## STARGATE SG-1 - "Bounty" - Episode #1012

01:01:48:24 (GUNFIRE)

01:01:54:27 CARTER (INTO COMM): Cam, everyone else is on board. Time to get out of there.

01:01:59:14 MITCHELL (V/O OVER COMM): Yeah, I'd love to, but I've got a bit of company.

01:02:03:03 (GUNFIRE)

01:02:05:05 TEAL'C (INTO COMM): I will render assistance.

01:02:06:21 MITCHELL (V/O OVER COMM): Negative. There's not enough time.

01:02:09:10 CARTER: He's right.

01:02:11:19 CARTER (CONT'D INTO COMM): Cam, if you can get to the platform, we can ring you out from here.

01:02:14:16 (GUNFIRE)

01:02:28:04 MITCHELL: Aw, screw it.

01:02:41:00 MITCHELL: Thanks!

01:02:41:20 CARTER: We got him. Let's go!

01:02:46:17 (BEEPING)

## STARGATE SG-1 - "Bounty" - Episode #1012

01:02:51:17 (BLAST)

01:03:06:22 VASHIN: Netan. Another transport has been hit, near Rolan. We've lost four containers' worth of kassa, plus the Alkesh escorting them.

01:03:23:17 NETAN: SG-1.

01:03:25:01 VASHIN: It's the third transport they've hit. Our supply of kassa is getting dangerously low.

01:03:30:05 NETAN: This isn't about kassa. This is about them trying to make me look weak. I can't allow them to interfere...

01:03:41:29 NETAN (CONT'D O/S): with our operations any longer.

01:03:45:05 NETAN (CONT'D): Put the word out-- as of this moment, I'm placing a bounty on their heads.

**END OF TEASER**

**ACT ONE**

01:05:20:21 VALA: Oh! Another mission successfully completed.

01:05:22:10 MITCHELL: Yeah, it was.

01:05:23:14 VALA: Goodness knows we've all earned a nice break from routine...

01:05:25:24 MITCHELL: The answer's no.

01:05:27:01 VALA: You don't know what I'm going to ask you.

01:05:28:05 MITCHELL: Oh, yes, I do.

01:05:29:05 VALA: All righty, then. I have a better idea of what you're facing than you might think-- I've done research.

01:05:33:09 MITCHELL: Oh, God.

01:05:34:18 VALA: Traditionally, these events entail the bringing together of large groups of people, all with a common bond in the past, but nothing really in common in the present. Everybody evaluates each other's lot in life, generally by virtue of a combination of material worth and the attractiveness of one's date/spouse/life-partner.

01:05:52:00 VALA (CONT'D): Let me go as your date.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:06:22:29 DR. LEE: Doesn't it bother you to come to these-- oh, thank you-- come to these conferences to present new technology and actually adding flaws, and pretending we know less than we really do?

01:06:31:10 CARTER: Well, you know the drill.

01:06:32:10 CARTER (CONT'D): We have to act like there's a process of development.

01:06:34:24 DR. LEE: Oh, sure, easy for you. You're presenting Chimera. It's practically...

01:06:38:00 DR. LEE (CONT'D): a fully functioning Asgard hologram system. I get stuck with a plasma cannon that supposedly shorts out at the drop of a hat.

01:06:45:21 (CHUCKLES)

01:06:47:25 DR. LEE: On the positive side, these events have...

01:06:49:21 DR. LEE (CONT'D): a dynamite singles scene.

01:06:52:07 DR. LEE (CONT'D O/S): It's a huge window of opportunity. I think I'll mingle. You should, too.

01:06:58:02 DR. LEE: Ladies! Good evening.

01:07:05:08 VALA (V/O): I can't wait to meet your parents.

01:07:08:03 MITCHELL (V/O): Yeah, just don't embarrass me.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:07:11:05 VALA (V/O): I would never embarrass you.

01:07:14:20 VALA: Incredible.

01:07:16:28 MITCHELL: Better than the junk they peddle at the cafeteria, huh?

01:07:19:27 WENDY: You'd think she'd never eaten pie...

01:07:21:06 WENDY (CONT'D): before.

01:07:22:12 VALA: I had no idea it could taste like this.

01:07:23:18 FRANK: I forgot to tell you, Cam. Darrell called. Something about you helping set  
up tomorrow. I left the number on the counter.

01:07:29:17 MITCHELL: Oh, I'd better give him a call. I'll be right back.

01:07:34:21 FRANK: So, Vala.

01:07:37:02 VALA: Mm-hmm?

01:07:38:01 FRANK: Cam says you work in payroll...

01:07:39:19 FRANK (CONT'D O/S): on the base.

01:07:41:02 VALA: Yes. I'm very good with money.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:07:42:29 FRANK: That's an important skill. Somebody's got to take care of the bills.

01:07:46:03 VALA: Yes, and Cameron's so terrible with finances, so...

01:07:48:23 WENDY (O/S): Well, then, I take it...

01:07:50:14 WENDY (CONT'D): that you two are quite, um...

01:07:53:23 FRANK: Serious?

01:07:57:07 VALA: Oh. Absolutely.

01:08:00:22 WENDY: Oh.

01:08:02:11 VALA: Well, I mean, at first, it was just sex, sex, sex, in all...

01:08:06:06 VALA (CONT'D O/S): rooms of the house...

01:08:07:25 VALA (O/S CONT'D): at all times of the day, but, um-- well, once we got a chance  
to get to know each other, we formed a deeper connection.

01:08:12:24 VALA (CONT'D): A spiritual bond, you might say.

01:08:14:26 WENDY: Well, I... suppose it's nice he found someone.

01:08:21:06 (SPOON CLINKING IN CUP)

## STARGATE SG-1 - "Bounty" - Episode #1012

01:09:21:29 DANIEL: Uh. Thank you.

01:09:34:09 ALIEN BOUNTY HUNTER #1: Activate the scanners.

01:09:36:03 (BEEPING)

01:09:37:07 ALIEN BOUNTY HUNTER #2: I'm only picking up three signals.

01:09:39:08 ALIEN BOUNTY HUNTER #1: One of them must be off world.

01:09:41:14 ALIEN BOUNTY HUNTER #2: We'll find that one later.

01:09:44:25 (BLAST)

01:09:45:11 ALIEN BOUNTY HUNTER #2: We're under attack!

01:09:48:17 ALIEN BOUNTY HUNTER #2 (CONT'D): The shield's at zero.

01:09:49:23 ALIEN BOUNTY HUNTER #2 (CONT'D): Initiating hyperdrive!

01:09:55:00 (WEAPONS FIRING, SHIP EXPLODING)

01:09:57:28 VENTRELL: Sorry, boys. I don't like competition.

01:10:01:21 WENDY: Here are some extra towels. The spare bedroom's...

01:10:04:19 WENDY (CONT'D): all made up.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:10:30:10 WENDY: We'll talk later.

01:10:31:29 VALA: Okay! I like your mother.

01:10:39:24 MITCHELL: Uh... I'll be on the couch.

01:10:43:20 VALA: Your loss.

01:10:45:28 CHA'RA: I can only hope you'll reconsider and accept the seat the council's offering you.

01:10:50:16 TEAL'C: You have been speaking to Bra'tac.

01:10:52:28 CHA'RA: He only asked that I voice the opinion of any clear-minded Jaffa. The reformation of our government cannot occur without the help--

01:11:04:00 TEAL'C: Down!

01:11:06:10 (ENERGY BLASTS WHIZZING)

01:11:20:25 TEAL'C: Are you injured?

01:11:22:24 CHA'RA: No. You are.

**END OF ACT ONE**

**ACT TWO**

01:11:59:08           CHA'RA: The men guarding the gate report no activity. It is possible whoever attacked us left by cloaked cargo ship.

01:12:06:08           TEAL'C: Or perhaps they are still here, waiting for the opportunity to finish...

01:12:09:13           TEAL'C (CONT'D O/S): the job.

01:12:10:27           TEAL'C (CONT'D): Put out word that I indeed survived the attack, but that I am gravely injured.

01:12:22:12           MITCHELL: So, Mr. Armstrong-- he walks into the classroom, and he sees his car...

01:12:29:00           (LAUGHTER)

01:12:30:16           MITCHELL (CONT'D): the whole car, just sitting in the middle of the room. It's got a fresh coat of wax. It's looking all brand new.

01:12:35:29           DARRELL: We all thought he was gonna drop dead from heart failure right there on the floor.

01:12:40:00           VALA: And then what happened?

01:12:42:13           DARRELL: Well, that's it. I mean, we had to take the car back out and put it together again, but...

## STARGATE SG-1 - "Bounty" - Episode #1012

01:12:48:22 VALA: Oh, but if I understand you correctly, you had to completely disassemble  
and then re-assemble this automobile not once, but twice.

01:12:55:05 DARRELL: Yeah, I guess. Yeah.

01:12:58:00 (LAUGHTER)

01:12:59:22 VALA: You know what, it does remind me of an incident from my own youth. A  
trader came through my village with a crate of-- Ow!

01:13:07:05 MITCHELL (O/S): Hey, you know...

01:13:08:03 MITCHELL (O/S CONT'D): you hear one high school story...

01:13:09:28 MITCHELL (O/S CONT'D): you've heard 'em all.

01:13:10:28 DARRELL: 5:00. 5:00. Ahem!

01:13:11:22 MITCHELL: Oh, lord.

01:13:12:29 VALA: What?

01:13:14:00 DARRELL (WHISPERING): That is--

01:13:15:07 MITCHELL (WHISPERING): I know who it is.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:13:16:16 DARRELL (WHISPERING): She's coming over here.

01:13:17:25 VALA: Why are you whispering like that? What's going on?

01:13:20:00 DARRELL: Shh.

01:13:21:07 AMY: Cameron Mitchell, right? Amy--

01:13:24:10 (CHAIR CRASHES TO THE FLOOR)

01:13:25:06 AMY: Oh, my goodness.

01:13:26:24 MITCHELL: Ha! Sorry. Vandenberg. Yes. Yes, the name definitely rings a bell.

01:13:32:22 AMY: I just saw you over here and I thought I'd say hi. It's been a long time.

01:13:36:27 MITCHELL: Yeah, it has.

01:13:42:19 MITCHELL (CONT'D): Oh, uh, you remember Darrell?

01:13:44:13 DARRELL: Hey, uh, homeroom, tenth grade?

01:13:46:22 AMY: Right!

01:13:47:20 DARRELL: How are you doing?

01:13:48:10 AMY: Good!

## STARGATE SG-1 - "Bounty" - Episode #1012

01:15:24:25 DANIEL: What's, uh, what's going on?

01:15:28:00 WOMAN: I was thinking we could get out of here. Go somewhere. Together.  
Alone.

01:15:37:10 DANIEL: Wow. Uh... You know, I'm not really the most impulsive person.  
Flattering as your offer is, I'm going to have to say no.

01:15:51:23 WOMAN: Have it your way.

01:15:54:29 (ENERGY WEAPON FIRING)

01:15:55:09 (BLAST)

01:15:58:08 (ENERGY WEAPON FIRING)

01:16:04:11 (ENERGY WEAPON FIRING)

01:16:06:26 WOMAN: Stop, or I start killing people.

01:16:16:18 WOMAN (CONT'D): Good.

01:16:20:10 WOMAN (CONT'D): You should have taken my first offer, Dr. Jackson. It would  
have been a far less pain--

01:16:24:28 (CRASH)

## STARGATE SG-1 - "Bounty" - Episode #1012

01:16:25:18 (BRAKES SQUEALING)

01:16:37:05 LANDRY (INTO PHONE): She was human, but not from Earth. Weapons were based on Goa'uld design.

01:16:41:26 LANDRY (CONT'D V/O OVER PHONE): We need to figure out how she got here.

01:16:44:10 CARTER (INTO PHONE): Well, my guess would be a cloaked cargo ship.

01:16:46:08 LANDRY (INTO PHONE): So we've got an invisible hunk of alien technology sitting out on a field somewhere.

01:16:51:16 CARTER (V/O OVER PHONE): Well, cloaked ships aren't entirely undetectable, Sir.

01:16:54:05 CARTER (CONT'D INTO PHONE): They do give off anomalous energy readings. If it's stationary, and we know approximately where to look, we might be able to find it.

01:16:59:15 LANDRY (INTO PHONE): I've already sent a team to assist Dr. Jackson with his investigation.

01:17:03:00 CARTER (INTO PHONE): Well, if you need my help, Sir, I can certainly come back.

01:17:05:15 LANDRY (INTO PHONE): Negative, Colonel. We can handle it.

01:17:06:28 LANDRY (CONT'D O/S): I just wanted to make sure you were all right. Besides...

01:17:09:27 LANDRY (CONT'D INTO PHONE): I have a feeling you'll be of more value where  
you are.

01:17:12:20 LANDRY (CONT'D V/O OVER PHONE): Landry out.

01:17:13:29 DR. LEE (O/S): ...dreams of science fiction into scientific reality. This one in  
particular has remained elusive.

01:17:21:00 DR. LEE (CONT'D): Until now. Ladies and gentlemen... welcome to the future.

01:17:32:11 (HUMMING, SPARKS)

01:17:35:19 DR. LEE: Whoa! Gee! Sorry. Sorry. I-- I can fix this. Just, um... Just give me a  
moment here. Uh... hmm. Uh...

01:17:46:15 MITCHELL (INTO PHONE): Say that again, Sir?

01:17:47:15 LANDRY (V/O OVER PHONE, BREAKING UP): It's not that urgent.

01:17:48:22 LANDRY (CONT'D INTO PHONE): I just wanted to fill you in, Colonel.

01:17:51:00 MITCHELL (V/O OVER PHONE, BREAKING UP): I just can't hear anything you're  
saying.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:17:51:20 (STATIC CRACKLES)

01:17:54:08 HARRIMAN: Sorry, Sir. His cell's barely coming through.

01:17:57:07 (STATIC CRACKLES)

01:18:00:09 MITCHELL (INTO PHONE): Hang on a second.

01:18:02:20 (GUNSHOT)

01:18:03:18 MITCHELL (O/S): Darrell, you got a cellphone...

01:18:04:27 MITCHELL (CONT'D): that works?

01:18:05:27 DARRELL (O/S): No one does. Two cell repeaters...

01:18:07:05 DARRELL (CONT'D): went down after last month's twister. The phone company  
hasn't put new ones up yet.

01:18:10:06 (GUNSHOT)

01:18:11:10 DARRELL: Damn!

01:18:12:10 MITCHELL: Great.

01:18:13:25 MITCHELL (CONT'D INTO PHONE): Everything's good here, Sir.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:19:05:01 VALA: Accounts... receivable.

01:19:08:25 (COCKS GUN)

01:19:10:11 PRESENTER: ...a nine-year veteran of the Air Force's deep space telemetry program...

01:19:14:05 PRESENTER (CONT'D): as well as senior consultant for Applied Technologies...

01:19:17:26 PRESENTER (CONT'D O/S): and a two-time winner of the prestigious Binder Prize...

01:19:21:02 PRESENTER (CONT'D): for Advancements in Theoretical Physics.

01:19:23:17 PRESENTER (CONT'D O/S): Please welcome to the stage Lieutenant Colonel Samantha Carter.

01:19:27:15 (APPLAUSE)

01:19:37:17 CARTER (O/S): As most of you will recall, three years ago, I went on network television in order to dispel...

01:19:42:17 CARTER (CONT'D): the erroneous charge that the Air Force was covering up the existence of...

01:19:46:19 CARTER (CONT'D O/S): alien life in our galaxy. Today, I'll be...

01:19:49:04 CARTER (CONT'D): following up on that same technology I introduced then by  
showing you...

01:19:53:01 CARTER (CONT'D O/S): several new features which dramatically enhance its  
effectiveness.

01:19:56:20 CARTER (CONT'D V/O): I am, of course, speaking of the Chimera Optics  
Projection System.

**END OF ACT TWO**

**ACT THREE**

01:20:18:17 CARTER: As you'll soon see, further research and development has provided  
longer range, better...

01:20:23:00 CARTER (CONT'D): verisimilitude, and...

01:20:24:25 CARTER (CONT'D O/S): more control over image projection since...

01:20:27:10 CARTER (O/S CONT'D): Chimera's introduction...

01:20:28:14 CARTER (CONT'D): as a prototype three years ago.

01:20:31:24 (PLASMA WEAPON FIRES)

01:20:31:23 (AUDIENCE GASPS)

01:20:33:10 DR. LEE: What the hell was that?

01:20:34:14 CARTER: Someone just took a shot at me.

01:20:35:21 (AUDIENCE MURMURS)

01:20:40:19 CARTER (O/S): There. Holy crap.

01:20:42:24 CARTER (CONT'D): We need to get the X-699 working now.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:20:45:17 DR. LEE: Try bypassing the main power coupling. You might get one shot off  
before it short-circuits.

01:20:51:05 (BEEPING)

01:21:00:19 (BLAST)

01:21:02:10 (THUD)

01:21:05:14 (AUDIENCE MURMURING)

01:21:08:01 (APPLAUSE)

01:21:10:23 DR. LEE: Nice demo.

01:21:42:03 (WEAPON FIRING)

01:21:47:03 CHA'RA: He's Jaffa.

01:21:51:22 TEAL'C: I do not believe so.

01:22:03:19 (DANCE MUSIC POUNDING)

01:22:06:10 DRUNK MALE GRAD: Do you have any Journey? Awesome!

01:22:24:08 JACKIE: Cameron?

## STARGATE SG-1 - "Bounty" - Episode #1012

01:22:26:06 JACKIE (CONT'D): Hey, welcome back.

01:22:27:21 MITCHELL: Jackie. Hey!

01:22:29:06 JACKIE: And... "Vaila"?

01:22:30:17 VALA: Vala.

01:22:31:21 JACKIE: Vala. Now, I can't remember, did you go to G.W.?

01:22:36:25 VALA: Oh, I didn't attend school as much as I was sold as a domestic servant to a  
weapons smuggler named Fierenze.

01:22:42:29 VALA (CONT'D): After I killed him...

01:22:44:11 VALA (CONT'D): and won my freedom, I considered my education...

01:22:47:09 VALA (CONT'D): more or less complete.

01:22:50:20 JACKIE: Well, it was sure nice to meet you.

01:22:58:04 MITCHELL: Maybe we should keep chat like that to a minimum. Smile.

01:23:21:00 (BLAST)

01:23:25:16 PHIL: Oh, God. Oh, God! Please don't hurt me.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:23:28:01 PHIL (CONT'D O/S): Please don't hurt me!

01:23:29:15 (BLAST)

01:23:48:17 GARY: We've got, like, 11 different policies you can buy. You got your basic four,  
of course-- house, fire, boat, car.

01:23:57:09 VALA: Wait, let me get this straight. If he buys one of your policies and  
names...me as his beneficiary, I would collect all of the money in the  
event of his untimely death.

01:24:09:22 GARY: You got it.

01:24:10:26 VALA: Tell me more.

01:24:13:10 GARY: Well, let me tell you, Vala...

01:24:24:03 VENTRELL (O/S): Hello there.

01:24:25:25 FORMER FOOTBALL PLAYER: Can I help you?

01:24:28:05 VENTRELL: As a matter of fact, you can. Your suit looks like it's about my size.

01:24:32:19 FORMER FOOTBALL PLAYER: So?

01:24:35:05 (GRUNTS)

## STARGATE SG-1 - "Bounty" - Episode #1012

01:24:44:10           AMY: Nice suit.

01:24:47:00           MITCHELL: Wow. Look at you.

01:24:52:01           AMY: Don't quite know where to put this.

01:24:55:06           MITCHELL: Oh, that. Oh.

01:24:56:23           MITCHELL (CONT'D): That's 'cause you don't need that.

01:24:58:02           (CHUCKLES)

01:24:59:23           AMY: So where's your date?

01:25:01:27           MITCHELL: Date?

01:25:03:20           MITCHELL (CONT'D): Oh, Vala. Vala... Vala is over there...

01:25:06:21           MITCHELL (CONT'D O/S): plotting my death with Gary Walesco.

01:25:08:27           (CHUCKLES)

01:25:10:19           AMY: She seems nice. You two make a good couple.

01:25:14:04           MITCHELL: Oh, no, we don't.

01:25:15:19           MITCHELL (CONT'D): She, um... Well, she's just a friend.

01:25:51:01 MITCHELL (CONT'D O/S): Yes. I had your entire...

01:25:53:27 MITCHELL (CONT'D): schedule memorized so I'd be in the right place when I got  
out of class.

01:25:56:19 MITCHELL (CONT'D): And that sounds creepy now that I say it out loud.

01:25:58:27 AMY: How come you never said anything?

01:26:00:19 MITCHELL: I was 16.

01:26:02:12 MITCHELL (CONT'D O/S): I was 16, and you were always hooked up...

01:26:05:07 MITCHELL (CONT'D): with some other guy, and let's be honest about it-- you  
were way...

01:26:07:21 MITCHELL (CONT'D): way out of my league.

01:26:09:13 MITCHELL (CONT'D): God.

01:26:11:09 MITCHELL (CONT'D): I can't believe I just told you that.

01:26:13:26 AMY: Okay, now it's my turn. I saw every football game you ever...

01:26:19:01 AMY (CONT'D): played in. I can name every class...

## STARGATE SG-1 - "Bounty" - Episode #1012

01:26:20:19 AMY (CONT'D): we shared together. I even broke up with Bobby Haversham...

01:26:23:21 AMY (CONT'D): hoping you would ask me out to the senior prom. But you never did.

01:26:27:23 AMY (CONT'D): I guess you could say I haven't quite forgiven you for that yet.

01:26:35:21 (CELLPHONE RINGS)

01:26:40:03 AMY: I think your phone is ringing.

01:26:41:22 MITCHELL: Yeah. It is. Sorry.

01:26:44:13 MITCHELL (INTO PHONE): Mitchell. Hello?

01:26:46:12 LANDRY (V/O OVER PHONE, BREAKING UP): This is General Landry.

01:26:47:02 MITCHELL (INTO PHONE): Hello?

01:26:48:12 LANDRY (V/O OVER PHONE, BREAKING UP): Mitchell?

01:26:49:12 MITCHELL: Oh, I'm sorry. I-- I have to take this.

01:26:52:29 MITCHELL (CONT'D): I'll be right back.

01:26:54:08 MITCHELL (CONT'D): You-- You, do not move from this spot.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:28:20:00 (BLAST)

01:28:34:05 DARRELL: Well, if it isn't the prettiest girl at the party.

01:28:37:11 VALA: Hi.

01:28:39:03 DARRELL: Hi.

01:28:41:02 VALA: Have you seen Mitchell? I can't find him anywhere.

01:28:43:13 DARRELL: "Mitchell"? Wow, you two are on a last-name basis, huh? I think I saw  
him talking to Amy Vandenberg.

01:28:50:13 VALA: Oh, the one...

01:28:51:15 DARRELL: Yeah. Yeah, I think they slunk off together.

01:28:55:12 VALA: Perfect.

01:28:56:13 DARRELL: Yeah. Um, would you, uh... like a little refreshment?

01:29:06:12 DARRELL (CONT'D): Moonshine.

01:29:09:15 DARRELL (CONT'D): It's flammable.

01:29:10:29 (CUP BOUNCES AND ROLLS)

STARGATE SG-1 - "Bounty" - Episode #1012

01:29:15:09            MITCHELL (INTO PHONE): This is Lieutenant Colonel Mitchell for General  
   Landry. Thank you.

01:29:19:24            VENTRELL: Just the man I've been looking for.

01:29:26:25            MITCHELL: We didn't go to school together, did we?

01:29:28:14            VENTRELL: Name's Ventrell. I'm here to collect the price on your head.

**END OF ACT THREE**

## STARGATE SG-1 - "Bounty" - Episode #1012

01:30:29:18            VENTRELL: Oh, they'll be here. In the meantime, all you have to do is keep quiet, and no one gets hurt.

01:30:37:12            VENTRELL (CONT'D): Now, shall we get back to the party?

01:30:40:18            MITCHELL: Yeah. Let's dance.

01:30:43:25            LANDRY: Unfortunately, the Odyssey is not available for transport, but we've got a couple of 302s waiting. They should get you there pretty quick.

01:30:50:01            TEAL'C: Do we know how the assassins have been able to target us so precisely?

01:30:53:11            CARTER: I think so. During our last mission, we were hit...

01:30:56:02            CARTER (CONT'D O/S): by what we thought was a scanning beam. Turns out it was a little more sophisticated than that.

01:31:00:11            CARTER (CONT'D): We were tagged. We're all emitting low levels of a particularly exotic form of radiation. That's what they're tracking. Now, the good news is, it has a limited half-life, so it should wear off in a couple of days.

01:31:11:04            LANDRY: I think it's pretty clear Colonel Mitchell doesn't have a couple of days.

01:31:14:15            DANIEL (O/S): We'll get him, Sir.

01:31:27:15            DARRELL: Whoa. You know what? I think Mitchell is crazy for ditching you.

01:31:34:07           DARRELL (CONT'D): I mean, come on! God, look at you. You're a beautiful woman, you have a keen mind, and you shoot like a Special Forces sniper.

01:31:42:21           VALA: True. All true.

01:31:45:00           DARRELL: But you can be a little scary, though.

01:31:50:16           DARRELL (CONT'D): I mean, to the kind of guy that would be intimidated by a woman who is successful and brilliant...

01:31:57:16           DARRELL (CONT'D): like you are. But you know what?

01:32:02:00           VALA: What?

01:32:03:10           DARRELL: I'm not one of those guys.

01:32:07:20           VALA: Darrell?

01:32:08:27           DARRELL: Mm-hmm?

01:32:10:02           VALA: I have something I think I'm supposed to tell you now.

01:32:13:20           DARRELL: What?

01:32:15:05           VALA: I'm married.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:34:12:20 VALA (CONT'D): in there.

01:34:13:00 DARRELL: Who?

01:34:13:23 VALA: No!

01:34:17:02 VALA (CONT'D): The bounty hunter. He's obviously here looking...

01:34:20:20 VALA (CONT'D): for me.

01:34:22:01 DARRELL: Okay, no more liquor for you tonight, all right?

01:34:24:10 VALA: What? Oh, don't be ridiculous.

01:34:26:13 VALA (CONT'D): That stuff barely affects me.

01:34:28:23 VALA (CONT'D): Have you got any weapons on you?

01:34:30:08 DARRELL: No!

01:34:33:18 VALA: Then we'll have to improvise.

01:34:43:03 AMY: Hey, if you don't want to do this...

01:34:45:10 MITCHELL: No, it's not that. It's just... It's complicated.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:35:31:14           DARRELL (CONT'D): Ow!

01:35:32:09           DARRELL (CONT'D O/S): Ooh! Ow, ow, ow, ow!

01:35:33:10           VENTRELL (O/S): Touch me...

01:35:33:25           VENTRELL: again, and I'll kill you.

01:35:35:23           DARRELL: Dave, you've changed, dude! Oh!

01:35:48:11           (BLAST, CLANG)

01:35:53:20           (GRUNT)

01:35:53:20           (CRASH)

01:35:55:00           DARRELL: Oh!

01:36:00:16           VENTRELL: Get back.

01:36:02:10           (SCREAMING)

01:36:09:07           (SCREAMING)

01:36:14:080          (GUNSHOT)

STARGATE SG-1 - "Bounty" - Episode #1012

01:36:17:11 VENTRELL (O/S): Your attention...

01:36:18:27 VENTRELL (CONT'D): please. Exiting this room is now impossible. Every door  
has been magnetically sealed shut. Vala Mal Doran.

01:36:29:14 VENTRELL (CONT'D O/S): This is my lucky day.

01:36:35:00 VENTRELL (CONT'D): Netan's offering a bonus for anyone who bags you.

01:36:36:29 VALA: Sorry. That didn't go well.

01:36:40:15 VENTRELL: Oh, it's worse than you think.

01:36:42:12 VENTRELL (CONT'D): Thanks to your little stunt, now I start killing people.

**END OF ACT FOUR**

**ACT FIVE**

01:37:06:10 MITCHELL: You don't have to do this.

01:37:08:20 VENTRELL: First rule of hostage taking--

01:37:09:29 VENTRELL (CONT'D): always back up your threats. So, who's it going to be?

01:37:14:28 VENTRELL (CONT'D): The troublemaker? Or the girlfriend?

01:37:20:12 AMY: Cameron!

01:37:21:16 VENTRELL (O/S): Choose, Colonel...

01:37:23:16 VENTRELL (CONT'D): or they both die.

01:37:25:10 VALA (O/S): Now, Ventrell...

01:37:25:11 VALA (CONT'D): you always were such a coward.

01:37:28:22 VENTRELL: I guess we'll start with you.

01:37:31:28 (VALA SIGHS)

01:37:34:20 CARTER (V/O OVER COMM): This is Colonel Carter of SG-1. Once all the  
hostages have been released...

## STARGATE SG-1 - "Bounty" - Episode #1012

01:37:37:19 CARTER (V/O OVER COMM CONT'D): we are willing to beam in.

01:37:38:22 VENTRELL (INTO COMM): Negative. You and SG-1 beam in first...

01:37:42:03 VENTRELL (INTO COMM CONT'D): unarmed, and then I'll let everyone go.

01:37:45:16 (RINGS ACTIVATING)

01:37:55:01 VENTRELL: Over there, please.

01:37:58:08 VENTRELL (CONT'D O/S): Colonel Mitchell...

01:37:59:22 VENTRELL (O/S CONT'D): Vala, would you mind joining the others?

01:38:06:07 VENTRELL (O/S CONT'D): Turn around.

01:38:07:21 MITCHELL: So, what's your end game, Ventrell? You know we're not just going  
to...

01:38:10:29 MITCHELL (CONT'D): let you walk out of here.

01:38:14:06 VENTRELL: Never planned on it.

01:38:18:20 (BLAST)

01:38:19:11 (SCREAMING)

## STARGATE SG-1 - "Bounty" - Episode #1012

01:38:21:01 (RINGS ACTIVATING)

01:38:36:26 CARTER: Hello.

01:38:43:06 DANIEL: It's okay. You're all safe now.

01:38:46:18 DARRELL: Yeah, but what happened to Vala?

01:38:52:29 DARRELL (CONT'D): Holy crap.

01:38:55:11 JACKIE: I knew there was something wrong with that woman.

01:38:58:24 VALA (O/S): How did you do that?

01:39:01:07 VALA (CONT'D): Oh! Allow me.

01:39:03:20 TEAL'C (O/S): We located this vessel...

01:39:05:15 TEAL'C: in a field several miles from here.

01:39:07:15 CARTER: We were onboard...

01:39:08:25 CARTER (CONT'D O/S): trying to override the command code, when it was  
remotely activated and flown onto the roof of the school.

01:39:13:07 DANIEL (O/S): That's right.

## STARGATE SG-1 - "Bounty" - Episode #1012

01:39:14:10 DANIEL (CONT'D): You brought us to you.

01:39:16:27 CARTER (O/S): After that...

01:39:17:08 CARTER (CONT'D): it was a simple matter of activating Chimera. It's an Asgard holographic projection system.

01:39:22:06 CARTER (CONT'D): It made it look like we'd beamed in.

01:39:23:20 DANIEL: And you might've gotten away with it, too, if it wasn't for us meddling kids.

01:39:27:00 MITCHELL (O/S): So much...

01:39:27:22 MITCHELL (CONT'D): for your big payday.

01:39:29:00 VENTRELL: Well, I may not be able to collect, but it doesn't mean others won't try.

01:39:34:01 MITCHELL: Unless there's a bigger payday waiting somewhere else.

01:39:36:27 VENTRELL: What are you talking about?

01:39:38:07 MITCHELL: Oh, I've had some experience recently dealing with the Lucian Alliance. I know for a fact that some of Netan's seconds are starting to question his leadership.

01:39:46:05 MITCHELL (CONT'D O/S): After this little fiasco, it's only going to get worse.

01:39:48:20           TEAL'C: Indeed. With his failure to eliminate us yet again, he will only appear weaker than before.

01:39:55:02           MITCHELL (O/S): No doubt about it. There's blood in the water.

01:39:58:27           MITCHELL (CONT'D): Only question is, which enterprising shark will be the first to take advantage of it?

01:40:13:16           (BLAST)

01:40:17:04           (ENERGY WEAPONS FIRING)

01:40:28:15           (GROANING)

01:40:39:24           NETAN: Well done. You saved my life. You'll be richly rewarded.

01:40:46:02           VENTRELL: I know I will. But not for saving you.

01:40:55:27           VALA: Thank you.

01:40:58:00           WENDY (O/S): Vala!

01:40:59:05           WENDY (CONT'D): You sure you don't want some pie for the road?

01:41:02:10           VALA: I couldn't possibly...

## STARGATE SG-1 - "Bounty" - Episode #1012

01:43:08:15 (HORN HONKING)

01:43:09:06 (HORN HONKING)

01:43:15:23 MITCHELL: You know... Colorado Springs-- it's not that far away, so... maybe  
someday soon you might think about taking a little trip.

01:43:30:13 AMY: Maybe.

01:43:33:23 MITCHELL: She's a nice girl. I like her.

01:43:37:29 VALA: Nice? She's a cure for insomnia.

01:43:40:24 MITCHELL: Well, we can't all make the brilliant decisions you've made. How many  
times have you been married, anyway?

01:43:48:14 VALA (V/O): Legally? Hmm, well, it's hard to keep track... Let's see, the first one...

01:43:54:24 VALA (V/O CONT'D): was part of a band of traveling entertainers. He was a good  
cook, too. Couldn't make pie, though.

01:43:59:17 MITCHELL (V/O): You know, forget it. Forget I asked.
