STARGATE SG-1 - "Family Ties" - Episode #1018

01:00:46:27 MITCHELL (CONT'D): ...and by "cultural offerings," you mean...

01:00:49:16 CARTER: Pedicures, mochaccinos, and Victoria's Secret.

01:00:52:12 VALA: Mm-hmm!

01:00:53:12 (MITCHELL CHUCKLING)

01:00:54:26 MITCHELL: Well, we're scheduled to go off-world in about an hour, and though
you both look fantastic, I suggest you might want to lose the heels.

01:01:02:05 (SIREN BLARING)

01:01:01:19 HARRIMAN (V/O OVER SPEAKER): Unscheduled off-world activation!

01:01:04:12 MITCHELL: Ladies first.

01:01:09:19 HARRIMAN: Sir, we're receiving a video transmission.

01:01:13:00 LANDRY: Let's see it.

01:01:14:19 JACEK (V/O OVER SCREEN): Hello? Hello! Is this thing working?

01:01:19:13 LANDRY (O/S INTO SCREEN): This is General Landry...

01:01:21:00 LANDRY (CONT'D): ...of Stargate Command.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:01:22:07 JACEK ((V/O OVER SCREEN): Oh, General! It is a pleasure. I don't get out to your end of the galaxy much, but I have a friend who lives in the area, and he speaks very highly of your people. Uh, maybe know him? A funny little guy with a beard, uh, lives on a planet formerly occupied by a female system lords.

01:01:37:16 LANDRY (INTO SCREEN): I don't--

01:01:39:02 JACEK (INTERRUPTING V/O OVER SCREEN): Um, Rovak? Robak? Does the name sound familiar?

01:01:42:23 LANDRY (INTO SCREEN): No, it doesn't. Now, what's this about?

01:01:45:04 JACEK (V/O OVER SCREEN): Sir, I have some information for you, information that could impact the very survival of your world.

01:01:51:26 VALA: Jacek?

01:01:54:02 LANDRY: You know this man?

01:01:56:08 VALA: A little. He's my father.

END OF TEASER

ACT ONE

01:03:22:20 JACEK (V/O OVER SCREEN): Vala! Is that you?

01:03:24:28 VALA (INTO SCREEN): Yes, it is.

01:03:26:08 JACEK (V/O OVER SCREEN): Sweetheart, how is life treating you?

01:03:28:20 VALA (INTO SCREEN): Certainly better than you ever did.

01:03:30:09 JACEK (V/O OVER SCREEN): Ouch. I suppose, for the benefit of your friends
there, you're going to want to list all the reasons why I was such a bad
father.

01:03:37:19 VALA (INTO SCREEN): I wish I could, but a wormhole can only be maintained for
38 minutes.

01:03:41:19 (JACEK LAUGHING)

01:03:42:20 JACEK (V/O OVER SCREEN): You've got your father's wit!

01:03:43:23 VALA (O/S INTO SCREEN): It's hardly enough time to cover your inadequacies...

01:03:45:23 VALA (CONT'D INTO SCREEN): ...as both a parent and a human being in
general.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:03:47:23 JACEK (V/O OVER SCREEN): And your mother's uncanny ability to hold a grudge.

01:03:51:05 MITCHELL (INTO SCREEN): You said you had some information for us?

01:03:54:16 JACEK (V/O OVER SCREEN): Uh, yes. Let me through, and we'll discuss.

01:03:58:10 LANDRY (O/S INTO SCREEN): All right. Provided Vala will...

01:03:59:26 LANDRY (CONT'D INTO SCREEN): ...vouch for you.

01:04:01:01 VALA: I most certainly will not.

01:04:02:06 JACEK (V/O OVER SCREEN): You'll want to hear this. The information I have has to do with Arkad's plot to attack your planet.

01:04:09:13 CARTER (INTO SCREEN): Arkad is dead.

01:04:11:15 JACEK (V/O OVER SCREEN): Well, he may be dead, but the threat he set in motion still exists. Take your time. There's no pressure. Just that your whole planet could very well blow up at any moment.

01:04:26:14 HARRIMAN (O/S): Chevron six encoded.

01:04:28:10 MITCHELL (O/S): So, what's the deal with the accent? Or, in your father's case, the lack thereof?

STARGATE SG-1 - "Family Ties" - Episode #1018

01:04:31:24 VALA: Well, the accent, like most of my other good qualities, I got from my mother-- my charm, my wit, my good looks.

01:04:36:16 DANIEL: What'd you get from your dad?

01:04:38:05 VALA: Some minor food allergies.

01:04:39:26 HARRIMAN (O/S): Chevron seven locked.

01:04:42:00 (STARGATE WHOOSHING)

01:04:56:12 VALA: I have a bad feeling about this.

01:04:58:13 JACEK (O/S): Of course you do.

01:05:01:12 JACEK (CONT'D): That's because I raised you to be cautious, wary.

01:05:04:29 VALA (O/S): Mother raised me.

01:05:07:20 JACEK: Which one?

01:05:10:01 VALA: My mother.

01:05:11:20 JACEK: Oh. Right. Hug for Daddy?

01:05:15:08 VALA: You're lucky I'm not allowed to kill you.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:05:17:12 MITCHELL (O/S): Well, so much for happy...

01:05:18:15 MITCHELL (CONT'D): ...family reunions. What do you know about Arkad and the attacks he was planning?

01:05:22:22 JACEK (O/S): Quite a lot. And I'm prepared to tell you everything I know...

01:05:26:00 JACEK (CONT'D): ...in exchange for sanctuary on Earth.

01:05:28:03 VALA: There's the angle.

01:05:29:20 JACEK: Okay, I was a terrible husband, and admittedly, probably not the best father figure-- although I've seen worse--

01:05:37:03 JACEK (CONT'D O/S): ...but I've put all that behind me because I'm trying to change trying to...

01:05:40:07 JACEK (CONT'D): ...better myself, which is why I'm here now, risking my life, to tell you that before Arkad died...

01:05:46:23 JACEK (CONT'D O/S): ...he sent out several naquadah-loaded cargo ships...

01:05:50:13 JACEK (CONT'D): ...in preparation for an attack on Earth...

01:05:54:10 JACEK (CONT'D O/S): ...and those cargo ships, my friends...

STARGATE SG-1 - "Family Ties" - Episode #1018

01:05:56:21 JACEK (CONT'D): ...are still out there, waiting to be launched, and I know their location.

01:06:09:00 VALA (V/O): Can't you see what he's doing?

01:06:10:24 VALA (CONT'D): He's spent an entire lifetime taking advantage of people, and now that they're finally catching up with him, he thinks he can use us to hide from his enemies.

01:06:18:07 CARTER (O/S): But that's not really...

01:06:19:17 CARTER (CONT'D): ...the issue here.

01:06:20:20 DANIEL (O/S): No, Sam's right. If Jacek is telling the truth...

01:06:23:04 DANIEL (CONT'D): ...and there's still a bunch of naquadah-loaded cargo ships out there, then this deal is a no-brainer.

01:06:26:05 TEAL'C: If...

01:06:26:20 TEAL'C (CONT'D): ...he is telling the truth. Thus far, the Jaffa have been unable to corroborate any part of his story.

01:06:32:04 DANIEL: Well, they wouldn't, if Arkad was careful enough to cover his tracks.

01:06:35:03 CARTER (O/S): If the threat is real...

STARGATE SG-1 - "Family Ties" - Episode #1018

01:06:36:19 CARTER (CONT'D): ...we can't let any of those cargo ships blow up. Time is of the essence.

01:06:40:28 MITCHELL: Well, there is one way to find out if he's being straight with us.

01:06:44:22 LANDRY (O/S): All right, check it out.

01:06:47:00 LANDRY (CONT'D): If his intel is good, then Jacek has himself a deal.

01:06:58:17 LANDRY (CONT'D): Dr. Lam?

01:07:01:20 LANDRY (CONT'D O/S): As you were, Sergeant.

01:07:03:06 DR. LAM: Excuse me.

01:07:08:10 LANDRY: Caroline, I've been thinking...

01:07:10:24 DR. LAM (O/S): Ah, see, now...

01:07:12:04 DR. LAM (CONT'D): ...whenever you preface what you're about to say with "I've been thinking", what you're actually doing is preparing me for some revelation you've just had, so should I be sitting down for this?

01:07:20:04 (LANDRY CHUCKLING)

01:07:21:10 LANDRY: It's been a while since I last spoke to your mother.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:07:24:09 DR. LAM: Yeah, a little over five years.

01:07:25:26 LANDRY: We were married for 12.

01:07:28:25 DR. LAM: What brought this on all of a sudden?

01:07:30:19 LANDRY: Well, I've been thinking about it ever since you came to work here,
about reaching out to your mother, at least opening up some kind of
communication with her.

01:07:40:21 DR. LAM: Okay. So how do you want to do this?

01:07:45:07 LANDRY: Well, I was thinking about giving her a call.

01:07:48:05 DR. LAM: Just like that? Just out of the blue?

01:07:49:17 LANDRY: No?

01:07:51:10 DR. LAM: Ooh. She's in Europe for a couple of weeks, so when she gets back,
why don't I call her and put in a good word for you?

01:08:00:11 LANDRY: Thank you.

01:08:02:12 DR. LAM: You're welcome.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:08:23:27 VALA: We've come all this way for nothing. The cargo ships won't be there, my father will have played you all for fools, and this will have been a giant waste of time.

01:08:31:14 MITCHELL: Not entirely. If the ships aren't there, we'll have called his bluff, and you can tell us that you were right all along.

01:08:37:17 VALA: You can bet I will.

01:08:40:07 (SHIP EXITING WORMHOLE)

01:08:49:07 MARKS: Entering high orbit. Scanning.

01:08:51:29 COLONEL DAVIDSON: What've we got?

01:08:53:09 MARKS (O/S): We're picking up only 12...

01:08:54:26 MARKS (CONT'D): ...life signs on the planet's surface.

01:08:56:10 COLONEL DAVIDSON: That's it?

01:08:57:10 MARKS: We're also picking up a significant concentration of naquadah.

01:09:00:13 CARTER (O/S): These readings...

01:09:01:10 CARTER (CONT'D): ...are through the roof.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:09:02:10 DANIEL: Looks like the intel is good.

01:09:05:03 MARKS (O/S): Sir, we're picking up movement.

01:09:06:09 CARTER: We've been detected.

01:09:07:14 CARTER (CONT'D O/S): They're making a break for it.

01:09:08:18 TEAL'C (O/S): Those ships...

01:09:09:00 TEAL'C (CONT'D): ...must not be allowed to escape.

01:09:10:18 COLONEL DAVIDSON: Lock onto their position and fire.

01:09:12:15 MARKS: Yes, sir.

01:09:14:05 (MISSILES FIRING)

01:09:17:18 MARKS: Missiles are tracking. Impact in five seconds. Four... three...

01:09:23:15 MARKS (CONT'D O/S): ...two... one... Impact.

01:09:27:10 (MISSILES EXPLODING)

01:09:30:26 MARKS: Sir? I'm reading a massive secondary explosion.

01:09:38:03 MITCHELL: How much naquadah was down there?

STARGATE SG-1 - "Family Ties" - Episode #1018

01:09:42:15 VALA (V/O): General, you're making a terrible mistake.

01:09:44:14 VALA (CONT'D): With all due respect. It's not too late to change your mind.

01:09:48:00 LANDRY: I made a deal. I'm not going back on my word.

01:09:50:20 VALA: Then might I suggest a more liberal interpretation of the agreement? For instance, the word "sanctuary" could mean anything from accommodations in an idyllic tropical setting to, say, a lifetime's incarceration in one of these planets'...

01:10:00:24 VALA (CONT'D O/S): ...more unpleasant penal facilities.

01:10:02:07 LANDRY (O/S): Forget it.

01:10:06:15 (STARGATE WHOOSHING, SIREN BLARING)

01:10:18:09 JACEK: Okay, I'll go back for the rest of my stuff later.

01:10:21:07 JACEK (CONT'D O/S): I tell you, travel is becoming more...

01:10:23:26 JACEK (CONT'D): ...and more difficult every day.

01:10:26:21 LANDRY: I'm General Landry. Jacek, welcome to Earth.

01:10:32:20 JACEK: A fresh start on a brand-new world. I...

STARGATE SG-1 - "Family Ties" - Episode #1018

01:10:35:16 JACEK (CONT'D O/S): ...have a feeling I'm going to like it here very much.

01:10:39:15 JACEK (CONT'D): Vala!

01:10:42:28 (VALA SIGHING)

END OF ACT ONE

ACT TWO

01:11:03:00 (KNOCKING)

01:11:04:14 VALA: Come in.

01:11:09:24 VALA (CONT'D): General!

01:11:13:00 LANDRY: This came for you today.

01:11:14:07 VALA (O/S): Oh, since when did you assume mail delivery duties at the base?

01:11:17:23 LANDRY: It's from your father.

01:11:20:15 VALA: Oh.

01:11:26:00 VALA (CONT'D): I'll just file that away for later.

01:11:30:05 LANDRY: It's been three weeks since he came to Earth...

01:11:33:06 LANDRY (CONT'D O/S): ...and you've ignored every attempt he's made to get in touch with you.

01:11:36:08 VALA: W-well, I've been... terribly busy.

01:11:43:25 LANDRY: I think family should always come first. I learned that the hard way.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:11:50:01 VALA: How? Were you absent for the first three years of your daughter's life because you were too busy running scams out of the Nylus sector?

01:11:57:22 LANDRY: No, but I did allow my career to take precedent over the things that should have been more important to me-- birthdays, anniversaries, my daughter's graduation.

01:12:13:14 VALA: No offense, General, but there really is no comparison. You had a legitimate occupation. My father's career choice was decidedly less noble. He'd be gone for months at a time, only...

01:12:26:27 VALA (CONT'D O/S): ...to return to lay low or to hide from the people he had swindled.

01:12:30:15 LANDRY: What were things like when he was at home?

01:12:39:10 VALA: Well, I actually looked forward to the times that he would grace us with his presence. I was young and he was my father.

01:12:48:05 VALA (CONT'D O/S): Sometimes he'd return late, in the middle of the night...

STARGATE SG-1 - "Family Ties" - Episode #1018

01:12:52:00 VALA (CONT'D): ...and I would wake to find him asleep at the foot of my bed. I was so excited, I couldn't wait until morning, and I would... prod him awake and make him tell me all about his great adventures. He'd always have something for me, too-- a fancy ring, a pretty necklace, things that he'd bring back from his many travels. I treasured those keepsakes-- memories of my father that I kept stored away under my bed... until I was old enough to see them for what they really were-- worthless trinkets meant to curry my favor.

01:13:27:29 LANDRY: He might feel differently about that.

01:13:32:00 VALA: You don't know him.

01:13:34:20 LANDRY: No. I don't. But I do know that he's spent every day of the last three weeks trying to get in touch with you, which tells me that you must be very important to him, possibly much more than you know.

01:14:03:00 LANDRY: You have some good memories of the times you spent together when you were a little girl. Those times count, too.

01:14:23:27 JACEK (O/S): Ah, Colonel Mitchell! Dr. Jackson. Thanks for coming. Entrez.

01:14:28:06 MITCHELL: We interrupting something?

01:14:30:00 JACEK (O/S): No, we're just enjoying a quiet little—

01:14:32:28 HAZEL (INTERRUPTING): B-10!

STARGATE SG-1 - "Family Ties" - Episode #1018

01:14:33:22 JACEK: Bingo!

01:14:35:05 (ELDERLY WOMEN EXCLAIMING INDISTINCTLY)

01:14:35:07 JACEK (CONT'D): All right, ladies. We've got to call it a day. Come on. Pay the winner. Read 'em and weep. All fair and square. Every Tuesday and Thursday, I host a little bingo afternoon for some of the seniors in the building. Gets them out of their apartments-- Thank you. No running in the hall. Gives them a chance to socialize. It's good for them. No loud parties after midnight. Bless their decrepit little hearts. That's it. Be careful. A lot of cross-traffic in the halls today. Whoa, whoa, Hazel! You're a little light. Money "confuses" her when it's going out. See you next time. Oh!

01:15:18:15 JACEK (CONT'D O/S): Uh, same time Thursday, and to make up for today, I'm waiving the cover charge. Yeah, settling in quite nicely, thanks.

01:15:25:26 DANIEL: Yeah, we've heard you haven't exactly been a model citizen.

01:15:30:25 JACEK: I'm not sure what you're referring to.

01:15:33:05 DANIEL: The charity phone scam. Little Pepito needs a new set of kidneys...

01:15:36:26 JACEK (O/S): Right. Well, see, uh, the Air Force provides me...

STARGATE SG-1 - "Family Ties" - Episode #1018

01:15:40:14 JACEK (CONT'D): ...with a mere pittance. It's hardly enough to live on. I'm just looking to supplement my income.

01:15:46:25 JACEK (CONT'D O/S): Okay, there've been a few lapses in judgment, but...

01:15:49:08 JACEK (CONT'D): ...darn it, I'm working on it, and I just wish Vala could see that. That's where you guys come in.

01:15:56:00 MITCHELL: Yeah, we figured that's why you asked us over.

01:15:59:05 JACEK: Well, you're her friends. She trusts you.

01:16:02:05 DANIEL: You want us to talk to her for you?

01:16:04:03 JACEK: Well, I was going to suggest tricking her into coming here, but if you really think talking will work...

01:16:14:07 JACEK (CONT'D): Please, guys. I really need to see my little girl.

01:16:18:10 JACEK (CONT'D O/S): If it's a matter...

01:16:19:06 JACEK (CONT'D): ...of expenses, uh, we can talk about that later, if you get my drift.

01:16:23:28 JACEK (CONT'D O/S): We're not putting anything on paper, of course, but give it some thought. I appreciate it.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:16:31:16 DR. LAM: Good news. Uh, I got a call from Mom, and she'll be in Colorado Springs on Friday.

01:16:37:25 LANDRY: She will?

01:16:38:01 DR. LAM (O/S): Yes, she's...

01:16:39:08 DR. LAM (CONT'D): passing through, and she's agreed to have dinner with you.

01:16:43:00 LANDRY: She has?

01:16:43:25 DR. LAM (O/S): Well, so long as I come along, yeah.

01:16:47:05 LANDRY: Oh.

01:16:49:02 DR. LAM: Okay, I thought you'd be thrilled.

01:16:50:06 LANDRY: Oh, no, I am. No, that's, uh... No, it's great news.

01:16:54:26 DR. LAM: Okay. So I'll make a dinner reservation for Friday night. Somewhere nice?

01:17:01:08 LANDRY: Yeah. Yeah.

01:17:02:24 DR. LAM (O/S): Okay.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:17:05:09 DR. LAM (CONT'D): Oh, and you know that brown sports jacket that you have
with the patches on the sleeves?

01:17:08:29 LANDRY: Mm-hmm.

01:17:10:08 DR. LAM: Don't wear that.

01:17:20:10 VALA (O/S): Where have you been?

01:17:21:01 DANIEL: Uh, your father's place.

01:17:23:06 VALA: So, he wanted you to talk to me on his behalf, didn't he?

01:17:27:10 MITCHELL (O/S): Yeah.

01:17:28:15 MITCHELL (CONT'D): Look, he really wants to—

01:17:29:25 VALA (INTERRUPTING O/S): You needn't bother.

01:17:30:21 DANIEL: Look, you two obviously have some unresolved issues--

01:17:32:28 VALA: I've already decided to pay him a visit.

01:17:38:09 (KNOCKING)

01:17:39:15 JACEK: Coming!

STARGATE SG-1 - "Family Ties" - Episode #1018

01:17:50:05 (KNOCKING)

01:17:50:25 JACEK (CONT'D O/S): I'm coming! Well...

01:17:55:10 JACEK (CONT'D): ...this is a surprise!

01:17:57:02 VALA: I have not come seeking reconciliation or some deeper understanding of your contemptible behavior in my formative years. I have come for one thing, and one thing only.

01:18:07:10 JACEK: Well...

01:18:07:21 JACEK (CONT'D): ...if it's chicken casserole, you're in luck because I just--

01:18:10:00 VALA (INTERRUPTING O/S): Catharsis.

01:18:11:14 VALA (CONT'D): To that end-- How dare you implicate yourself in my life after all these years? You were never there for mother, even though you always expected us to be there for you, whenever you needed a-a place to hide, or-or capital to help set up one of your latest scams. My life has been a constant struggle against the personal issues that you seeded.

01:18:32:19 VALA (CONT'D O/S): And now that I am at Stargate Command, and I am finally happy with who I am, you think you can come along and jeopardize everything I've worked...

STARGATE SG-1 - "Family Ties" - Episode #1018

01:18:39:05 VALA (CONT'D): ...so hard to achieve. Under no circumstances will I allow you to screw that up for me!

01:18:45:22 JACEK: Wow. Did you rehearse that?

01:18:50:15 VALA: A little.

01:18:55:22 VALA (CONT'D): Right. I'm done.

01:18:58:20 JACEK: That's it? You're going to leave? But I made pie!

01:19:02:06 VALA: Well, I've said everything I needed to say.

01:19:04:18 JACEK (O/S): But if it was just a matter of getting all that off your chest...

01:19:07:16 JACEK (CONT'D): ...you could have just as easily sent me a letter, but you went to the effort to come see me.

01:19:14:06 VALA: Coming here was only to please my friends at Stargate Command and stop them from giving me any more unsolicited advice.

01:19:21:02 JACEK: Yes, it must be wonderful to have friends who care about you, who support you in times of need...

01:19:26:11 JACEK (CONT'D O/S): ...who believe in you...

01:19:28:07 VALA: I earned their trust.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:19:30:01 JACEK: At least you had the opportunity. You won't even give me that.

01:19:34:16 VALA: You don't deserve it.

01:19:37:20 JACEK: I don't suppose there's anything I could say or do that would convince you
that I'm not lying, that I'm honestly trying to change.

01:19:47:10 VALA: No, there isn't.

01:19:52:05 JACEK: Well, then, before you go... this is for you.

01:19:57:18 JACEK (CONT'D O/S): I got it from a trader on Meronat.

01:20:00:02 JACEK (CONT'D): You know, that little world with the twin suns

01:20:03:09 JACEK (CONT'D O/S): I used to take you to.

01:20:06:00 VALA: I remember Meronat.

01:20:07:13 JACEK: Do you still have your little treasure box?

01:20:09:23 JACEK (CONT'D O/S): Where you would store all the gifts I used to bring you
when you were just a little girl?

01:20:14:11 VALA: No. I threw that away a long time...

STARGATE SG-1 - "Family Ties" - Episode #1018

01:20:17:21 VALA (CONT'D O/S): ...ago.

01:20:18:10 JACEK: Ah. I understand. Well, thanks for coming. And even though it's too late, I
want you to know... I'm sorry.

01:20:39:08 JACEK (CONT'D): Having second thoughts?

01:20:40:20 VALA (O/S): No.

01:20:41:22 VALA (CONT'D): I think the door is locked.

01:20:44:06 JACEK: Ah! It sticks a little.

01:20:49:26 JACEK (CONT'D): There you go.

01:20:51:25 VALA: Goodbye, Jacek.

01:20:53:26 JACEK: For once in the last 20 years, could you call me "Dad"?

01:20:59:22 VALA: You haven't earned that right yet.

01:21:05:21 JACEK: Yet.

01:21:07:20 VALA (O/S): I'll be in touch.

01:21:17:12 CARTER: Vala. I think you're going to want to see this. I found this on the internet.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:21:32:14 JACEK (V/O OVER SCREEN): It's time to tap into the source by unlocking the power of stardust.

01:21:37:20 (JACEK LAUGHING)

01:21:38:28 JACEK (V/O CONT'D OVER SCREEN): Yes, genuine stardust! The very same stardust celebrities and professional athletes use to tap into the power of the Alpha Force, the core energy of the universe! Tap into the source! Each specially treated vial contains four full grams of authentic stardust for only \$19.95. That's only \$19.95 for a vial of genuine stardust! Order now!

END OF ACT TWO

ACT THREE

01:22:24:00 JACEK (V/O CONT'D OVER SCREEN): It's time for you to tap into the source!
Order now!

01:22:31:25 JACEK (CONT'D): It wasn't real stardust.

01:22:34:11 MITCHELL: That's the point. You're running a scam.

01:22:37:18 JACEK (O/S): Oh...

01:22:38:01 JACEK (CONT'D): ...now, that's a matter of interpretation. The way I see it, I'm
selling people hope.

01:22:43:03 MITCHELL (O/S): No. You're...

01:22:44:15 MITCHELL (CONT'D): selling glitter shavings in a tube for 20 bucks a pop.

01:22:47:05 JACEK: Plus shipping and handling.

01:22:50:06 MITCHELL (O/S): Look... You are a guest of this planet, and as...

01:22:55:03 MITCHELL (CONT'D): ...long as you are a guest, you're going to follow some
rules.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:23:00:05 JACEK (O/S): Oh, come on. A guy's got to make a living. The next thing you know, you're going to tell me I can't publish my diet book. It's an "eat for your eye color" diet.

01:23:10:28 JACEK (CONT'D O/S): I just lined up a publisher.

01:23:12:12 MITCHELL: We're killing the book deal...

01:23:13:24 MITCHELL (CONT'D O/S): ...and if you keep this up, the next deal we kill is going to be the one with you.

01:23:18:00 JACEK: Fine. No more scams.

01:23:20:05 MITCHELL: Teal'c is waiting to escort you out.

01:23:22:27 JACEK: Yes, I... I appreciate this second chance.

01:23:27:10 MITCHELL (O/S): Third chance.

01:23:28:26 JACEK: Are you sure? I could've sworn it was... Oh, right. Pepito. Come this way!
Do you play poker? Are you familiar with the game, 21?

01:23:45:29 TEAL'C: May I offer you a word of advice?

01:23:48:25 JACEK: Hello! Hi. Any input that would help me better myself would be greatly appreciated.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:23:53:26 TEAL'C: Perhaps three words. Be less annoying. And if you have no intention of reforming your ways, which I suspect that you do not, perhaps it is best if you have nothing more to do with your daughter.

01:24:06:14 JACEK: Let me tell you something, big boy-- My daughter and I have an understanding, an unspoken bond that-- She'll get over it. Vala! Are you free on Friday night? Say yes! I got two tickets to this "Virginia Dialogues" show. I don't know much about it, but the tickets are very hard to get.

01:24:24:02 VALA (O/S): To think I was just starting to believe in you.

01:24:26:25 JACEK (O/S): I'm trying to change!

01:24:28:04 JACEK (CONT'D): It's an ongoing process! So, what are you doing Friday night?

01:24:46:05 VALA: That's the last of them.

01:24:47:20 DANIEL (O/S): Thank you. Vala? Um, have a seat, please? How're you doing?

01:24:59:19 VALA: Fine.

01:25:01:15 VALA (CONT'D O/S): Why wouldn't I be?

01:25:02:23 DANIEL: Well, you're obviously disappointed.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:25:05:14 VALA: Oh, right, yeah. No, not in Jacek. His actions didn't really surprise me. More in myself for even considering the possibility that he might be telling the truth.

01:25:15:04 DANIEL: Maybe he was.

01:25:15:15 VALA (O/S): No. He lied. He said he was trying to change.

01:25:18:05 DANIEL: Well, change isn't easy. I think you of all people should know that.

01:25:21:24 VALA: Right, so you want to draw parallels between him and I-- our equally disreputable pasts, our similar desires to reform.

01:25:30:04 DANIEL: Yeah, there's that.

01:25:32:02 VALA (O/S): Daniel, I'm a different person than I was two years ago because I genuinely...

01:25:35:16 VALA (CONT'D): ...wanted to change. I didn't see it as a means of escape.

01:25:39:29 DANIEL (O/S): No?

01:25:41:08 DANIEL (CONT'D): So, you're telling me your decision had nothing to do with the desire to stop running and live a semi-normal life?

01:25:48:15 VALA: You don't know Jacek the way I do.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:25:50:17 DANIEL (O/S): No, you're right. In fact, you probably know him better than you think.

01:25:54:02 DANIEL (CONT'D): After all, you better than anybody must know what it's like to have to resist the temptation of falling back on your old ways.

01:26:03:13 DANIEL (CONT'D): I'm sure it hasn't been easy for you, either.

01:26:08:05 (KNOCKING)

01:26:11:05 VALA: Jacek, it's Vala.

01:26:14:28 DANIEL: Should we come back?

01:26:16:20 VALA: No. Excuse me. Hmm. Too easy. Jacek? Dad?

01:26:42:07 DANIEL (O/S): Hello? He's not in here.

01:26:47:00 VALA (O/S): I knew it.

01:26:50:18 VALA (CONT'D): He's removed his ankle monitor. I told you-- he's been playing you for fools all along.

01:26:54:23 DANIEL: Actually, you were starting to believe him, too.

01:26:56:29 VALA: If he's decided to leave, it's unlikely we'll find him again.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:26:59:04 DANIEL: I wouldn't be so sure about that. During his initial physical, Dr. Lam implanted him with a subcutaneous transmitter. Just in case.

01:27:10:05 VALA: You didn't trust him, but you talked me into coming here anyway?

01:27:13:06 DANIEL (O/S): Hey, he's not my father. (INTO PHONE): Sam, it's Daniel.

01:27:22:25 MITCHELL: What's going on?

01:27:24:03 CARTER: Jacek's on the run. His locator signal places him approximately six miles west of Colorado Springs.

01:27:30:03 TEAL'C: Have we dispatched a team to the area?

01:27:32:00 CARTER: Yeah, Daniel and Vala just got there.

01:27:34:00 CARTER (INTO RADIO): Daniel?

01:27:35:21 DANIEL (INTO PHONE): We've parked and we're proceeding on foot.

01:27:46:18 CARTER (INTO PHONE): You're headed right for him.

01:27:54:04 JACEK: Well, I-let's start over again. There's seven total. Three for you, three for me, one for me-- it's for the house, as we call it.

01:28:01:21 DANIEL: I didn't know your father had any friends here on Earth.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:28:04:18 VALA: Neither did I.

01:28:05:22 JACEK: You can't go back on this deal. We had an arrangement. Do you have
a...

01:28:10:12 JACEK (CONT'D O/S): ...superior I could talk to?

01:28:12:05 DANIEL: Jacek!

01:28:13:00 (ZAT FIRING)

01:28:13:20 (GUN FIRING)

01:28:28:10 VALA: Jaffa.

END OF ACT THREE

ACT FOUR

01:28:50:18 CARTER (O/S): Jacek was carrying that with him. It's a short-range communicator he probably used to contact the Jaffa.

01:28:55:09 VALA: No doubt he snuck it in with his personal effects.

01:28:57:23 MITCHELL: Turns out we didn't destroy all of the ships intended for the attack.

01:29:01:24 MITCHELL (CONT'D O/S): One of them was dispatched early, and it's been sitting somewhere here on Earth...

01:29:06:10 MITCHELL (CONT'D): ...waiting for the order to strike.

01:29:07:26 LANDRY: And he knew this all along?

01:29:10:10 DANIEL (O/S): He got his intel from some heavily involved Jaffa...

01:29:11:29 DANIEL (CONT'D): ...who were having second thoughts about the whole thing. Apparently, he knew them from some weapon smuggling operation he used to run.

01:29:17:27 CARTER (O/S): He found out about the cargo ships...

01:29:19:22 CARTER (CONT'D): ...and made the deal with us so he could come to Earth...

STARGATE SG-1 - "Family Ties" - Episode #1018

01:29:21:22 MITCHELL: Where he made a deal with the Jaffa-- They'd give him the naquadah, he would sell it, and they would split the proceeds. Nice and tidy.

01:29:29:02 LANDRY: Where's this cargo ship located?

01:29:31:05 MITCHELL: He doesn't know. The Jaffa he was with was his contact, and he's gone, so...

01:29:34:24 VALA: Can't we just locate this cargo ship the same way we did the others?

01:29:37:13 DANIEL: No, that won't work this time. This particular cargo ship is cloaked, so doing an orbital scan won't reveal any trace of the naquadah.

01:29:42:29 CARTER (O/S): But Jacek claims that...

01:29:44:02 CARTER (CONT'D): ...Arkad marked the naquadah to make sure that none of his men would try to double-cross...

01:29:47:05 CARTER (CONT'D O/S): ...him. He says he can calibrate our detection systems...

01:29:50:12 CARTER (CONT'D): ...to pick up its unique energy signature.

01:29:53:26 VALA (O/S): Just out of interest...

01:29:54:26 VALA (CONT'D): ...what did he ask for in return?

STARGATE SG-1 - "Family Ties" - Episode #1018

01:30:46:25 JACEK (CONT'D O/S): I was expecting more.

01:30:48:18 CARTER: Well, at times, so do we, but the truth is, the Stargate program just
doesn't get the support it used to from the people in charge.

01:30:56:01 JACEK: Why not?

01:30:56:16 DR. LEE (O/S): Eureka!

01:30:58:10 DR. LEE (CONT'D): One down, 12 to go.

01:31:02:05 JACEK: That's too bad, because... after all your Stargate program has
accomplished for this network of planets, I would think the decision-
makers would show it the respect it deserves.

01:31:13:15 CARTER: Yeah.

01:31:15:04 JACEK: Say, how would you like to go out to dinner...

01:31:19:19 JACEK (CONT'D O/S): ...with me once this is all over?

01:31:22:23 CARTER: Oh, I don't think so.

01:31:24:14 JACEK: Why not?

STARGATE SG-1 - "Family Ties" - Episode #1018

01:31:25:28 CARTER: Well, I'm an incredibly busy person with very little free time. Oh... and you're a jerk.

01:31:32:26 JACEK: Oh. Of course there's that. Look, I'm sorry I had to trick you, but if you'd known what I had planned, you would have never let me on this planet.

01:31:42:07 CARTER (O/S): I'm talking about the way you treated Vala. To think that for the first...

01:31:45:16 CARTER (CONT'D): ...time since she was a child she was actually beginning to trust you...

01:31:51:09 (PHONE RINGING)

01:31:55:15 LANDRY (INTO PHONE): Hello?

01:31:56:12 DR. LAM (INTO PHONE): Hi. Just calling to remind you about dinner tonight.

01:31:59:05 LANDRY (V/O OVER PHONE): Dinner? Tonight?

01:32:02:05 DR. LAM (INTO PHONE): You forgot?

01:32:04:18 LANDRY (INTO PHONE): No, no. No. It's just that something very important has come up.

01:32:08:20 LANDRY (V/O OVER PHONE): I think we might be better off rescheduling.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:32:11:00 DR. LAM (INTO PHONE): Mom heads back tomorrow morning. We can't reschedule.

01:32:13:16 LANDRY (INTO PHONE): I'm dealing with a major situation here.

01:32:20:02 DR. LAM (INTO PHONE): Okay. What do you want me to tell her?

01:32:27:10 LANDRY (INTO PHONE): Tell her I'll be there.

01:32:31:03 (KNOCKING)

01:32:33:01 CARTER: Sir, we've finished calibrating the device and we've got a lock on their location. They're approximately 30 miles outside of... Cheyenne Mountain.

01:32:45:04 CARTER (CONT'D): It seems that one of the targets was the stargate.

01:32:52:24 LANDRY (O/S): Tell them I'll send in some tactical units.

01:32:55:10 JACEK: I wouldn't.

01:32:56:19 JACEK (CONT'D O/S): If the Jaffa suspect they're about to be compromised, I have...

01:33:00:10 JACEK (CONT'D): ...no doubt they'll detonate the naquadah. Uh, I would suggest using a little stealth and cunning to take them off-guard...

STARGATE SG-1 - "Family Ties" - Episode #1018

01:33:07:28 JACEK (CONT'D O/S): ...and I'd be happy to help out.

01:33:09:20 LANDRY: No, thanks.

01:33:11:15 JACEK: Well, like it or not, you're going to need my help. Some of these Jaffa know me. They trust me. And there's also the matter of the rigged cargo ship.

01:33:22:08 CARTER: This is the first I've heard of it, sir.

01:33:24:11 JACEK: Are you sure? I thought I'd mentioned it.

01:33:28:01 JACEK (CONT'D O/S): According to Te'rak, the cargo ship is rigged to blow...

01:33:31:25 JACEK (CONT'D): ...in the event anyone tries to move it.

01:33:35:08 JACEK (CONT'D O/S): Now, fortunately for...

01:33:36:25 JACEK (CONT'D): ...you, I have the override code.

01:33:41:10 JACEK (CONT'D O/S): Please, General, let me...

01:33:42:22 JACEK (CONT'D): help. Give me this one final shot at redemption.

01:33:51:10 JACEK (CONT'D): This is nice. It reminds me of that afternoon we spent on Serras-Dia.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:33:56:22 VALA: Running for our lives from the authorities?

01:33:59:17 JACEK: You've got to admit, it was great daddy-daughter time.

01:34:02:05 VALA: As I recall, we would not have been on the run had you not been greedy
and gone back for seconds.

01:34:06:26 JACEK: I couldn't help myself.

01:34:08:17 VALA: You know, you couldn't even pull off this simple naquadah deal without
complicating things with your silly little side scams. You always were so
sloppy.

01:34:16:10 CARTER (V/O OVER RADIO): Vala?

01:34:20:00 VALA (INTO RADIO): Yes, Sam?

01:34:21:08 CARTER (INTO RADIO): The naquadah signal is emanating approximately a half-
mile north of your position.

01:34:25:08 VALA (V/O OVER RADIO): I'll confirm visual sighting. Requesting radio silence.

01:34:30:28 TEAL'C (V/O OVER RADIO): Stargate Command, this is Teal'c. I have delivered
the package to the appointed area.

01:34:35:24 LANDRY (INTO RADIO): Good. Keep me apprised of any developments.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:34:40:25 HARRIMAN: Sir, do you have to be somewhere?

01:34:48:20 JACEK: Whatever happened to that boy you used to like? The one whose father was a merchant? I always thought you two would end up together.

01:34:54:19 VALA: Veron Karn? We were 10, and he moved away.

01:34:59:03 JACEK: Oh, that's too bad. I saw a lot of potential in him.

01:35:01:20 VALA: Can you stop trying to endear yourself to me? As far as I'm concerned, you're a lost cause, and I wouldn't be surprised if you were somehow involved in Arkad's plot against Earth.

01:35:09:10 JACEK: That would be low, even for me.

01:35:11:05 VALA: I have no idea what you're capable of.

01:35:13:20 (ENERGY SURGING)

01:35:19:15 JACEK (O/S): Uh...

01:35:19:21 JACEK (CONT'D): ...hey, fellas. It's me, Jacek.

01:35:24:00 JACEK (CONT'D O/S): Uh, me and my partner...

01:35:25:17 JACEK (CONT'D): ...actually, my daughter-- isn't she pretty? We're here to check out the merchandise. Is that okay?

STARGATE SG-1 - "Family Ties" - Episode #1018

01:35:31:00 DE'VIR (O/S): There's been a change of plans...

01:35:32:09 DE'VIR (CONT'D): ...Jacek, and unfortunately, you're no longer part of this new
arrangement.

END OF ACT FOUR

ACT FIVE

01:36:02:05 VALA (V/O OVER RADIO): Oh, Jacek, you idiot.

01:36:03:17 DANIEL: That's the signal.

01:36:05:07 MITCHELL: Let's go.

01:36:13:28 VALA: There's no need for you to carry on with your attack, because Arkad is
dead...

01:36:18:17 VALA (CONT'D): ...and there's no need to sacrifice yourselves.

01:36:20:19 JACEK: Or the naquadah. Let's talk deal.

01:36:23:08 DE'VIR (O/S): I believe that was Te'rak's intention...

01:36:25:25 DE'VIR (CONT'D): ...before he disappeared.

01:36:28:15 JACEK: Really? I hope he's all right. He, he probably just got lost. These woods
are very confusing. You can get turned around...

01:36:35:04 JACEK (CONT'D O/S): ...so easily.

01:36:35:25 DE'VIR: Enough!

01:36:38:10 JACEK: Wait. I can't watch my daughter die.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:36:44:11 JACEK (CONT'D): I can't watch me die either.

01:36:46:25 (WEAPON SURGING)

01:36:51:24 (GUN FIRING)

01:36:54:24 (GUNS FIRING)

01:36:55:29 JACEK: Thanks, honey!

01:36:57:15 (GUNS FIRING)

01:36:58:26 MITCHELL: Vala! Get to the ship!

01:37:00:20 (GUNS FIRING)

01:37:19:15 (METAL CLANKING)

01:37:24:05 VALA (O/S INTO RADIO): I've located the cargo ship.

01:37:27:06 JACEK (O/S): Hold it.

01:37:29:11 JACEK (CONT'D): The naquadah on that ship is rigged to blow unless I input the
override code Te'rak...

01:37:33:13 JACEK (CONT'D O/S): ...gave me.

STARGATE SG-1 - "Family Ties" - Episode #1018

01:37:34:13 VALA: All right. I'm coming with you.

01:37:36:10 JACEK: No, I'm not going to risk your life too.

01:37:40:00 JACEK (CONT'D): Listen to your father for once.

01:37:44:15 JACEK (CONT'D O/S): Here.

01:37:44:25 JACEK (CONT'D): In case... I don't make it.

01:38:23:20 JACEK (CONT'D O/S): Aw, drat!

01:38:28:15 (SHIP POWERING, DECLOAKING)

01:38:37:02 (SHIP FLYING)

01:38:39:23 VALA (INTO RADIO): Jacek?

01:38:44:05 JACEK (INTO RADIO): Sorry, sweetheart. There never was an override code.
Take care of yourself. Daddy loves you!

01:39:01:09 VALA (O/S): Hey.

01:39:03:00 (VALA GROANING)

01:39:10:23 VALA (CONT'D): You okay?

01:40:35:15 LANDRY: We do, Kim.

01:40:43:14 JACEK: Well, you've had long enough to look over the merchandise. What are you offering for this cargo ship full of weapons-grade...

some show.

01:43:20:00 VALA (O/S): Hmm.

01:43:26:15

FEMALE SPEAKER (O/S): My girlfriends and I talk about a lot of things. There's just one topic we rarely discuss-- vaginas. And I asked myself-- why is that? Why don't we talk about vaginas? Why are work and kids and holiday plans more acceptable topics of conversation than our own vaginas? And I didn't have an answer, so I took it upon myself to find out. I started to talk about vaginas at work, at home, sometimes even at fancy restaurants. Soon, my friends started to talk about vaginas as well, and it was only a matter of time before it became a hot conversation topic. No matter where I went, it was "vagina this" and "vagina that", vagina, vagina, vagina!
