STARGATE SG-1 - "Counterstrike" - Episode #1007

TIMECODE DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

RECAP

01:00:00:27	TEAL'C (V/O): Previously on Stargate SG-1...
01:00:07:20	VALA (V/O): Wasn't Daniel telling me...
01:00:08:28	VALA (CONT'D): about a very powerful weapon in the hands of the Jaffa on Dakara?
01:00:12:11	CARTER: It's not a weapon, technically...
01:00:14:11	CARTER (CONT'D): but we did adapt it to destroy the replicators.
01:00:18:28	VALA: Wait. Where are you going? I want to see.
01:00:20:08	VALA (CONT'D O/S): Can I hold her? She's my baby. Why...
01:00:22:25	PRIOR (O/S): She will be...
01:00:23:13	PRIOR (CONT'D): the beacon of light in the darkness to the...
01:00:27:20	PRIOR (CONT'D O/S): warriors of the Ori. She will lead...

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:00:30:00 PRIOR (CONT'D): us to glorious victory.

01:00:32:05 DANIEL: Wait. We're talking about a baby here, right?

01:00:33:28 VALA: She's been genetically altered. She'll...

01:00:35:11 VALA (V/O): be a fully grown figurehead in a day or so.

01:00:38:03 VALA (V/O): Leave me.

01:00:39:10 VALA (CONT'D): Grab her.

01:00:40:00 DANIEL: Oh, yeah...

01:00:40:16 DANIEL (CONT'D O/S): like that's going to happen.

01:00:41:23 (CHORAL CHANTING)

01:00:45:23 TEAL'C: Six more worlds have fallen to the Ori.

01:00:48:08 TEAL'C (CONT'D O/S): According to those who witnessed the battle...

01:00:50:22 TEAL'C (CONT'D): the enemy is led by a young woman of extraordinary powers.

END OF RECAP

TEASER

01:01:04:22 PRIOR (O/S): Mark this day...

01:01:06:23 PRIOR (O/S CONT'D): for the darkness of your world has been lifted...

01:01:09:07 PRIOR (CONT'D): so the light of Origin may shine upon it.

01:01:12:18 (CHEERING)

01:01:21:18 PRIOR: You have cast aside the shackles of the past to welcome a brighter
future. Now, hear the words of the Orici.

01:01:32:18 (WHISPERS AND MURMURS FROM CROWD)

01:01:39:25 VALA: That's Adria.

01:01:41:22 ADRIA (O/S): The unbelievers amongst you...

01:01:43:04 ADRIA (CONT'D): sought to hinder our message. They took up arms in an
attempt to suppress the truth, but they failed and were vanquished-- a
reminder to all that Origin cannot be extinguished. It will flourish
throughout this world and countless others.

01:02:05:16 (CLAPPING AND CHEERING)

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:03:14:18 EMERSON: That's what we're trying to figure out.

01:03:15:27 MARKS (O/S): Sir...

01:03:17:01 MARKS (CONT'D): I'm not picking up any life signs on the planet.

01:03:20:02 CARTER (O/S): That's impossible.

01:03:21:01 EMERSON: Is it a sensor malfunction?

01:03:23:02 MARKS: All systems are operating normally.

01:03:27:13 DANIEL: There are thousands of people on that planet.

01:03:30:07 CARTER (O/S): He's right.

01:03:32:03 CARTER (CONT'D): We're not picking up anything.

END OF TEASER

ACT ONE

01:05:20:06 DANIEL: Vala, wait. Look, we...we still don't know what happened down there.

01:05:26:11 VALA: They're all dead, Daniel. That's what happened.

01:05:29:10 DANIEL: I'm sorry.

01:05:30:13 VALA: What for?

01:05:31:13 DANIEL: Well, believe it or not, I know how you feel. Adria was your daughter, and
even though she was--

01:05:35:25 VALA (INTERRUPTING): Relief. That's what I feel. Relief.

01:05:41:06 VALA (CONT'D): What, you don't think I'd want to be responsible for the
enslavement of an entire galaxy, do you?

01:05:45:20 DANIEL: It was hardly your fault.

01:05:47:05 VALA: I knew she was the will of the Ori even before she was born. I could have
done something about it, but I didn't.

01:05:51:21 DANIEL: She was your child.

01:05:53:02 VALA: Maternal instinct...

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:05:55:00 VALA (CONT'D): can only excuse so much. Of course I did tell myself that my relationship with her might prove to be an advantage...

01:05:59:28 VALA (CONT'D): that, at some point...

01:06:01:13 VALA (CONT'D): some critical moment, I might be able to reach her in a way that no one else could.

01:06:04:07 DANIEL: You might have been right.

01:06:06:17 VALA: I'm just relieved I'll never have to find out for sure.

01:06:16:14 (STARGATE ACTIVATING)

01:06:18:05 HARRIMAN (V/O): Unscheduled off-world activation.

01:06:24:02 LANDRY: Chief?

01:06:25:01 HARRIMAN: Receiving Bratac's IDC, Sir.

01:06:26:22 LANDRY: Open the iris.

01:06:27:28 (IRIS OPENING)

01:06:33:11 LANDRY: Bratac, what brings you by?

01:06:37:19 BRATAC: A matter that threatens millions of lives.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:06:49:03 (GEIGER COUNTER CLICKING)

01:06:58:12 EMERSON (V/O OVER RADIO): Lieutenant Evans, report.

01:07:00:12 EVANS (INTO RADIO): There's no sign of residual radiation, Sir.

01:07:03:02 EVANS (V/O OVER RADIO): No chemical or biological agents in the atmosphere.
The place is clean. The weird thing is...

01:07:11:01 EVANS (CONT'D INTO RADIO): whatever it was, it only seems to have targeted
living tissue because everything else was left behind.

01:07:24:11 CARTER: You said the wave emanated from the stargate.

01:07:26:21 MARKS: That's right. From there it spread over the entire surface of the planet
before dissipating.

01:07:36:12 EMERSON: What?

01:07:37:24 TEAL'C: We know of only one device that would operate in such a manner.

01:07:46:01 BRATAC: The council is convinced our only hope for survival against the armies
of the Ori is to attack them using the Ancient device on Dakara.

01:07:53:21 LANDRY: The same device we used to wipe out the replicators.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:07:56:06 BRATAC: Except that now it strikes with new purpose-- to unmake living beings.
Hours ago, the first target was struck, a planet--

01:08:04:23 LANDRY: We already know about it. SG-1 was there, doing recon.

01:08:08:29 LANDRY (CONT'D): They were beamed out before your weapon could hit them.
The villagers weren't so lucky.

01:08:16:10 BRATAC: That is tragic.

01:08:17:12 LANDRY: It's mass murder. Why the hell didn't you do something about it?

01:08:21:16 BRATAC: Our new leader, Se'tak, has convinced the council that this is our only
hope for survival. The more I spoke out against it, the more isolated I
became.

01:08:29:28 LANDRY: I need to contact the Odyssey, let them know what's happening, and
then I need to meet this man myself.

01:08:52:18 TEAL'C: I am ashamed that my brothers have utilized these methods.

01:08:57:01 MITCHELL: They're desperate.

01:08:58:14 TEAL'C: There is no honor. Freedom without honor is meaningless.

01:09:03:20 MITCHELL: What's done is done...and there's still an opportunity here.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:09:09:19 CARTER: We've got an Ori ship sitting on the ground, unmanned and unguarded.

01:09:18:16 TEAL'C: We must act quickly.

01:09:24:00 (SG-1 BEAMS IN)

01:09:32:08 MITCHELL: You know your way around this tub?

01:09:33:28 VALA: All the corridors look the same. I haven't got my bearings yet.

01:09:36:28 CARTER: There has to be some sort of control room. I'm guessing it'll be in one of
the forward sections.

01:09:41:14 MITCHELL: We've got a lot of ground to cover. Time to split up.

01:09:54:18 VALA: Can I ask you a question?

01:09:56:20 DANIEL: Just the fact you have to ask me to ask me makes me think I should say
no.

01:10:02:27 VALA: Back on the Odyssey, you said you knew how I felt. What did you mean?

01:10:06:10 DANIEL: What?

01:10:07:05 VALA: With Adria. You said, "Believe it or not, I know how you feel." What did you
mean?

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:10:14:18 DANIEL (O/S): Yeah...

01:10:17:02 DANIEL (CONT'D): Um...10 years ago, my wife was taken as host by a Goa'uld.

01:10:25:08 VALA: The framed picture...on the wall in your office--is that her?

01:10:30:08 DANIEL: Yeah. Her name was Sha're. We were married for just over a year when she was...taken. I swore I would get her back.

01:10:39:02 VALA: What happened?

01:10:41:23 DANIEL: I joined SG-1 and searched for her for over two years, but in the end, I couldn't save her. For a long time, I felt guilty that I'd failed her.

01:10:51:03 VALA: And now?

01:10:55:00 DANIEL: Now...

01:10:55:21 DANIEL (CONT'D): I can at least draw comfort from the fact that she's no longer suffering at the hands of the Goa'uld.

01:11:00:16 DANIEL (CONT'D O/S): I guess...

01:11:02:01 DANIEL (CONT'D): in a small way, I feel relieved as well.

01:11:28:14 MITCHELL: Wow. Check this out.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:11:35:24 MITCHELL (CONT'D O/S): I'm no expert, but...

01:11:37:29 MITCHELL (CONT'D): this looks important.

01:11:39:17 TEAL'C: It appears to be a power generation chamber.

01:11:41:22 MITCHELL: Exactly, which has me thinking...it could be a good place to drop a little C-4.

01:11:48:01 TEAL'C: It would be our best opportunity to disable the vessel should it be necessary.

01:11:52:15 MITCHELL: Just in case we can't get this thing flying before the Ori come back, we win one for the home team while we're hauling ass for the gate.

01:12:00:29 TEAL'C: A great Jaffa once said, "Exalted is the warrior who achieves victory without battle."

01:12:06:08 MITCHELL: Winning shows strength. Winning without fighting shows true skill.

01:12:10:17 TEAL'C: Oh, you are a student of Ancient strategies.

01:12:13:02 MITCHELL: No, Landry said it to me.

01:12:14:03 MITCHELL (CONT'D O/S): I think he was quoting Sun Tzu.

01:12:17:10 MITCHELL (CONT'D): Or it could have been Dr. Phil.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:12:24:27 LANDRY (V/O): I've already advised the Pentagon that I'm heading off-world.

01:12:27:15 LANDRY: I may be a while.

01:12:28:29 HARRIMAN: With all due respect, Sir, you think you might consider taking along a few marines?

01:12:33:03 LANDRY: This is a diplomatic mission, chief. The last time I checked, the Jaffa were our allies. I can't go disrespecting them in their own house.

01:12:40:18 HARRIMAN: If you say so, Sir.

01:12:41:23 LANDRY: Sometimes you make the right decision. Sometimes you make the decision right.

01:12:45:13 HARRIMAN: Patton?

01:12:46:27 LANDRY: That one's Dr. Phil. Now, if you'll excuse me, Bratac is waiting.

01:13:06:08 CARTER (INTO RADIO): Guys, I think I've found something.

01:13:08:22 DANIEL (V/O OVER RADIO): What do you got?

01:13:11:19 CARTER (V/O OVER RADIO): I think it might be the bridge.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:13:14:22 CARTER (CONT'D INTO RADIO): And it looks like the main command interface is a chair, similar to the weapons platform in Antarctica.

01:13:20:27 DANIEL (INTO RADIO): It would make sense that the technology would be similar to the Ancients'.

01:13:24:05 CARTER (INTO RADIO): Vala, you said most of the people on board the ship were simple villagers, right?

01:13:27:25 VALA (INTO RADIO): Yes. Why?

01:13:29:27 CARTER (INTO RADIO): I think it's likely the priors who are flying the ships.

01:13:33:24 CARTER (CONT'D V/O OVER RADIO): Unfortunately, that probably means the chair is keyed to their unique brain physiology.

01:13:39:12 MITCHELL (INTO RADIO): Don't sweat it. Plan B is in place.

01:13:42:24 CARTER (INTO RADIO): Okay, let's not jump the gun just yet. At the very least, I'd like to try to get some information out of this database before we start blowing things up.

01:13:50:22 MITCHELL (INTO RADIO): I hear you, Sam, but it won't be long before the Ori come back for this ship, and we're not going to let them--

01:13:59:25 (FOOTSTEPS OVERHEAD)

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:14:04:15 (STAFF WEAPON CHARGING O/S)

01:14:05:22 CARTER (INTO RADIO): Cam? Cam, what's happening?

01:14:10:24 MITCHELL (INTO RADIO): Not much, but we've got ourselves some company.

END OF ACT ONE

ACT TWO

01:14:37:15 BO'REL: I am Bo'rel...

01:14:38:22 BO'REL (CONT'D): of the free Jaffa, and we have come to lay claim to this vessel.

01:14:42:16 MITCHELL: Slow down, brother. We were here first.

01:14:45:12 CARTER (V/O OVER RADIO): Cam, report.

01:14:48:04 MITCHELL (INTO RADIO): It's all right, Sam. Just a little misunderstanding with
some of our Jaffa friends.

01:14:51:16 MITCHELL (CONT'D): Go back to work.

01:14:53:17 BO'REL: There is no misunderstanding.

01:14:55:01 BO'REL (CONT'D): We achieved this victory, therefore we claim the spoils.

01:14:58:14 TEAL'C: What you have done is sacrificed the lives of thousands of innocents.

01:15:02:00 BO'REL (O/S): No one...

01:15:02:16 BO'REL (CONT'D): is innocent who joins with my enemy.

01:15:04:20 MITCHELL: They were invaded by an army with massively superior firepower.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:15:07:25 BO'REL: They should have resisted.

01:15:09:00 MITCHELL: So...

01:15:09:29 MITCHELL (CONT'D): die at the hands of the Ori or die at the hands of the Jaffa.
Some choice.

01:15:17:19 (SHIP'S SYSTEMS FLUCTUATING)

01:15:22:09 DANIEL: What was that?

01:15:24:24 BO'REL: Enough of this. The ship is ours. Now lower your weapons.

01:15:30:10 MITCHELL: That's not gonna happen.

01:15:32:02 TEAL'C: Colonel Mitchell...

01:15:36:00 (GUNFIRE)

01:15:41:29 (GUNFIRE CONT'D)

01:15:43:28 DANIEL (INTO RADIO): Sam, we've got trouble.

01:15:45:16 (GUNFIRE)

01:15:52:10 CARTER (V/O OVER RADIO): Odyssey, this is Carter, requesting immediate
extraction.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:15:55:23 EMERSON: Do it. Major?

01:16:02:13 MARKS: Something's wrong. I can't get a lock on them.

01:16:06:18 (GUNFIRE)

01:16:26:16 CARTER (INTO RADIO): Odyssey, what's happening?

01:16:28:17 EMERSON (V/O OVER RADIO): We're getting too much signal degradation for
 successful beam-out.

01:16:31:01 EMERSON (CONT'D): As far as I can tell, the malfunction's not coming from this
 end.

01:16:34:21 CARTER (INTO RADIO): Guys, we've got a problem.

01:16:37:01 CARTER (CONT'D V/O OVER RADIO): The Odyssey can't beam us out.

01:16:38:21 DANIEL (INTO RADIO): Why not?

01:16:39:23 CARTER (INTO RADIO): Well, I'm not a hundred percent sure, but I think I may
 have activated the shields.

01:16:44:03 VALA (INTO RADIO): Why would you do that?

01:16:45:19 CARTER (V/O OVER RADIO): It wasn't intentional.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:16:46:29 VALA (INTO RADIO): Oh.

01:16:47:19 DANIEL (INTO RADIO): Can you reverse it?

01:16:51:18 CARTER (V/O OVER RADIO): I'll give it a try.

01:17:00:02 EMERSON (V/O OVER RADIO): SG-1, this is Odyssey. Three Hatak vessels are moving into positions around the planet.

01:17:05:01 CARTER (INTO RADIO): Don't chance it, Odyssey. We can't risk losing another ship.

01:17:08:00 EMERSON (V/O OVER RADIO): All right. Be advised that we're leaving range to avoid detection.

01:17:11:10 EMERSON (CONT'D): Get us out of here.

01:17:18:21 SE'TAK (V/O): The Ori, it turns out...

01:17:20:09 SE'TAK (CONT'D): are not invincible. This first strike against them must be considered nothing less than a complete success.

01:17:27:18 BRATAC (O/S): But at what cost?

01:17:31:04 SE'TAK: Leave us.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:17:41:00 SE'TAK (CONT'D): Unable...

01:17:41:22 SE'TAK (CONT'D): to gather support from your fellow Jaffa, you dishonor yourself
by seeking it elsewhere.

01:17:46:27 LANDRY: I'm honored. General Hank Landry.

01:17:53:05 SE'TAK: The Tau'ri, your people--

01:17:54:04 LANDRY (INTERRUPTING): Are pissed. Your use of this Ancient device violates
our prior agreement.

01:18:00:10 SE'TAK: An agreement made with the former leadership that I no longer feel
bound to.

01:18:05:10 LANDRY: So you're going to have your people go back on their word?

01:18:10:09 SE'TAK: Much has changed since my predecessors consented to that agreement.

01:18:15:00 SE'TAK (CONT'D): We now face an enemy powerful enough to have rendered
our conventional weapons useless.

01:18:20:07 SE'TAK (CONT'D O/S): Your forces have proven equally ineffective. This
device...

01:18:24:01 SE'TAK (CONT'D): is our only means of striking back at them.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:18:26:19 LANDRY: Which includes slaughtering innocent people.

01:18:29:27 SE'TAK: If future attacks against armies of the Ori...

01:18:34:01 SE'TAK (CONT'D O/S): allow us to recover enough of their ships...

01:18:36:27 SE'TAK (CONT'D): we will then have a powerful fleet with which to strike back
 against them. But until then, this device is our only option.

01:18:46:26 LANDRY: Incidental genocide is not an option.

01:18:50:25 SE'TAK: Granted, the cost of victory is great, but the cost of defeat would be even
 greater.

01:19:08:15 (FOOTSTEPS APPROACHING)

01:19:36:28 MITCHELL: All right, all right.

01:19:48:09 BO'REL: Where is the rest of your team, Colonel Mitchell?

01:19:58:03 MITCHELL: I don't know what you're talking about.

01:20:01:20 BO'REL: You were speaking with a female.

01:20:04:26 MITCHELL: Um...right. Um...she's back at the village, probably gone through the
 gate by now.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:20:12:16 BO'REL: You are lying.

01:20:15:12 BO'REL (INTO RADIO): This is a message...

01:20:16:23 BO'REL (CONT'D V/O OVER RADIO): to all Tau'ri on board this vessel. My name is Bo'rel. My brothers and I have taken this ship in the name of all free Jaffa.

01:20:26:08 BO'REL (V/O OVER RADIO CONT'D): We have Teal'c and Colonel Mitchell in custody. Surrender now and no harm will come to them.

01:20:32:08 BO'REL (CONT'D INTO RADIO): If you do not identify yourselves immediately, we will have no choice but to assume your intentions are hostile, in which case we will deal with the prisoners harshly.

01:20:50:07 BO'REL (INTO RADIO CONT'D): So be it.

01:20:55:19 (STAFF WEAPON CHARGES)

01:21:00:24 DANIEL (V/O OVER RADIO): Bo'rel, this is Daniel Jackson...

01:21:01:25 DANIEL (CONT'D INTO RADIO): of Stargate Command.

01:21:05:00 DANIEL (INTO RADIO CONT'D): Listen, there's no reason we should be fighting each other. We should be working together.

01:21:10:06 BO'REL (INTO RADIO): I'm afraid that would not be possible.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:21:12:13 DANIEL (INTO RADIO): Look, we're dealing with some very advanced technology, and we have some experience that might be useful.

01:21:18:23 BO'REL (INTO RADIO): You doubt our ability to fly this ship?

01:21:24:18 DANIEL (INTO RADIO): I'm just saying there's not a lot of time, and it would be in everyone's best interests if we pool our resources.

01:21:30:10 BO'REL (INTO RADIO): My orders are to take this ship and all on board. You will reveal your location to me now.

01:21:36:06 (STAFF CHARGES NEARBY)

01:21:50:13 DANIEL (INTO RADIO): That won't be necessary.

01:21:53:10 JAFFA #1 (V/O OVER RADIO): Bo'rel, we have them.

01:21:56:00 BO'REL (V/O OVER RADIO): Well done. Hold them until our patrols find the control room.

01:22:04:21 DANIEL: You're making a big mistake. More Ori ships will be here soon.

01:22:09:15 JAFFA #1: Then they will suffer the same fate.

01:22:12:11 ADRIA (V/O): I think not.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:22:15:25 (CRASHING AND THUMPING)

01:22:15:20 (GASPING AND SCREAMING)

01:22:26:14 (CRASH)

01:22:33:00 VALA: Adria.

01:22:36:27 ADRIA: Hello, Mother.

END OF ACT TWO

ACT THREE

01:23:03:17 (GASPING, STAFF WEAPON CHARGING)

01:23:05:05 VALA (O/S): Okay!

01:23:06:05 VALA (CONT'D): We all know, darling, that you...

01:23:08:00 VALA (CONT'D O/S): have telekinetic powers. You can stop showing off now.

01:23:14:07 (WEAPON DROPS)

01:23:17:04 ADRIA: I've missed you, Mother. They said I should forget about you...

01:23:21:05 ADRIA (CONT'D O/S): that you'd abandoned me...

01:23:22:18 ADRIA (CONT'D): because you didn't care.

01:23:24:03 VALA: No.

01:23:25:19 ADRIA: I knew you'd come back for me.

01:23:27:15 VALA: How is it that you're even alive? Everyone else on the planet was killed.

01:23:30:02 ADRIA: I was saved by this.

01:23:31:17 ADRIA (CONT'D): It holds a piece...

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:23:32:18 ADRIA (CONT'D): of the holy city of Celestis. It protects me...

01:23:35:12 ADRIA (CONT'D): keeps me safe.

01:23:37:12 VALA: Oh.

01:23:38:20 ADRIA: Soon, the other ships will come for us, and once we're back with the fleet,
I promise you, Mother, we'll never be separated again.

01:23:58:24 BO'REL: There are some who hold the Tau'ri in great esteem for the assistance
they provided us against the Goa'uld.

01:24:05:22 MITCHELL: I'm guessing you're not one of them?

01:24:09:23 BO'REL: While I recognize the contributions made, I question the motive. I
suspect it had more to do with self-preservation than generosity. We had
a common enemy and, as much as the Tau'ri would have us believe that
we could not have defeated the Goa'uld without them, I know better.
What is this device?

01:24:35:06 MITCHELL: Haven't got a clue.

01:24:41:04 (BEEP)

01:24:41:04 (BEEPING)

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:24:49:18 BO'REL: I will not ask you again.

01:24:55:15 MITCHELL: Nope. Still nothing.

01:25:04:03 (SYSTEMS POWERING DOWN)

01:25:05:11 CARTER (WHISPERING): Yes!

01:25:09:28 BO'REL: Find out what's happening.

01:25:26:21 VALA: Listen, we're not rejoining the fleet. You're coming with me.

01:25:30:09 ADRIA: No, I can't abandon my army.

01:25:32:04 VALA: It's not your army.

01:25:34:23 ADRIA: Of course it is.

01:25:36:24 VALA: Well, as your mother, I'm putting my foot down. You're too young to have
your own army.

01:25:40:09 ADRIA: They look to me for guidance, for protection, and for answers.

01:25:43:28 ADRIA (CONT'D): Tell me what happened to my people here on this planet.

01:25:50:01 VALA: No. Don't.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:25:51:12 VALA (CONT'D O/S): He doesn't know anything.

01:26:00:19 VALA (SHOUTING): Adria!

01:26:01:21 (GASPS)

01:26:04:20 ADRIA: You have a strong mind. Wake up, Jaffa.

01:26:12:25 (GASPING AND CHOKING)

01:26:18:24 ADRIA: Welcome back.

01:26:28:21 ADRIA (CONT'D): Now, tell me, what happened to the believers who came to
spread Origin to this world?

01:26:38:10 ADRIA (CONT'D): Yours is a backward people, too primitive to have created such
an effective weapon. So tell me, how did it come into your hands?

01:26:49:00 ADRIA (CONT'D): Where is it?

01:26:51:17 VALA: Stop.

01:26:52:00 ADRIA: Don't interfere, Mother.

01:26:52:28 (GASPS)

01:26:55:15 ADRIA: Where, Jaffa?

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:27:18:02 (GUNFIRE)

01:27:23:21 MITCHELL: I didn't know you knew how to use one of those things.

01:27:26:06 CARTER: Well...piece of cake.

01:27:32:02 ADRIA: Where is the weapon?

01:27:34:16 JAFFA #1 (GASPING): Da...Da...kara.

01:27:51:04 ADRIA: Dakara.

01:27:57:16 LANDRY (V/O): If you continue to use this weapon...

01:27:59:15 LANDRY (CONT'D): in violation of our previous agreement, our alliance is in jeopardy.

01:28:04:10 SE'TAK: And what does this alliance do to benefit the Jaffa?

01:28:06:25 BRATAC: If it were not for the Tau'ri, we would still be slaves to the Goa'uld.

01:28:11:07 SE'TAK: That was in the past. Now we face a much more dangerous enemy, and every day, while we lose ground to the Ori, the Tau'ri homeworld remains curiously untouched. We are the ones fighting this battle. We are the ones dying by the thousands.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:28:31:08 LANDRY: And yet you choose to test your new toy on a human world, not on one of a dozen Jaffa planets that have fallen to the Ori. Why is that, exactly?

01:28:45:03 SE'TAK: This discussion is over.

01:28:55:18 CARTER: The Odyssey tried to beam us out of here, but somehow the shields had been activated. At first, I thought it was something I'd done, but after checking the controls, I realized it wasn't me.

01:29:05:10 MITCHELL: There's someone else on board.

01:29:07:01 CARTER: Three motherships are in orbit over the planet. The Odyssey had to retreat in order to avoid being detected.

01:29:12:24 TEAL'C: Then the stargate is our only means of escape.

01:29:17:26 MITCHELL (INTO RADIO): Jackson. Vala. Come in.

01:29:22:24 MITCHELL (CONT'D V/O OVER RADIO): If you can hear me, we're getting the hell out of Dodge.

01:29:26:21 ADRIA: Too late.

01:29:29:29 (ENGINE POWERS UP)

01:29:41:22 MITCHELL: Sam?

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:29:42:15 CARTER: I don't know.

01:29:51:22 LANDRY: I need you to rally your supporters, find out who's onside and who you
can trust. In the meantime, I'm--

01:30:00:27 BRATAC: What is the meaning of this?

01:30:03:10 SE'TAK: We just received word. The Ori ship has taken flight.

01:30:13:06 CARTER: I might be able to override primary systems from the control room.

01:30:18:24 (SHIPS EXCHANGE FIRE)

END OF ACT THREE

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:31:49:20 SE'TAK: The only other people on board that ship...

01:31:51:17 SE'TAK (CONT'D): are from Stargate Command.

01:31:53:00 BRATAC (O/S): You cannot...

01:31:53:21 BRATAC (CONT'D): possibly think the Tau'ri are responsible for this.

01:31:56:14 SE'TAK: What other explanation is there?

01:31:58:15 LANDRY: We're not in the habit of conducting sneak attacks on our allies,
however much we may disagree with their tactics.

01:32:04:04 SE'TAK: You were jealous of the power we command through the Ancient device.
You sought to redress that balance by taking the Ori ship.

01:32:10:03 SE'TAK (CONT'D O/S): When the Hatak...

01:32:11:08 SE'TAK (CONT'D): stood in your way, they were swept aside.

01:32:14:13 BRATAC: Se'tak, this is madness.

01:32:17:10 SE'TAK: We shall see. Guard them.

01:32:50:04 MITCHELL: Here's a question. Who's flying this boat?

01:32:55:21 ADRIA: I know Tomin will be happy to see you again.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:32:58:08 VALA: Tomin's alive?

01:33:01:05 VALA (CONT'D): He wasn't on the planet with you?

01:33:03:18 ADRIA: No. I've been traveling...

01:33:05:02 ADRIA (CONT'D O/S): with various ships.

01:33:06:21 ADRIA (CONT'D): As the leader of this Great Enlightenment, it's important that I
make my presence known...

01:33:10:22 ADRIA (CONT'D): especially now, when the first inroads are being made.

01:33:13:01 ADRIA (CONT'D): Once the rest of the fleet arrives, I'll have a much harder time
of it.

01:33:16:21 DANIEL: How many other ships are coming?

01:33:18:26 ADRIA: Many, many more.

01:33:19:26 ADRIA (CONT'D): By my estimation, the galaxy will be converted within the year.

01:33:26:02 MITCHELL (INTO RADIO): Jackson, come in. Jackson, Vala. Can you hear me?

01:33:34:17 (RADIO STATIC CRACKLES)

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:33:36:16 MITCHELL: We'll have to go out there and look for 'em. Sam--

01:33:39:08 CARTER: I'll keep at it.

01:33:58:00 MITCHELL: Well, at least it's not raining.

01:34:01:20 ADRIA: I don't know why you're complaining. You should be delighted. As the mother of the Orici, you will be revered by all the followers of Origin.

01:34:08:22 VALA: While I appreciate the celebrity status, I have to admit it would get very tiresome very quickly, especially if I had to perform for the masses. I'm not very good with crowds.

01:34:19:10 ADRIA: There will be no demands made on you. All you have to do is accept Origin into your heart.

01:34:24:20 VALA: That could be a problem.

01:34:27:07 ADRIA: Perhaps at first, but eventually, you will embrace the truth.

01:34:32:14 VALA: I don't think so.

01:34:34:22 ADRIA: You're my mother. If I'm unable to convince you...

01:34:38:17 ADRIA (CONT'D): how can I be expected...

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:34:40:19 ADRIA (CONT'D): to sway the countless worlds in this galaxy? Until I have brought you into the fold, my mission here is a failure.

01:34:48:09 VALA: I can be very stubborn.

01:34:50:24 DANIEL: Mm-hmm.

01:34:52:04 ADRIA: Then I'll be patient...and very determined.

01:34:57:22 DANIEL (O/S): What about all the other people that refuse to bow down to the will of the Ori?

01:35:00:10 DANIEL (CONT'D): Are you going to show them the same courtesy?

01:35:03:07 ADRIA: There is a limit to my patience.

01:35:05:00 DANIEL (O/S): And there's a difference between devotion...

01:35:06:07 DANIEL (CONT'D): and blind submission. You can't expect to win the faith of your followers through fear and intimidation.

01:35:12:20 ADRIA: What would you have me do?

01:35:16:19 DANIEL: Give people a choice.

01:35:18:14 ADRIA: I'm trying to bring an entire galaxy from darkness into light.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:35:22:19 ADRIA (CONT'D): In order to do that, all doubt must be removed...

01:35:24:27 ADRIA (CONT'D): or it will spread like a cancer. It's that simple.

01:35:33:20 MITCHELL: This is getting a little old, don't you think?

01:35:35:21 BO'REL: You will turn this ship back immediately.

01:35:38:12 MITCHELL: Love to. Unfortunately, we're not the ones flying it.

01:35:40:25 BO'REL: You lie.

01:35:45:20 TEAL'C: Would you accuse me of lying as well?

01:35:49:24 TEAL'C (CONT'D): We are unaware of who is in control of this vessel but suspect
they may be on board with us. We, in fact, share a common enemy.

01:35:59:26 MITCHELL (O/S): Whatever's between us...

01:36:01:12 MITCHELL (CONT'D): we can finish that later. Right now, we have to re-take this
ship.

01:36:16:26 MITCHELL (CONT'D): That's more like it.

01:36:20:14 VALA: Adria, listen to me--

01:36:22:11 ADRIA (INTERRUPTING): I'm sorry, Mother. The time for talking is over.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:36:27:22 ADRIA (CONT'D): We've arrived.

01:36:42:06 MITCHELL: Is that what I think it is?

01:36:45:03 TEAL'C: Dakara.

01:36:48:18 SE'TAK: My suspicions have been confirmed.

01:36:51:07 LANDRY: What are you talking about?

01:36:52:23 SE'TAK: The Ori ship has arrived.

01:36:56:06 SE'TAK (CONT'D O/S): You would try to force us...

01:36:58:03 SE'TAK (CONT'D): to give up the Ancient device rather than have us wield its
power.

01:37:02:01 LANDRY: I'm telling you, my people are not responsible for this.

01:37:05:15 SE'TAK: We will gather our fleet and lay siege to your world. We will take back the
Ori ship and avenge our fallen brothers.

01:37:22:24 MITCHELL (O/S): You don't think that whoever is flying this boat...

01:37:25:24 MITCHELL (CONT'D): is on a friendly trip, do you?

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:37:30:11 MITCHELL (CONT'D): No. Me neither.

01:37:32:27 TEAL'C: With the engines activated, there may be a significantly greater...

01:37:35:23 TEAL'C (CONT'D O/S): reaction to the C-4.

01:37:38:00 TEAL'C (CONT'D): The ship may well be destroyed.

01:37:40:28 MITCHELL: Yeah, I was thinking the same thing.

01:37:42:25 TEAL'C: We must not allow this ship to launch an attack.

01:37:51:05 MITCHELL: Right.

END OF ACT FOUR

ACT FIVE

01:38:20:22 TEAL'C: Colonel Mitchell...

01:38:22:25 MITCHELL: Just trying to think of some appropriate last words.

01:38:26:06 TEAL'C: Mm.

01:38:31:24 (BEEP)

01:38:40:07 MITCHELL: What happened?

01:38:41:15 TEAL'C: Nothing.

01:38:46:11 MITCHELL: Yeah, I know. Why not?

01:38:52:27 ADRIA: You should thank me. I just saved your lives.

01:38:55:05 VALA: What are you talking about?

01:38:58:08 (MOANING)

01:39:08:14 EMERSON (V/O OVER RADIO): SG-1, this is Odyssey. Do you read?

01:39:10:25 CARTER (INTO RADIO): Odyssey, this is Colonel Carter.

01:39:12:21 EMERSON (V/O OVER RADIO): We're going to try and beam you out of there.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:39:14:10 CARTER (INTO RADIO): It won't work. The shield is still active. I'm trying to shut it down. Please stand ready.

01:39:22:06 SE'TAK: The weapon is capable of firing through a gate...

01:39:25:04 SE'TAK (CONT'D): but it is also capable of releasing a wave...

01:39:26:10 SE'TAK (CONT'D O/S): that will encompass this world and beyond, wiping out all life forms on any ships...

01:39:32:00 SE'TAK (CONT'D): that happen to be in planetary orbit.

01:39:35:24 SE'TAK (CONT'D): We will be perfectly safe here within this shielded chamber.
You...

01:39:40:18 SE'TAK (CONT'D O/S): will survive to bear witness--

01:39:44:04 SE'TAK (CONT'D): the Jaffa have finally taken their rightful place as a true power in this galaxy.

01:39:50:08 (GUNFIRE)

01:39:53:09 DANIEL (O/S): It won't be that easy.

01:39:57:01 ADRIA: Why wouldn't it be? I'm about to destroy the only real threat against us.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:40:00:25 DANIEL: You're forgetting about someone. What about the Ancients?

01:40:03:04 ADRIA: You know as well as I do they'll never get involved.

01:40:05:13 ADRIA (CONT'D): We have free rein in this galaxy.

01:40:09:12 VALA: Adria, listen to me.

01:40:10:22 VALA (CONT'D): I promise to stay with you. I'll hear you out...

01:40:13:12 VALA (CONT'D): on the whole Origin thing. I'll even try and keep an open mind.

01:40:18:08 VALA (CONT'D): Just let everyone else go.

01:40:19:15 ADRIA: It's too late for them, but don't worry. I'll be keeping him alive. We have
plans for you.

01:40:40:14 JAFFA #2 (O/S): We are ready.

01:40:42:25 LANDRY: My people may be on board that ship.

01:40:44:29 SE'TAK: Not for much longer. Fire the weapon.

01:40:53:25 (WEAPON POWERS UP)

01:41:09:18 CARTER (INTO RADIO): Odyssey, we're good to go.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:41:11:11 EMERSON (INTO RADIO): Get 'em the hell out of there.

01:41:16:14 (WEAPON BURSTS FORTH)

01:41:27:01 (SG-1 BEAMS IN)

01:41:28:22 EMERSON: Now!

01:41:44:18 (HIGH-PITCHED SOUND)

01:41:49:03 (RUMBLING AND CRASHING)

01:41:52:27 SE'TAK: What happened?

01:41:54:20 JAFFA #2: The weapon appears to have had no effect.

01:41:58:21 BRATAC: Come! Come!

01:42:04:16 BRATAC (CONT'D): The area was evacuated. The gate is unguarded!

01:42:10:12 SE'TAK: Fire again.

01:42:13:18 SE'TAK (CONT'D): Fire the weapon!

01:42:22:19 (WEAPON FIRES)

01:42:33:20 TEAL'C: There is news.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:42:40:02 TEAL'C (CONT'D): A cargo ship dispatched to the area has reported complete
and utter devastation.

01:42:45:18 TEAL'C (CONT'D): Dakara is no more.

01:42:49:27 CARTER (O/S): Meanwhile, we received word...

01:42:51:04 CARTER (CONT'D): that five more planets have fallen to the Ori, including
Hebridan and Langara. So far, we haven't heard anything from our allies
on either world.

01:42:58:09 MITCHELL: We are getting our asses whupped...

01:43:01:08 MITCHELL (CONT'D O/S): and it looks like that Merlin device....

01:43:03:16 MITCHELL (CONT'D): is the only shot we have at stopping them.

01:43:05:29 LANDRY: Then find it. Dismissed.

01:43:14:06 BRATAC (O/S): The council is in disarray.

01:43:15:19 BRATAC (CONT'D): The Jaffa nation is fractured, and without Dakara to bring us
all together, I fear everything we have fought for all these years will be
lost.

01:43:24:25 TEAL'C (O/S): The war is not over, old friend.

STARGATE SG-1 - "Counterstrike" - Episode #1007

01:43:27:10 BRATAC: If only I could have done more to oppose Se'tak.

01:43:31:12 VALA (O/S): There's nothing to be gained by second-guessing yourself.

01:43:33:16 VALA (CONT'D): You can't remake the past...

01:43:39:04 VALA (CONT'D): so look ahead...or risk being left behind.

01:43:53:19 BRATAC: She displays the wisdom of a battle-seasoned warrior.

01:43:56:15 TEAL'C: Mm.

01:43:58:00 DANIEL (O/S): She's a mother.

01:44:02:00 DANIEL (CONT'D): Close enough.

END OF ACT FIVE

FADE TO BLACK

END OF EPISODE
