RECAP

01:00:01:24 TEAL'C (V/O): Previously on Stargate SG-1...

01:00:02:28 BRA'TAC (O/S): All you have to do is prick him, once. The effect will be
 immediate.

01:00:08:02 BRA'TAC (CONT'D): He'll believe you to be his loyal slave Jarren.

01:00:10:07 MITCHELL: Whoa! No violence.

01:00:11:06 TENAT: Your name?

01:00:13:16 MITCHELL: Cam Mitchell. Bounty hunter.

01:00:18:25 NETAN: Don't worry about SG-1 and Earth. They are of little consequence.

TEASER

01:00:32:26 MARKS: Approaching the coordinates now, sir.

01:00:35:17 EMERSON: Drop us out of hyperspace. Maximum shields.

01:00:44:03 EMERSON: Colonel?

01:00:46:16 CARTER: We should have a visual.

01:00:50:20 CARTER (CONT'D O/S): If the second supergate is here, we should be able to
see it.

01:00:53:10 EMERSON (O/S): Anything on the sensors?

01:00:54:10 MARKS: There seems to be a powerful gravitational field nearby.

01:00:59:05 EMERSON: Supergates use black holes for power.

01:01:02:04 CARTER: Oh, this is not a black hole. It's a neutron star, and the field is powerful
enough to weaken our shields and cause--

01:01:08:17 (EXPLOSION, CLAXONS)

01:01:11:18 EMERSON: Damage report!

01:01:12:29 MARKS: Reporting hull damage on Decks 2 and 7.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:01:15:03 EMERSON: Battle stations! Get us out of here, Major.

01:01:18:13 MARKS: Hyperdrive will not engage.

01:01:20:02 CARTER: Hull integrity has been compromised!

01:01:21:05 EMERSON: Who the hell is shooting at us?

01:01:23:05 MARKS (O/S): I can't tell, sir. Detecting three ships.

01:01:26:08 EMERSON: Ori?

01:01:28:07 MARKS: Based on size, I'd say Goa'uld motherships.

01:01:31:10 CARTER: Their shields should be weakened as well!

01:01:32:23 EMERSON: Fire all forward rail guns. Arm missiles. Major, transfer auxiliary
 power to sublight engines and set a course hard left.

01:01:41:24 (MISSILE ATTACK)

01:01:49:04 MARKS: Sir, detecting multiple small objects dead ahead.

01:01:53:15 CARTER: Oh, my God.

01:01:58:12 CARTER (CONT'D): It's a minefield.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:01:59:19 EMERSON: Full reverse thrust!

01:02:05:00 (MINES EXPLODING)

01:02:15:07 EMERSON (CONT'D): Damage report!

01:02:18:19 EMERSON (CONT'D O/S): Marks!

01:02:26:16 HARRIMAN: Emergency subspace communication from the Odyssey, sir.

01:02:29:10 LANDRY: Put it onscreen.

01:02:30:13 EMERSON (V/O OVER RADIO): Stargate Command, this is Colonel Paul Emerson of the Odyssey, authentication code Delta-Six-Alpha-Five. We're under attack. We've suffered extreme damage. Intel about the second supergate was false. We've been ambushed by as many as three Goa'uld motherships. We've lost hyperdrive, shields are down. Several decks without life support. We're being boarded!

01:02:53:05 HARRIMAN: That's it, sir. That's all we got.

END OF TEASER

ACT ONE

01:04:15:12 LANDRY: We began receiving telemetry from the emergency transponder approximately 30 minutes after the distress call came in.

01:04:20:27 DANIEL: Unfortunately, it doesn't tell us anything about the condition of the ship or the crew.

01:04:24:25 LANDRY: Sounds like it was badly damaged.

01:04:26:20 DANIEL: Anything on who might have been behind this?

01:04:28:26 LANDRY: We were acting on what we thought was reliable intel from the Jaffa.

01:04:33:11 TEAL'C: Bra'tac is investigating the source of the false intel, but the Jaffa nation is in disarray...

01:04:38:24 TEAL'C (CONT'D O/S): and many have reverted back to old warring factions. Tracing such betrayal may prove virtually impossible.

01:04:45:03 VALA: There must be a lot of Jaffa out there who are pretty angry about the destruction of Dakara.

01:04:49:13 DANIEL: The Ori were responsible for that.

01:04:51:03 LANDRY: There are more than a few who think it was us who led them there.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:04:54:06 MITCHELL: Angry enough to set up an ambush? For what, revenge?

01:04:57:23 VALA: Well, we have a signal. Let's go check it out.

01:04:59:24 DANIEL: Yeah, one tiny snag there.

01:05:02:20 TEAL'C (O/S): We have no vessels...

01:05:03:11 TEAL'C (CONT'D): in which to travel.

01:05:04:16 LANDRY (O/S): The Daedalus is on its way...

01:05:05:18 LANDRY (CONT'D): to Pegasus.

01:05:06:20 TEAL'C (O/S): And it will be days before a Jaffa ship...

01:05:07:27 TEAL'C (CONT'D): becomes available to us.

01:05:09:13 VALA: Well, you only have to ask.

01:05:11:00 VALA (CONT'D O/S): You must know...

01:05:12:22 VALA (CONT'D): by now that I can get you pretty much anything you want.

01:05:15:16 DANIEL: Yeah, for a price.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:05:17:16 VALA: Nothing comes for free, Daniel. Of course, in this instance, I would naturally waive my fee...

01:05:23:03 VALA (CONT'D O/S): but I will need some front money, so to speak.

01:05:26:09 LANDRY (O/S): Be careful.

01:05:27:15 LANDRY (CONT'D): We still have no idea who's behind this.

01:05:51:17 EMERSON: Glad to see you're awake, Colonel. How's your head?

01:05:54:10 CARTER: It's fine, sir. What's our status?

01:05:57:10 EMERSON (O/S): They towed us out of the minefield. Most of the crew is accounted for.

01:05:59:27 EMERSON (CONT'D): We're still missing three.

01:06:05:02 SOLEK: Which one of you is Colonel Samantha Carter?

01:06:08:08 EMERSON: I'm Colonel Paul Emerson, commander of this ship. If you have any questions, you ask me--

01:06:13:11 SOLEK: If any of you try to be heroes...

01:06:14:13 SOLEK (CONT'D O/S): I assure you my commander will think nothing...

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:06:16:18 SOLEK (CONT'D): of venting this hold of all atmosphere.

01:06:20:18 SOLEK (CONT'D O/S): I will not ask again.

01:06:23:00 CARTER: I'm Carter.

01:06:29:00 SOLEK: Bring her. Him too.

01:06:43:15 ANATEO: Colonel Carter...

01:06:46:28 ANATEO (CONT'D): I had heard you were quite attractive.

01:06:49:18 EMERSON: I'm Colonel Paul Emerson, commander of this ship. What do you
want?

01:06:52:28 ANATEO: Nothing you can do for me. Now, Colonel Carter, on the other hand...
Can I call you Samantha?

01:07:02:17 CARTER: No. You're Lucian Alliance.

01:07:08:18 ANATEO (O/S): The uniform.

01:07:09:21 ANATEO (CONT'D): Pathetic, isn't it? Pretending to be something we're not.
Anateo is my name, and believe me, I am part of no alliance of any kind.

01:07:23:03 ANATEO (CONT'D O/S): Now, we don't know much about this ship yet, but we
have found...

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:07:26:26 ANATEO (CONT'D): a subspace beacon that is giving away our position. I need
you to shut it off.

01:07:35:16 CARTER: I'm not going to help you.

01:07:37:13 ANATEO: I don't see what choice you have. You are going to do whatever it is I
want you to do.

01:07:47:07 EMERSON: Don't do it, Sam.

01:07:52:12 ANATEO: Oh, I suggest you should do it... Sam.

01:08:06:00 CARTER: It's not designed to be shut off. It activates automatically and stays on.

01:08:10:27 ANATEO: Then remove it.

01:08:12:02 EMERSON: Don't help them, Colonel.

01:08:13:12 EMERSON (CONT'D O/S): That's an order.

01:08:14:21 (GUNSHOT)

01:08:21:21 (GUNSHOTS)

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:08:24:01 ANATEO (O/S): I believe that now makes you the ranking officer on this ship,
Colonel Carter. I suggest you get to work, unless there's something else
you'd rather do.

01:08:42:02 MITCHELL: Yeah, she's a real beauty.

01:08:43:24 VALA: Stabilizers are a bit wonky, I'm afraid. Makes for a bumpy ride, but it's all
perfectly safe.

01:08:49:04 MITCHELL: Really?

01:08:50:14 (CRASHING)

01:08:53:03 VALA: Not exactly.

01:08:54:14 DANIEL (O/S): We gave you as much raw Naquadah as you needed...

01:08:56:21 DANIEL (CONT'D): and all you came up with was this piece of junk?

01:09:00:11 VALA (O/S): People's lives are at stake, Daniel.

01:09:01:19 VALA (CONT'D): Do you honestly think that I cheaped out on the ship and
pocketed the difference?

01:09:06:15 (BEEPING)

01:09:07:10 MITCHELL: What's that?

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:09:08:28 VALA: Life support seems to be failing.

01:09:13:01 VALA (CONT'D): Can you take over?

01:09:26:27 MITCHELL: Great, you fixed that. How about fixing the stabilizers?

01:09:29:08 VALA: I didn't fix anything. I just disabled that annoying alarm.

01:09:31:18 TEAL'C (O/S): Our long-range sensors indicate that the signal coming from the
Odyssey transponder...

01:09:35:23 TEAL'C (CONT'D): is changing location.

01:09:37:10 MITCHELL: It's moving?

01:09:38:15 TEAL'C (O/S): It appears to be traveling at sublight speed.

01:09:40:20 TEAL'C (CONT'D): Altering course to intercept.

01:09:46:28 MITCHELL: Are you cloaking?

01:09:48:12 TEAL'C (O/S): I am attempting to.

01:09:49:23 TEAL'C (CONT'D): It does not appear the cloak is responding.

01:10:03:24 TEAL'C (CONT'D O/S): The signal now appears to be...

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:10:45:11 MITCHELL: You know, it could be a trap.

01:10:47:18 VALA: All the more reason why we shouldn't all go. Trust me, if he knows anything, I'll be able to get it out of him, but the key is to be as inconspicuous and as non-threatening...

01:10:57:03 VALA (CONT'D O/S): as possible.

01:11:00:10 VALA (CONT'D): If you like, I can take Daniel.

01:11:10:19 MARKS: Colonel... What happened? You've been gone for hours. Where's Colonel Emerson?

01:11:23:20 BORZIN (O/S): Vala Mal Doran... I never thought you'd show your face in these parts again.

01:11:28:15 VALA: Borzin, you slimy, two-faced grease peddler.

01:11:32:23 VALA (CONT'D): Come on, give us a hug.

01:11:37:01 BORZIN: And what poor loser have you conned into your company this time?

01:11:40:01 VALA: Oh, this is my apprentice, Shamus.

01:11:43:04 BORZIN: You must be learning a great deal.

01:11:44:22 DANIEL: More than I'd like to.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:11:46:13 VALA (O/S): Actually, I only took him on...

01:11:47:17 VALA (CONT'D): as part of a bet. He's mentally disabled.

01:11:49:07 BORZIN: Ah...

01:11:49:26 BORZIN (V/O OVER RADIO): Don't trust her. She will sell you out for a bad lunch
the first chance she gets.

01:11:54:23 DANIEL: I know.

01:11:55:23 VALA: He likes me.

01:11:57:16 VALA (CONT'D O/S): Isn't that cute?

01:11:59:11 BORZIN: What do you want, Vala, if you haven't already stolen it from me?

01:12:04:21 VALA: We're looking for some information.

01:12:06:24 DANIEL (O/S): About a Tau'ri ship that was attacked...

01:12:08:02 DANIEL (CONT'D): not far from here. Any information you can give us...

01:12:10:26 VALA: Okay, my friend... here's the thing. He's not my apprentice. He's a mark.

01:12:18:27 BORZIN: No!

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:12:21:03 VALA: A very rich, very gullible one. who's eating right out of my hands. Give us something, anything, and he'll make it very much worth your while.

01:12:27:14 BORZIN: You know, I've heard that before--

01:12:28:26 VALA: All right, try this. We traced the signal from the ship's emergency transponder here. I know you can't possibly have the whole ship, but I know you must have some...

01:12:39:04 VALA (CONT'D O/S): parts. Borzin, I don't know what's going on, but you're in way over your head. I've recently made some contacts high up in the Lucian...

01:12:47:28 VALA (CONT'D): Alliance that'd be very interested in knowing exactly how much you've been skimming off this operation.

01:12:53:07 BORZIN: Wow... Offers that can't be refused. Over here.

01:13:01:08 DANIEL: While we're at it, why not get him to throw in some parts for our cargo ship?

01:13:05:11 VALA: One thing at a time.

01:13:07:18 BORZIN: Is this what you're looking for?

01:13:11:11 DANIEL: That's Odyssey's data recorder. The transponder's still broadcasting.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:13:15:07 VALA: Where did you get this?

01:13:16:17 BORZIN (O/S): A man brought it a few hours ago.

01:13:18:04 BORZIN (CONT'D): He said it could fetch me a very nice price.

01:13:23:06 ANATEO (V/O OVER TRANSPONDER): Anateo is my name, and believe me, I
am part of no alliance of any kind.

01:13:28:20 (TAPE REWINDING)

01:13:30:22 CARTER (V/O OVER TRANSPONDER): It's not designed to be shut off. It
activates automatically and stays on.

01:13:34:25 ANATEO (V/O OVER TRANSPONDER): Then remove it.

01:13:36:00 EMERSON (V/O OVER TRANSPONDER): Don't help them, Colonel. That's an
order.

01:13:40:00 BORZIN: Ooh... You want more, show me the Naquadah.

01:13:44:17 DANIEL: You know, that thing's useless to me unless I know who gave it to you.

01:13:47:17 BORZIN: Ooh, timing's everything. Him.

01:13:56:10 (ZAT BLASTS OVER RADIO)

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:14:03:27 MITCHELL (INTO RADIO): Jackson? Vala? Jackson, report. Crap.

END OF ACT ONE

ACT TWO

01:14:31:19 BORZIN (V/O OVER RECORDER): You want more, show me the Naquadah.

01:14:34:08 DANEIL (V/O OVER RECORDER): You know, that thing's useless to me unless I
know who gave it to you.

01:14:37:00 BORZIN (V/O OVER RECORDER): Ooh, timing's everything. Him.

01:14:42:26 MITCHELL: We suspected it could be another ambush.

01:14:45:10 LANDRY (O/S): You think they were specifically after you?

01:14:47:23 TEAL'C: They knew we would follow the transponder signal.

01:14:50:04 LANDRY (O/S): Why?

01:14:51:11 TEAL'C: Perhaps they were trying to deter us from trying to find the Odyssey.

01:14:54:08 MITCHELL: Personally, I think they just don't like us.

01:14:55:24 LANDRY: Well, I can see why they might not be your biggest fans.

01:14:59:05 MITCHELL (O/S): Well, whatever the reason...

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:15:00:10 MITCHELL (CONT'D): there was no other way to retrieve this intel. The recording suggests the Odyssey wasn't destroyed but is in the hands of the Lucian Alliance.

01:15:06:06 MITCHELL (CONT'D O/S): Unfortunately, that's all we got.

01:15:09:13 MITCHELL (CONT'D): Borzin disappeared along with Daniel and Vala, and no one else we talked to knew anything.

01:15:14:09 LANDRY: Teal'c, spread the word among the Jaffa. Tell whoever will listen I want to talk to the leader of the Lucian Alliance.

01:15:28:17 ANATEO: I've always felt civilization can be judged by two things-- its food... and its women. I'd say yours is only halfway there.

01:15:40:20 ANATEO (CONT'D): Hmm?

01:15:43:28 ANATEO (CONT'D): I don't blame you, but you have to keep up your strength.

01:15:50:19 ANATEO (CONT'D): You have a whole ship to fix.

01:15:52:06 CARTER (O/S): You know...

01:15:53:06 CARTER (CONT'D): that could take the rest of my life.

01:15:55:00 ANATEO (O/S): Whether that is long...

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:15:56:04 ANATEO (CONT'D): or painfully short is up to you.

01:16:04:07 CARTER (O/S): Daniel, Vala.

01:16:05:12 DANIEL: Hi, Sam!

01:16:06:15 VALA: We thought you'd miss us.

01:16:07:17 ANATEO: Where are the others?

01:16:10:07 BORZIN: Uh... Listen, there is that small matter of my fee.

01:16:14:08 ANATEO: Oh, of course. Half payment for half of SG-1.

01:16:18:28 VALA: Two-fifths, actually. It's a small quibble, but--

01:16:22:27 BORZIN: Don't help. Look, it is not my fault that only two of them showed up.

01:16:29:29 ANATEO: Of course. Take care of him.

01:16:36:03 BORZIN: Uh... look, I, uh... I'm sorry, but I don't think I'll be seeing you again. So...
Hee, hee, hee.

01:16:44:24 VALA: No, I think not.

01:16:46:11 ANATEO: Put them in the hold.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:16:47:16 DANIEL: Don't worry, Sam. It's all part of the plan.

01:16:59:27 ESCHER: Each division of Lucian Alliance territory is controlled by one of Netan's lieutenants, or "seconds," as they're called. There are about 20 such individuals overseeing operations including smuggling, extortion, racketeering, and of course, trafficking in Kassa.

01:17:12:29 LANDRY: Is there anything new coming? Because this feels like a rerun to me.

01:17:16:12 ESCHER (O/S): Well, we've been following up...

01:17:17:15 ESCHER (CONT'D): on rumors of betrayal and possible mutiny among the seconds. There seems to be mounting dissent over Netan's leadership.

01:17:23:12 LANDRY: Well, that's good, but how does it help us?

01:17:26:00 ESCHER: Kefflin... one of Netan's most loyal and trusted seconds. He oversees a large Kassa production operation on a remote group of planets on the outskirts of the galaxy.

01:17:34:16 MITCHELL (O/S): What about him?

01:17:36:16 ESCHER: Besides the fact that he's a brutal killer with a notorious temper--

01:17:39:22 MITCHELL: We've only know of him by reputation, sir. He's extremely reclusive, and rarely, if ever, leaves his command ship. Very few, if any, of Netan's inner circle have ever met the guy.

01:17:48:05 LANDRY: You think this Kefflin is behind the disappearance of the Odyssey?

01:17:51:00 MITCHELL: No, sir. I think he's the perfect candidate to impersonate.

01:17:54:15 LANDRY: Excuse me?

01:17:59:07 MITCHELL: I am suggesting that I infiltrate the Lucian Alliance. It's the only way...

01:18:03:25 MITCHELL (CONT'D O/S): we're going to get reliable information on the Odyssey.

01:18:06:08 LANDRY: You don't even have a decent picture of the man.

01:18:07:05 MITCHELL (O/S): That's what makes him the perfect...

01:18:08:11 MITCHELL (CONT'D): candidate, sir. The Reole chemical. Dr. Jackson used it...

01:18:13:24 MITCHELL (CONT'D O/S): a few years back to infiltrate a System Lord Summit.
One jab of that, and Netan will believe I am who I say I am regardless of
what I look like.

01:18:20:19 MITCHELL (CONT'D): No one else will question me because no one else has
ever seen him.

01:18:23:24 LANDRY: So you think.

01:18:28:02 MITCHELL: I'm not saying it isn't risky, sir. I'm saying we have to do something.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:18:40:02 VALA: How are you holding up?

01:18:41:14 CARTER: I'm working as slowly as I can, but I can't keep it up forever.

01:18:43:11 DANIEL (O/S): Do you have any idea...

01:18:44:11 DANIEL (CONT'D): what they plan on doing with the ship?

01:18:45:29 VALA: Or us, for that matter?

01:18:46:20 CARTER (O/S): No...

01:18:47:14 CARTER (CONT'D): but without the transponder, Stargate Command doesn't
have a hope in hell of finding us.

01:18:50:24 VALA: Our only chance is to take the ship back.

01:18:53:07 CARTER: Well, I have an idea about that, but it's pretty risky.

01:18:56:07 VALA: Well, it's probably better than our plan.

01:18:58:23 CARTER (O/S): Well, what's your plan?

01:18:59:23 DANIEL: We don't have one.

01:19:00:08 CARTER: Ah...

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:19:09:14 (ALARM SOUNDING)

01:19:12:15 TEAL'C: They have detected us, Colonel Mitchell. Are you prepared?

01:19:16:00 MITCHELL: Prepared as I'll ever be.

01:19:20:20 VASHIN (V/O OVER MONITOR): State your business.

01:19:21:25 MITCHELL (O/S INTO RADIO): I'm Kefflin.

01:19:22:28 MITCHELL (CONT'D INTO RADIO): I'm here to see Netan.

01:19:24:24 VASHIN (INTO RADIO): You are not expected.

01:19:26:17 MITCHELL (V/O OVER MONITOR): I don't have to be expected. Authorize me for
immediate transport, or I'll have your head as an ornament for my ship.

01:19:33:16 VASHIN (INTO RADIO): I will notify Netan of your arrival.

01:19:40:19 MITCHELL: Where is Netan?

01:19:43:02 VASHIN I will take you to him.

01:19:44:18 MITCHELL: Fine. Let's go.

01:19:47:08 VASHIN: First, you must submit to a search.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:19:50:25 MITCHELL: I don't think so.

01:19:58:28 NETAN: I asked not to be disturbed.

01:20:01:13 VASHIN: I apologize, Netan, but there has been an incident.

01:20:17:00 MITCHELL: I tried to tell them...

01:20:18:01 MITCHELL (CONT'D O/S): who I was, but apparently, the name...

01:20:20:17 MITCHELL (CONT'D): Kefflin didn't seem to mean much around here.

01:20:25:26 MITCHELL (CONT'D O/S): Sorry about that.

01:20:27:09 MITCHELL (CONT'D): The ring was a gift from my latest...conquest.

01:20:39:00 NETAN: My dear friend Kefflin is here, and you didn't inform me?

01:20:41:22 VASHIN: I'm sorry, Master. You asked not to be disturbed.

01:20:46:03 NETAN: So you beat him instead.

01:20:48:08 MITCHELL: As you can see, the beating wasn't... entirely one way.

01:20:51:17 NETAN: (LAUGHING O/S)

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:20:54:18 NETAN (CONT'D): I'm sure it wasn't. Leave us.

01:21:05:23 ANATEO: What?

01:21:08:10 SOLEK: It is not too late to turn this ship over to Netan. You would be a hero.

01:21:13:14 ANATEO: You know I can't do that. Netan has failed the Alliance, and his position
 as leader hangs precariously by a thread. He knows I am his most
 worthy challenger, but he could not very well just murder me in cold
 blood, so he sent us on a fool's quest.

01:21:33:14 SOLEK: But we succeeded.

01:21:35:15 ANATEO (O/S): Yes...

01:21:36:24 ANATEO (CONT'D): and this is going to ensure the downfall of Netan.

01:21:42:18 SOLEK (O/S): But why was it necessary to also bait a trap...

01:21:45:01 SOLEK (CONT'D): to capture SG-1?

01:21:46:14 ANATEO (O/S): Because everyone knows that they have...

01:21:47:25 ANATEO (CONT'D): caused us more grief than any other adversary, including the
 Ori.

01:21:52:14 ANATEO (CONT'D O/S): All the seconds, including me, have begged...

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:21:55:14 ANATEO (CONT'D): Netan to go after them, but he refused. He's a coward...

01:22:00:03 ANATEO (CONT'D O/S): choosing to run and hide rather than face the wrath of the Tau'ri.

01:22:04:14 SOREK: Will we not?

01:22:05:23 ANATEO: We have brought their battleship to its knees. What are they going to do? After I present Odyssey and SG-1 to the others, Netan's stuffed corpse will be a trophy on my wall and control of the Lucian Alliance will be mine.

01:22:28:03 NETAN: It's been a disappointing season, my friend. Drought and floods have ravaged our highest-yielding Kassa plantations. The armies of the Ori continue to usurp the planets upon which we've established trade, and of course there's the Tau'ri...

01:22:45:07 MITCHELL: Yes. Committing our ships to co-operate in the fight against the Ori incursion was a strategic mistake.

01:22:56:08 MITCHELL (CONT'D): You've always appreciated my honesty in the past.

01:23:01:26 NETAN: I have.

01:23:04:01 MITCHELL: You're the boss. I don't blame you, but others do.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:23:09:17 NETAN: I know.

01:23:12:10 NETAN (V/O OVER RADIO): Is that why you're here? The Kefflin I know would never make such a trip without a serious purpose.

01:23:17:28 MITCHELL (V/O OVER RADIO): Actually, it's the Odyssey.

01:23:26:09 MITCHELL (CONT'D): The Tau'ri vessel. Word reached me you just captured it. I wanted to know your plans. Its beaming and hyperspace technology could be a great advantage in transporting my crops.

01:23:37:10 NETAN: Where did you hear this?

01:23:38:18 MITCHELL: The usual channels.

01:23:39:19 NETAN: I heard rumor that the Odyssey was destroyed in battle with the Ori. Nothing has been confirmed yet. I certainly had nothing to do with it.

01:23:49:00 VASHAN: Netan... a ship has been detected in proximity. We are moving to intercept.

01:24:13:00 NETAN: Teal'c... I'm beginning to think you enjoy being my prisoner.

END OF ACT TWO

ACT THREE

01:24:51:23 CARTER: Sorry. I accidentally overloaded a power coupling.

01:25:21:07 VASHAN: Where is the rest of your team?

01:25:39:13 MITCHELL (O/S): That man knows nothing of torture.

01:25:43:24 MITCHELL (CONT'D): I'll find what we need.

01:25:46:04 NETAN: I was wondering how long you'd be able to resist.

01:25:48:24 MITCHELL: If you don't mind, I'm going to need some time alone with him.

01:26:13:18 MITCHELL (CONT'D): All right, we have to find a way to get you out of here.

01:26:16:04 TEAL'C: Have you found the location of Odyssey?

01:26:17:15 MITCHELL: Not yet, and I don't think Netan knows where it is either, and he's
definitely having some trouble with his seconds.

01:26:23:02 TEAL'C: Then you must maintain this ruse--

01:26:24:01 MITCHELL: No, Teal'c-- not at your expense, no.

01:26:27:00 TEAL'C: There are other lives at stake, Mitchell.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:26:32:07 MITCHELL: Fine. Just remember, I am an expert torturer.

01:26:38:15 TEAL'C: (SCREAMING)

01:26:52:22 HENCHMAN: Something's going on in the hold. Go do a head count.

01:26:11:00 NETAN: Vashin, make room. This is Kefflin.

01:27:20:05 GAVOS: I thought you did not like to show your face.

01:27:26:08 MITCHELL: I'm seeing a therapist.

01:27:27:21 NETAN: This is Gavos.

01:27:29:10 NETAN (CONT'D O/S): Slaviash.

01:27:31:08 NETAN (CONT'D): Karug, Millic, Rameris.

01:27:34:20 GAVOS: What did you learn from the Jaffa?

01:27:38:08 MITCHELL: Apparently, the rumors are true. The Odyssey's still out there... in the hands of Anateo.

01:27:44:11 MITCHELL (CONT'D O/S): The Tau'ri are in possession of an audio recording, which indicates...

01:27:47:10 MITCHELL (CONT'D): that he's in control of it.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:27:55:11 NETAN: I ordered the attack on the Odyssey.

01:27:58:12 NETAN (CONT'D): It is time the Tau'ri were sent a message.

01:28:01:00 GAVOS (O/S): Where...

01:28:01:22 GAVOS (CONT'D): is the ship?

01:28:03:17 NETAN: I don't know.

01:28:06:29 NETAN (CONT'D): Anateo has betrayed us.

01:28:08:13 SLAVIASH (O/S): Are you saying he succeeded...

01:28:10:05 SLAVIASH (CONT'D): in capturing the ship?

01:28:13:27 NETAN: He hasn't reported in yet.

01:28:15:16 GAVOS (O/S): The Tau'ri vessel is most powerful.

01:28:17:24 GAVOS (CONT'D): You could not have possibly expected him to survive.

01:28:21:14 NETAN (O/S): I gave him a strategy that vastly improved his odds. He came to me
several months ago, demanding more territory...

01:28:32:05 NETAN (CONT'D): as his planets had been overrun by the armies...

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:28:34:04 NETAN (CONT'D O/S): of the Ori. He suggested...

01:28:36:10 NETAN (CONT'D): that he eliminate you, Karug...

01:28:38:19 NETAN (CONT'D O/S): take over your planets.

01:28:43:17 MITCHELL (O/S): Anateo...

01:28:44:07 MITCHELL (CONT'D): hasn't just...

01:28:44:28 MITCHELL (CONT'D O/S): captured the Odyssey.

01:28:46:08 MITCHELL (CONT'D): He's using it to bait a trap for SG-1.

01:28:48:27 SLAVIASH (O/S): He has lost his mind. The Tau'ri...

01:28:51:09 SLAVIASH (CONT'D): will declare all-out war on us.

01:28:53:05 GAVOS (O/S): You should have consulted...

01:28:54:29 GAVOS (CONT'D): with us, Netan.

01:28:58:04 (WEAPON FIRE)

01:28:59:14 NETAN (O/S): I need not consult...

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:29:01:15 NETAN (CONT'D): with anyone! Now, is there anyone else...

01:29:07:17 NETAN (CONT'D O/S): who wants to challenge me?

01:29:11:29 NETAN (CONT'D): Anateo betrayed us all...

01:29:14:09 NETAN (CONT'D O/S): and he will pay, and as for the Tau'ri, they were already...

01:29:19:01 NETAN (CONT'D): at war with us and us with them, and I will not...

01:29:22:21 NETAN (CONT'D O/S): cower in fear. So spread the word.

01:29:27:09 NETAN (CONT'D): Send all available ships. I want the Odyssey found.

01:29:33:14 NETAN (CONT'D O/S): Now!

01:29:41:26 NETAN (CONT'D): Kefflin... Was it really necessary to embarrass me like that?

01:29:51:05 MITCHELL: There have been whispers lately concerning the strength of your
leadership. I suspect... those whispers will now stop.

01:30:00:08 NETAN: For the time being.

01:30:01:29 MITCHELL: You'll need someone to supervise Gavos' territory.

01:30:08:22 NETAN: Your cut will be 20%.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:30:17:06 VALA: Pshht!

01:30:17:26 DANIEL: Come on!

01:30:18:10 VALA: I'm working as fast as I can--

01:30:19:15 DANIEL: You stole the Prometheus all by yourself--

01:30:20:17 VALA: I know. The systems are all new.

01:30:21:18 DANIEL: You said you could do it. We do not exactly have a lot of time.

01:30:23:20 VALA: No. Sam warned us that a number of the arrays have been damaged. Even
with locators, beaming a person from one room to another within the ship
is very risky. Do you want them to rematerialize between the decks?

01:30:35:15 ANATEO (V/O OVER RADIO): Teresh, this is Anateo. You missed your check-in.
Report.

01:30:44:29 SOLEK: Move! Where are they? Dr. Jackson and Vala!

01:30:56:09 SOLEK (INTO RADIO): Anateo... we've got a problem.

01:31:07:26 ANATEO (INTO RADIO): Dr. Jackson, Vala...

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:31:09:23 ANATEO (V/O OVER RADIO): just wanted to let you know that your duplicity has already forfeited Colonel Carter's life. Unless you surrender immediately, the rest of the crew is next.

END OF ACT THREE

ACT FOUR

01:31:42:18 VALA: I can't be sure.

01:31:44:02 DANIEL: Do it anyway.

01:31:48:09 CARTER: No one else is going to fix this ship.

01:31:50:15 ANATEO (O/S): I think it's pretty clear that you've just been stalling...

01:31:53:14 ANATEO (CONT'D): and that you're not really going to fix it for me anyway. I'm
just going to have to figure it out for myself.

01:32:05:18 CARTER: Good enough.

01:32:15:22 DANIEL: Uh... where is she?

01:32:17:14 VALA (O/S): Well, I couldn't be sure...

01:32:18:20 VALA (CONT'D): so I just beamed out the only other lifesign in the room instead.

01:32:21:10 DANIEL: Okay, where is he?

01:32:29:20 DANIEL (CONT'D): Well, Sam did say it was risky.

01:32:35:10 VALA: Hmm.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:32:40:03 VALA (CONT'D): When she's right, she's right.

01:32:51:29 VALA: Only 50% of the shield emitters are responding.

01:32:54:17 CARTER: Okay, we need to get them back online and get the hull integrity back within acceptable parameters. Hyperdrive is our priority.

01:33:00:08 DANIEL: Well, we think most of Anateo's men have been accounted for.

01:33:03:00 CARTER: Most?

01:33:04:01 DANIEL: Yeah, we swept the ship twice, rounded up 14 men in total, but not Solek. Vala had to beam him out of the hold where the crew was being held, so we have no way of knowing for sure where he ended up.

01:33:11:24 VALA: Did you check the sewage reservoir?

01:33:12:25 DANIEL: Yeah, no lifesigns. Ew. How's it going here?

01:33:15:09 CARTER: Well, no shields, no weapons, no communications, and at least a day out for hyperdrive.

01:33:20:27 DANIEL: So we're sitting ducks.

01:33:25:25 NETAN: Kefflin, what are you doing?

01:33:29:10 MITCHELL: Interrogating the prisoner further.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:33:33:00 NETAN: And what have you learned?

01:33:35:23 MITCHELL: Not much yet.

01:33:39:01 NETAN: Fine. Then we can kill him together.

01:33:44:00 MITCHELL: Kill him?

01:33:45:05 NETAN (O/S): We've learned all we can.

01:33:46:13 NETAN (CONT'D): Anateo has left us no choice. I am committed to sending a message to the Tau'ri.

01:33:52:17 MITCHELL: Netan, I have to admit... I was just beginning to enjoy this one.

01:34:02:21 NETAN (O/S): I'm sorry my old friend.

01:34:03:23 NETAN (CONT'D): Your fun is over.

01:34:09:15 VASHIN (O/S): Netan!

01:34:12:02 VASHIN (CONT'D): The Odyssey has been found.

01:34:24:17 NETAN: Tenat, welcome. This is my good friend Kefflin.

01:34:32:21 TENAT: It is my pleasure. I have heard a great deal about you... Kefflin.

01:34:37:13 MITCHELL: Yeah, likewise.

01:34:39:03 NETAN: Tell me what you have learned, Tenat, and perhaps I will spare your pathetic life.

01:34:45:04 TENAT: Funny as always, Netan. As you suspected, the Odyssey was never destroyed. Anateo betrayed you and kept it for himself.

01:34:54:20 NETAN: Where is it?

01:34:55:25 TENAT: Half a day's journey, maybe less. I have transmitted the coordinates to your bridge.

01:35:01:10 NETAN: Get to your ship. We'll travel together.

01:35:03:05 TENAT: Of course.

01:35:06:21 TENAT (CONT'D): Wait just a moment... Cam Mitchell.

01:35:16:08 MITCHELL: Look, I don't know who you think I am--

01:35:18:16 TENAT: You are Cam Mitchell, bounty hunter. You double-crossed me and my partner Jup.

01:35:31:01 MITCHELL: What do you want?

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:35:32:09 TENAT (O/S): I do not know how you've managed to convince Netan that you are Kefflin...

01:35:36:12 TENAT (CONT'D): but you are obviously up to something big here. I will take half.

01:35:41:05 MITCHELL: And what about your loyalty to Netan?

01:35:43:16 TENAT: He would kill me the instant I am no longer of use to him.

01:35:48:10 MITCHELL: And Jup, your old partner, where's he?

01:35:50:05 TENAT: He is working elsewhere at the moment. We need not worry about cutting him in.

01:35:54:11 MITCHELL: Fine, 10%.

01:35:56:01 MITCHELL (CONT'D O/S): It'll be big, trust me.

01:35:58:02 TENAT: 30%, or I tell Netan you are not who you say you are.

01:36:01:25 MITCHELL: 25%, no more. I'll ring over to your ship before this one jumps to hyperspace and fill you in on the details.

01:36:12:22 TENAT: Ahh...

01:36:15:09 MITCHELL: Unchain the prisoner. He's coming with me.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:36:36:10 MITCHELL (CONT'D): Teal'c! Teal'c!

01:36:42:06 TEAL'C: I have grown weary of this torture, Colonel Mitchell.

01:36:45:13 MITCHELL: That's pretty obvious, but right now... we got to go.

01:37:04:26 MITCHELL (V/O): You remember Tenat?

01:37:05:28 MITCHELL (CONT'D): Yeah, as in Jup and Tenat. Well, he somehow weaseled his way into commanding an Alliance mothership, and check this out-- the incompetent twit actually found the Odyssey.

01:37:16:21 TEAL'C: Did he see you?

01:37:17:27 MITCHELL: Yeah, recognized me as well, but he's keeping his mouth shut, because he figures I'm scamming Netan and he wants a piece of the action. We have to get over to his ship before this one jumps to hyperspace.

01:37:27:03 TEAL'C: What is your plan?

01:37:29:03 MITCHELL: I'm making it up as I go along.

END OF ACT FOUR

ACT FIVE

01:37:52:06 ALIEN: Tenat... Netan is here to see you.

01:37:54:29 TENAT: What?

01:37:59:25 TENAT (CONT'D O/S): Netan...

01:38:01:05 NETAN: I know of your intention to deceive me.

01:38:02:26 TENAT: Well, how did you--

01:38:03:21 NETAN (O/S): I knew Colonel Mitchell was impersonating...

01:38:05:02 NETAN (CONT'D): Kefflin all along.

01:38:06:14 TENAT: Colonel Mitchell?

01:38:08:01 NETAN: Of SG-1. I caught him and Teal'c trying to leave my ship.

01:38:12:12 TENAT: No, Netan, you are mistaken. It's true. I knew he wasn't Kefflin. But I was
merely trying to lure him here...

01:38:20:27 TENAT (CONT'D O/S): so I could turn him over to you.

01:38:24:04 NETAN: That is the stupidest thing I have ever heard!

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:38:28:07 TENAT: Please... don't kill me.

01:38:32:08 NETAN: Get up, you pathetic excuse for a...

01:38:35:11 NETAN (CONT'D O/S): whatever you are.

01:38:37:10 TENAT: What are you going to do to me?

01:38:38:15 NETAN: Nothing for the moment.

01:38:40:19 TENAT (O/S): Oh, thank you.

01:38:42:11 TENAT (CONT'D): You are a generous and gracious man. I say that all the time,
don't I, men?

01:38:47:03 TENAT (CONT'D O/S): Tell him how honored you are to finally meet him in
person--

01:38:50:13 NETAN: Shut up. Stop sniveling.

01:38:58:21 MARKS: Dr. Jackson...

01:39:04:16 MARKS (CONT'D): If these sensors are working properly, two Goa'uld
motherships just emerged from hyperspace and are closing in.

01:39:25:11 DANIEL (INTO RADIO): Uh... Sam?

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:39:27:10 CARTER (V/O OVER RADIO): Go ahead.

01:39:28:14 DANIEL (INTO RADIO): We may need that hyperdrive a little ahead of schedule.

01:39:30:19 CARTER (INTO RADIO): How ahead of schedule?

01:39:33:12 DANIEL (V/O OVER RADIO): About 10 seconds would be good. We've got
company.

01:39:35:22 CARTER (INTO RADIO): We need more time. Can you stall?

01:39:37:13 DANIEL (INTO RADIO): We're about to find out. What's our shield status?

01:39:41:10 MARKS: Less than 30%.

01:39:42:15 DANIEL: Weapons?

01:39:43:28 MARKS: Rail guns are online, but we don't have missiles yet. One of the ships is
hailing us.

01:39:54:10 DANIEL: On screen.

01:39:58:15 NETAN (V/O OVER MONITOR): Dr. Jackson...

01:39:59:17 DANIEL (INTO RADIO): Oh, right. Hi. Hi. How are you?

01:40:03:11 NETAN (V/O OVER MONITOR): I was expecting Anateo.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:40:05:13 DANIEL (INTO RADIO): Yes, he was here for a while, but then he... had to go.

01:40:10:12 NETAN (V/O OVER MONITOR): Your ship is battered. My scans tell me your shield strength is low, and if you had hyperdrive, you would have left long ago. Surrender now or be destroyed.

01:40:18:03 DANIEL (INTO RADIO): Right... Okey-dokey. We surrender.

01:40:24:02 NETAN (V/O OVER MONITOR): Prepare to be boarded.

01:40:25:10 DANIEL (O/S INTO RADIO): Yeah, see, that's where you're going to run into a bit of a problem.

01:40:28:05 DANIEL (CONT'D INTO RADIO): You see, our rings are damaged, and as you yourself pointed out, our shields are down, which means atmosphere in the 302 bays is unsustainable.

01:40:37:09 DANIEL (CONT'D O/S INTO RADIO): I-I mean, I just don't see how we're going to get your guys...

01:40:40:22 DANIEL (CONT'D INTO RADIO): over here unless you want me to try... beaming you over?

01:40:48:10 MARKS (O/S): They're powering weapons.

01:40:51:28 DANIEL (INTO RADIO): Sam, I think I've stalled as long as I can.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:40:53:20 CARTER (INTO RADIO): We need more time.

01:40:55:12 DANIEL (V/O OVER RADIO): Too late.

01:40:58:02 DANIEL: Uh, you should probably prepare to return fire.

01:41:02:18 MARKS: For the record... I'm always prepared.

01:41:06:11 MARKS (CONT'D): I just have to press this button here.

01:41:10:09 DANIEL: Right. I just-- I thought that's what you're supposed to say, so I...

01:41:12:26 MARKS: I know.

01:41:14:22 NETAN: Open fire on the other Hatak vessel.

01:41:16:14 TENAT: What?

01:41:17:23 NETAN: You heard me.

01:41:18:23 TENAT: But--

01:41:19:26 NETAN: You dare question my tactics? There's a ship full of traitors out there waiting to unseat me as leader of the Lucian Alliance. Fire now! You shall be richly rewarded with vast territories to command.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:41:32:07 TENAT: Fire on the other Hatak vessel.

01:41:42:13 MARKS: One of the motherships is firing at the other. Receiving radio signal.

01:41:47:16 TEAL'C (V/O OVER RADIO): Odyssey, this is Teal'c. Do you copy?

01:41:50:17 DANIEL (INTO RADIO): Teal'c?

01:41:51:20 TEAL'C (V/O OVER RADIO): Daniel Jackson, it is good to hear your voice.
 Colonel Mitchell and I are onboard one of the motherships. Request that
 you beam us aboard the Odyssey immediately.

01:41:59:17 DANIEL: Yeah.

01:42:01:18 MARKS: Locking on their locator beacons.

01:42:03:12 NETAN (V/O OVER MONITOR): What are you doing?

01:42:05:14 TENAT (INTO RADIO): Netan? What?

01:42:07:21 TENAT (CONT'D O/S INTO RADIO): How?

01:42:09:23 ALIEN: I thought this was Netan.

01:42:22:01 MITCHELL: Jackson... what are you doing sitting there?

01:42:25:11 DANIEL: What are you wearing?

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:42:27:01 MITCHELL: Oh, it's a... long story.

01:42:28:26 NETAN (V/O OVER MONITOR): You are the biggest fool in two galaxies!

01:42:32:23 TENAT (O/S INTO RADIO): But Netan...

01:42:33:27 TENAT (CONT'D INTO RADIO): I... I screwed up.

01:42:41:17 CARTER: It's the wrong one. You can't just jam it in.

01:42:47:20 CARTER (CONT'D): How did you do that?

01:42:48:23 VALA (O/S): Honestly?

01:42:49:24 VALA (CONT'D): I don't know. That almost never normally works.

01:42:53:28 CARTER (INTO RADIO): Daniel, try it now.

01:43:00:09 (RUMBLING FROM EXPLOSIONS)

01:43:02:25 ALIEN: Shield failure is imminent.

01:43:06:24 TENAT: Damn you, Cam Mitchell.

STARGATE SG-1 - "Uninvited" – Company Of Thieves #1009

01:43:11:00 (SHIP EXPLODING)

01:43:22:00 DANIEL: You know, you're very lucky that no one else on the bridge of that ship knew what Netan looked like.

01:43:26:21 MITCHELL: Yeah, it was a gamble, but I figured if I got made, or if the chemical jab on Tenat didn't work after half an hour, I'd take the bridge by force. I had a pissed off Jaffa waiting to help me out.

01:43:39:18 CARTER: Where's Teal'c?

01:43:41:01 DANIEL: Ah, he's in the infirmary.

01:43:42:09 MITCHELL: Yeah, big boy got banged up a bit.

01:43:43:23 VALA: Oh. Hey, what happened? How did you get the Lucian Alliance to fire on each other?

01:43:48:00 MITCHELL: Oh, you'll love this--

01:43:48:29 CARTER: Uh, before you tell us, I got long range-communications back online and sent a message to Earth telling them that we'll be coming home.

01:43:55:13 MITCHELL (O/S): Yeah. You should probably add...

01:43:57:08 MITCHELL (CONT'D): that we have officially declared war on the Lucian Alliance.
