TIMECODE            DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

**RECAP**

01:00:00:29            TEAL'C (V/O): Previously on Stargate SG-1...

01:00:03:28            DANIEL (O/S): "The Sangraal shall instead belong to he who speaks the  
Guardian's...

01:00:06:15            DANIEL (CONT'D): name."

01:00:07:05            OSRIC (O/S): They say...

01:00:07:18            OSRIC (CONT'D): that the Sangraal is protected by the most powerful of magical  
beasts.

01:00:11:24            BAAL: Amongst the information I obtained regarding the Sangraal is the name of  
the protector.

01:00:15:04            VALA: Protector?

01:00:16:06            BAAL: The dragon.

01:00:17:00            OSRIC (V/O): The...

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:00:17:07 OSRIC (CONT'D O/S): Sangraal is hidden in a cave beneath a lone mountain.

01:00:20:11 MITCHELL: It's too bad you won't be coming with us.

01:00:24:17 (GUN FIRING)

01:00:27:01 BAAL (O/S): There it is. We've found it.

01:00:31:17 DANIEL (O/S): Well, I guess I'm not as true of spirit...

01:00:32:16 DANIEL (CONT'D): as you thought I was.

01:00:33:16 (ROCK RUMBLING)

01:00:33:16 CARTER (O/S): Hey!

01:00:35:26 VALA (O/S): We agreed there's no such thing...

01:00:36:26 VALA (CONT'D): as a dragon, right?

01:00:37:22 MITCHELL (O/S): Yeah.

01:00:40:20 VALA (O/S): Because that looks pretty real to me.

**END OF RECAP**

**TEASER**

01:0:46:00 (DRAGON ROARING, FLAME SHOOTING)

01:00:54:13 MITCHELL: What just happened?

01:00:55:22 ADRIA: I extended my protective shield. You're lucky I still need you.

01:01:01:05 (DRAGON ROARING)

01:01:02:25 MITCHELL: Whoa, heads up!

01:01:05:05 (ROCK RUMBLING)

01:01:12:03 MITCHELL (CONT'D): Move out!

01:01:17:12 (DRAGON ROARING)

01:01:27:02 VALA: Well... he's too big to fit...

01:01:28:20 VALA (CONT'D O/S): through the opening, so I think we're safe.

01:01:31:00 (DRAGON GROWLING, ROARING)

01:01:38:05 MITCHELL: Move!

01:01:57:05 TEAL'C: There appears to be an exit this way.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:02:04:11 MITCHELL: Okay, what the hell just happened back there?

01:02:07:05 DANIEL: It was a hologram. The Sangraal wasn't real.

01:02:09:27 CARTER: What are you saying? We came all this way for nothing?

01:02:11:20 ADRIA (O/S): We have to...

01:02:12:06 ADRIA (CONT'D): go back inside.

01:02:13:11 BAAL (O/S): You must be joking.

01:02:14:14 ADRIA: The dragon is the final test.

01:02:15:23 BAAL: It would be madness to challenge that thing.

01:02:21:20 (RUMBLING, DRAGON ROARING)

01:02:28:28 MITCHELL: I don't think we're going to have a choice.

**END OF TEASER**

**ACT ONE**

01:03:52:10 (GUNS FIRING, DRAGON ROARING)

01:04:00:10 MITCHELL: Tree line!

01:04:03:15 (GUNS FIRING, DRAGON ROARING)

01:04:21:18 VALA: So, now what?

01:04:23:01 BAAL: It can't see us as long as we stay in the trees. We should be able to make  
it back to the village.

01:04:27:05 DANIEL: We're not going anywhere.

01:04:29:06 DANIEL (CONT'D O/S): Adria's right. The dragon's...

01:04:30:25 DANIEL (CONT'D): the final test, and we've come too far to give up now.

01:04:33:09 BAAL: It's just that kind of noble sentiment that's going to get us all killed.

01:04:37:24 DANIEL: Aren't you, uh, the one that claimed to know the dragon's secret name?

01:04:41:03 DANIEL (CONT'D O/S): Time to earn your keep.

01:04:43:12 BAAL: Ah, yes, I may have exaggerated about that slightly.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:04:46:15 BAAL (CONT'D O/S): Anyway, you didn't think...

01:04:47:21 BAAL (CONT'D): that just by calling out its name, you'd suddenly be able to control it?

01:04:50:23 DANIEL (O/S): I don't know. Name magic is...

01:04:52:04 DANIEL (CONT'D): common in most mythologies. To know something's secret name is to steal its power.

01:04:55:24 MITCHELL (O/S): So, what are we...

01:04:56:21 MITCHELL (CONT'D): supposed to do? Just start guessing?

01:04:57:29 VALA (O/S): Darrell...

01:04:59:04 VALA (CONT'D): the dragon.

01:05:00:20 MITCHELL (O/S): How about Smokey?

01:05:02:03 TEAL'C: Perhaps...Puff.

01:05:03:03 DANIEL: Would you just give me a minute?

01:05:04:25 (DRAGON ROARING)

01:05:10:15 MITCHELL: While we're...

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:05:42:18            MITCHELL (CONT'D): I'm going to take this thing, and we're going to toss it  
   underneath and detonate it near the exposed underbelly. That's where  
   dragons are most vulnerable.

01:05:55:01            MITCHELL (O/S): Carter...

01:05:56:18            MITCHELL (CONT'D): you detonate from the tree line, and I... will do the running.  
   That's all right, Teal'c. I got this one. All right. Off you go.

01:06:25:15            (GUNS FIRING, DRAGON ROARING)

01:06:53:10            (C4 EXPLODING, DRAGON ROARING)

01:06:57:25            MITCHELL: Oh, son of a bitch.

01:06:58:28            CARTER: Oh, not good.

01:07:01:15            MITCHELL (O/S): Teal'c...

01:07:01:24            MITCHELL (CONT'D): run!

01:07:05:00            (DRAGON ROARING)

01:07:09:16            VALA: Hey, Daniel...

01:07:11:00            VALA (CONT'D O/S): now would be a really good time.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:07:12:05            DANIEL: Okay, the Parchment of Virtues said the Sangraal would belong to he  
                              who speaks the guardian's name. The guardian's...

01:07:16:00            DANIEL (CONT'D O/S): name...

01:07:16:10            VALA: The guardian is a dragon...

01:07:16:25            DANIEL (O/S): No, the guardian's not the dragon-- The guardian is the person  
                              who set this...

01:07:19:12            DANIEL (CONT'D): whole thing up. The guardian is Morgan Le Fay.

01:07:21:10            VALA: Right!

01:07:23:26            DANIEL: Wait!

01:07:25:10            DANIEL (CONT'D O/S): No!

01:07:26:10            MITCHELL: What the hell?

01:07:27:22            DANIEL: Wait!

01:07:29:07            (DRAGON ROARING)

01:07:29:15            MITCHELL: Ah!

01:07:33:14            VALA: Hey! Morgan Le Fay!

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:07:40:00 (DRAGON ROARING)

01:07:42:28 VALA (CONT'D): Darrell?

01:07:43:06 DANIEL: Ganos Lal!

01:07:44:22 (DRAGON DISAPPEARING)

01:07:52:21 MITCHELL: Wow.

01:07:56:14 DANIEL: It's, uh, Morgan's name in Ancient.

01:07:59:20 VALA: Yeah, I know.

01:08:05:05 MITCHELL: Thanks for the assist.

01:08:07:09 BAAL: Well, to be honest, I wouldn't have been of much use to you. My strengths  
lie in strategy and command, whereas yours lie in armed combat and  
dealing with, uh...

01:08:15:07 CARTER: Dragons?

01:08:17:10 BAAL: Clearly.

01:08:25:02 MITCHELL: It's real this time, right?

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:08:27:22 DANIEL: I don't see why not.

01:08:33:05 CARTER (O/S): Oh, come...

01:08:33:16 CARTER (CONT'D): on.

01:08:36:25 (BEAMING)

01:08:44:00 VALA (O/S): Okay, what just happened?

01:08:47:15 CARTER (O/S): I think we were transported into another chamber.

01:08:50:23 DANIEL: Where's Adria?

01:08:53:25 CARTER: I guess she didn't make it.

01:08:56:12 DANIEL: It must be some sort of security measure.

01:09:00:19 MITCHELL: I don't know. It let him in.

01:09:05:05 DANIEL: Well, I don't think Morgan was too concerned about the Goa'uld. It was  
the Ori she was worried about.

01:09:12:06 MITCHELL (O/S): You know, I'm not seeing anything around here that looks like a  
Sangraal, which begets the question, what was she protecting?

01:09:20:20 CARTER: I think I know.

01:09:36:23            DANIEL: "Here lies Myrrdin...."

01:09:37:28            DANIEL (CONT'D O/S): Archmage of the Round."

**END OF ACT ONE**

**ACT TWO**

01:10:04:24 MITCHELL: All right, that's not a hologram. He's the real McCoy, right?

01:10:07:26 DANIEL: I think so.

01:10:12:26 MITCHELL (O/S): How long has he been in there?

01:10:16:06 DANIEL: Well over a thousand years.

01:10:17:10 TEAL'C (O/S): We have encountered Ancient stasis technology such as this  
before. General O'Neill was kept in a similar pod...

01:10:23:09 TEAL'C (CONT'D): in Antarctica.

01:10:26:04 MITCHELL: So... how do we get him out?

01:10:32:18 DANIEL: I have no idea.

01:10:34:05 VALA (O/S): Hey, guys... look at this.

01:10:39:01 DANIEL: Vala, be careful!

01:10:47:10 VALA: I...

01:10:47:00 (STASIS CHAMBER POWERING)

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:10:52:15            MITCHELL (O/S): Hey, Jackson...

01:10:57:10            MITCHELL (CONT'D): Jackson!

01:11:00:28            MITCHELL (CONT'D O/S): Whoa, we got him.

01:11:02:16            DANIEL: Clear that off.

01:11:03:20            MITCHELL: He's heavier than he looks.

01:11:14:16            MERLIN: Be...

01:11:21:00            VALA (O/S): No...

01:11:21:11            VALA (CONT'D): he did not just...

01:11:23:20            DANIEL: No, he's still alive.

01:11:25:17            DANIEL (CONT'D O/S): It may take him a while to revive completely.

01:11:27:22            CARTER: All right. In the meantime, we should see if there's a way out of here.

01:11:32:07            BAAL (O/S): Let us know...

01:11:33:11            BAAL (CONT'D): what you find. Or I could... come, too.

01:11:49:17            MITCHELL: Hey, there's daylight over here.

01:12:02:15 MITCHELL (CONT'D O/S): You know, I...

01:12:03:04 MITCHELL (CONT'D): can't quite put my finger on it, but something is different.

01:12:07:06 CARTER: We weren't just transported to another chamber.

01:12:09:12 CARTER (CONT'D O/S): We were transported to another planet.

01:12:12:20 BAAL (O/S): The gate must have been activated remotely...

01:12:14:07 BAAL (CONT'D): then the obelisk beamed us through the wormhole.

01:12:17:23 MITCHELL: Well, as far as I'm concerned, the more distance between us...

01:12:20:07 MITCHELL (CONT'D O/S): and Adria the better.

01:12:21:19 CARTER: Except that she has the knowledge of the Ori.

01:12:23:10 CARTER (CONT'D O/S): She knows as much about the gates and the DHDs as  
the...

01:12:25:20 CARTER (CONT'D): people who built them. If anyone can track us, it's her.

01:12:28:17 MITCHELL: Yeah, except that.

01:12:35:10 DANIEL: It's amazing how similar this is to the myth.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:12:38:20 VALA: Hmm?

01:12:39:22 DANIEL: Supposedly, Morgan trapped Merlin in a cave and left him frozen there for all eternity. Only in reality, I think she was trying to protect him.

01:12:48:07 VALA: How do you mean?

01:12:52:06 DANIEL: Well, I'm starting to think that... maybe Morgan did destroy the Sangraal after all. I mean, she probably figured she had no choice. That if she didn't do it, the other Ancients would have just sent someone else.

01:13:03:24 VALA: So instead, she did the next best thing.

01:13:06:05 DANIEL: She preserved the one man capable of building it again.

01:13:09:26 MITCHELL: Well, it's official. We are stuck here, wherever "here" is. The good news is we found a gate. Teal'c's watching it. The bad news is...

01:13:18:01 CARTER: We can't dial out. Somebody tampered with the DHD.

01:13:20:12 BAAL (O/S): I can fix it.

01:13:22:12 BAAL (CONT'D): Reprogramming dialing devices is my specialty.

01:13:28:01 VALA: Whoops. Guess who's coming around.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:13:34:05           MERLIN: Where am I?

01:13:35:20           CARTER: Good question.

01:13:39:18           MERLIN: You look familiar.

01:13:45:03           MERLIN (CONT'D): Guinevere...

01:13:46:06           MERLIN (CONT'D O/S): Oh, my dear, it's been too long.

01:13:49:10           CARTER: Uh, it's good to see you, too.

01:13:51:18           MERLIN: Percival... and Galahad.

01:13:55:02           MERLIN (CONT'D O/S): Oh, brave knights, fortune indeed does smile upon me...

01:13:58:19           MERLIN (CONT'D): to see your faces again.

01:14:00:29           BAAL: It looks like Merlin's drawbridge no longer goes all the way across the  
moat, if you catch my meaning.

01:14:05:17           MERLIN: What's that? Mordred. I might have known it.

01:14:10:00           BAAL (O/S): We're wasting our time with this old fool. We need to get...

01:14:13:22           BAAL (CONT'D): back to the gate, so I can start reprogramming--

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:14:15:02           MERLIN: Be silent.

01:14:22:01           MITCHELL: Well, how do you like that? The old boy still has some tricks up his sleeve.

01:14:26:01           DANIEL (O/S): Merlin... Myrrdin! We need you to remember... About the Sangraal...

01:14:33:04           DANIEL (CONT'D): about Morgan, and about how you got here.

01:14:37:03           MERLIN: Morgan...

01:14:37:12           DANIEL (O/S): You also knew her...

01:14:38:16           DANIEL (CONT'D): as Ganos Lal.

01:14:41:10           MERLIN: I haven't heard that name spoken in a very long time.

01:14:43:23           DANIEL: We're not Knights of the Round Table.

01:14:45:24           MITCHELL (O/S): Though we are flattered by the comparison.

01:14:48:14           DANIEL (O/S): A thousand years have passed. We know who you really are.

01:14:50:22           DANIEL (CONT'D): We know about Atlantis, and we've encountered the Ori.

01:14:53:25           MERLIN: Tell me more.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:14:55:14 DANIEL: Uh... I don't know where to begin.

01:15:01:11 DANIEL (CONT'D O/S): This is going to take a while.

01:15:03:29 MITCHELL: All right, we'll get...

01:15:06:15 MITCHELL (CONT'D O/S): started checking out the cave. Unless you have any objections. No? Great. Move out.

01:15:19:15 (CROWD BABBLING)

01:15:21:23 COMMANDER: Make way for the Orici!

01:15:27:29 ADRIA: What happened?

01:15:29:16 PRIOR (O/S): The gate activated on its own...

01:15:31:24 PRIOR (CONT'D): and only seconds later, it closed again.

01:15:34:24 ADRIA: I don't suppose anyone saw the address.

01:15:37:11 PRIOR (O/S): No, Orici.

01:15:39:27 ADRIA: I'll need to examine the dialing device. Ready your men. As soon as I determine where they went, we're leaving.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:15:46:00           COMMANDER: Yes, Orici.

01:15:47:02           PRIOR (O/S): And...

01:15:48:02           PRIOR (CONT'D): what of the village?

01:15:49:25           ADRIA: Have they agreed to accept the teachings of Origin?

01:15:52:05           PRIOR: No.

01:15:53:16           ADRIA: Then burn it.

01:15:59:14           DANIEL: And it was Morgan who finally led us to you. Of course, she couldn't  
                              come right out and tell us. She had to be annoyingly cryptic about the  
                              whole thing.

01:16:10:01           MERLIN (O/S): You have an unusual...

01:16:10:13           MERLIN (CONT'D): understanding of the way of Ascended beings.

01:16:13:01           DANIEL: Yes, that's partly because I used to be one myself.

01:16:17:15           MERLIN: The human race could not have progressed that far in only a thousand  
                              years.

01:16:21:16           DANIEL: No, I had a little help. Her name was Oma Desala.

STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:16:24:05           MERLIN: Oh, of course... and what happened?

01:16:29:07           DANIEL: Well, I guess I didn't exactly see eye to eye with the others.

01:16:33:01           MERLIN: Oh, yes. I found myself in a similar position.

01:16:37:08           DANIEL: Yeah, I wasn't too good at the whole non-interference...

01:16:40:12           DANIEL (CONT'D O/S): thing. I guess there were a few arguments.

01:16:42:12           DANIEL (CONT'D): At least, that's the impression I got.

01:16:44:00           MERLIN: You don't remember?

01:16:45:10           DANIEL (O/S): No...

01:16:45:22           DANIEL (CONT'D): in order to protect me, Oma erased it all from my mind and  
sent me back.

01:16:51:03           MERLIN: Oh, I'm surprised she still hasn't learned her lesson.

01:16:53:20           VALA (O/S): She's not the only one...

01:16:54:21           VALA (CONT'D): who broke some of the rules.

01:16:57:16           MERLIN (O/S): The Ori gain their power...

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:16:59:15 MERLIN (CONT'D): from the lower planes, so much so that one day they shall be strong enough to wipe the others out.

01:17:06:08 MERLIN (CONT'D O/S): In the face of such a threat, a strict...

01:17:08:05 MERLIN (CONT'D): policy of non-interference is absurd.

01:17:11:15 DANIEL: I'm sure Oma would agree with you.

01:17:14:01 MERLIN (O/S): Oma concerns herself with the individual.

01:17:17:05 MERLIN (CONT'D): She may have the best intentions, but then, so did the Ori when they first began.

01:17:23:23 MERLIN (CONT'D): Still...

01:17:26:10 MERLIN (CONT'D O/S): She...

01:17:26:18 MERLIN (CONT'D): must have seen something in you... to believe you to be worthy.

01:17:39:05 MITCHELL: This cave is a bust. There's nothing else here.

01:17:47:24 MITCHELL (CONT'D): Uh, how's it going?

01:17:49:00 DANIEL: I'm not exactly sure.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:17:54:17                 MERLIN: Before I agree to join with you, I need to know that you are willing to do  
  whatever must be done...

01:18:00:25                 MERLIN (CONT'D O/S): to see it through.

01:18:02:12                 VALA (O/S): Surely...

01:18:03:16                 VALA (CONT'D): you have some idea of what we've been through to get here.

01:18:07:10                 MERLIN (O/S): What you experienced...

01:18:08:17                 MERLIN (CONT'D): so far is as nothing compared to what is to come.

01:18:16:12                 MITCHELL: Don't worry about us. We're on board.

01:18:19:05                 MERLIN: In that case, there's much work to be done.

01:18:23:00                 (INSTRUMENTS THRUMMING)

01:18:53:18                 VALA: He's been at it for hours, Daniel. Want to take a guess what he's doing?

01:18:57:05                 DANIEL (O/S): Well, from the looks of it, I'd say he's virtually piecing something  
  together from base molecules.

01:19:03:13                 CARTER: Another Sangraal?

01:19:10:04                 (THRUMMING CEASES)

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:19:13:19           MERLIN: Thank you. I'm fine. Just-just need a little rest.

01:19:17:07           (TRANSPORTER BEAMING)

01:19:22:27           MITCHELL: What was that?

01:19:24:13           TEAL'C (V/O OVER RADIO): Colonels Mitchell and Carter... Come quickly. You  
                             will want to see this.

01:19:32:24           MITCHELL: Let's go.

01:19:40:15           TEAL'C: The gate activated on its own. The crystal in the obelisk began to glow,  
                             and then everything changed.

01:19:46:18           CARTER: I'll say.

01:19:47:23           MITCHELL (O/S): We've been transported to another planet.

01:19:51:18           CARTER (O/S): Well, if Daniel's right, and Morgan wanted to keep Merlin hidden,  
                             this would be a great way to do it.

01:19:56:21           CARTER (CONT'D): My guess is, we're traveling through a circuit of planets, cut  
                             off from the rest of the gate system by a deliberate alteration of the DHD  
                             program.

01:20:03:12           TEAL'C (O/S): Then you believe we'll be unable...

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:21:17:15 DANIEL: Well, we're safe for the moment. You can... take all the time you need.

01:21:22:10 MERLIN: I slept too long. My body betrays me.

01:21:29:21 VALA: We're not about to let you give up now.

01:21:33:00 DANIEL: You realize what's at stake.

01:21:35:03 DANIEL (CONT'D O/S): If you don't help us...

01:21:35:29 DANIEL (CONT'D): the Ori will take this galaxy.

01:21:43:07 MERLIN: One last task, then, before I rest.

01:22:09:25 MERLIN (CONT'D): Good luck... Dr. Jackson.

01:22:16:00 (INSTRUMENTS ACTIVATING)

01:22:31:29 (POWER SURGE)

01:22:42:00 VALA: What just happened?

01:22:45:15 DANIEL: He's dead.

**END OF ACT TWO**

**ACT THREE**

01:23:11:21 CARTER: He said, "Good luck"?

01:23:14:04 VALA: It's very strange. It's almost... as if he knew it was going to happen.

01:23:21:04 MITCHELL: Which leaves us with no Sangraal, and for the moment, no way off  
this planet.

01:23:25:23 BAAL (O/S): I told you I can fix the dialing device. Merlin's little trick with my vocal  
chords expired at the same moment he did.

01:23:34:20 TEAL'C: Yet another reason to mourn his passing.

01:23:37:00 BAAL: Joke all you want, Teal'c, but I am the only one who can get us out of here.

01:23:43:29 CARTER: He is good with dialing programs. Maybe if we work together...

01:23:51:27 CARTER (CONT'D O/S): I'm having trouble finding the relocation program. It must  
be buried in one of the correlative subroutines.

01:23:56:29 BAAL (O/S): We'll never find it using those search protocols. I'm going to have to  
make some adjustments to your program.

01:24:02:17 MITCHELL: How much longer is this going to take?

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:24:04:18 BAAL: It's impossible to say. All I know for sure is it would have been a lot easier on that nice, warm desert planet.

01:24:16:27 DANIEL: He said he had one more thing to do before he could rest.

01:24:19:05 VALA (O/S): Huh.

01:24:20:17 VALA (CONT'D): I thought he meant build us another weapon.

01:24:24:16 DANIEL: No, you were right before. He knew he didn't have enough time. Now, this is obviously some sort of virtual interface, like a computer-assisted design program, only in the past, we've seen it used to download information into someone's mind.

01:24:40:02 VALA: What sort of information?

01:24:41:09 DANIEL: All the knowledge of the Ancients.

01:24:43:25 VALA (O/S): That's a lot.

01:24:45:00 DANIEL: Yes, as a matter of fact, it's too much for a human brain to handle. It's fatal. But what if you could control it? Use it to store and load something more specific?

01:24:55:05 VALA (O/S): Like?

01:24:56:21 DANIEL: I'm not sure.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:25:01:01 VALA: Hey!

01:25:02:20 (INSTRUMENT ACTIVATING)

01:25:11:10 VALA (CONT'D V/O OVER RADIO): Vala here. I'm going to need some help.

01:25:13:12 MITCHELL (INTO RADIO): What is it?

01:25:14:12 VALA (V/O OVER RADIO): It's Daniel.

01:25:17:02 MITCHELL: Keep working.

01:25:18:05 CARTER (O/S): Cam...

01:25:19:08 MITCHELL: I do not trust him...

01:25:20:11 MITCHELL (CONT'D O/S): to finish on his own, Sam.

01:25:31:15 MITCHELL (CONT'D): Jackson!

01:25:34:10 MITCHELL (CONT'D O/S): Jackson!

01:25:37:18 MITCHELL (CONT'D): What did he do?

01:25:42:17 PRIOR (O/S): The planet is lifeless.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:25:44:12 PRIOR (CONT'D): There is no one here.

01:25:47:05 ADRIA (O/S): They were...

01:25:47:19 ADRIA (CONT'D): here. I'm certain of it.

01:25:50:06 PRIOR: What would you have us do?

01:25:52:23 ADRIA: Lead the men in prostration. I will inform you when I have the next  
address.

01:25:56:28 PRIOR: Yes, Orici.

01:26:09:18 (CONSOL ACTIVATES)

01:26:16:20 BAAL: Try it now.

01:26:21:06 CARTER: I'm still not reading any anomalies.

01:26:23:01 BAAL: This is ridiculous. I can't be expected to work like this. I can barely see, my  
fingers are numb... I say we go back inside, we warm up, we take our  
chances on the next planet.

01:26:35:20 TEAL'C: How do you know it will not be worse?

01:26:37:03 (CONSOLE ACTIVATES)

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:26:41:07 CARTER: We're about to find out.

01:26:49:13 (TRANSPORTER BEAMING)

01:26:49:20 VALA: Oh... Merlin's gone.

01:26:57:26 MITCHELL: Well, that's just... weird.

01:27:01:04 MITCHELL (CONT'D INTO RADIO): Sam, what just happened?

01:27:02:15 CARTER (INTO RADIO): The obelisk transported us to another planet. I think it's  
scheduled to go off every couple of hours.

01:27:08:13 MITCHELL (V/O OVER RADIO): How are things out there?

01:27:09:07 CARTER (INTO RADIO): Well, it's a little spooky, but at least it's warm. How's  
Daniel?

01:27:15:27 MITCHELL (INTO RADIO: He's...

01:27:17:27 MITCHELL (CONT'D O/S INTO RADIO): sitting up. I'll get back to you on the rest.

01:27:26:18 VALA: Hey...

01:27:30:10 MITCHELL: How you doing, sunshine?

01:27:37:08 DANIEL: He was right.

01:27:41:14 DANIEL (CONT'D): You do look like Percival.

01:27:45:22 MITCHELL: Excuse me?

01:27:53:08 DANIEL: We spent a lot of time in this room.

01:27:55:22 VALA: Who did?

01:27:57:08 DANIEL (O/S): We did.

01:27:59:00 DANIEL (CONT'D): He did. Merlin. Sorry, it's a – it's a little confusing having two  
sets of memories in your head.

01:28:10:00 DANIEL (CONT'D): And he wasn't kidding about living many lifetimes.

01:28:19:20 VALA: You have Merlin's memories?

01:28:21:08 DANIEL (O/S): Some of them.

01:28:22:10 DANIEL (CONT'D): Earth, Atlantis, and the different medieval societies he set  
up...

01:28:27:10 DANIEL (CONT'D O/S): throughout the galaxy...

01:28:32:03 DANIEL (CONT'D): And the work he did in this lab.

**ACT FOUR**

01:29:57:15           COMMANDER: We found the body of an old man, dead. Apart from that, there's  
                                  nothing here.

01:30:05:29           ADRIA: This is beginning to try my patience.

01:30:09:00           PRIOR (O/S): Is there no...

01:30:09:21           PRIOR (CONT'D): other way we can track them?

01:30:12:00           ADRIA (O/S): No...

01:30:14:00           ADRIA (CONT'D): but each time, I'm able to determine their destination more  
                                  quickly than the last. Sooner or later, we will catch up to them.

01:30:38:25           CARTER: Maybe we're barking up the wrong tree here. Maybe the relocation  
                                  program isn't in the DHD processor at all.

01:30:45:29           BAAL: What, the obelisk? You obviously have no idea what...

01:30:50:21           BAAL (CONT'D O/S): you are talking about.

01:30:52:29           CARTER: Says the brainiac who spent three days trapped in that...

01:30:55:15           CARTER (CONT'D O/S): force field.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:30:55:14 BAAL: That technology is strictly used for localized transport.

01:30:59:19 CARTER: Yeah, I know. I mean, it's obviously what's beaming us through the gate every time there's an open wormhole, but what if it also contains a remote dialer?

01:31:06:00 BAAL: It's one thing to send someone here and there on the surface of the planet. It's quite another to send them halfway across the galaxy. It's like, uh, comparing a laptop to a supercomputer.

01:31:14:25 CARTER: Well...

01:31:16:09 CARTER (CONT'D O/S): it wouldn't have to contain the entire navigational system, now, would it? Just a command code sufficient...

01:31:21:27 CARTER (CONT'D): to override normal dialing protocols.

01:31:24:21 BAAL: Yes... but to borrow a rather quaint human phrase, why hide a needle in a small haystack when you can use an enormous one?

01:31:33:00 BAAL (CONT'D O/S): It wouldn't be much of a security measure...

01:31:34:16 BAAL (CONT'D): if it could be discovered by the first Tauri female who comes along, would it, now?

01:31:39:02 CARTER: I'm sorry, are you dismissing my idea out of hand because I'm human... or because I'm a woman?

01:31:47:05 BAAL: A little of both, I suppose.

01:31:49:29 CARTER: You know what? I'll check it myself.

01:31:55:26 (OBJECT PHASING INTO BEING, INSTRUMENT SHUTTING DOWN)

01:32:07:25 MITCHELL: What is that?

01:32:10:15 DANIEL: Stage one. The first step towards creating Merlin's weapon.

01:32:15:26 VALA: It's real?

01:32:16:27 DANIEL: Yeah. That's exactly what this device does. It allows you to design and  
configure something virtually, and then it materializes it.

01:32:26:28 MITCHELL: Just like O'Neill did when he created the anti-replicator weapon.

01:32:30:24 VALA: I thought the Sangraal was a tiny red jewel.

01:32:32:22 DANIEL: No, that's the final stage, the-the key to making the whole thing work.

01:32:35:19 MITCHELL: So how long before you can put the whole thing together?

01:32:39:16 VALA (O/S): Daniel?

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:32:42:10 DANIEL: I'm all right. I'm all right. This machine takes a lot out of you. The, uh, level of concentration required is pretty intense.

01:32:50:29 VALA (O/S): Can I get you anything?

01:32:52:12 DANIEL: Water.

01:32:52:12 VALA (O/S): Sure.

01:33:05:07 DANIEL: Okay, that happened.

01:33:09:03 DANIEL (CONT'D): It's interesting. Jack got healing powers. I guess I got telekinesis.

01:33:15:19 VALA: Jack also almost died. Now, you said that this device might be different.

01:33:19:12 DANIEL: I'll be fine.

01:33:20:14 MITCHELL (O/S): That's crap.

01:33:21:15 MITCHELL (CONT'D): She's right. You don't get fancy mind powers unless there's been major redecorating going on inside your skull.

01:33:26:16 DANIEL: Look, obviously creating the weapon requires a higher level of brain function. Now, Merlin would've foreseen that.

01:33:33:16 DANIEL (CONT'D): Trust me, I can handle this.

01:33:39:29 CARTER: Damn it.

01:33:51:08 (CARTER CLEARING THROAT)

01:33:53:20 BAAL: What do you want?

01:33:56:27 CARTER: I need your help.

01:34:01:11 CARTER (CONT'D O/S): Look, I still think I'm right...

01:34:02:12 CARTER (CONT'D): about the obelisk, but I can't make heads or tails...

01:34:04:23 CARTER (CONT'D O/S): of its programming.

01:34:06:15 BAAL: Well... that's hardly surprising.

01:34:10:25 BAAL (CONT'D O/S): I mean, I know where you come from you're considered relatively intelligent, but by...

01:34:15:14 BAAL (CONT'D): galactic standards, that's not really saying much. Wouldn't you agree?

01:34:25:20 CARTER (O/S): You know, if you're not going to help...

01:34:26:17 CARTER (CONT'D): then you're really not much use to us, and if you're not much use to us, then there's...

01:34:29:28 CARTER (CONT'D O/S): really no point in keeping you alive any longer.

01:34:31:29 CARTER (CONT'D): Wouldn't you agree?

01:34:42:08 BAAL: I'd, uh... be delighted to help.

01:34:46:10 CARTER: Great to hear it.

01:34:58:20 (INSTRUMENT THRUMMING, SHUTTING DOWN)

01:35:06:15 MITCHELL: Stage two?

01:35:08:05 DANIEL: Indeed. I must rest. I'm not as young as I used to be.

01:35:20:00 VALA (O/S): Daniel? Are you all right?

01:35:25:10 DANIEL: I know you.

01:35:26:12 VALA (O/S): Well, of course you do, silly.

01:35:27:24 VALA (CONT'D): It's me. Vala.

01:35:36:07 DANIEL: I had the strangest dream. Everything was covered in ice.

01:35:45:15 MITCHELL: Jackson...

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:35:52:20 MITCHELL (CONT'D): Daniel...

01:35:57:15 DANIEL: What's going on?

01:35:58:06 VALA: We're losing you, that's what's going on. Every time you come back from that machine, it gets a little worse, and don't tell me you're fine.

01:36:07:11 DANIEL: No... No, I just have-- I have too many thoughts in my head. I-I can't...

01:36:11:23 DANIEL (CONT'D O/S): concentrate. I get confused.

01:36:13:01 VALA: You have to fight it.

01:36:14:01 DANIEL: No, no, that's the thing. I have to let it happen. That's the only way I can build Merlin's weapon.

01:36:34:00 VALA: You have to tell him that he doesn't have to do this. He'll listen to you.

01:36:37:00 (INSTRUMENT ACTIVATING)

01:36:37:18 MITCHELL: Oh? What team have you been on? Besides... we need this one.

01:36:41:06 VALA: W-what makes you think we'll even be allowed to use it? The Ancients didn't let Merlin get away with it last time—

01:36:44:15 MITCHELL (INTERRUPTING): Vala! Vala... Shut up, for once. We have to take the risk.

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:36:54:05 VALA: What? Because it's all about noble sacrifice for you, isn't it?

01:36:59:00 MITCHELL (O/S): Oh, I'm sorry, what about you?

01:36:59:29 VALA: What?

01:37:01:11 MITCHELL: When you flew that cargo ship into the gap of the supergate, you  
knew damn well...

01:37:05:05 MITCHELL (CONT'D O/S): that you might not come out the other side alive.

01:37:08:28 VALA: No, that was different.

01:37:10:10 MITCHELL: Yeah, different because you were the one taking the risk.

01:37:16:11 MITCHELL (CONT'D O/S): Well, now you know.

01:37:17:29 MITCHELL (CONT'D): The hard part about being part of this team is not risking  
your own...

01:37:22:04 MITCHELL (CONT'D O/S): life. It's watching your friends take chances with theirs.

01:37:27:24 MITCHELL (CONT'D): Congratulations. Now you really are one of us.

01:37:44:27 CARTER: It's a command override. I can't believe we actually found it.

STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:37:49:22           TEAL'C: Clearly, you work well together.

01:37:58:19           CARTER: Well, now that we've identified the program, it should be a simple  
                          matter to shut it down.

01:38:08:00           (CONSOLE THRUMMING)

01:38:23:21           ADRIA: Ready your men. It's time.

01:38:28:04           COMMANDER: Yes, Orici.

**END OF ACT FOUR**

**ACT FIVE**

01:38:49:10 (INSTRUMENT SHUTTING DOWN)

01:38:52:06 MITCHELL: What is it?

01:38:53:21 DANIEL: Get to the gate now.

01:38:55:08 MITCHELL (O/S): Why?

01:39:59:10 DANIEL: They're coming.

01:39:30:20 (WORMHOLE POWERING)

01:39:03:05 CARTER: Incoming wormhole!

01:39:14:05 (WORMHOLE OPENING)

01:39:18:20 (GUNS FIRING)

01:39:32:20 BAAL: Hold them here! I'll get help!

01:39:57:28 (PILLAR ACTIVATING, BEAMING)

01:40:04:06 ADRIA: Dr. Jackson.

01:40:11:04 DANIEL: You're too late.

01:40:14:03 ADRIA: You haven't completed the weapon. I'd say I'm just in time.

01:40:17:28 DANIEL: And I'd say things are different now.

01:40:21:23 (LIGHTING AND THUNDER)

01:40:37:18 ADRIA (O/S): Draining, isn't it?

01:40:38:29 ADRIA (CONT'D): Instead of helping your friends, you should have saved your  
energy to deal with me.

01:40:43:10 DANIEL: Would it have made a difference?

01:40:49:27 ADRIA: Probably not.

01:40:53:22 MITCHELL: What was that?

01:40:55:07 CARTER: I don't know, but I say we don't stick around to find out. Let's dial out of  
here before anyone else can dial in.

01:41:01:00 VALA: I'm going to go check on Daniel--

01:41:05:05 VALA (CONT'D O/S): Daniel?

01:41:06:00 (WORMHOLE OPENING)

## STARGATE SG-1 - "The Quest" Part 2 - Episode #1011

01:41:13:15 (GUN FIRING)

01:41:17:13 MITCHELL: Why do I bother?

01:41:22:04 VALA: Adria... I want you to stop this right now.

01:41:25:24 ADRIA: I'm sorry it has to be this way, Mother.

01:41:31:10 (ENERGY BURSTS, ENERGY BEAMS MEET)

01:41:38:01 DANIEL (O/S): Get to the gate now.

01:41:40:03 CARTER: We're not...

01:41:40:16 CARTER (CONT'D): leaving you here.

01:41:41:20 DANIEL: I'll be right behind you.

01:41:58:10 (WORMHOLE CLOSES)

01:42:16:17 VALA: No. There has to be a way we can get back...

01:42:20:22 VALA (CONT'D O/S): to that planet.

01:42:22:02 CARTER: A DHD buffer typically holds the last 50 addresses that were dialed,  
and we went through three gates before getting there. We've got a lot of  
planets to check.

01:42:29:07 VALA: Adria found a way around the problem.

01:42:30:27 TEAL'C: Even if we could return to the planet, at this point, I fear it would do us  
little good.

01:42:44:11 VALA (O/S): At least we'd be doing something.

01:42:50:10 MITCHELL: Merlin gave Daniel some pretty valuable intel. Adria knows that.  
Hey... She'll keep him alive.

01:43:28:15 ADRIA: How are you feeling?

01:43:31:04 DANIEL: I don't suppose you know what a hangover is.

01:43:37:01 DANIEL (CONT'D): Never mind.

01:43:38:21 ADRIA (O/S): I know the burden must be awful.

01:43:40:13 ADRIA (CONT'D): Your brain simply wasn't built to handle that much information.

01:43:45:17 DANIEL: Well, whatever I had, it's gone... along with what feels like half my brain  
cells.

01:43:52:18 ADRIA: You'll forgive me if I don't take your word for it.

01:43:58:09 ADRIA (CONT'D O/S): Now, rest.
