STARGATE SG-1 - "Talion" - Episode #1017

TIMECODE            DIALOGUE

START TIMECODE 01:00:00:00 AT FIRST FRAME OF PICTURE

**TEASER**

01:00:04:05            MITCHELL (V/O): All the way over Northeast.

01:00:08:20            VALA: Another here.

01:00:17:19            MAN (O/S): Yes, sir! Another one here.

01:00:27:05            DANIEL (O/S): Medic! He's still breathing.

01:00:33:28            DANIEL (CONT'D): Sam! Mitchell! We've got Bratac here. He's in rough shape.

01:00:36:28            REYNOLDS: Dr. Jackson, we have numerous bodies here.

01:00:40:01            DANIEL (O/S): How many?

01:00:41:28            REYNOLDS: I don't know.

01:00:44:24            CARTER: Oh, my God. Cam! Medic! It's Teal'c.

**END OF TEASER**

**ACT ONE**

01:02:19:00 NISAL (V/O): I am tired of this rhetoric.

01:02:21:17 NISAL (CONT'D): How long can we talk of reforming councils and ridiculous trade policies?

01:02:27:10 NISAL (CONT'D O/S): The Ori are taking our planets by force. Dividing our people through religious ideology and fear.

01:02:34:29 NISAL (CONT'D): We must fight back now.

01:02:38:07 BRATAC: We all agree, Nisal. That is why we are here. But entering into a war without leadership, without proper organization would merely be mass suicide.

01:02:50:05 BRATAC (CONT'D O/S): We must learn from our mistakes in overthrowing the Goa'uld. For generations, we have plotted and fought for our emancipation, but never once did we plan for what we would do with that freedom after it was ours. The resulting infighting and weakness after our victory over the Goa'uld is what leads us to this vulnerability at the hands of the Ori now.

01:03:24:10 (TENT EXPLODING, VILLAGERS SCREAMING)

01:03:45:20 LAM: It's nice to see you conscious again.

## STARGATE SG-1 - "Talion" - Episode #1017

01:03:47:19 TEAL'C: How long have I been...

01:03:51:07 LAM (O/S): Uh, you've been out for quite a while.

01:03:52:09 LAM (CONT'D): About two weeks. It was pretty touch and go there. It took three rounds of surgery just to stop the bleeding and repair the damage to your spine. I have to admit, I was more than a little worried that you wouldn't walk again, but it looks like you're going to pull through this...

01:04:04:14 LAM (CONT'D O/S): The others will be glad to hear that you're awake. At least one of them has pretty much been here ever since they brought you in.

01:04:11:06 LAM (CONT'D): Of course, I don't know where they are... right now.

01:04:21:27 LAM (CONT'D V/O): He was awake for a few minutes.

01:04:23:21 MITCHELL (V/O): Does he know about Bratac?

01:04:25:10 LAM: Mm-mm. I barely got a chance to tell him what he's been through, or what he's going to have to go through to get back up on his feet, for that matter.

01:04:32:15 MITCHELL: Been there. It's not a good place.

01:04:43:09 DANIEL (O/S): Hey...

01:04:52:06 TEAL'C: What has transpired?

## STARGATE SG-1 - "Talion" - Episode #1017

01:04:55:16 DANIEL: Dr. Lam thinks you should rest.

01:04:57:12 VALA: But we need you to be on your feet and back in fighting form as soon as possible.

01:05:02:18 TEAL'C: Tell me.

01:05:09:07 DANIEL: We counted 32 dead...

01:05:11:10 DANIEL (CONT'D O/S): ...and 12 more critically injured.

01:05:15:16 (VILLAGERS SCREAMING)

01:05:19:00 (TENT EXPLODING)

01:05:26:24 MITCHELL (O/S): Most of the villagers have scattered to the hills.

01:05:30:19 CARTER (O/S): When you didn't check in, we came to investigate.

01:05:33:12 MITCHELL (O/S): We can't be sure, but it looks like three separate explosive devices are responsible for the damage.

01:05:39:10 TEAL'C: And what of Bratac?

01:05:40:14 DANIEL: He survived.

## STARGATE SG-1 - "Talion" - Episode #1017

01:05:45:15           TEAL'C: If he is here, then I wish to see him.

01:05:47:20           MITCHELL: Teal'c, you're in no condition--

01:05:49:06           TEAL'C (INTERRUPTING): Now!

01:05:50:05           DANIEL: Listen...

01:05:50:25           DANIEL (CONT'D O/S): ...you are very lucky to be alive.

01:05:57:05           DANIEL (CONT'D): Give it some time.

01:06:01:19           TEAL'C: Is he badly injured?

01:06:25:07           LAM: I wish I could tell you that he was going to come out of this... but right now, I  
                          just don't know.

01:06:37:23           BRATAC (V/O): For generations, we have plotted and fought for our  
                          emancipation, but never once did we plan for what we would do with that  
                          freedom after it was ours...

01:06:53:00           (TENT EXPLODING)

01:07:05:10           (KNOCKING)

01:07:07:10           LANDRY (O/S): Teal'c...

## STARGATE SG-1 - "Talion" - Episode #1017

01:07:08:11           TEAL'C: General Landry. I have received further intelligence from Jaffa with close ties to Parnon, the Jaffa that organized the summit.

01:07:16:03           LANDRY: And?

01:07:17:12           TEAL'C (O/S): It is believed that a Jaffa named...

01:07:18:15           TEAL'C (CONT'D): ...Arkad is responsible. I have knowledge of him. We once engaged in battle as opposing First Primes. He is a warrior without honor.

01:07:27:20           LANDRY: Which would explain why he chose to bomb a peaceful leadership summit.

01:07:31:20           TEAL'C (O/S): It is believed...

01:07:32:28           TEAL'C (CONT'D): ...that Arkad has slowly and quietly been building support for himself as a new leader-- a leader that would deliver the Jaffa nation into the hands of the Ori.

01:07:41:25           LANDRY: So, he would obviously be opposed to the organizing of a council also meant to lead the Jaffa, especially one that was intending to unite them against the Ori.

01:07:52:12           TEAL'C: Arkad is dangerous and must be eliminated.

01:07:54:25           LANDRY: Teal'c—

## STARGATE SG-1 - "Talion" - Episode #1017

01:08:26:10           TEAL'C (CONT'D): ...but now, if he is allowed to continue to use fear and tyranny to gain control of a significant Jaffa army and a fleet of ships, believe me, he will become as much an issue for Earth as anyone else in the galaxy.

01:08:42:03           LANDRY: Teal'c... you've done a tremendous job getting back on your feet...

01:08:45:29           LANDRY (CONT'D O/S): ...but Dr. Lam is saying you're not ready for active duty just yet.

01:08:50:12           LANDRY (CONT'D): I'm asking you to give it a little more time.

01:08:53:19           TEAL'C: I have given it enough time!

01:09:09:07           LANDRY: The resources of this facility are not going to be used to fulfill one man's personal revenge.

01:09:14:20           MITCHELL: I'm just saying, if Arkad is responsible, and Teal'c's right about him being a bad man--

01:09:19:00           LANDRY: I've already issued a new memo to all teams to consider the investigation a top priority.

01:09:24:02           MITCHELL: I don't think a memo's going to cut it as far as Teal'c is concerned, sir.

01:09:27:12           LANDRY: I take it you've tried to talk him out of leaving.

## STARGATE SG-1 - "Talion" - Episode #1017

01:14:25:10 DANIEL: You know what? You're tired, you should rest.

01:14:28:02 BRATAC: No. There is more I have not told you.

01:14:35:10 BRATAC (CONT'D O/S): Has Teal'c...

01:14:35:15 BRATAC (CONT'D): ...ever spoken of his mother?

01:14:38:22 DANIEL: Not much. I know she's dead.

01:14:41:14 BRATAC: Teal'c's mother was killed shortly after Teal'c commanded an  
embarrassing victory over Arkad's fleet.

01:14:48:09 BRATAC (CONT'D O/S): The murder was never resolved.

01:14:50:26 BRATAC (CONT'D): For no apparent reason, someone slipped into her village  
and slit...

01:14:54:19 BRATAC (CONT'D O/S): ...her throat in the night.

01:14:55:25 DANIEL: And Teal'c believed it was Arkad's revenge for the defeat?

01:15:00:20 BRATAC: It was never proven.

01:15:02:23 DANIEL: But, still, knowing Teal'c, I mean, why didn't go after Arkad immediately?

## STARGATE SG-1 - "Talion" - Episode #1017

01:15:06:03 BRATAC: He was First Prime of Apophis at the time. Teal'c's actions were chosen for him. Now... given what Arkad has done, Teal'c will stop at nothing to bring an end to him.

01:15:22:12 DANIEL: Yeah, that doesn't sound like any great loss.

01:15:27:26 BRATAC: As long as it is Teal'c that is the victor.

01:15:33:28 LANDRY (O/S): Where's your confirmation coming from?

01:15:35:10 REYNOLDS (O/S): SG-22 recon, sir.

01:15:37:10 LANDRY: I thought you should hear this.

01:15:41:16 REYNOLDS: We've been maintaining contact with anti-Ori rebels on P8T-365.

01:15:46:01 CARTER: That's a predominantly Jaffa planet that's already succumbed to Ori control, right?

01:15:50:02 REYNOLDS: Right. This group we've been monitoring opposes Ori occupation, quietly so far, but...

01:15:54:09 REYNOLDS (CONT'D O/S): ...is keeping us apprised of their intentions. Anyway, they say several hundred Jaffa, including a few of their inside men...

01:16:00:19 REYNOLDS (CONT'D): ...are regularly being ferried by mothership to another planet to mine raw naquadah.

## STARGATE SG-1 - "Talion" - Episode #1017

01:16:41:23 REYNOLDS (CONT'D): ...for use by Arkad in a coordinated attack on Earth.

01:17:19:10 (FLESH BURNING, BA'KAL GROANING)

01:17:29:15 BA'KAL: Torture me all you want. I'll tell you nothing.

01:17:33:10 TEAL'C (O/S): Though you hide among humans, I know you are Jaffa.

01:17:37:06 TEAL'C (CONT'D): That is your symbiote...

01:17:38:27 TEAL'C (CONT'D O/S): ...lying on the ground in front of you.

01:17:44:00 BA'KAL: I serve the Ori. When I die, I will ascend and join them in everlasting  
glory.

01:17:54:01 TEAL'C: That is untrue.

01:17:55:18 BA'KAL: You will not convince me otherwise.

01:17:59:10 TEAL'C: That is most unfortunate. I have medicine that would save your life...

01:18:07:07 TEAL'C (CONT'D O/S): ...should you tell me what I wish to know.

01:18:08:26 BA'KAL: Never.

## STARGATE SG-1 - "Talion" - Episode #1017

01:18:10:08           TEAL'C: Then there are some things that you should know. The Ori do not ascend their followers.

01:18:17:08           TEAL'C (O/S): Arkad is a coward who will die by my hand.

01:18:23:08           TEAL'C (CONT'D): Also, that I have implanted an explosive device within your symbiote pouch.

01:18:29:02           TEAL'C (CONT'D O/S): It is set to detonate within a matter of moments.

01:18:32:05           TEAL'C (CONT'D): It is the same explosive that you used to kill 12 warriors, 18 innocent bystanders, and two children who had gathered for a peaceful summit.

01:18:39:29           BA'KAL: They were sinners all, who chose the path of evil.

01:18:46:19           TEAL'C: Ten seconds.

01:18:48:08           BA'KAL (O/S): Where are you going?

01:18:51:01           TEAL'C: I am leaving. You are about to explode.

01:18:58:03           (BA'KAL SCREAMING)

01:19:01:17           (BOMB EXPLODING)

01:19:11:15           VALA (V/O): So...

## STARGATE SG-1 - "Talion" - Episode #1017

01:19:11:26 VALA (CONT'D): ...what does this Arkad have to gain by attacking Earth?

01:19:14:26 MITCHELL (O/S): Maybe he's trying to up his street cred.

01:19:17:07 DANIEL: Well, it could be revenge. It's possible he blames us for what happened at Dakara.

01:19:23:15 CARTER (O/S): For all we know, it was the Ori who instructed him to try to...

01:19:23:26 CARTER (CONT'D): ...weaken our resolve.

01:19:25:12 MITCHELL (O/S): They must know a direct attack...

01:19:27:02 MITCHELL (CONT'D O/S): ...on Earth is risky, because of the Antarctic defense system.

01:19:29:16 CARTER: Well, right now we have no way of even detecting, let alone stopping, a cloaked cargo ship.

01:19:34:09 CARTER (CONT'D O/S): They could go after whatever targets they want.

01:19:36:18 DANIEL: Not to mention the countless casualties that would be created that would throw the rest of the planet into chaos.

01:19:40:22 MITCHELL: Primed and ready for an Ori attack.

## STARGATE SG-1 - "Talion" - Episode #1017

01:19:42:06 VALA: I thought the Jaffa were all about honor and meeting their enemy...

01:19:45:16 VALA (CONT'D): ...on the battlefield.

01:19:46:17 DANIEL: Yeah, apparently not this guy.

01:19:47:29 VALA: So what do we do?

01:19:49:25 MITCHELL: It sounds to me like Teal'c has the right idea.

01:19:52:15 HARRIMAN (V/O OVER SPEAKER): Unscheduled offworld activation!

01:19:55:12 (ALARM SOUNDING)

01:19:57:24 HARRIMAN: I'm receiving a transmission, sir.

01:19:59:13 LANDRY: On screen.

01:20:01:25 ARKAD (V/O OVER SCREEN): Warriors of the Tauri, I bid you greetings.

01:20:06:18 LANDRY (INTO SCREEN): This is General Landry of Stargate Command. To  
whom am I speaking?

01:20:11:11 ARKAD (V/O OVER SCREEN): My name is Arkad. I am the leader of the Illac  
Renin.

01:20:15:02 DANIEL (O/S): It's Ancient.

01:20:16:19 DANIEL (CONT'D): Loosely translated, it means "Kingdom of the path."

01:20:19:05 LANDRY (O/S INTO SCREEN): What can we do...

01:20:19:26 LANDRY (CONT'D INTO SCREEN): ...for you?

01:20:21:09 ARKAD (V/O OVER SCREEN): I wish to be granted safe passage to your planet so that we may meet in person and discuss certain issues that concern us both. By now, you have undoubtedly learned of a plot to brazenly strike at your planet in a most cowardly manner. I want to offer my assistance as I believe I am uniquely capable of stopping this most dishonorable attack.

**END OF ACT TWO**

**ACT THREE**

01:21:04:12 BRATAC (V/O): He no doubt fed you the information...

01:21:06:22 BRATAC (CONT'D): ...about the attack so that he could then claim to be the one  
who could prevent it.

01:21:11:07 DANIEL: Yeah, we figured that, but what we don't know is why. And given the  
very real threat that's out there, the I.O.A. wants us to hear what he has  
to say.

01:21:19:07 BRATAC (O/S): He is a...

01:21:20:21 BRATAC (CONT'D): ...serpent. You must not trust...

01:21:22:19 BRATAC (CONT'D O/S): ...him.

01:21:23:18 DANIEL (CONT'D): I'll let you know how it goes.

01:21:24:22 BRATAC (O/S): I already know.

01:21:26:12 BRATAC (CONT'D): Nothing good will come of it.

01:21:37:10 LANDRY: Arkad, I'm sure you know of...

01:21:39:14 LANDRY (CONT'D): ...SG-1. Lieutenant Colonels Mitchell and Carter, Dr. Daniel  
Jackson and Vala Mal Doran.

STARGATE SG-1 - "Talion" - Episode #1017

01:22:33:23 (ARKAD LAUGHING)

01:22:34:23 CARTER (O/S): 32 other Jaffa weren't...

01:22:35:24 CARTER (CONT'D): ...nearly as lucky as they were.

01:22:37:03 ARKAD (O/S): You must understand, all of you...

01:22:38:28 ARKAD (CONT'D): ...that there are those out there who would have me falsely  
accused of such cowardly actions.

01:22:44:04 DANIEL: So you're saying you had nothing to do with it?

01:22:45:25 ARKAD (O/S): I fully admit I was against a gathering.

01:22:47:28 ARKAD (CONT'D): But those in attendance were assembling to form a council  
that would directly oppose my campaign to lead...

01:22:53:26 ARKAD (CONT'D O/S): ...all Jaffa.

01:22:54:26 VALA: Into the arms of the Ori?

01:22:55:23 ARKAD (O/S): The reason we fought for freedom is so we could...

01:22:58:06 ARKAD (CONT'D): ...believe in what we want and not be subjugated by anyone.

01:23:01:05 DANIEL (O/S): And you don't see...

## STARGATE SG-1 - "Talion" - Episode #1017

01:23:02:15 DANIEL (CONT'D): ...the Ori as forcing their beliefs on you?

01:23:05:00 ARKAD (O/S): I see Origin as the organized religion

01:23:07:01 ARKAD (CONT'D): ...and the source of salvation, all the Jaffa has always sought.

01:23:09:25 LANDRY (O/S): I think we're getting...

01:23:11:01 LANDRY (CONT'D): ...a little off point here.

01:23:12:07 ARKAD (O/S): I agree.

01:23:14:01 ARKAD (CONT'D): I assure you, no matter what our philosophical differences...

01:23:18:00 ARKAD (CONT'D O/S): ...I would never...

01:23:19:18 ARKAD (CONT'D): ...authorize the type of attack that befell the summit of Dar  
Eshkalon.

01:23:23:27 MITCHELL (O/S): But you just happen to know some guys...

01:23:26:10 MITCHELL (CONT'D): ...less respectable, less honorable than yourself, who took  
matters into their own hands.

01:23:31:16 ARKAD: As a matter of fact, yes. And I have learned of similar attacks against  
your planet being planned by a radical sect of Jaffa...

## STARGATE SG-1 - "Talion" - Episode #1017

01:24:14:09           ARKAD (CONT'D): ...believe me when I say I will use all of my vast resources at my disposal to thwart this most heinous threat to your world.

01:24:23:15           ARKAD (CONT'D O/S): All I ask in return is you allow the Jaffa people to believe in what they choose.

01:24:27:03           ARKAD (CONT'D): If they decide to follow in the ways of the Illac Renin, that should be up to them.

01:24:33:15           ARKAD (O/S): If you feel it is your responsibility to do battle with the Ori on behalf...

01:24:37:05           ARKAD (CONT'D): ...of the humans of this galaxy, then that is your prerogative.

01:24:41:14           LANDRY: Stay out of your way...

01:24:43:08           LANDRY (CONT'D O/S): ...and you won't attack us?

01:24:44:10           ARKAD (O/S): General, my fleet...

01:24:45:12           ARKAD (CONT'D): ...is more powerful than any Goa'uld has ever marshaled by tenfold.

01:24:48:17           ARKAD (CONT'D O/S): If I was to attack this planet, it would not be...

01:24:50:29           ARKAD (CONT'D): ...in the manner currently being...

## STARGATE SG-1 - "Talion" - Episode #1017

01:24:53:25           ARKAD (CONT'D O/S): ...planned by these radicals...

01:24:55:10           ARKAD (CONT'D): ...and it would not end well for you.

01:24:57:15           MITCHELL (O/S): Really?

01:24:59:17           MITCHELL (CONT'D): You don't say.

01:25:01:15           ARKAD (O/S): Whether or not our people...

01:25:03:11           ARKAD (CONT'D): ...ever see eye-to-eye, I would like to believe that they could  
co-exist peacefully.

01:25:08:15           ARKAD (CONT'D O/S): Your planet has played an instrumental role in the very  
reshaping of the nature of the galaxy. I merely wish to...

01:25:15:17           ARKAD (CONT'D): ...avoid any unpleasant conflicts between our two respective  
nations before they arise. I take my leave.

01:25:40:11           LIZAN (O/S): I told you where to find Ba'kal. He's the Jaffa scum that I sold the  
explosives to. That's all I know.

01:25:48:08           TEAL'C: I do not believe you.

01:25:50:00           LIZAN (O/S): I don't know anything about Arkad.

01:25:52:16           TEAL'C: You despise Jaffa. Why protect him?

01:25:56:05 LIZAN: I'm not afraid to die.

01:25:57:19 TEAL'C: I have no intention of killing you. Not until you tell me where to find  
Arkad.

01:26:02:14 LIZAN: Why should I tell you anything, knowing death is my reward?

01:26:06:14 TEAL'C: That may sound sensible for the moment, but, believe me, in time, you  
will change your mind.

01:26:21:02 LANDRY: The I.O.A. is taking the threat of these attacks against Earth very  
seriously.

01:26:26:08 MITCHELL: So what do they want us to do?

01:26:27:21 LANDRY: Nothing, as far as Arkad is concerned.

01:26:30:06 CARTER: Sir?

01:26:31:12 LANDRY: They want us to leave him alone for now. Let him go about his  
business.

01:26:37:06 MITCHELL: We're supposed to let him muscle us?

01:26:38:23 LANDRY: Obviously, we need to assess his capability, determine if these threats  
are credible and who's really behind them.

01:26:45:22 LANDRY (CONT'D O/S): If we can prove that Arkad does pose a direct threat...

01:26:48:13 LANDRY (CONT'D): ...to our security-

01:26:49:05 MITCHELL (INTERRUPTING O/S): I-I'm sorry, sir. We're supposed to, what?

01:26:50:22 MITCHELL (CONT'D): Find some WMDs in his back pocket?

01:26:52:17 LANDRY: Right at the moment, we need to play the intelligence game...

01:26:55:18 LANDRY (CONT'D O/S): ...not get into an all-out war with an enemy that may  
have the capability to inflict severe damage on us.

01:27:01:18 LANDRY (CONT'D): We need to find out what we can--

01:27:03:16 CARTER: We're on it, sir.

01:27:04:16 LANDRY (O/S): Not so fast, Colonel.

01:27:05:26 LANDRY (CONT'D): I plan to put a number of teams on it right away, but, uh, at  
the moment, I have another mission...

01:27:11:20 LANDRY (CONT'D O/S): ...for you. In his mind,

01:27:15:25 LANDRY (CONT'D): Teal'c may have severed his connections with us...

## STARGATE SG-1 - "Talion" - Episode #1017

01:27:19:04 LANDRY (CONT'D O/S): ...when he set out to kill Arkad...

01:27:21:01 DANIEL: But he's been part of the SGC, so he'll still be perceived as acting on  
our...

01:27:24:05 DANIEL (CONT'D O/S): ...behalf.

01:27:25:05 LANDRY (O/S): If he succeeds in killing Arkad...

01:27:26:08 LANDRY (CONT'D O/S): ...even if he tries and fails, it will be hard to convince  
people...

01:27:31:08 LANDRY (CONT'D): ...that he was acting alone.

01:27:32:15 CARTER: So you want us to try and stop him?

01:27:34:29 LANDRY: The I.O.A. is adamant that Earth, and specifically the SGC, take no  
action against Arkad. I've been charged with ordering you to find Teal'c...  
and stop him at all costs.

**END OF ACT THREE**

**ACT FOUR**

01:28:21:11 VALA: Hey, no one really thinks that Arkad gave the SGC the whereabouts of his home base of operations out of diplomatic courtesy?

01:28:29:18 CARTER: What, you think he did it to draw us into a trap?

01:28:32:00 DANIEL: I doubt that. It's more likely that he knew if anyone was determined enough to find him, they could, and he wanted to make sure we'd be blamed in the event of any attack against him.

01:28:39:00 VALA (O/S): Regardless...

01:28:39:13 VALA (CONT'D): ...of whether we were behind it.

01:28:41:12 MITCHELL (O/S): Speaking of determined, has anyone...

01:28:43:02 MITCHELL (CONT'D): ...thought about the speech they're going to give to Teal'c?

01:28:50:15 MITCHELL (CONT'D): Nah, I didn't think so.

01:28:56:28 (TRANSPORTER BEAMING)

01:29:02:15 MITCHELL (INTO RADIO): Odyssey, this is Mitchell, we are down. All right, everybody knows what to do.

01:29:11:21 CARTER (INTO RADIO): Field generators are in place.

01:29:20:22 DANIEL (INTO RADIO): Trip sensors are ready.

01:29:24:03 CARTER: I'm glad you're so sure about this plan.

01:29:28:04 MITCHELL: One way or the other, you know he's coming. He'll want the element  
of surprise, so I figure he'll use a cloaked ship, try to sneak in the back...

01:29:36:02 MITCHELL (CONT'D O/S): ...way.

01:29:37:02 CARTER: Well, that's what we would do.

01:29:37:20 MITCHELL (O/S): Exactly.

01:29:39:00 MITCHELL (CONT'D): He just doesn't know we're going to try and stop him.

01:29:41:08 CARTER: Yeah, regardless of who's going to try and stop him, this is Teal'c we're  
talking about.

01:29:53:11 VALA: You know, Bratac seems to think that if it suits Arkad to attack Earth, he'll  
do so no matter what his agreement with us. It's possible that he just  
didn't want us coming after him yet.

01:30:02:24 VALA (CONT'D): So he leaks the information about the plot, pretends to act...

01:30:06:07 VALA (CONT'D): ...towards stopping the attack, and with the time he's bought,  
get his chicks in a row.

01:30:10:29 DANIEL (O/S): That's a pretty good theory.

01:30:12:07 DANIEL (CONT'D): And it's ducks, by the way. And the problem is, we have to prove it to the I.O.A.

01:30:15:26 VALA: Well, what would be the harm in us just-- whoops-- failing to stop Teal'c from killing Arkad. It wouldn't be entirely on purpose, and not out of accidental incompetence either, if you catch my drift.

01:30:28:10 DANIEL: Yes, nudge-nudge, wink-wink, but if Arkad is the one planning these attacks, then I think our best chance of stopping them is keeping Arkad alive.

01:30:34:07 VALA: Why's that?

01:30:35:10 DANIEL (O/S): He may be the only one that knows all the pieces to the puzzle.

01:30:37:23 VALA: Good point.

01:30:39:00 DANIEL: Thank you.

01:30:40:18 VALA: How do we get Arkad to tell us all the pieces of the puzzle?

01:30:43:10 DANIEL (O/S): Oh, that's the easy part.

## STARGATE SG-1 - "Talion" - Episode #1017

01:30:44:17 DANIEL (CONT'D): See, we capture him, lock him in a room, and threaten to let Teal'c kill him.

01:30:47:24 VALA: Genius!

01:30:49:07 DANIEL: Thank you.

01:31:09:13 CARTER: It has occurred to you that it could take days before Teal'c shows up.

01:31:14:08 MITCHELL: Yeah.

01:31:15:08 CARTER: He could also have been here already and killed Arkad, for all we know.

01:31:19:00 MITCHELL: Half of SG-3 is watching the gate. We'll get some activity one way or the other.

01:31:24:29 CARTER: Speaking of which...

01:31:31:26 MITCHELL (INTO RADIO): Colonel Reynolds, come in. SG-3, you've missed your scheduled check-in. Please respond. Stay here.

01:32:02:28 MITCHELL (CONT'D V/O OVER RADIO): Hey. Somebody got to Baker and Reynolds.

01:32:05:29 MITCHELL (CONT'D INTO RADIO): They're unconscious, but they're still alive.  
Hey, Teal'c? Teal'c, I know you're out there, buddy. If you can hear me, I don't know what you think is going on here, but we're here to help.

01:32:30:00 (ZAT FIRING)

01:32:31:09 MITCHELL (V/O OVER RADIO): Yeah, that was a lie, and I feel terrible about it! I hate myself!

01:32:37:05 TEAL'C (V/O OVER RADIO): Why have you set a trap for me, Colonel Mitchell?

01:32:41:02 MITCHELL (INTO RADIO): Trap? That's crazy talk, man.

01:32:45:18 MITCHELL (CONT'D V/O OVER RADIO): Why would we set a trap for you?

01:32:47:16 TEAL'C (INTO RADIO): I intend on killing Arkad. Do not try and stop me.

01:32:51:03 DANIEL (V/O OVER RADIO): Teal'c, it's Daniel. Listen.

01:32:52:17 DANIEL (CONT'D INTO RADIO): Now just hear me out. Now, apparently, there's a radical group of Jaffa poised to attack Earth. Arkad claims to have...

01:32:58:11 DANIEL (CONT'D V/O OVER RADIO): ...the means to stop them, and says he'll help us if we leave him alone.

01:33:01:09 TEAL'C (INTO RADIO): It is likely Arkad is behind those attacks.

01:33:04:05 DANIEL (V/O OVER RADIO): Yes, I know, I know. We figured as much, but...

## STARGATE SG-1 - "Talion" - Episode #1017

01:33:06:21 DANIEL (CONT'D INTO RADIO): ...we just think it's best for ourselves and you if we all just step back and consider all the angles.

01:33:11:16 TEAL'C (INTO RADIO): I am not acting on behalf of Earth.

01:33:14:24 DANIEL (INTO RADIO): The I.O.A. is worried it may still look that way.

01:33:17:16 TEAL'C (V/O OVER RADIO): Unfortunately, that is no longer my concern.

01:33:20:15 TEAL'C (CONT'D INTO RADIO): I will avenge the deaths of the Jaffa at Dar Eshkalon. Arkad must die, no matter what the consequences.

01:33:26:10 TEAL'C (CONT'D V/O OVER RADIO): I do not wish to harm any of you...

01:33:28:23 TEAL'C (CONT'D INTO RADIO): ...but if you try and stop me, I will.

01:33:42:07 VALA: So now what?

01:33:43:19 CARTER: Well, he's got to be headed for the pyramid.

01:33:46:25 (SHOCK GRENADE BEEPING, BLASTING)

01:33:55:26 MITCHELL (O/S): Drop the stick.

01:34:00:05 MITCHELL (CONT'D): Drop the stick.

01:34:02:20 TEAL'C: I do not wish to harm you, Colonel Mitchell.

01:37:01:13 (TEAL'C GROANING)

01:37:05:25 ARKAD (O/S): After all these years... still as predictable as ever.

01:37:10:02 ARKAD (CONT'D): Leave.

01:37:29:00 (TEAL'C GROANING)

01:37:52:22 ARKAD (CONT'D): You've gotten old and slow.

01:37:56:12 ARKAD (CONT'D O/S): Get up.

01:38:00:10 (TEAL'C GRUNTING AND GROANING)

01:38:06:26 ARKAD (CONT'D): I remember when you were a true warrior. The pride of  
Apophis. Feared by all those who opposed you. Do you remember,  
Teal'c? How powerful you were then?

01:38:19:09 ARKAD (CONT'D O/S): Do you remember Co'rak?

01:38:22:26 ARKAD (CONT'D): You had us on the run. You bombarded the planet from space.  
And you left no survivors! I lost my parents that day. My sister. Yet I still  
admired you.

01:38:38:06 ARKAD (CONT'D O/S): "One day," I thought.

01:40:52:25 ARKAD (CONT'D): I had my revenge for the day that you attacked Co'rak and you
