:25:04 (BOMB EXPLODING)

01:12:33:00 VALA: Well, I'm flattered, but I don't think we have time for this.

01:12:36:13 TEAL'C: Are you injured?

01:12:37:14 VALA: No, I'm fine. Uh, thank you. So much for taking it alive. Shame, too. Never
seen anything like this before.

01:13:16:07 (THUNDER CRASHING)

01:13:17:20 (DOOR CLOSING)

01:13:18:09 MITCHELL: Sir? Sir?

STARGATE SG-1 - "Uninvited" - Episode #1005

01:14:35:28 MITCHELL (CONT'D O/S): Night, sir.

01:14:37:16 LANDRY: Night, Mitchell.

01:14:42:20 MITCHELL: General.

01:14:45:01 MITCHELL (CONT'D O/S): Listen, uh...

01:14:48:03 MITCHELL (CONT'D): Maybe I'm not the only one around here who needs to
relax.

01:14:50:25 LANDRY: I'll try not to shoot you before morning.

01:14:53:29 MITCHELL: Thank you, sir. Same here.

END OF ACT ONE

STARGATE SG-1 - "Uninvited" - Episode #1005

01:15:53:25 MITCHELL: Right, sir.

01:15:54:18 LANDRY (O/S): Besides...

01:15:55:06 LANDRY (CONT'D): I already checked. There wasn't one available.

01:15:58:08 LANDRY: We'll be fine. It's just another day or so.

01:16:05:06 CARTER: Okay, thank you.

01:16:11:07 VALA: So, you'll be pleased to hear that all four members of SG-25 are going to
be fine, thanks in part to my handiwork...

01:16:17:18 VALA (CONT'D O/S): with a Goa'uld healing device.

01:16:19:00 CARTER: I'm sure Dr. Lam appreciates the help.

01:16:23:10 VALA (O/S): I see you haven't gotten over your phobia about sitting in...

01:16:26:14 VALA (CONT'D): General Landry's chair.

01:16:30:20 CARTER: What are you doing?

01:16:33:16 VALA (O/S): I think it's about time a woman...

01:16:33:25 VALA (CONT'D): sat here.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:16:36:20 CARTER (O/S): Actually...

01:16:37:07 CARTER (CONT'D): Dr. Elizabeth Weir sat there all the time when she ran the
SGC.

01:16:40:12 VALA: She did? Hmm. Good for her.

01:16:43:10 (CARTER EMITS A LOUD NOISE)

01:16:50:20 VALA (O/S): So, now that the deadly creature of...

01:16:53:08 VALA (CONT'D): P3 whatever has been dealt with, when do we go?

01:16:55:26 CARTER: I just got a call from the Silver Creek Sheriff's department. Apparently,
there was a bad storm up there last night and the road leading up to the
area where the cabin is washed out and won't be reopened until
tomorrow.

01:17:05:15 VALA: Oh, how unfortunate.

01:17:07:12 CARTER: I'm sure Colonel Mitchell agrees.

01:17:09:05 VALA: I'm sure the boys are having the time of their lives, getting up to all sorts of
mischief.

01:17:13:03 CARTER (O/S): Oh, yeah.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:17:13:20 CARTER (CONT'D): I can just imagine.

01:17:16:12 LANDRY (V/O): You're in for a treat, Colonel.

01:17:17:16 MITCHELL: Yes, sir. I can, uh... I can see that.

01:17:20:28 LANDRY: The Fulvous Whistling Duck. Very rare. Endangered, actually.

01:17:25:02 LANDRY (CONT'D O/S): Only spotted one once in my life, and as good fortune
would have it, their mating season is right...

01:17:30:15 LANDRY (CONT'D): now, and they love to come out after a good rain.

01:17:34:10 MITCHELL: That's a good one, sir.

01:17:36:16 MITCHELL (CONT'D O/S): You know what...

01:17:37:20 MITCHELL (CONT'D): the hat really sells it.

01:17:42:09 MITCHELL (CONT'D): Oh, you're serious.

01:17:45:15 MITCHELL (CONT'D O/S): Well, sir, as, uh...

01:17:46:10 MITCHELL (CONT'D): tempting as a duck that whistles sounds, uh... I was
thinking about going for a run. Work off some of that beer from last...

01:17:54:12 MITCHELL (CONT'D O/S): night.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:17:54:25 LANDRY: You're missing the opportunity of a lifetime, Mitchell.

01:17:59:15 MITCHELL: Are you making it an order?

01:18:01:02 LANDRY: Birding is something you have to have in your soul, son. You have to
 come to it on your own.

01:18:07:10 MITCHELL: Well, I've got to be honest with you, sir, I don't know that I have it in
 me.

01:18:13:25 LANDRY (O/S): The plaintive mating call...

01:18:14:13 LANDRY (CONT'D): of this duck is unlike anything you've ever heard. (IMITATES
 MATING CALL)

01:18:35:06 MITCHELL: Permission to leave, sir.

01:18:37:18 LANDRY: Granted.

01:18:38:24 MITCHELL: Thank you. Here I go.

01:18:59:14 CARTER (V/O): How's it going?

01:19:01:01 TEAL'C (V/O): Dr. Redden has just begun her examination. She appears to be
 quite knowledgeable.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:19:05:08 CARTER (V/O): She should be. She's been heading up the xenology unit at Area 51 for several years now.

01:19:11:27 CARTER (CONT'D): And there's goes my need for lunch.

01:19:14:14 REDDEN (O/S): Body cavity contains mammal-like organs.

01:19:17:28 REDDEN (CONT'D): Unnatural-looking tumors appear prevalent. Let's get this out.

01:19:24:18 (MONITOR BEEPS)

01:19:27:00 CARTER (V/O OVER SPEAKER): What's going on?

01:19:28:15 REDDEN (O/S): Scans are picking up...

01:19:29:27 REDDEN (CONT'D): low levels of radiation coming from within the body. The location is... somewhere in the stomach lining...

01:19:35:08 REDDEN (CONT'D O/S): here.

01:19:38:05 REDDEN (CONT'D): Huh. It looks like there's some kind of extraneous sac or abscess attached to the stomach wall itself. Scalpel, please. Thank you. Attempting to...

01:19:47:27 REDDEN (CONT'D O/S): remove it now...

STARGATE SG-1 - "Uninvited" - Episode #1005

01:19:50:25 REDDEN (CONT'D): Come on, you.

01:19:55:07 REDDEN (CONT'D): Whoa!

01:19:59:07 REDDEN (CONT'D): Son of a...

01:20:10:15 REDDEN (CONT'D): Thank you.

01:20:27:04 HUNTER (O/S): Help! Help!

01:20:29:19 MITCHELL: Whoa, whoa, whoa, whoa!

01:20:31:10 HUNTER: Get out of here!

01:20:32:11 MITCHELL: Watch where you're pointing that weapon. What's wrong?

01:20:36:08 HUNTER: Something attacked us, man. I-i-it came out of nowhere.

01:20:39:07 HUNTER (CONT'D O/S): It attacked my buddy, Mike.

01:20:40:15 MITCHELL (O/S): All right, all right.

01:20:41:24 MITCHELL (CONT'D): Take me to Mike.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:20:50:17 HUNTER: This way.

END OF ACT TWO

ACT THREE

01:21:27:22 REDDEN: So it seems our large dead friend up in the lab used to look like this--
native to, uh, P9J 333, a docile herbivore. Very shy...

01:21:36:16 REDDEN (CONT'D O/S): and completely harmless, according to the locals.

01:21:39:12 VALA: Well, it seems one of them at least has had an identity crisis.

01:21:41:25 REDDEN (O/S): Yes.

01:21:42:08 REDDEN (CONT'D): Well, something caused rapid and extensive mutation.

01:21:45:20 CARTER (O/S): That something...

01:21:46:13 CARTER (CONT'D): I take it, was creature number two.

01:21:48:00 REDDEN: Exactly. This little fella...

01:21:50:10 REDDEN (CONT'D O/S): apparently gives off a type of radiation we've never
encountered before. It lodged...

01:21:54:18 REDDEN (CONT'D): itself inside the stomach wall of the host creature and began
altering the host's DNA.

01:21:59:05 TEAL'C (O/S): Yet the inhabitants of...

STARGATE SG-1 - "Uninvited" - Episode #1005

01:21:59:28 TEAL'C (CONT'D): P9J 333 claim to have never seen or heard of any such mutation to any of the animals on their planet.

01:22:06:05 REDDEN: Oh, well, I strongly doubt that our smaller friend there is indigenous to the planet.

01:22:09:07 TEAL'C: Hmm.

01:22:09:27 CARTER (O/S): So the question is...

01:22:11:15 CARTER (CONT'D): how did it get there?

01:22:16:02 LANDRY: It was an animal, most likely a grizzly protecting its young.

01:22:19:28 SHERIFF STOKES: The witness is pretty freaked out.

01:22:21:25 LANDRY: His friend just got mauled to death. He said it was a bear.

01:22:24:27 SHERIFF STOKES: He said a bear or something.

01:22:26:07 LANDRY: I know it can get boring up here, Wade. It doesn't mean you have to go making up things that are going to get the locals all excited.

01:22:32:04 (HORNS HONKING, SHOUTING)

01:22:36:06 SHERIFF STOKES: Guess it's a little late for that.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:22:37:20 LANDRY: Seal off the park, before the place turns into a shooting gallery.

01:22:40:27 SHERIFF STOKES: Look, I only got three deputies working for me, plus half a dozen volunteer rangers. This is hunting season. If I've got a mad grizzly on the loose, I need it dealt with. The best that I can hope for is that somebody kills whatever did this before it kills again.

01:23:05:22 CARTER: Lieutenant...

01:23:07:03 CARTER (CONT'D O/S): you reported an emergency? What happened?

01:23:11:10 SG-12 LEADER: Colonel, we've got a problem.

01:23:23:29 TEAL'C: There have been no attacks of this nature reported by any Jaffa settlements.

01:23:27:20 CARTER (O/S): None of our other...

01:23:28:10 CARTER (CONT'D): offworld allies are reporting any such contacts either.

01:23:31:08 VALA (O/S): Except we...

01:23:31:20 VALA (CONT'D): now have an attack by another predatory creature, this time on a completely different planet.

01:23:35:22 CARTER: Not to mention a world that's already been converted by the Ori.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:23:38:18 TEAL'C: If the inhabitants of P2R 866 have already accepted Origin, there would
 be no need...

01:23:44:04 TEAL'C (CONT'D O/S): for the Priors to inflict this creature upon them.

01:23:46:16 CARTER: Exactly. Which means that the Ori may have absolutely nothing to do
 with these creatures.

01:23:49:25 VALA: So where are they coming from?

01:23:51:00 CARTER (O/S): I don't know...

01:23:52:15 CARTER (CONT'D): but so far to the best of our knowledge, they're only showing
 up on worlds we visit.

01:24:00:02 MITCHELL (V/O): This Sheriff doesn't...

01:24:01:02 MITCHELL (CONT'D): think we've got a Bigfoot on our hands, does he?

01:24:03:10 LANDRY: He's a decent enough guy. Probably just watches too much television.

01:24:06:24 MITCHELL: On the other hand, we have seen real live alien monsters.

01:24:11:04 LANDRY: He doesn't know that.

01:24:13:02 MITCHELL: True. But, uh, he could just be looking for his 15 minutes.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:24:18:07 LANDRY: He's not that sort of man.

01:24:20:13 MITCHELL: That certainly would bring some publicity to the area.

01:24:22:17 MITCHELL (CONT'D O/S): Bump up tourism.

01:24:24:01 LANDRY: Whatever his motivation, he's got everyone's attention. We've got a bunch of drunken hunters out there, all hyped up looking for revenge and glory.

01:24:30:25 MITCHELL: So are we siding with the hunters...

01:24:33:17 MITCHELL (CONT'D O/S): or the bear?

01:24:35:17 LANDRY: I don't want to see anyone else get hurt.

01:24:37:20 MITCHELL: Just checking, sir. This I like, sir.

01:24:43:28 LANDRY: A man is dead, Colonel.

01:24:45:27 MITCHELL: Yes, sir, I know, and I do sympathize. It's just you keep telling me to relax. It has nothing to do with being here with you, sir. Truth is, I sit around with nothing to do, I get antsy. I'm much more at ease offworld, in the thick of it.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:25:04:09 LANDRY: I was flying air support out of Bien Hoa. Caught some triple A in my left engine and I had to eject. Ended up landing somewhere near the Laotian...

01:25:15:02 LANDRY (CONT'D O/S): border, well north of the DMZ. Cut my knee up pretty good in the process.

01:25:21:26 LANDRY (CONT'D): I was lost. Bleeding badly. No food. No radio. Half a battalion of North Vietnamese regulars were combing the jungle looking for me. Tracked me day and night. Followed my blood trail.

01:25:41:27 MITCHELL: Obviously, you got away, sir.

01:25:45:07 LANDRY: Took me eight days.

01:25:47:10 MITCHELL: So that's why you don't like to hunt.

01:25:51:12 LANDRY: I never felt more alive.

01:25:53:22 MITCHELL: Yes, sir.

01:25:54:22 LANDRY: But I wouldn't call it relaxing.

01:25:58:20 MITCHELL: Oh, I'm kind of twisted that way, sir.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:26:14:00 MAN (V/O OVER RADIO): Sheriff Stokes, come in. We're about a mile northwest of Silver Creek Junction. We found another body. It's been torn to shreds.

01:26:21:10 LANDRY (INTO RADIO): Colonel, respond.

01:26:24:28 MITCHELL (INTO RADIO): I hear it, sir.

01:26:44:04 LANDRY: Colonel?

01:26:46:25 MITCHELL: Victim number two.

01:26:56:27 CARTER (V/O): The first mission to P9J 333...

01:26:59:11 CARTER (CONT'D): was simply to observe and initiate first contact with the locals should they reject the Ori. The second mission, to P2R 866, was purely covert surveillance of an already converted planet.

01:27:09:22 VALA (O/S): Two completely different missions, both to worlds not inhabited by scary creatures of any kind.

01:27:14:00 CARTER: Right. However, there was one single common element to both missions-- both required teams to remain inconspicuous. Stealth was key.

01:27:21:15 TEAL'C: Then both teams would have been required to use a Sodan cloaking device in order to remain hidden.

01:27:25:20 CARTER: Exactly. We tested them for safety and started deploying them on missions such as these just over a week ago.

01:27:30:25 VALA: You think there's some sort of malfunction with the devices?

01:27:33:25 CARTER (O/S): Yes, but we have another problem.

01:27:35:06 CARTER (CONT'D): I requested a complete recall of all the Sodan cloaking devices, including the ones still at Area 51. Turns out one of them is missing.

END OF ACT THREE

ACT FOUR

01:28:07:18 CARTER (O/S): No abnormal energy readings, no power spikes.

01:28:09:19 CARTER (CONT'D): All systems appear to be normal. Looks like that one...

01:28:12:25 CARTER (CONT'D O/S): checks out, too.

01:28:16:28 VALA: How's it going?

01:28:18:01 CARTER (O/S): Nothing yet.

01:28:20:00 VALA (O/S): Any word from...

01:28:20:15 VALA (CONT'D): Area 51?

01:28:21:28 CARTER: Yeah. Agent Barrett called in about an hour ago. Said his team has
detained...

01:28:25:02 CARTER (CONT'D V/O OVER SPEAKER): everyone who had security clearance
to the lab where the devices were being held.

01:28:28:22 CARTER (CONT'D): We should have more answers after he's finished
questioning them.

01:28:31:15 VALA: So he's made a full recovery then?

STARGATE SG-1 - "Uninvited" - Episode #1005

01:28:33:00 CARTER: Well, he's cleared for duty, but he still feels...

01:28:35:03 CARTER (CONT'D V/O OVER SPEAKER): responsible for what happened.

01:28:36:28 VALA (V/O OVER SPEAKER): Well, he was brainwashed. That's hardly his fault.

01:28:39:07 CARTER: Still, he's determined to find out how it happened and catch those responsible.

01:28:43:10 TEAL'C (V/O OVER SPEAKER): It is ironic that not so long...

01:28:45:03 TEAL'C (CONT'D): ago the mere presence of the Goa'uld on earth would have been cause for great concern.

01:28:48:20 CARTER: Seriously. Who'd ever think that we'd have bigger fish to...

01:28:52:00 CARTER (V/O OVER SPEAKER): fry?

01:28:53:15 CARTER (CONT'D): Or that you'd use the word "ironic" in a sentence.

01:28:56:18 TEAL'C: Indeed.

01:29:01:18 TEAL'C (CONT'D V/O OVER SPEAKER): I am ready.

01:29:02:18 CARTER: Okay. Go for it.

01:29:08:27 CARTER (CONT'D): Nothing.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:29:09:27 (COMPUTER BEEPS)

01:29:11:19 CARTER: Wait a second. There's elevated radiation coming from...

01:29:14:13 CARTER (CONT'D V/O OVER SPEAKER): within the area of the cloaking field.

01:29:18:00 CARTER (CONT'D): Levels are climbing.

01:29:42:04 MITCHELL: A lot of activity out here, sir.

01:29:43:04 LANDRY: I told you. The last thing we need is for this place to turn into the OK
corral.

01:29:48:08 (GUNS FIRING)

01:29:49:20 MITCHELL: Or a vice-presidential bird hunt.

01:29:52:25 (GUNS FIRING)

01:29:54:23 MITCHELL: Hold your fire! Cease fire!

01:29:58:04 LANDRY: You boys want to tell me what you're shooting at?

01:30:00:10 HUNTER #2: We saw something moving in there.

01:30:02:29 HUNTER #2 (CONT'D O/S): Hey, man! Are you crazy?

STARGATE SG-1 - "Uninvited" - Episode #1005

01:30:04:25 HUNTER #2 (CONT'D): Where the hell's he going?

01:30:29:16 MITCHELL: Turn that thing off.

01:30:34:20 TRUST OPERATIVE: Help me.

01:30:39:16 CARTER: So you're sure you're okay?

01:30:41:16 TEAL'C (O/S): I am fine, Colonel Carter.

01:30:43:09 VALA: No headaches? No nausea? Nothing that might indicate early symptoms of
sudden onset monsterism?

01:30:48:04 TEAL'C (O/S): I am fine.

01:30:49:04 REDDEN: Actually, you are. There's no signs of radiation poisoning. No evidence
of genetic manipulation. I'm guessing this creature, whatever it is
requires...

01:30:59:27 REDDEN (CONT'D): sustained close contact in order to affect its victim's DNA.

01:31:03:00 VALA (O/S): Well, that's reassuring...

01:31:04:04 VALA (CONT'D): for all of us.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:31:05:23 REDDEN (O/S): Well, we're running some tests on it right now, but I would like to know more...

01:31:08:03 REDDEN (CONT'D): about what actually happened. You said it just appeared inside the cloaking field?

01:31:11:23 VALA (O/S): And then it just sat there like a lump.

01:31:14:04 TEAL'C (O/S): The one inside the stomach of...

01:31:16:06 TEAL'C (CONT'D): the mutated creature was quite active.

01:31:18:09 REDDEN (O/S): Yeah, I noticed.

01:31:19:09 REDDEN (CONT'D): It practically attacked me. And this one has actually been more active recently in its containment tank.

01:31:24:19 CARTER (O/S): I suppose it's possible it was temporarily...

01:31:25:17 CARTER (CONT'D): stunned by its transition to our dimension.

01:31:27:23 REDDEN: I'm sorry?

01:31:29:08 CARTER: Well, that would explain why the people using the cloaks haven't been attacked by the creatures.

01:31:33:05 REDDEN (O/S): No, no, I-I meant the...

STARGATE SG-1 - "Uninvited" - Episode #1005

01:31:33:23 REDDEN (CONT'D): "transition to our dimension" part.

01:31:35:21 CARTER: Ah. The-the Sodan cloaking device emits an energy field around the wearer that puts them slightly out of phase with our normal dimension of space time.

01:31:43:15 CARTER (CONT'D O/S): Essentially, whoever is in the...

01:31:44:24 CARTER (CONT'D): field is accessing a pocket of subspace, making them virtually undetectable.

01:31:48:18 VALA (O/S): So you think this creature is from an alternate ...

01:31:51:05 VALA (CONT'D): dimension and is essentially bleeding through?

01:31:53:29 CARTER: Yeah. It's definitely possible.

01:31:55:22 TEAL'C: Ancient technology has allowed us to see extra-dimensional life forms before.

01:31:58:21 VALA (O/S): The Sodan were using these devices for hundreds...

01:32:01:11 VALA (CONT'D): of years. You'd think there'd at least be a label on the side in bold that says "Beware, may cause deadly extra-dimensional..."

01:32:06:12 VALA (CONT'D O/S): "radioactive monster-causing creature to appear."

STARGATE SG-1 - "Uninvited" - Episode #1005

01:32:10:25 VALA (CONT'D): Or at least "Danger" would have been nice.

01:32:14:05 TEAL'C (O/S): Perhaps...

01:32:14:14 TEAL'C (CONT'D): the Sodan were not aware of such a flaw in the technology.

01:32:17:20 CARTER (O/S): It's possible this wasn't even a problem until we started using the
devices.

01:32:23:05 CARTER (CONT'D): I think I know why this is happening.

01:32:29:15 MITCHELL: Looks like it went straight through. Congratulations. You're going to
be fine.

01:32:32:28 TRUST OPERATIVE: What? I've been shot.

01:32:35:01 MITCHELL: Yeah, you have. It hurts, don't it? Don't worry, I've had worse.

01:32:40:00 TRUST OPERATIVE: I'm bleeding to death here. I need an ambulance.

01:32:42:27 MITCHELL: Yeah, I can do that, as soon as I find out what you're doing running
around the woods with a Sodan Cloaking device.

01:32:50:25 TRUST OPERATIVE: You're going to let me die?

01:32:54:15 MITCHELL: I figure you're connected to the Trust. Am I right?

STARGATE SG-1 - "Uninvited" - Episode #1005

01:32:59:23 MITCHELL (CONT'D O/S): Orders to spy on General Landry...

01:33:01:18 MITCHELL (CONT'D): myself and SG-1?

01:33:03:16 TRUST OPERATIVE: Please, just get me to a hospital.

01:33:06:14 MITCHELL (O/S): See, obviously, you're not a Goa'uld, or you'd just heal yourself.

01:33:09:15 TRUST OPERATIVE: What are you talking about?

01:33:11:24 MITCHELL: Snakes... snakes in people's heads. Evil snakes, controlling their host
bodies with megalomaniac, take-over-the-galaxy delusions.

01:33:17:15 TRUST OPERATIVE: I know what a Goa'uld is.

01:33:18:23 MITCHELL: Did you know you were working for one?

01:33:22:21 MITCHELL (CONT'D): That's who's running the Trust these days.

01:33:25:15 TRUST OPERATIVE: You're crazy, man.

01:33:27:26 MITCHELL (O/S): Yeah...

01:33:28:20 MITCHELL (CONT'D): That's what they keep telling me. You know, they really
should give...

STARGATE SG-1 - "Uninvited" - Episode #1005

01:33:32:01 MITCHELL (CONT'D O/S): you a personal shield to go with that cloaking device.

01:33:36:03 MITCHELL (CONT'D): And half a brain.

01:33:39:06 LANDRY (INTO PHONE): We found a car filled with surveillance and recording equipment about half a mile from here. I figure the most he learned is that Mitchell is terrible at chess and has some form of sleep apnea. What else have you learned?

01:33:49:28 CARTER (INTO PHONE): Uh, well, sir, the reason the creatures are entering our dimension is our fault.

01:33:54:13 LANDRY (INTO PHONE): How's that?

01:33:56:03 CARTER (V/O OVER RADIO): When we first started using the Sodan devices, we noticed that they emitted...

01:33:58:22 CARTER (CONT'D INTO PHONE): a significant amount of radiation.

01:34:00:03 LANDRY (V/O OVER PHONE): This is different from...

01:34:01:15 LANDRY (CONT'D INTO PHONE): the radiation given off by the interdimensional creatures?

01:34:04:00 CARTER (V/O OVER PHONE): Yes, sir, but not unrelated.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:34:05:26 CARTER (CONT'D INTO PHONE): We made modifications to shield the radioactive emissions in order to make the devices safer for human use.

01:34:11:09 LANDRY (INTO PHONE): I'm guessing there was a practical reason for the radioactive output.

01:34:15:06 CARTER (V/O OVER PHONE): Dr. Redden tested the creatures for a reaction to the radiation...

01:34:18:00 CARTER (CONT'D INTO PHONE): given off by the unshielded cloaking devices. They're repelled by it.

01:34:22:06 LANDRY (INTO PHONE): And the Sodan would have been protected from the radioactivity because of their symbiotes.

01:34:27:00 CARTER (V/O OVER PHONE): Which is why they never had this problem.

01:34:30:10 CARTER (CONT'D INTO PHONE): We thought the radiation was a coincidental byproduct of the technology.

01:34:33:27 LANDRY (V/O OVER PHONE): When it was actually performing a vital function.

01:34:36:12 LANDRY (CONT'D INTO PHONE): Do we have any idea how frequent this dimensional breach might be?

STARGATE SG-1 - "Uninvited" - Episode #1005

01:34:41:09 CARTER (INTO PHONE): Uh, no, sir. It appears to be a random occurrence. But given how long the Trust operative was using the Sodan device to stay hidden...

01:34:49:05 CARTER (CONT'D V/O OVER PHONE): I'd say that whatever's on the loose in the woods around the cabin is probably a lot worse than a grizzly.

01:35:00:21 SHERIFF STOKES: Two hunters dead and now a guy with no I.D. You want to bring me into the loop here, Colonel?

01:35:06:08 MITCHELL: Guy was in the wrong place at the wrong time. Got shot for his troubles. Bound to happen with all these yahoos running around the woods with guns.

01:35:12:15 SHERIFF STOKES (O/S): Then why am I not being allowed to question him?

01:35:14:15 LANDRY: Because the Air Force is taking over this investigation in the interest of National Security...

01:35:17:15 LANDRY (CONT'D O/S): that's why.

01:35:22:29 SHERIFF STOKES: Just a grizzly bear, huh? Since when does the Air Force go after a bear in the name of national security?

01:35:29:25 LANDRY: There's nothing for you to be concerned about, Wade. Things will be back to normal around here in no time.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:35:38:11 (MONSTER ROARING, SHERIFF SCREAMING)

01:35:57:10 LANDRY: Damn it.

END OF ACT FOUR

ACT FIVE

01:36:25:15 MITCHELL (O/S): So we're talking about a little critter from a different dimension that burrows into a big critter, turning it into a rampaging monster.

01:36:33:23 CARTER: In a nutshell.

01:36:35:09 MITCHELL (O/S): Nice. How do we find it?

01:36:37:25 CARTER: Well, I've calibrated a number of hand-held scanners to pick up the creature's radioactive energy signature.

01:36:41:27 CARTER (CONT'D O/S): We should be able to track it within a 300-meter range. We've also devised a radioactive isotope package that gives off an energy wave similar to the ones emitted by the Sodan cloaking devices.

01:36:51:22 CARTER (CONT'D): We're air dropping them in a perimeter around the park. It should stop the creature from getting too far.

01:36:56:13 REYNOLDS: Isn't that dangerous for us?

01:36:58:00 CARTER (O/S): Only if...

01:36:58:15 CARTER (CONT'D): you come within a hundred meters of the package. They have a decay rate that will leave them inert in less than six hours.

01:37:03:03 VALA: It'll be dark soon.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:37:04:28 CARTER: We can't let this thing get away.

01:37:07:26 VALA: Right, so obviously, rule number one when hunting savage beasts like this
is to never actually crawl through the forest looking for them...

01:37:14:11 VALA (CONT'D O/S): especially at night. Always find a way...

01:37:16:18 VALA (CONT'D): to lure them to you. So I suggest the best plan of attack...

01:37:20:2 VALA (CONT'D O/S): would be to plant these isotope packages here and...

01:37:23:15 VALA (CONT'D): here...

01:37:29:10 VALA (CONT'D): Or whatever you want.

01:37:31:14 LANDRY: You'll operate in teams of four. Each team will conduct grid sweeps
starting here, no more than 300 meters apart. Radio contact every 10...

01:37:40:10 LANDRY (CONT'D O/S): minutes.

01:37:41:10 VALA: That's brilliant. Or--

01:37:42:22 LANDRY (INTERRUPTING O/S): You have your orders.

01:37:43:22 LANDRY (CONT'D): Move out.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:37:47:28 VALA: But they didn't hear the rest of my plan.

01:37:49:19 MITCHELL: We'll call it Plan B.

01:38:05:02 VALA: This won't work, you know. All I'm saying is why not take advantage of my vast experience, instead of leaving it up to -- no offense -- amateurs.

01:38:18:08 TEAL'C: A mighty Jaffa warrior once said, "The greatest strategy is doomed to fail if there is no army to follow it." It is one. We are many. That is why we will prevail.

01:38:31:13 REYNOLDS: Excuse me. Amateurs coming through.

01:38:40:15 MITCHELL: I'm picking up something. 200 meters, north northwest.

01:38:46:11 MITCHELL (V/O OVER RADIO): Sam, what's your 20?

01:38:48:24 CARTER (INTO RADIO): We're directly west of you.

01:38:51:05 MITCHELL (V/O OVER RADIO): I've got a bogey...

01:38:51:20 MITCHELL (CONT'D INTO RADIO): just northeast of your position. Can you zero in on it?

01:38:54:14 CARTER (INTO RADIO): Got it. Moving on target.

01:39:00:14 TEAL'C (INTO RADIO): Colonel Mitchell, we have detected the creature.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:39:03:16 MITCHELL (V/O OVER RADIO): Teal'c, Where are you?

01:39:04:21 TEAL'C (INTO RADIO): Just south of your position.

01:39:09:17 MITCHELL: We're all picking up the same target, sir.

01:39:22:02 REYNOLDS: Marines, secure perimeter.

01:39:28:00 MITCHELL: All right, where the hell is it?

01:39:29:08 CARTER: We should be right on top of it.

01:39:32:05 VALA: Look, no creature, no matter how vicious, is stupid enough to attack a
group of this size, so trust me ...

01:39:36:09 VALA (CONT'D O/S): we've probably scared it off.

01:39:37:27 MITCHELL: Vala!

01:39:39:10 VALA: What?

01:39:39:28 MITCHELL: Down!

01:39:41:15 (MONSTER ROARING, GUNS FIRING)

01:39:51:13 VALA: Of course, I have been known to be wrong on occasion.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:39:53:24 CARTER: Holy Hannah, did you see that thing?

01:39:55:25 REYNOLDS (O/S): Do you think we...

01:39:56:10 REYNOLDS (CONT'D O/S): scared it off now?

01:39:59:11 MITCHELL: No. I think we pissed it off.

01:40:02:25 CARTER: It's circling us.

01:40:04:03 LANDRY: Backs together!

01:40:09:00 REYNOLDS: We have a contact in the area.

01:40:25:00 (MONSTER ROARING, GUNS FIRING)

01:40:43:07 MITCHELL: Yeah, that's what I call relaxing.

01:40:46:20 (GUN FIRING)

01:40:49:29 MITCHELL: What the hell are you doing?

01:40:53:20 VALA (O/S): Rule number two, never approach...

01:40:55:20 VALA (CONT'D): a creature assuming that it's dead.

STARGATE SG-1 - "Uninvited" - Episode #1005

01:40:59:10 MITCHELL (O/S): Allow me...

01:41:00:02 MITCHELL (CONT'D): to explain to you a few of my rules.

01:41:02:16 LANDRY (O/S INTO RADIO): All units, this is General Landry.

01:41:04:21 LANDRY (CONT'D INTO RADIO): The target has been neutralized. I repeat, the
target has been neutralized.

01:41:10:02 VALA (O/S): You know what's strange. I have never known...

01:41:12:13 VALA (CONT'D): a lone creature to behave so aggressively toward a large group.

01:41:17:02 VALA (CONT'D O/S): Mind you, I've never encountered a radioactive...

01:41:18:26 VALA (CONT'D): mutant before.

01:41:21:15 MITCHELL: Sir, get down.

01:41:22:15 LANDRY: Very funny, Mitchell. This is not--

01:41:24:20 MITCHELL (INTERRUPTING): No. Sir! Get down!

01:41:27:05 (GUNS FIRING)

01:41:43:25 VALA (O/S): Well, that explains that. Odd behavior for one...

STARGATE SG-1 - "Uninvited" - Episode #1005

01:41:47:27 VALA (CONT'D): creature. But not for two.

01:41:51:28 MITCHELL: Feel better?

01:41:53:11 VALA: Mm-hmm.

01:42:01:04 VALA (CONT'D V/O): Shall we see who's flopped their nuts?

01:42:04:22 VALA (CONT'D): A queen.

01:42:07:18 VALA (CONT'D O/S): Ah, General, good timing. Colonel Mitchell is about to run out of chips. We need new blood.

01:42:12:18 MITCHELL: Any word, sir?

01:42:14:11 LANDRY: Final ground sweeps have come up empty.

01:42:15:12 LANDRY (CONT'D O/S): Although it is a big park, our scanners do have a-a limited range, so we're dropping a fresh radioactive...

01:42:22:27 LANDRY (CONT'D): perimeter and sealing off the area for another week as a precaution.

01:42:26:24 CARTER: I think it's unlikely that there's a third creature, sir.

01:42:29:13 VALA: Care to place odds on that?

STARGATE SG-1 - "Uninvited" - Episode #1005

01:42:31:19 CARTER: I'm not much of a gambler.

01:42:33:04 TEAL'C: That is obvious.

01:42:34:20 VALA: Ooh.

01:42:36:29 VALA (CONT'D O/S): Okay... River comes up...

01:42:41:07 VALA (CONT'D): king of spades. Possible royal...

01:42:43:25 VALA (CONT'D O/S): marriage or King Kong in the works.

01:42:45:15 MITCHELL (O/S): Way...

01:42:46:09 MITCHELL (CONT'D): too much Poker Channel going on here.

01:42:52:15 MITCHELL (CONT'D O/S): I'm out.

01:43:21:10 LANDRY: Well played, Colonel. (LAUGHS)

01:43:23:00 CARTER: Thank you, sir.

01:43:24:29 MITCHELL: A true warrior knows when to hold them. She took you downtown,

01:43:46:03 LANDRY: Not that much.

01:43:50:15 MITCHELL: Yes, sir. Well, it's good to see you relaxing, too, sir.

01:43:57:01 LANDRY: Right. Now...
